1	14. "Retailer" means any person who sells or offers for sale a covered
2	product to a consumer in the state.
3	15. "Reuse" means donating or selling a discarded covered product back
4	into the market for its original intended use, when the discarded
5	covered product retains its original performance characteristics and can
6	be used for its original purpose.
7	<u>16. "Sale" or "sell" means a transfer of title to a covered product</u>
8	for consideration, including a remote sale conducted through a sale
9	outlet, catalog, website, by telephone or through similar electronic
10	means. "Sale" or "sell" includes a lease through which a covered product
11	is provided to a consumer in the state by a producer, distributor,
12	wholesaler, or retailer.
13	<u>17. "Textile" means any item made in whole or in part from natural,</u>
14	manmade, or synthetic fiber, yarn, or fabric, and includes, but is not
15	limited to, leather, cotton, silk, jute, hemp, wool, viscose, nylon, or
16	polyester. "Textile" does not include disposable hygiene products made
17	from paper, including, but not limited to, toilet paper, paper towels or
18	tissues, or disposable absorbent hygiene products.
19	18. "Textile articles" means textile goods of a type customarily used
20	in households and businesses, and includes, but is not limited to,
	apparel, accessories, handbags, backpacks, draperies, shower curtains,
21 22	furnishings, upholstery, bedding towels, napkins, and tablecloths.
23	"Textile articles" does not include: (a) carpets and rugs as defined in
24 25	title thirty-three of this article; (b) treatments containing polyfluo-
25	roalkyl for use on converted textiles or leathers; (c) component parts
26	from a vehicle, as defined in section one hundred fifty-nine of the
27	vehicle and traffic law, such as seats and carpets or synthetic floor-
28	ing; (d) component parts from a vessel, as defined in section two of the
29	navigation law, such as seats, synthetic flooring, and boat covers; (e)
30	filtration media and filter products used in industrial applications,
31	including, but not limited to, chemical or pharmaceutical manufacturing
32	and environmental control technologies; (f) textile articles used in or
33	for laboratory analysis and testing; (g) component parts from an
34	aircraft, as defined in section two hundred forty of the general busi-
35	ness law; or (h) stadium shades, architectural fabric structures, or any
36	permanent fabric structure that is intrinsic to a building's design or
37	construction.
38	19. "Textile collection program" or "program" means a program financed
39	and implemented by producers, either individually, or through a repre-
40	sentative organization, that provides for, but is not limited to, the
41	collection, transportation, reuse, recycling, proper end-of-life manage-
42	ment, or an appropriate combination thereof, of discarded textiles.
43	<u>§ 27-3403. Producer plan.</u>
44	1. No later than December thirty-first, two thousand twenty-four, a
45	producer, either individually or cooperatively in a group with one or
46	more producers or with a representative organization, shall submit to
47	the department for the department's approval a plan for the establish-
48	ment of a collection program for covered products.
49	2. A producer may satisfy the textile collection program requirement
50	of this section by agreeing to participate collectively with a group of
51	other producers or with a representative organization. Any such producer
52	participating collectively in a collection program shall notify the
53	department of such participation.
54	3. A producer, a group of producers or representative organization
55	shall update the plan, as needed, when there are changes proposed to its

1	collection program. A new plan or amendment shall be required to be
2	submitted to the department for approval when:
3	(a) there is a revision of the collection program's goals; or
4	(b) every three years from the date of approval of a previous plan.
5	4. The plan submitted by the producer or representative organization
6	to the department under this section shall, at a minimum:
7	(a) provide a list of each participating producer and brand covered by
8	the program;
9	(b) provide information on the products covered by the program;
10	(c) describe how the producer, group of producers, or representative
11	organization will safely collect, transport, recycle, and process
12	covered products;
13	(d) describe how the program will provide for the collection of
14	covered products, free of cost and in a manner convenient to consumers,
15	including how the program will achieve, at a minimum, a convenience
16	standard that ensures that all counties of the state and all munici-
17	palities that have a population of ten thousand or greater have at least
18	one permanent collection site and one additional permanent collection
19	site for every thirty thousand people located in those areas, that
20	accepts covered products from consumers during normal business hours.
20 21	The producer, group of producers, or representative organization may
22	coordinate the program with existing municipal waste collection infras-
	tructure as is mutually agreeable. Convenience standards shall be evalu-
23	
24	ated by the department periodically and the department may require addi-
25	tional collection locations to ensure adequate consumer convenience. To
26	meet such convenience standard, the producer plan may provide that the
27	producer or representative organization shall enter into voluntary
28	agreements to establish collection sites at: (i) public and private
29	solid waste facilities, transfer stations, landfills, recyclables handl-
30	ing and recovery facilities that are permitted or registered with the
31	department; (ii) other suitable sites for the collection of discarded
32	covered products; or (iii) retailers that pick up or accept covered
33	products from consumers upon the purchase of new covered products. Such
34	agreements may provide for reasonable compensation for the actual costs
35	these collection sites incur to handle, store, and (if necessary) trans-
36	port covered products and may supply covered products storage containers
37	at no cost to participating collection sites;
38	(e) describe how the discarded covered products will be safely and
39	securely transported, tracked, and handled from collection sites through
40	final recycling and processing;
41	(f) describe the methods to be used to reuse or recycle discarded
42	covered products to ensure that the components, to the extent feasible,
43	are transformed or remanufactured into finished products for use;
44	(g) describe the methods to be used to manage or dispose of discarded
45	products that cannot be recycled or reused;
46	(h) describe in detail education and outreach efforts to inform
47	consumers and others engaged in the management of discarded covered
48	products about the program, including, at a minimum, an internet website
49	and a toll-free telephone number and written information included at the
50	time of sale of covered products that provides sufficient information to
51	allow a consumer to learn how to return such covered products for
52	<u>disposal, recycling or reuse;</u>
53	(i) describe how the program will meet annual performance goals, as
54	determined by the department in conjunction with the producers or repre-
55	sentative organization, after the first two years of the program and
56	updated every two years thereafter, including an estimate of discarded

1	covered products that will be collected, reused, and recycled each
2	calendar year;
3	(j) describe what, if any, incentives will be used to encourage
4	retailer participation;
5	(k) describe the outreach and education methods that will be used to
6	encourage municipal landfill and transfer station participation;
7	(1) describe the methods to be used to reuse or recycle discarded
8	covered products;
9	(m) describe what, if any, incentives will be used to encourage
10	retailer participation;
11	(n) estimate the amounts of covered products that were previously
12	sold, offered for sale, or distributed in the state under each produc-
13	er's name or brand that are discarded in the state annually and describe
$14^{10}$	the sources of data and methodology for estimating such amount; and
15	(o) any other information as specified by the department.

1	(a) a detailed description of the methods used to collect, transport,
2	and process covered products in the state, including collection methods
3	made available to consumers and an evaluation of the program's
4	collection convenience;
5	(b) identification of all collection sites in the state;
6	(c) the estimated weight of all discarded covered products collected
7	and reused or recycled pursuant to the textile collection program;
8	(d) an evaluation of whether the performance goals and recycling rates
o 9	have been achieved and a description of any modifications necessary to
10	
	achieve such goals and rates;
11	(e) the estimated weight of discarded covered products and any compo-
12	nent materials that were collected pursuant to the collection program,
13	but not recycled;
14	(f) the total cost of implementing the program;
15	(g) samples of all educational materials provided to consumers and a
16	detailed list of efforts undertaken and an evaluation of the methods
17	used to disseminate such materials including recommendations, if any,
18	for how the educational component of the program can be improved; and
19	(h) any other information required by the department that is relevant
20	to the requirements of this title.
21	8. (a) A producer or the representative organization that organizes
22	the collection, transport and processing of covered products, in an
23	action solely to increase the recycling of covered products by a produc-
24	er, representative organization, or tailor that affects the types and
25	quantities being recycled or the cost and structure of any return
26	program shall not be liable for any claim of a violation of antitrust,
27	restraint of trade or unfair trade practice arising from conduct under-
28	taken in accordance with the program pursuant to this section.
29	(b) Notwithstanding any contrary provision of this section, paragraph
30	(a) of this subdivision shall not apply to any agreement establishing or
31	affecting the price of covered products sold to consumers in the state
32	or the output or production of covered products or any agreement
33	restricting the geographic area or customers to which covered products
34	will be sold.
35	<u>§ 27-3407. Retailer, distributor and wholesaler responsibilities.</u>
36	1. Beginning July first, two thousand twenty-five, no retailer,
37	distributor, or wholesaler may sell or offer for sale covered products
38	in the state unless the producer of such covered product is participat-
39	ing in a collection program. A retailer shall be in compliance with this
40	section if, on the date the covered products are offered for sale, the
41	producer is listed on the department's website as implementing or
42	participating in an approved collection program or if the covered
43	products brand is listed on the department's website as being included
44	in the program.
45	2. Any retailer, distributor, or wholesaler may participate, on a
46	voluntary basis, as a designated collections site pursuant to a
47	collection program and in accordance with all applicable laws and regu-
48	lations.
49	§ 27-3409. Department responsibilities.
50	<u>1. The department shall maintain a list of producers, retailers,</u>

1	3. The department shall post on its website each producer plan
2	approved by the department.
3	4. Within ninety days after receipt of a proposed plan or plan amend-
4	ment, the department shall approve or reject such plan or plan amendment
5	based on whether such proposed plan or plan amendment satisfactorily
б	meets the requirements of subdivision four of section 27-3403 of this
7	title. If the plan or plan amendment is approved, the department shall
8	notify the producer or representative organization in writing. If the
9	department rejects the plan or plan amendment, the department shall
10	notify the producer or representative organization in writing stating
11	the reason for rejecting the plan or plan amendment. A producer or
12	representative organization whose plan is rejected shall submit a
13	revised plan to the department within thirty days of receiving a notice
14	of rejection. If the producer or representative organization fails to
15	submit a plan that is acceptable to the department because it does not
16	meet the requirements of subdivision four of section 27-3403 of this
17	title, the department shall modify a submitted plan to make it conform
18	to the requirements of such subdivision and approve it.
19	5. The department shall submit a report regarding the implementation
20	of this title to the governor and legislature by April first, two thou-
21	sand twenty-five and every year thereafter. The report shall include, at
22	minimum, an evaluation of:
23	(a) the stream of covered products in the state;
24	(b) disposal, recycling, and reuse rates in the state covered
25	products;
26	(c) a discussion of compliance and enforcement related to the require-
27	ments of this title; and
28	(d) recommendations for any changes to this title.
29	<u>§ 27-3411. Labeling requirements.</u>
30	One year after the plan is approved by the department pursuant to
31	section 27-3409 of this title, covered products sold or offered for sale
32	in the state shall be accompanied by the name of the producer and the
33	producer's contact information.
34	<u>§ 27-3413. Textile stewardship advisory board.</u>
35	1. There is hereby established within the department a textile
36	collection program advisory board to make recommendations to the commis-
37	sioner regarding program operator plans required by this title.
38	2. The board shall be composed of twelve voting members. Such members
39	shall include:
40	<u>(a) one representative of textile producers;</u>
41	<u>(b) two representatives of textile retailers;</u>
42	<u>(c) one representative of textile recyclers;</u>
43	<u>(d) two representatives of textile collectors;</u>
44	(e) one representative of a company that utilizes discarded covered
45	<u>products to manufacture a new product;</u>

11	§ 27-3415. Multi-state cooperation.
12	In the event that another state implements a textile recycling
13	program, the program operators may collaborate with such state to
$14^{-1}$	conserve efforts and resources used in carrying out the textile
15	collection program, provided such collaboration is consistent with the
16	requirements of this title.
17	§ 27-3417. Enforcement and penalties.
18	Any producer, representative organization, or retailer who is found to
19	not have made a good faith effort to comply with any provision of or
20	fails to perform any duty imposed pursuant to this title shall be liable
21	for a civil penalty not to exceed five hundred dollars for each
22	violation and an additional penalty of not more than five hundred
23	dollars for each day during which such violation continues. Civil penal-
24	ties under this section shall be assessed by the department after a
25	hearing or opportunity to be heard pursuant to the provisions of section
26	71-1709 of this chapter.
27	<u>§ 27-3419. Rules and regulations.</u>
28	The department is hereby authorized to promulgate any rules and regu-
29	lations necessary to implement this title.
30	§ 2. Section 71-1701 of the environmental conservation law is amended
31	to read as follows:
32	§ 71-1701. Applicability of this title.
33	This title shall be applicable to the enforcement of titles 1 through
34	11 and titles 15 through 19 of article 17; article 19; and [title]
35	<u>titles</u> 1 <u>and 34</u> of article 27 <u>of this chapter</u> .
