IN SENATE

May 9, 2023

Introduced by Sens. PARKER, COMRIE, SEPULVEDA -- read twice and ordered printed, and when printed to be committed to the Committee on Corporations, Authorities and Commissions

AN ACT to amend the New York state urban development corporation act, in relation to enacting the HIRE NY act

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Short title. This act shall be known and may be cited as
2 the "hire individuals in the real economy New York (HIRE NY) act".

3 § 2. Section 1 of chapter 174 of the laws of 1968, constituting the
4 New York state urban development corporation act, is amended by adding a
5 new section 16-bb to read as follows:

6 § 16-bb. The HIRE New York program. 1. Legislative intent. The legis-
7 lature hereby finds that micro-businesses are the engines of our economy
8 and are vital to the revitalization of communities and neighborhoods
9 throughout the state. The legislature further finds that current law
10 fails to motivate people to start or expand businesses. The legislature
11 finds that it is important to spur start-up micro-businesses that have
12 the potential to become the job engines for tomorrow's economy. The
13 legislature further finds investments in economic development fail to
14 provide any funding to micro-businesses. The legislature further finds
15 that small micro-businesses with the proper incentives are poised to
16 provide significant local job creation across the state. The legislature
17 further finds that tax credits are not an effective job creation incen-
18 tive for micro-businesses because many of these businesses lack the
19 income that makes a tax credit meaningful. The legislature further finds
20 that creation of a statewide hire New York fund will provide the needed
21 capital for the businesses of tomorrow to grow and employ more New York-
22 ers.

23 2. Definitions. As used in this section, the following terms shall
24 have the meanings indicated:

12 wage-paying local job or the equivalent of a full-time wage-paying local
13 job requiring at least thirty-five hours per week and is filled for one
14 year. A micro-business qualifying new hire shall not be:

15 (i) an employee who has been transferred from employment with another

17 idation or other reorganization of businesses or the acquisition of
18 assets of another business, or

27 The fund shall consist of such amounts as may be appropriated, any
28 repayment of the principal amount of any loan made from the fund, and
29 any interest earned by the corporation from the investment of moneys of
30 the fund. The corporation is authorized to accept, as agent of the
31 state, any gift, grant, devise or bequest, whether conditional or uncon-
32 ditional, including but not limited to federal grants, and to use monies
33 made available for the program from any public or private source, for
34 the purpose of implementing the program. The corporation shall be enti-
35 tled to recover from the monies made available for the program its own
36 necessary and documented costs incurred in administering the program and
37 evaluating the effectiveness of the program; provided, however, the sum
38 that may be recovered for the corporation's administrative costs shall
39 not exceed five percent of the monies made available for the program,
40 and the sum that may be recovered for the corporation's evaluation costs
41 shall not exceed three percent of the monies made available for the
42 program. The monies held in or credited to the fund shall be expended
43 solely for the purposes set forth in this section. The corporation shall
44 not commingle the monies of such fund with any other monies of the
45 corporation or any monies held in trust by the corporation. The corpo-
46 ration is authorized, within available appropriations and loan repay-
47 ments to provide zero interest loans to micro-businesses to hire new
48 employees.

49 4. Applications for loan. An application for a loan shall be submitted
50 in such form and in accordance with such procedures as the corporation
51 shall establish. Applications submitted to the fund may include but

54 (b) a job description and required employee qualifications;

9 All information collected by the corporation shall be confidential and
10 shall be used exclusively for purposes of this section.

11 5. Application fee. Each application must be accompanied by a minimum
12 one hundred-dollar application fee. This application fee is to be
13 applied to the corporation's administrative expenses. Application fees
14 are to be refunded to all successful applicants within thirty days of
15 receipt of the final payment of principal. The purpose of this applica-
16 tion fee is to ensure that applications are made in good faith and to
17 avoid wasted administrative fees that occur from bad faith applications.
18 The corporation may refund all application fees, even if application is
19 denied when it believed that the applicant in good faith believed it was
20 entitled to receive a loan under this section.

21 6. Loan terms. (a) The corporation shall provide funds for each of the
22 first three years of the micro-business qualifying new hire's employ-
23 ment.

24 (b) In each of those years the corporation will provide no more than

27 (c) In each year the corporation will provide no more than twenty
28 thousand dollars per micro-business qualifying new hire.

43 (h) No fees or penalties shall be charged or collected for prepayment
44 of any such loan.

45 7. Loan approval. In awarding the loan, the corporation shall select
46 from eligible business applicants based on the following criteria:

47 (a) The likelihood of success of the applicant in meeting the goals of
48 its strategic plan;

49 (b) The extent of need for loans and development services within the
50 investment areas or targeted populations;

51 (c) The credit score of the applicant;

52 (d) The credit score of the guarantor;

53 (e) Good standing on other loan obligations; and

54 (f) Other factors deemed to be appropriate by the corporation.

55 8. Application criteria. The corporation shall develop and use a stan-
56 dard application form. In addition to such other criteria as the corpo-

1 ration may adopt in rules and regulations for the consideration of
2 applications for loans or loan guarantees pursuant to this section, the
3 corporation shall:

4 (a) determine that the company is unable to obtain sufficient funding
5 on reasonable terms from other public or private sources to permit the
6 company's planned hiring;

7 (b) consider whether the loan or loan guarantee will result in a
8 reasonable likelihood of success in meeting the purposes for which it
9 was sought by the applicant company; and

10 (c) assess the demonstrated need for such assistance, established by a
11 showing of a short-term lack of liquidity of an existing solvent busi-
12 ness.

13 9. Use of loan. A micro-business may utilize funds only for salary of
14 a micro-business qualifying new hire.

15 10. Advisory committee. The corporation may create an advisory commit-
16 tee, consisting of at least five members, to advise the corporation in
17 the promotion, implementation and administration of the hire New York
18 program.

19 11. Reporting requirements. The corporation shall submit a report to
20 the governor, the speaker of the assembly and the temporary president of
21 the senate on or before the first of October, and annually thereafter,
22 describing the financial and technical assistance provided pursuant to
23 this section, including: the number of loan applications filed and
24 accepted; the amount and type of assistance provided; a description of
25 businesses assisted by fund monies; the number of local jobs created
26 through the loans of fund monies; and such other information as the
27 corporation may deem appropriate.

28 12. Rules and regulations. The corporation is hereby authorized to
29 promulgate rules and regulations in accordance with the state adminis-
30 trative procedure act that are necessary to fulfill the purposes of this
31 section. Such rules and regulations must be completed within one hundred
32 eighty days after the effective date of this section.

33 § 3. The provisions of this act shall be eligible to be funded from
34 any state agency, public authority, public benefit corporation or any
35 other entity for which this act is consistent with the mission of the
36 state agency, public authority, public benefit corporation or any other
37 entity.

38 § 4. This act shall take effect immediately.
