AN ACT to amend the administrative code of the city of New York, in relation to requiring the New York city department of corrections and the New York city health and hospitals corporation to adopt safety policies and training to protect health care workers

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. The administrative code of the city of New York is amended by adding a new section 9-167 to read as follows:

§ 9-167 Health care worker safety policy; reports. a. Definitions. As used in this section, the following terms shall have the following meanings:

1. "Correctional health services" means the division of the New York city health and hospitals corporation responsible for the delivery of health and mental health services to incarcerated individuals in the custody of the department, and any other health care entity designated by the city of New York as the agency or agencies responsible for health services for incarcerated individuals in the care and custody of the department, including an outside provider sharing such responsibilities.

2. "Health care worker" means a health care professional employed by correctional health services or another entity described in paragraph one of this subdivision who regularly provides health and mental health services to incarcerated individuals in the custody of the department. Such term shall include dentists, physical therapists and subcontractors of any health care entity designated by the city of New York as the agency or agencies responsible for health services for incarcerated

1 individuals in the care and custody of the department, including an
2 outside provider.

3 3. "Hospitals corporation" or "corporation" means the New York city
4 health and hospitals corporation.

5 4. "Special officer" means a peace officer appointed pursuant to
6 subdivision forty of section 2.10 of the criminal procedure law and
7 employed by the city of New York or the New York city health and hospi-
8 tals corporation to perform the patrol, investigation, and maintenance
9 of the peace duties of special officer, senior special officer and
10 hospital security officer.

11 b. Health care worker safety policy. 1. The department, in collab-
12 oration with correctional health services shall develop and implement a
13 joint health care worker safety policy to protect health care workers
14 from assault and other violent incidents during the provision of
15 services to incarcerated individuals. Such policy shall establish a
16 minimum standard of care for health care worker safety which shall, at
17 minimum:

18 2. Require yearly training for all uniformed staff of the department
19 and all special officers as defined in paragraph four of subdivision a
20 of this section regarding minimum standards necessary to secure an
21 incarcerated individual in the presence of a health care worker.

22 3. Establish protocols in consultation with stakeholders such as
23 health care employee unions, advocacy and community groups, for requir-
24 ing uniformed staff of the department and all special officers to inform
25 all health care workers who will or are likely to come into contact with
26 an incarcerated individual with a history of violent or aggressive
27 behavior whenever such individual is admitted to a hospital or other
28 medical facility. Such protocols shall be reviewed, and modified if
29 deemed necessary, by the department and health care providers on an
30 annual basis to ensure such protocols are adequate to protect health
31 care workers.

32 c. Reporting. 1. No later than ninety days after the effective date of
33 this section, and every six months thereafter, the department and
34 correctional health services shall publish a joint report on the health
35 care worker safety policy, which shall include but not be limited to a
36 review of any new rules and regulations promulgated or amended pursuant
37 thereto, and an evaluation of compliance with the policy at each correc-
38 tional facility and any medical facility subject to the provisions of
39 this chapter.

40 2. No later than nine months after the effective date of this section
41 and annually, the department and correctional health services shall
42 prepare and submit a report to the legislature. Such report shall
43 include a copy of every joint report published pursuant to paragraph two
44 of this subdivision during the twelve months preceding the date on which
45 the report required pursuant to this paragraph is due and any related
46 materials, together with any recommendations or proposals relating to
47 health care worker safety. Such report shall include an analysis of
48 whether certain punitive measures, including but not limited to the
49 imposition of a higher maximum sentence of imprisonment for assault on a
50 health care worker by an incarcerated individual, and/or provisions for
51 the extension of such an individual's current sentence should be consid-
52 ered by the legislature as a deterrent to such assaults.

53 d. Private right of action. 1. The department, the corporation, or
54 both such department and corporation shall be liable for damages to any
55 health care worker who suffers injuries as a result of any failure to

1 enforce or comply with minimum standards of care established pursuant to
2 subdivision b of this section.

3 2. A health care worker aggrieved by a violation of paragraph one of
4 this subdivision and subdivision b of this section shall have a cause of
5 action in any court of competent jurisdiction against the department,
6 the corporation or both such department and corporation.

7 § 2. This act shall take effect immediately.
