**The People of the State of New York, represented in Senate and Assembly, do enact as follows:**

Section 1. Subdivisions 1, 11, 13, and 19 of section 14-200-a of the election law, as added by section 4 of part ZZZ of chapter 58 of the laws of 2020, are amended to read as follows:

1. "authorized committee" means the single political committee designated by a candidate pursuant to [~~these recommendations~~] this title to receive contributions and make expenditures in support of the candidate's campaign for such election.

11. (a) "matchable contribution" means a contribution not less than five dollars and not more than an aggregate of two hundred fifty dollars[~~, for a candidate for public office to be voted on by the voters of the entire state or for nomination to any such office, a contribution for any covered elections held in the same election cycle, made by a natural person who is a resident in the state of New York to a participating candidate, and for a candidate for election to the state assembly or state senate or for nomination to any such office, a contribution for any covered elections held in the same election cycle, made by a natural person who is also a resident of such state assembly or state senate district from which such candidate is seeking nomination or election,~~] per unique contributor, made to a participating candidate for any covered election held in the same election cycle, that has been reported in full to the PCFB in accordance with sections 14-102 and 14-104 of this article by the candidate's authorized committee [~~and~~],

has been contributed on or before the day of the applicable primary, general, runoff, or special election**, and: (i) is for a candidate for public office to be voted on by the voters of the entire state or for nomination to any such office, and has been made by a natural person who is a resident in the state of New York; or (ii) is for a candidate for election to the state assembly or state senate or for nomination to any such office, and has been made by a natural person who is also a resident of such state assembly or state senate district for which such candidate is seeking nomination or election**. Any contribution, contributions, or a portion of a contribution determined to be invalid for **public** matching funds by the PCFB may not be treated as a matchable contribution for any purpose.

(b) The following contributions are not matchable:

(i) loans;

(ii) in-kind contributions of property, goods, or services;

(iii) contributions in the form of the purchase price paid for an item with significant intrinsic and enduring value;

(iv) transfers from a party or constituted committee;

(v) anonymous contributions;

(vi) contributions whose source is not itemized as required by [~~those recommendations~~] **this title**;

(vii) contributions gathered during a previous election cycle;

(viii) illegal contributions;

(ix) contributions from minors;

(x) contributions from vendors for campaigns hired by the candidate for such election cycle;

(xi) contributions from lobbyists registered pursuant to subdivision (a) of section one-c of the legislative law; and

(xii) any portion of a contribution when the aggregate contributions **within the election cycle** are in excess of two hundred fifty dollars from any one contributor to such participating candidate for nomination or election.

13. "nonparticipating candidate" means a candidate for a covered election who fails to file a written certification in the form of an affidavit pursuant to [~~these recommendation~~] **this title** by the applicable deadline.

19. "surplus" means those funds where the total sum of contributions received and public [~~matchable~~] **matching** funds received by a participating candidate and his or her authorized committee exceeds the total campaign expenditures of such candidate and authorized committee for all covered elections held in the same calendar year or for a special election to fill a vacancy.

§ 2. Paragraph (b) of subdivision 3 of section 14-201 of the election law, as added by section 4 of part ZZZ of chapter 58 of the laws of 2020, is amended to read as follows:

(b) The PCFB shall review each disclosure report filed and shall inform authorized and political committees of relevant questions it has concerning: (i) compliance with requirements of this title and of the rules issued by the PCFB, and (ii) qualification for receiving public matching funds pursuant to this title. In the course of this review, [~~it~~] **the PCFB** shall give authorized and political committees an opportunity to respond to and correct potential violations and give candidates an opportunity to address questions [~~it~~] **the PCFB** has concerning [~~their~~] **the candidate's** matchable contribution claims or other issues concerning eligibility for receiving public matching funds pursuant to this title.

§ 3. Paragraph (i) of subdivision 1 and subdivision 2 of section 14-203 of the election law, as added by section 4 of part ZZZ of chapter 58 of the laws of 2020, are amended to read as follows:

(i) not have accepted contributions in amounts exceeding the contribution limits set forth for candidates in paragraphs [~~a and b~~] c and d of subdivision one of section 14-114 of this article during the election cycle for which the candidate seeks certification;

(i) Provided however, that, if a candidate accepted contributions exceeding such limits, such acceptance shall not prevent the candidate from being certified by the PCFB if the candidate in a reasonable time, as determined by rule, pays to the fund or returns to the contributor the portion of any contribution that exceeded the applicable contribution limit.

(ii) If the candidate is unable to return such funds in a reasonable time, as determined by rule, because they have already been spent, acceptance of contributions exceeding the limits shall not prevent the candidate from being certified by the PCFB if the candidate submits an affidavit agreeing to pay to the fund all portions of any contributions that exceeded the limit no later than thirty days before the general election. If a candidate provides the PCFB with such an affidavit, any disbursement of public matching funds to the candidate shall be reduced by no more than twenty-five percent until the total amount owed by the candidate is repaid.

(iii) Nothing in this section shall be interpreted to require a candidate who retains funds raised during any previous election cycle to forfeit such funds. Funds raised during a previous election cycle may be retained and used by the candidate for the candidate's campaign in the next election cycle but funds shall not [~~qualify for satisfying~~] be counted toward the applicable threshold for [~~participating~~] eligibility a candidate must meet to participate in the public campaign finance program established in this title nor shall they be eligible to be matched. [~~The PCFB shall adopt regulations to ensure that contributions that would satisfy the applicable contribution limits authorized in this title shall be transferred into the appropriate campaign account.~~]

(iv) Contributions received and expenditures made by the candidate or an authorized committee of the candidate prior to the effective date of this title shall not constitute a violation of this title. Unexpended contributions shall be treated the same as [~~campaign surpluses~~] funds raised during a previous election cycle under subparagraph (iii) of this paragraph. Nothing in this [~~recommendation~~] title shall be construed to limit, in any way, any candidate or public official from expending any portion of pre-existing campaign funds for any lawful purpose other than those related to his or her campaign.

(v) A candidate who has raised matchable contributions but, in the case of a covered primary, general or special election, is not opposed by another candidate on the ballot who is not a write-in candidate, or who chooses not to accept [~~matchable~~] public matching funds, may retain such contributions and apply them in accord with this title to the candidate's next campaign, should there be one, in the next election cycle.

2. Threshold for eligibility. (a) The threshold for eligibility for public funding for participating candidates shall be in the case of:

(i) governor, not less than five hundred thousand dollars in contributions [~~including at least five thousand matchable contributions shall be counted toward this qualifying threshold~~] from residents of the state

of New York, including matchable contributions from at least five thousand unique contributors;

(ii) lieutenant governor, attorney general and comptroller, not less than one hundred thousand dollars in contributions [~~including at least one thousand matchable contributions shall be counted toward this qualifying threshold~~] from residents of the state of New York, including matchable contributions from at least one thousand unique contributors;

(iii) state senator, except as otherwise provided in paragraph (c) of this subdivision, not less than twelve thousand dollars in contributions [~~including at least one hundred fifty matchable contributions shall be counted toward this qualifying threshold~~] from residents of the district in which the seat is to be filled, including matchable contributions from at least one hundred fifty unique contributors; and

(iv) member of the assembly, except as otherwise provided in paragraph (c) of this subdivision, not less than six thousand dollars in contributions [~~including at least seventy-five matchable contributions shall be counted toward this qualifying threshold~~] from residents of the district in which the seat is to be filled, including matchable contributions from at least seventy-five unique contributors.

(b) However, solely for purposes of achieving the monetary thresholds in paragraph (a) of this subdivision, the first two hundred fifty dollars of any contribution of more than two hundred fifty dollars in the aggregate to a candidate or a candidate's committee, which would otherwise be matchable except that it comes from a contributor who has contributed more than two hundred fifty dollars to such candidate or candidate's committee, [~~is deemed to be a matchable contribution and~~] shall count toward satisfying such monetary threshold but shall not otherwise be considered a matchable contribution.

(c) With respect to the minimum dollar threshold for participating candidates for state senate and state assembly, in such districts where [~~average median income ("AMI") is below the AMI as determined by the United States Census Bureau three years before such election for which public funds are sought~~] the median household income is below the average statewide median household income for the three years prior to the election for which the public funds are sought, based on the most recent median household income data published by the United States bureau of the census, such minimum dollar threshold for eligibility shall be reduced by one-third. [~~The~~] If median household income data are not available for the three years prior to the election, the PCFB shall use the average of the median household income for the three most recent years for which data are available to calculate the minimum dollar threshold reduction. PCFB shall make public which districts are subject to such reduction no later than two years before the first primary election for which funding is sought.

(d) Any participating candidate meeting the threshold for eligibility in a primary election for one of the foregoing offices shall be [~~applied~~] deemed to satisfy the threshold for eligibility for such office in any other subsequent election held in the same calendar year. Any participating candidate who is nominated in a primary election and has participated in the public financing program set forth in this title[~~, must~~] shall also participate in the public financing program in the general election for such office.

§ 4. Subdivisions 1, 2, and 5 of section 14-204 of the election law, as added by section 4 of part ZZZ of chapter 58 of the laws of 2020, are amended to read as follows:

1. In any primary election, receipt of public funds by participating candidates and by their [~~participating~~] **authorized** committees shall not exceed:

| | |
|---|---|
| (a) for Governor | $3,500,000 |
| (b) for Lieutenant Governor, Attorney General or Comptroller | $3,500,000 |
| (c) for State Senator | $375,000 |
| (d) for Member of the Assembly | $175,000 |

2. In any general or special election, receipt of public funds by a participating candidate's authorized [~~committees~~] **committee** shall not exceed:

| | |
|---|---|
| (a) for Governor and Lieutenant Governor (combined) | $3,500,000 |
| (b) for Attorney General | $3,500,000 |
| (c) for Comptroller | $3,500,000 |
| (d) for State Senator | $375,000 |
| (e) for Member of the Assembly | $175,000 |

5. A candidate only on the ballot in one or more primary elections in which the number of persons eligible to vote for party nominees in each such election totals fewer than one thousand shall not receive public funds in excess of five thousand dollars for qualified campaign expenditures in such election or elections. For the purposes of this section, the number of persons eligible to vote for party nominees in a primary election shall be as determined by the state board of elections for the calendar year of the primary election. A candidate for office on the ballot in more than one primary for such office[~~,~~] shall be deemed, for purposes of this [~~recommendation~~] **title**, to be a single candidate.

§ 5. Subdivisions 2, 3, 4 and 6 of section 14-205 of the election law, as added by section 4 of part ZZZ of chapter 58 of the laws of 2020, are amended to read as follows:

2. Calculation of payment. (a) In any election for a public office to be voted on by the voters of the entire state or for nomination to any such office, if the threshold for eligibility is met, the participating candidate's authorized committee shall receive payment for qualified campaign expenditures of six dollars of public matching funds for each one dollar of matchable contributions, obtained and reported to the PCFB in accordance with the provisions of this title. The maximum payment of public matching funds shall be limited to the amounts set forth in [~~this~~] section **14-204 of this title** for the covered election.

(b) In any election for state senate or state assembly or for nomination to any such office, if the threshold for eligibility is met, the participating candidate's authorized committee shall receive payment for qualified campaign expenditures for matchable contributions of eligible private funds per contributor, obtained, and reported to the PCFB herein, of: twelve dollars of public matching funds for each of the first fifty dollars of matchable contributions; nine dollars of public matching funds for each of the next one hundred dollars of [~~public~~] matchable contributions; and eight dollars for [~~the~~] each of the next one hundred dollars of [~~public~~] matchable contributions. The maximum payment of public matching funds shall be limited to the amounts set forth in [~~this~~] section **14-204 of this title** for the covered election.

3. Timing of payment. The PCFB shall make any payment of public matching funds to participating candidates as soon as is practicable. But in all cases, it shall verify eligibility for public matching funds within four days, excluding weekends and holidays, of receiving a campaign contribution report filed in compliance with section 14-104 of this article. Within two days of determining that a candidate for a covered office is eligible for public matching funds, it shall authorize payment

of the applicable **public** matching funds owed to the candidate. The PCFB shall schedule at least three payment dates in the thirty days prior to a covered primary, general, or special election. If any of such payments would require payment on a weekend or federal holiday, payment shall be made on the next business day.

4. Notwithstanding any provision of this section to the contrary, the amount of public funds payable to a participating candidate on the ballot in any covered election shall not exceed one-quarter of the maximum public funds payment otherwise applicable [~~and no participating candidate shall be eligible to receive a disbursement of public funds prior to two weeks after the last day to file designating petitions for a primary election~~] unless the participating candidate is opposed by a competitive candidate. The PCFB shall, by regulation, set forth objective standards to determine whether a candidate is competitive and the procedures for qualifying for the payment of public funds.

6. Irregularly scheduled elections. Notwithstanding any other provision of this title, the PCFB shall promulgate rules to provide for the prompt issuance of public matching funds to eligible participating candidates for qualified campaign expenditures in the case of any other covered election held on a day different from the day originally scheduled, including special elections. Provided, however, in all cases, the PCFB shall: (a) within four days, excluding weekends and holidays, of receiving a report of contributions from a candidate for a covered office claiming eligibility for public matching funds, verify that candidate's eligibility for public matching funds; and (b) within two days of determining that the candidate for a covered office is eligible for public matching funds, it shall authorize payment of the applicable **public** matching funds owed to the candidate.

§ 6. Subdivisions 1, 2, 6, and 9 of section 14-207 of the election law, as added by section 4 of part ZZZ of chapter 58 of the laws of 2020, are amended to read as follows:

1. There shall be a public campaign finance board within the state board of elections that shall be comprised of the following commissioners: the four state board of elections commissioners and three additional commissioners, one jointly appointed by the legislative leaders of one major political party in each house of the legislature, one jointly appointed by the legislative leaders of the other major political party in each house of the legislature, and one of whom shall be appointed by the governor. Each commissioner must be a New York state resident and registered voter, and may not currently be, or within the previous five years have been, an officer of a political party or political committee as defined in the election law, or a registered lobbyist. The chair of the PCFB shall be designated by the PCFB from among the three additional commissioners. Each of the three additional commissioners shall receive a per diem of three hundred fifty dollars for work actually performed not to exceed twenty-five thousand dollars in any one calendar year. They shall be considered public officers for purposes of sections seventy-three-a and seventy-four of the public officers law. The three commissioners so appointed pursuant to this [~~recommendation~~] **title** will be appointed for a term of five years to commence on July first, two thousand twenty and may be removed by his or her appointing authority solely for substantial neglect of duty, gross misconduct in office, **or** inability to discharge the power or duties of office, after written notice and opportunity to be heard. During the period of his or her term as a commissioner appointed hereunder, each such commissioner is barred from making, or soliciting from other persons, any contrib-

utions to candidates for election to the offices of governor, lieutenant governor, attorney general, comptroller, member of the assembly, or state senator. Any vacancy occurring on the PCFB shall be filled within thirty days of its occurrence in the same manner as the member whose vacancy is being filled was appointed. A person appointed to fill a vacancy occurring other than by expiration of a term of office shall be appointed for the unexpired term of the member he or she succeeds. Four members of the PCFB shall constitute a quorum, and the PCFB shall have the power to act by majority vote of the total number of members of the commission without vacancy. All members of the PCFB shall be appointed no later than the first day of July, two thousand twenty and the PCFB shall promulgate such regulations as are needed no later than the first day of July, two thousand twenty-one.

2. The PCFB and state board of elections may utilize existing state board of elections staff and hire such other staff as are necessary to carry out its duties. It may expand its staffing, as needed, to provide additional candidate liaisons to assist candidates in complying with the terms of this public campaign finance system as provided for in [~~these recommendations~~] **this title**, as well as auditors, trainers, attorneys, technical staff and other such staff as the PCFB determines is necessary to administer this system. Annually, on or before the first of every year, the PCFB shall submit to the governor and the division of the budget a request for appropriations for the next state fiscal year to fully support the administration of the public campaign finance program established in this title.

6. Any advice provided by PCFB staff to a participating or [~~non participating~~] **nonparticipating** candidate with regard to an action shall be presumptive evidence that such action, if taken in reliance on such advice, should not be subject to a penalty or repayment obligation where such candidate or such candidate's committee has confirmed such advice in writing to such PCFB staff by registered or certified mail to the correct address, or by electronic or facsimile transmission with evidence of receipt, describing the action to be taken pursuant to the advice given and the PCFB or its staff has not responded to such written confirmation within seven business days disavowing or altering such advice, provided that the PCFB's response shall be by registered or certified mail to the correct address, or by electronic or facsimile transmission with evidence of receipt.

9. The PCFB may take such other actions as are necessary and proper to carry out the purposes of this [~~recommendation~~] **title**.

§ 7. Paragraphs (a) and (c) of subdivision 2 and paragraphs (a) and (b) of subdivision 3 of section 14-208 of the election law, as added by section 4 of part ZZZ of chapter 58 of the laws of 2020, are amended to read as follows:

(a) If the PCFB determines that any portion of the payment made to a candidate's authorized committee from the fund was in excess of the aggregate amount of payments that such candidate was eligible to receive pursuant to this title, it shall notify such committee and such committee shall pay to the PCFB an amount equal to the amount of excess payments. Such committee shall first utilize [~~the surplus~~] **any excess payments of the public matching funds** for repayment of such sums and then such other funds as it may have. Provided, however, that if the erroneous payment was the result of an error by the PCFB, then the erroneous payment will be deducted from any future payment, if any, and if no future payment is to be made then neither the candidate nor the committee shall be liable to repay the excess amount to the PCFB. The

candidate and the candidate's authorized committee are jointly and severally liable for any repayments to the PCFB.

(c) If the total sum of contributions received and public matching payments from the fund received by a participating candidate and his or her authorized committee exceed the total campaign expenditures of such candidate and authorized committee for all covered elections held in the same calendar year or for a special election to fill a vacancy, such candidate and committee shall use such surplus funds to reimburse the fund for payments received by such authorized committee from the fund during such calendar year or for such special election. Participating candidates shall make such payments not later than twenty-seven days after all liabilities for the election have been paid and in any event, not later than the day on which the PCFB issues its final audit report for the participating candidate's authorized committee; provided, however, that all unspent public campaign funds for a participating candidate shall be immediately due and payable to the PCFB upon a determination by the PCFB that the participant has delayed the post-election audit. A participating candidate may make post-election expenditures with public funds only for routine activities involving nominal [~~cost~~] **costs** associated with winding up a campaign and responding to the post-election audit. Nothing in this title shall be construed to prevent a candidate or his or her authorized committee from using campaign contributions received from private contributors for otherwise lawful expenditures.

(a) The PCFB shall promulgate regulations for the certification of the amount of funds payable by the comptroller from the fund established pursuant to section ninety-two-t of the state finance law, to a participating candidate that has qualified to receive such payment. These regulations shall include the promulgation and distribution of forms on which contributions and expenditures are to be reported, the periods during which such reports must be filed, and the verification required. The PCFB shall institute procedures which will make possible payment by the fund [~~within four business days after receipt of the required forms and verifications~~] **consistent with the time limits provided in section 14-205 of this title**.

(b) All rules and regulations promulgated pursuant to this [~~recommendation~~] **title** shall be promulgated pursuant to the state administrative procedure act. The PCFB's determinations pursuant to such regulations and [~~these recommendations~~] **this title** shall be deemed final.

§ 8. Subdivision 1 of section 14-209 of the election law, as added by section 4 of part ZZZ of chapter 58 of the laws of 2020, is amended to read as follows:

1. Civil penalties. Violations of any provisions regarding public campaign financing stated in this title or regulation promulgated pursuant to this title shall be subject to a civil penalty in an amount not in excess of fifteen thousand dollars and such other lesser fines as the PCFB may promulgate in regulation. **Such regulations shall include a schedule of fines for alleged failures to file, late reports and noticed deficiencies, including fines that the PCFB may assess directly on violators.** Candidates may contest [~~alleged failures to file, late reports and reports with noticed deficiencies~~] **the allegations against them** and have an opportunity to be heard by the PCFB **in accordance with subdivision two of this section**. [~~The PCFB shall promulgate a regulation setting forth a schedule of fines for such infractions including those that it may assess directly on violators.~~] The PCFB shall investigate referrals and complaints. After investigation, it may recommend dismissal, settlement, civil action, or referral to law enforcement. The PCFB

may assess penalties and it is authorized to commence a civil action in court to enforce all penalties and recover money due.

§ 9. Section 14-212 of the election law, as added by section 4 of part ZZZ of chapter 58 of the laws of 2020, is amended to read as follows:

§ 14-212. Severability. 1. If any clause, sentence, paragraph, subdivision, section or part of this article shall be determined by any court of competent jurisdiction to be invalid, such judgment shall not affect, impair or invalidate the remainder thereof, but shall be confined in its operation to the particular clause, sentence, paragraph, subdivision, section or part thereof directly found invalid in the judgment rendered. It is hereby declared to be the intent of the legislature that this article would have been enacted even if such invalid provisions had not been included herein.

2. If any clause, sentence, or other portion of paragraph (c) of subdivision two of section 14-203 of this title be adjudged by any court of competent jurisdiction to be invalid, then subparagraphs (iii) and (iv) of paragraph (a) of subdivision two of section 14-203 of this title shall read as follows:

(iii) state senator, [~~except as otherwise provided in paragraph (c) of this subdivision,~~] not less than ten thousand dollars in [~~matchable contributions including at least one hundred and fifty matchable contributions in an amount greater than five dollars and no greater than the limits in this chapter, of which the first two hundred fifty dollars shall be counted toward this qualifying threshold~~] contributions from residents of the district in which the seat is to be filled, including matchable contributions from at least one hundred fifty unique contributors; and

(iv) member of the assembly, [~~except as otherwise provided in paragraph (c) of this subdivision,~~] not less than five thousand dollars in [~~matchable~~] contributions [~~including at least seventy-five matchable contributions in an amount greater than five dollars and no greater than the limits in this chapter, of which the first two hundred fifty dollars shall be counted toward this qualifying threshold~~] contributions from residents of the district in which the seat is to be filled, including matchable contributions from at least seventy-five unique contributors.

§ 10. Subdivisions 3, 4, and 5 of section 92-t of the state finance law, as added by section 5 of part ZZZ of chapter 58 of the laws of 2020, are amended to read as follows:

3. Moneys of the fund, following appropriation by the legislature, may be expended for the purposes of making payments to candidates pursuant to title two of article fourteen of the election law and for administrative expenses related to the implementation of article fourteen of the election law. Moneys shall be paid out of the fund by the state comptroller on vouchers certified or approved by the [~~state board of elections~~] public campaign finance board, or its duly designated representative, in the manner prescribed by law, not more than five working days after such voucher is received by the state comptroller.

4. Notwithstanding any provision of law to the contrary, if, in any state fiscal year, the state campaign finance fund lacks the amount of money to pay all claims vouchered by eligible candidates and certified or approved by the [~~state board of elections~~] public campaign finance board, any such deficiency shall be paid by the state comptroller, from funds deposited in the general fund of the state not more than four working days after such voucher is received by the state comptroller.

5. Commencing in two thousand twenty-five, if the [~~surplus~~] moneys in the fund on April first of the year after a year in which a governor is

elected exceeds twenty-five percent of the disbursements from the fund over the previous four years, the excess shall revert to the general fund of the state.

§ 11. Paragraphs (a) and (b) of subdivision 5 of section 95 of the state finance law, as added by section 6 of part ZZZ of chapter 58 of the laws of 2020, are amended to read as follows:

(a) As often as necessary, the [~~co-chairs of the state board of elections~~] **public campaign finance board** shall certify the amount [~~such co-chairs have~~] **it has** determined necessary to fund estimated payments from the fund established by section ninety-two-t of this article for the primary, general or special election.

(b) Notwithstanding any provision of this section authorizing the transfer of any moneys in the abandoned property fund to the general fund, the comptroller, after receiving amounts sufficient to pay claims against the abandoned property fund, shall, based upon a certification of the [~~state board of elections~~] **public campaign finance board** pursuant to paragraph (a) of this subdivision, and at the direction of the director of the budget, transfer the requested amount from remaining available monies in the abandoned property fund to the campaign finance fund established by section ninety-two-t of this article.

§ 12. Paragraphs a, b, c and d of subdivision 1 of section 14-114 of the election law, as amended by chapter 105 of the laws of 2023, are amended to read as follows:

a. In any election for a public office to be voted on by the voters of the entire state, or for nomination to any such office, no contributor may make a contribution to any candidate or political committee, participating in the state's public campaign financing system pursuant to title two of this article**,** and no such candidate or political committee may accept any contribution from any contributor, which is in the aggregate amount greater than eighteen thousand dollars divided equally among the primary and general election in an election cycle; provided however, that the maximum amount which may be so contributed or accepted, in the aggregate, from any candidate's child, parent, grandparent, brother and sister, and the spouse of any such persons, shall not exceed in the case of any nomination to public office an amount equivalent to the product of the number of enrolled voters in the candidate's party in the state, excluding voters in inactive status, multiplied by $.025, and in the case of any election for a public office, an amount equivalent to the product of the number of registered voters in the state excluding voters in inactive status, multiplied by $.025.
