AN ACT in relation to authorizing the county of Nassau assessor to accept an application for a real property tax exemption from the Maritime Administration, a component of the United States Department of Transportation

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. Notwithstanding any other provision of law to the contrary, the assessor of the county of Nassau is hereby authorized to accept from the Maritime Administration, a component of the United States Department of Transportation, an application for exemption from real property taxes pursuant to section 406 of the real property tax law with respect to the 2021-2022 assessment roll for all of the 2021-2022 school taxes and all of the 2022 general taxes for the parcel conveyed to such organization located at 307 Steamboat Road, village of Kings Point, county of Nassau, otherwise known as Nassau county parcel ID section 1 block 200 lot 1. If accepted, the application shall be reviewed as if it had been received on or before the taxable status date established for such roll.

If satisfied that such organization would otherwise be entitled to such exemption if such organization had filed an application for exemption by the appropriate taxable status date, the assessor, upon approval by the Nassau county legislature, may make appropriate correction to the subject rolls. If such exemption is granted and such organization, therefore, shall have paid any tax with respect to the subject rolls, the applicable governing body or tax department may, in its sole discretion, provide for the refund of those taxes paid and cancel those taxes, fines, penalties, liens or interest remaining unpaid.

§ 2. This act shall take effect immediately.
