federal law, and as adjusted pursuant to applicable regulations to take into account any increase or decrease in the scope of services furnished by the facility.

§ 2. Subdivision 8 of section 2807 of the public health law is amended by adding a new paragraph (c-1) to read as follows:

(c-1) As soon as practicable the department shall analyze the actual federally qualified health center costs filed as required by department regulations, during the prior five year reporting periods. In addition to such data, the commissioner shall consider, the scope of services, including type, intensity, duration and amount, provided by such facilities; staffing to meet competitive market and case mix needs of populations served; physical plant and maintenance costs, infrastructure; technology costs associated with telehealth modality of service delivery; informational technology costs; and other costs deemed necessary by the commissioner. Notwithstanding any other statute, rule, or regulation otherwise imposing ceilings or caps on payments to federally qualified health centers, provided that such payments are still subject to federal financial participation, beginning on April first, two thousand twenty-five, the department shall develop and issue updated rates of payments reflecting the actual costs and updated aggregated data.

§ 3. This act shall take effect immediately.
