AN ACT to amend the environmental conservation law, in relation to prohibiting the sale of products that contain intentionally added PFAS

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. Article 37 of the environmental conservation law is amended by adding a new title 4 to read as follows:

### TITLE IV

#### PRODUCTS CONTAINING PERFLUOROALKYL AND POLYFLUOROALKYL SUBSTANCES

##### Section 37-0401. Definitions.

37-0403. Prohibition on sale of covered products.

37-0405. Required notification.

37-0407. Violations.

##### § 37-0401. Definitions.

For purposes of this title, the following terms have the following definitions:

1. "Covered product" means textile articles, rugs, fabric treatments, cookware, ski waxes, architectural paints, children's products, cleaning products, anti-fogging sprays and wipes, or a component thereof.

2. "Perfluoroalkyl and polyfluoroalkyl substances" or "PFAS" means a class of fluorinated organic chemicals containing at least one fully fluorinated carbon atom.

3. "Regulated perfluoroalkyl and polyfluoroalkyl substances" or "regulated PFAS" means PFAS that are:

EXPLANATION--Matter in italics (underscored) is new; matter in brackets [-] is old law to be omitted.

LBD04738-05-4

1 (a) an intentionally added chemical as defined in subdivision eleven  
2 of section 37-0901 of this article; or

3 (b) present in a product or product component at or above the practi-  
4 cal quantitation limit, as measured in total organic fluorine.

5 4. "Architectural paint" means interior and exterior architectural  
6 coatings; provided, however, that "architectural paint" shall not  
7 include industrial, original equipment or specialty coatings.

8 5. "Children's products" means a product as defined in section 37-0901  
9 of this article.

10 6. (a) "Cleaning product" means a finished product that is an air care  
11 product, automotive product, general cleaning product, or a polish or  
12 floor maintenance product used primarily for janitorial, domestic, or  
13 institutional cleaning purposes.

14 (i) "Air care product" means a chemically formulated consumer product  
15 labeled to indicate that the purpose of the product is to enhance or  
16 condition the indoor environment by eliminating unpleasant odors or  
17 freshening the air.

18 (ii) "Automotive product" means a chemically formulated consumer prod-  
19 uct labeled to indicate that the purpose of the product is to maintain  
20 the appearance of a motor vehicle, as defined in section one hundred  
21 twenty-five of the vehicle and traffic law, including products for wash-  
22 ing, waxing, polishing, cleaning, or treating the exterior or interior  
23 surfaces of motor vehicles. "Automotive product" does not include auto-  
24 motive paint or paint repair products.

25 (iii) "General cleaning product" means a soap, detergent, or other  
26 chemically formulated consumer product labeled to indicate that the  
27 purpose of the product is to clean, disinfect, or otherwise care for  
28 fabric, dishes, or other wares; surfaces including, but not limited to,  
29 floors, furniture, countertops, showers, and baths; or other hard  
30 surfaces, such as stovetops, microwaves, and other appliances.

31 (iv) "Polish or floor maintenance product" means a chemically formu-  
32 lated consumer product, such as polish, wax, a stripper, or a restorer,  
33 labeled to indicate that the purpose of the product is to polish,  
34 protect, buff, condition, temporarily seal, strip, or maintain furni-  
35 ture, floors, metal, leather, or other surfaces.

36 (b) "Cleaning product" shall not mean any of the following:

37 (i) Foods, drugs, and cosmetics, including personal care items such as  
38 toothpaste, shampoo, and hand soap.

39 (ii) Industrial products specifically manufactured for, and exclusive-  
40 ly used in the following: oil and gas production; steel production;  
41 heavy industry manufacturing; industrial water treatment; industrial  
42 textile maintenance and processing other than industrial laundering;  
43 food and beverage processing and packaging; or other industrial manufac-  
44 turing processes.

45 7. "Cookware" means durable items that are used in homes, restaurants,  
46 institutional, and commercial kitchens to prepare, dispense, or store  
47 food, foodstuffs, or beverages for indoor or outdoor use. "Cookware"  
48 includes, but is not limited to, pots, pans, skillets, grills, baking  
49 sheets, baking molds, trays, bowls, camping gear, and cooking utensils.

50 8. "Fabric treatment" means a substance applied to a fabric for stain,  
51 grease, or water resistance.

52 9. "Manufacturer" means any person that manufactures a product or  
53 whose brand name is affixed to the product. In the case of a product  
54 imported into the United States, "manufacturer" includes the importer or  
55 first domestic distributor of the product if the person that manufac-

1 tured or assembled the product or whose brand name is affixed to the  
2 product does not have a presence in the United States.

3 10. "Rugs" means any consumer products made from natural or synthetic  
4 fabric intended to be used as a floor covering, other than carpets, and  
5 includes handmade rugs, area rugs, or mats.

6 11. "Ski wax" means a lubricant applied to the bottom of snow runners,  
7 including skis and snowboards, to improve their grip and glide proper-  
8 ties.

9 12. "Textile" means any item made in whole or in part from a natural,  
10 man-made, or synthetic fiber, yarn, or fabric. Textile includes, but is  
11 not limited to, the following: leather, cotton, silk, jute, hemp, wool,  
12 viscose, nylon, or polyester. "Textile" does not include single-use  
13 paper hygiene products, including, but not limited to, toilet paper,  
14 paper towels or tissues, or single-use absorbent hygiene products. For  
15 the purposes of this subdivision, "single-use" means conventionally  
16 disposed of after a single use or not sufficiently durable or washable  
17 to be, or not intended to be, reusable or refillable.

18 13. "Textile articles" means non-wearable textile goods, footwear,  
19 costumes and accessories. For the purposes of this title, textile arti-  
20 cles do not include rugs or personal protective equipment.

21 14. "Non-wearable textile goods" means textile goods of a type custom-  
22 arily used in households and businesses that are not customarily worn.  
23 Textile articles include, but are not limited to, handbags, backpacks,  
24 draperies, shower curtains, furnishings, upholstery, beddings, towels,  
25 napkins, and tablecloths.

26 15. "Anti-fogging sprays and wipes" means any product, including a  
27 spray, cloth, wipe or other material, that is intended to prevent  
28 condensation on eyeglasses.

29 § 37-0403. Prohibition on sale of covered products.

30 1. Commencing on January first, two thousand twenty-six, no person  
31 shall distribute, sell, or offer for sale in the state any covered prod-  
32 uct that contains regulated perfluoroalkyl and polyfluoroalkyl  
33 substances.

34 2. The prohibition on distribution, sale or offer of sale in this  
35 title does not apply to the sale or resale of used products.

36 § 37-0405. Required notification.

37 1. A manufacturer of a covered product sold into the state shall  
38 provide persons that offer the product for sale or distribution in the  
39 state with a certificate of compliance. The certificate of compliance  
40 shall provide assurance, at a minimum, that the product does not contain  
41 any intentionally added PFAS. Any certificate of compliance provided  
42 under this section shall be signed by an authorized official of the  
43 manufacturer.

44 2. If regulated perfluoroalkyl or polyfluoroalkyl or PFAS are discov-  
45 ered in the covered product after the issuance of the certificate of  
46 compliance, the manufacturer shall recall the covered product and reim-  
47 burse the distributor or retailer for the covered product.

48 § 37-0407. Violations.

49 1. A violation of any of the provisions of this title or any rule or  
50 regulation promulgated pursuant thereto shall be punishable in the case  
51 of a first violation, by a civil penalty not to exceed ten thousand  
52 dollars. In the case of a second and any further violation, the liabil-  
53 ity shall be for a civil penalty not to exceed twenty-five thousand  
54 dollars for each violation.

55 2. If the department has reason to believe that a covered product  
56 contains regulated perfluoroalkyl and polyfluoroalkyl substances and is

1 being distributed, sold, or offered for sale in violation of this  
2 section, the department shall direct the manufacturer of the covered  
3 product to, within thirty days:

4 (a) provide the department with independent, third-party laboratory  
5 test results demonstrating that the covered product does not contain  
6 regulated PFAS; or

7 (b) notify persons who sell that covered product in this state that  
8 the sale of that covered product is prohibited in this state and provide  
9 the department with a list of the names and addresses of those notified.

10 3. A distributor or retailer of a product, who is not also the  
11 manufacturer of the product, shall not be held in violation of this  
12 title if it can show that he or she relied in good faith on the certif-  
13 icate of compliance provided for in subdivision one of section 37-0405  
14 of this title or the retailer received a notification pursuant to subdi-  
15 vision two of this section.

16 4. The department shall make information about any citation issued  
17 pursuant to this section available to the public on its internet  
18 website.

19 § 2. This act shall take effect immediately.
