27 this section.

28 4. The appropriations available to pay for the expenses of the commis-

41 of incarcerated individuals, sanitary conditions, rehabilitative
42 programs, disturbance and fire prevention and control preparedness, and
43 adherence to laws and regulations governing the rights of incarcerated
44 individuals. The commission shall not disclose its schedule for
45 inspections or provide advance notice to any correctional facility of a
46 planned inspection unless such notice is required to carry out the
47 duties of the commission.

48 § 4. Subdivision 4 of section 46 of the correction law, as amended by
49 chapter 322 of the laws of 2021, is amended and two new subdivisions 5
50 and 6 are added to read as follows:

51 4. In any case where any rule or regulation promulgated by the commis-
52 sion pursuant to subdivision six of section forty-five of this article
53 or the laws relating to the construction, management and affairs of any
54 correctional facility or the care, treatment and discipline of its
55 incarcerated individuals, are being or are about to be violated, the
56 commission shall immediately notify the person in charge or control of

1 the facility of such violation, recommend remedial action, and direct
2 such person to comply with the rule, regulation or law, as the case may
3 be. The commission shall also immediately notify the governor, the
4 chair and members of the assembly standing committee on correction, and
5 the chair and members of the senate standing committee on crime victims,
6 crime, and correction, of the alleged or documented violation and the
7 remedial action that the commission recommends. Upon the failure of such
8 person to comply with the rule, regulation or law the commission [~~may~~]
9 shall promptly apply to the supreme court for an order directed to such
10 person requiring compliance with such rule, regulation or law; provided,
11 however, that if the commission decides to close a facility pursuant to
12 section forty-five of this article, the commission shall not be required
13 to apply for an order. Upon such application the court [~~may~~] shall issue
14 such order as may be just and a failure to comply with the order of the
15 court shall be a contempt of court and punishable as such.

16 5. (a) In any case where there is a reasonably foreseeable risk that
17 conditions at a correctional facility might violate the constitutional
18 rights of people incarcerated there, cause imminent harm to any incar-
19 cerated person, or cause the imminent death of any incarcerated person,
20 the commission shall be required to order the closure of such correc-
21 tional facility pursuant to subdivision eight of section forty-five of
22 this article. Such correctional facility shall remain closed permanently
23 or until the commission has determined that such correctional facility
24 can resume operations in compliance with all regulations promulgated by
25 the commission and without posing any reasonably foreseeable harm to any
26 person incarcerated there. The commission shall not need to apply for a
27 court order pursuant to subdivision four of this section before deciding
28 to close a correctional facility. Failure to take action pursuant to
29 this subdivision or subdivision four of this section shall constitute
30 neglect of a ministerial matter. For the purposes of this subdivision,
31 "ministerial matter" shall have the same meaning as such term is defined
32 in paragraph (d) of subdivision one of section seventy-three of the
33 public officers law.

34 (b) Upon a recommendation made by the governor or the attorney gener-
35 al, or upon a resolution passed in the assembly or senate, or upon the
36 request of a considerable number of people incarcerated in any correc-
37 tional facility or particular wing, annex, or housing unit thereof,
38 asking the commission to inspect any correctional facility and recommend
39 remedial actions or close a correctional facility pursuant to powers
40 granted in section forty-five of this article, the commission shall
41 discuss such matter at the next stated meeting to occur after ten busi-
42 ness days, provided that such meeting occurs within forty-five days of
43 such request. The commission shall inspect the correctional facility or
44 facilities in question, collect any relevant documents, and conduct any
45 interviews of incarcerated people, staff, medical providers, and super-
46 visors at such correctional facility prior to such meeting and make the
47 result of its inspection and analysis public online before its next
48 stated meeting. Such analysis shall, at a minimum, include a description
49 of the factors contained in subdivision three of section forty-five of
50 this article. At such meeting, the commission shall determine whether,
51 based on its inspection and analysis, the correctional facility lacks
52 compliance with any law or regulation promulgated by the commission, and
53 whether such non-compliance poses an imminent harm to any incarcerated
54 person in the custody of that correctional facility. At such stated
55 meeting the commission shall state on the record the reasoning underly-
56 ing its determination to take no action, recommend remedial action,

1 apply to the supreme court for an order, or order the closure of a
2 facility.

3 6. (a) Twice per year, at intervals separated by approximately six
4 months, the commission shall publish a report containing the results of
5 its annual inspections of correctional facilities in a prominent place
6 on its website, and shall deliver a copy of such report to the governor,
7 the temporary president of the senate, the speaker of the assembly, and
8 the attorney general. Such reports shall contain, without limitation,
9 detailed information about any violations of regulations or applicable
10 laws at each correctional facility inspected, notable excerpts from
11 interviews with incarcerated people, staff, medical providers, and
12 supervisors at each facility, descriptions of deaths or serious injuries
13 that have occurred at any correctional facility that was inspected,
14 copies of recommendations or directives that have been issued by the
15 commission to any correctional facility during the period of time
16 covered by the report, and copies of any correctional facility's
17 response to such recommendations or directives.

18 (b) As soon as the commission completes an investigation of a death or
19 serious injury suffered by an incarcerated person in the custody of a
20 correctional facility, the commission shall publish on its website a
21 report containing the result of such investigation, including without
22 limitation the complete result of the commission's investigation of such
23 incident, true and correct copies of records that the commission has
24 received from such facility in connection with its investigation of such
25 incident, a determination as to whether conditions in the correctional
26 facility or the quality of medical care or supervision that the incar-
27 cerated person received were contributing factors or related to the
28 cause of death, and a list of regulations or applicable laws that may
29 have been violated in proximate relation to such incident. The commis-
30 sion shall also cause such report to be delivered to the next-of-kin or
31 authorized legal representative of such incarcerated person. Such
32 reports shall not be redacted except as otherwise required to protect
33 confidential medical records and behavioral health records in accord-
34 ance with state and federal laws, rules, and regulations.

35 (c) The commission may publish information contained in its reports,
36 data on deaths or serious injuries of incarcerated people at correction-
37 al facilities, and information on uncured violations of laws and regu-
38 lations at any correctional facility in a searchable database format on
39 its website if the commission determines that such a format will facili-
40 tate greater public access to such information.

41 (d) If, in the course of the commission's investigations or
42 inspections, the commission finds evidence of a pattern of malfeasance,
43 nonfeasance, abuse, or negligence on the part of staff or management at
44 any correctional facility, the commission shall immediately report such
45 evidence to the attorney general and the district attorney for the coun-
46 ty in which such correctional facility is located, and such evidence
47 shall be published within the reports issued by the commission pursuant
48 to paragraph (a) of this subdivision.

49 § 5. Section 43 of the correction law, as added by chapter 865 of the
50 laws of 1975, subdivisions 1 and 2 as amended by chapter 379 of the laws
