1 with the concurrence of the legislative body of such local government,  
2 or the legislative body by a vote of two-thirds of its total voting  
3 power without the approval of such officer, may request the legislature  
4 to pass a specific bill relating to the property, affairs or government  
5 of such local government which does not in terms and in effect apply  
6 alike to all counties, all counties other than those wholly included  
7 within a city, all cities, all towns or all villages, as the case may  
8 be. Such a request may be made separately by two or more local govern-  
9 ments affected by the same bill. Every such request shall declare that a  
10 necessity exists for the passage of such bill by the legislature and  
11 shall recite the facts establishing such necessity. The form of request  
12 and the manner of its communication to the legislature shall conform to  
13 rules promulgated by concurrent resolution of the senate and assembly  
14 pursuant to article three-A of the legislative law. In adopting such a  
15 request the legislative body shall be governed by the provisions of  
16 subdivision one of section twenty of this chapter with regard to the  
17 adoption of a local law. The validity of an act passed by the legisla-  
18 ture in accordance with such a request shall not be subject to review by  
19 the courts on the ground that the necessity alleged in the request did  
20 not exist or was not properly established by the facts recited.

21 Provided however, any request of local governments for enactment of laws  
22 which increases, extends, imposes or revives any tax, fee, assessment or  
23 surcharge shall require the vote of two-thirds of the total voting power  
24 of the legislative body of such local government.

25 § 4. This act shall take effect immediately.
