Introduced by Sen. SALAZAR -- read twice and ordered printed, and when printed to be committed to the Committee on Insurance -- recommitted to the Committee on Insurance in accordance with Senate Rule 6, sec. 8 -- committee discharged, bill amended, ordered reprinted as amended and recommitted to said committee

AN ACT to amend the insurance law, in relation to requiring insurance coverage for lactation consultant services

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. Subsection (i) of section 3216 of the insurance law is amended by adding a new paragraph 39 to read as follows:

(39) Every policy that provides coverage for hospital, surgical or medical care shall provide outpatient coverage for lactation consultant services. Coverage provided under this paragraph may be subject to annual deductibles and co-insurance as deemed appropriate by the superintendent and that are consistent with those imposed on other benefits within a given policy. For the purposes of this paragraph, "lactation consultant" shall mean an individual who holds the international board certified lactation consultant (IBCLC) credential who is in good standing with the international board of lactation consultant examiners who evaluates and manages lactation and infant feeding problems and provides preventive clinical consulting to prevent or minimize the occurrence of potential problems.

§ 2. Subsection (k) of section 3221 of the insurance law is amended by adding a new paragraph 23 to read as follows:

(23) Every group or blanket policy delivered or issued for delivery in this state that provides coverage for hospital, surgical or medical care shall provide such coverage for lactation consultant services. For the purposes of this paragraph, "lactation consultant" shall mean an individual who holds the international board certified lactation consultant (IBCLC) credential who is in good standing with the international board
