9 voter. The single, uniform, official, centralized, interactive, comput-
10 erized statewide voter registration database system required by this
11 section shall be referred to as the "centralized statewide registration
12 system".

13 2. The centralized statewide registration system and the computerized

15 applicable requirements specified in section 303 of the federal "Help
16 America Vote Act of 2002", Pub.L. 107-252, codified at 42 U.S.C. sec.

20 board of elections shall maintain voter registration information by
21 utilizing the centralized statewide registration system developed or
22 acquired by the state board of elections under subdivision one of this
23 section. Prior to the implementation of the computerized statewide voter
24 registration list required by subdivision one of this section, if the
25 county chooses to maintain voter registration information on its own
26 computer system, the information required by law to be transmitted to
27 the New York state board of elections shall be transmitted in a media
28 format acceptable to the New York state board of elections and within
29 the time prescribed by the New York state board of elections.

30 4. (a) The centralized statewide registration system shall enable the
31 state board of elections to maintain voter registration information and
32 shall include such additional capabilities as may be necessary or desir-
33 able to enable the county boards of elections and the state board of
34 elections to carry out their responsibilities related to the conduct of
35 elections. Such additional capabilities may include but need not be
36 limited to the preparation of ballots, the identification of voting
37 districts for each address, access by county boards of elections to the

44 boards of election to the state board of elections, and reporting of
45 voting results on election night; and

46 (ii) access to the digitized signatures of electors in the centralized
47 statewide registration system for the purpose of comparing an elector's
48 signature in the system with the signature on the return envelope of an
49 absentee ballot, including by using a signature verification.

50 5. (a) Subject to available appropriations, the state board of
51 elections is responsible for the cost of acquiring computer hardware and
52 providing necessary training for the centralized statewide registration
53 system. The state board of elections shall promulgate rules specifying
54 whether such hardware is owned by the state or the counties or whether
55 and to what extent ownership may be shared between the state and the
56 counties. If the state provides system hardware to any county, it may

1 transfer ownership of the hardware to that county. The state board of
2 elections may promulgate rules providing that the county shall be solely
3 responsible for the support and maintenance of the hardware provided to
4 the counties.

5 (b) Within four years of the effective date of this section the state
6 board of elections shall make the centralized statewide registration
7 system software available at no charge to each county board of
8 elections.

9 (c) As soon as practicable, the department of state shall make the

17 who is an employee of the board of elections or who has been appointed
18 to serve as an inspector of elections, poll clerk or election coordina-
19 tor at a polling place other than the one at which he or she is regis-
20 tered to vote, may deliver to the inspectors of election of the election
21 district in which he or she is registered, or to the board of elections,
22 at any time during the period in which an application for an absentee
23 ballot may be so delivered pursuant to the provisions of this chapter, a
24 written statement that he or she will be unable to appear at the polling
25 place for such election district on the day of an election because his
26 or her duties as an employee of such board or as an inspector, poll
27 clerk or election coordinator require him or her to be elsewhere. The
28 board of elections shall provide such voter a special ballot any time
29 prior to the close of the polls on election day, provided however that
30 the distribution of such ballots to such voters shall be timed to afford
31 such voters sufficient time to cast such ballots prior to the close of
32 the polls on election day. Absent affirmative proof of fraud such
33 ballots shall be presumed valid and cast. Such cast ballots may be
34 delivered to an office of such board of elections or to any board of
35 inspectors not later than the close of the polls on election day. Such
36 ballots shall be retained at the board of elections and cast and
37 canvassed pursuant to the provisions of section 9-209 of this chapter.

38 § 10. Subparagraph (ii) of paragraph (e) of subdivision 3 of section
39 8-302 of the election law, as amended by section 8 of part XX of chapter
40 55 of the laws of 2019, is amended to read as follows:

41 (ii) He or she may swear to and subscribe an affidavit stating that he
42 or she has duly registered to vote, the address in such election
43 district from which he or she registered, that he or she remains a duly
44 qualified voter in such election district, that his or her registration
45 poll record appears to be lost or misplaced or that his or her name
46 and/or his or her signature was omitted from the computer generated
47 registration list or such record indicates the voter already voted when
48 he or she did not do so or that he or she has moved within New York
49 state since he or she last registered, [~~the address from which he or she~~
50 ~~was previously registered and~~] the address at which he or she currently
51 resides, and at a primary election, the party in which he or she is

53 each such voter whose residence address is in such election district.
54 Each such affidavit shall substantially comply with and be in a form
55 prescribed by the state board of elections, shall be printed on an
56 envelope of the size and quality used for an absentee ballot envelope,

1 and shall contain an acknowledgment that the affiant understands that
2 any false statement made therein is perjury punishable according to law.
3 Such form prescribed by the state board of elections shall request
4 information required to register such voter should the county board
5 determine that such voter is not registered and shall constitute an
6 application to register to vote. The voter's name and the entries
7 required shall then be entered without delay and without further inquiry
8 in the fourth section of the challenge report or in the place provided
9 in the computer generated registration list, with the notation that the
10 voter has executed the affidavit hereinabove prescribed, or, if such
11 person's name appears in such registration list, the board of elections
12 may provide a place to make such entry next to his or her name in such
13 list. The voter shall then, without further inquiry, be permitted to
14 vote an affidavit ballot provided for by this chapter. Such ballot shall
15 thereupon be placed in the envelope containing his or her affidavit, and
16 the envelope sealed and returned to the board of elections in the manner
17 provided by this chapter for protested official ballots, including a
18 statement of the number of such ballots.

19 § 11. This act shall take effect immediately.
