

STATE OF NEW YORK

5752

2023-2024 Regular Sessions

IN SENATE

March 15, 2023

Introduced by Sen. PARKER -- read twice and ordered printed, and when printed to be committed to the Committee on Education

AN ACT directing the commissioner of education for the state of New York to revamp the structure of school districts statewide creating one school district per county; and to repeal certain provisions of the education law relating thereto

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Legislative findings and declaration. The legislature
2 hereby finds and declares that New York state spends more money per
3 student than any other state in the nation, but ranks thirty-ninth in
4 high school graduation rates. Only seventy-three percent of New York's
5 students graduate from high school and only thirty-seven percent are
6 college ready. The legislature finds that New York students are not
7 adequately prepared to compete in the global economy and that changes
8 must be made to the education system in order to reverse these statis-
9 tics and prepare students to compete in the global economy. The legisla-
10 ture also finds and declares that New York has struggled for several
11 decades with the ongoing process of reorganizing our school district
12 system in a way that provides a solution to the negative effects of
13 declining school enrollment, broadens the scope of program offerings,
14 facilitates optimum class scheduling, increases professional resources,
15 and alleviates heavy tax burdens. The legislature therefore directs the
16 commissioner of education to reorganize the school districts in a manner
17 that adequately addresses the shortcomings of the current education
18 system and prepares each and every student to excel in today's global
19 economy.

20 § 2. The commissioner of the New York state department of education
21 shall establish and implement a new school district system statewide
22 consisting of one school district per county in each of the state's
23 sixty-two counties. The resulting sixty-two school districts shall

5 er of the New York state department of education shall submit a report
6 proposing implementing legislation to effect and fund the consolidation
7 of school districts as proposed in this act. Such report shall be
8 provided to the governor, the speaker of the assembly, the temporary
9 president of the senate, the assembly minority leader, the senate minor-
10 ity leader and the chairpersons and ranking members of the senate and
