7387--B

2023-2024 Regular Sessions

IN SENATE

May 22, 2023

Introduced by Sens. PARKER, RAMOS, BAILEY -- (at request of the NYC Office of the Mayor) -- read twice and ordered printed, and when printed to be committed to the Committee on Cities 1 -- committee discharged, bill amended, ordered reprinted as amended and recommitted to said committee -- committee discharged, bill amended, ordered reprinted as amended and recommitted to said committee

AN ACT to amend the New York city charter, the education law, the general municipal law, the labor law, the public authorities law, and the New York city health and hospitals corporation act, in relation to providing for employment opportunities for economically disadvantaged candidates and economically disadvantaged region candidates and apprenticeship utilization on public transactions; and providing for the repeal of such provisions upon expiration thereof

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Legislative findings. The legislature finds that both with-
2 in the city of New York and across the United States, over the past
3 several decades, income inequality has expanded and that poverty is
4 frequently concentrated in economically disadvantaged regions. The
5 legislature also finds that economic disparities among individuals and
6 across communities have further expanded due to the economic and health
7 effects of the virus known as COVID-19. The purpose of this legislation
8 is to remediate these economic disparities by authorizing the city of
9 New York, the city school district of the city of New York, the New York
10 city school construction authority, the New York city health and hospi-
11 tals corporation, the New York city industrial development agency, and
12 other city-affiliated not-for-profit corporations to use the economic
13 power of their transactions to implement programs by administrative rule
14 requiring contractors and subcontractors benefitting from such trans-
15 actions to make best efforts to employ qualified economically disadvan-

(A) the scope of the transaction;

(B) the availability of qualified economically disadvantaged candidates and economically disadvantaged region candidates and apprentices;

(C) the nature of any employment opportunities that the director expects will result from the transaction; and

1 (D) any other similar factors.

2 (ii) prior to setting a goal pursuant to this subdivision for an indi-
3 vidual transaction, the agency entering into the transaction shall
4 consider the goals set for previous, similar transactions and whether
5 such goals were appropriate for such transactions.

6 b. Lists of economically disadvantaged regions. No later than ninety
7 days after the effective date of this section, and at least once during
8 each twelve-month period thereafter, the director shall publish a report
9 including an updated list of all economically disadvantaged regions
10 within a radius of one hundred miles of the city or all such econom-
11 ically disadvantaged regions within the metropolitan area. Nothing shall
12 preclude an individual whose residence is within an economically disad-
13 vantaged region that is not included in such list from qualifying as an
14 economically disadvantaged region candidate for the purposes of goals
15 set forth under this section.

16 c. Reporting. No later than one hundred eighty days after the effec-
17 tive date of this section and each quarter thereafter, the office of
18 community hiring and workforce development shall publish a report on a
19 website maintained or controlled by the city, pursuant to rules adopted
20 by the director, that shall include, for each transaction subject to a
21 goal established pursuant to paragraph six, seven, or eight of subdivi-
22 sion a of this section, information demonstrating the corresponding
23 contractor's progress towards meeting such goal and, if applicable, any
24 subcontractor's progress towards meeting any goal established pursuant
25 to paragraph seven or nine of subdivision a of this section, and aggre-
26 gate information regarding the overall progress towards meeting such
27 goals as well as the demographics and compensation of economically
28 disadvantaged region candidates, economically disadvantaged candidates,
29 and apprentices who are economically disadvantaged region candidates, as
30 applicable, relative to all individuals employed by such contractor and,
31 if applicable, subcontractors on such transaction. Such report shall
32 also include aggregate information regarding the total number of econom-
33 ically disadvantaged candidates and economically disadvantaged region
34 candidates hired, including the number of such candidates hired by
35 contract type and the resulting financial benefits of the program. In
36 compiling this report, the director shall, to the extent he or she deems
37 feasible, use data sources established or maintained by the city for
38 other programs or operations in order to minimize administrative burdens
39 on contractors and subcontractors, provided that where the director
40 determines that such data sources cannot be used to complete such
41 report, the director may adopt rules requiring contractors and subcon-
42 tractors to provide such additional data necessary to complete this
43 report, and to certify the accuracy of such additional information.
44 Nothing in this subdivision shall be interpreted to authorize the direc-
45 tor to promulgate rules requiring labor organizations to provide infor-
46 mation on a regular basis to complete such reports.

47 d. Best efforts. (1) In determining whether a contractor or subcon-
48 tractor has exercised best efforts to meet the employment goals estab-
49 lished pursuant to subdivision a of this section, the director shall
50 consider the degree to which the contractor or subcontractor has endeav-
51 ored:

52 (i) to review economically disadvantaged region candidates' and
53 economically disadvantaged candidates' qualifications, as applicable, in
54 good faith;

55 (ii) to advertise employment opportunities, as applicable, in a manner
56 reasonably intended to attract qualified economically disadvantaged

1 candidates or economically disadvantaged region candidates, except that
2 contractors and subcontractors performing construction work pursuant to
3 a project labor agreement shall not be required to advertise employment
4 opportunities for construction work;

5 (iii) to coordinate with referral sources or apprenticeship programs,
6 as applicable, in order to employ such candidates identified by such
7 referral sources or apprenticeship programs, provided that for contrac-
8 tors and subcontractors performing construction work pursuant to a
9 project labor agreement, the director shall only consider the degree to
10 which the contractor or subcontractor has endeavored to meet such goals
11 by complying with the referral provisions of such project labor agree-
12 ment;

13 (iv) to review and organize the work under the transaction in order to
14 eliminate obstacles to meeting such employment goals;

15 (v) to monitor and to document the contractor's or subcontractor's
16 efforts to meet the employment goals;

17 (vi) to contact the office of community hiring and workforce develop-
18 ment at routine intervals, or as otherwise required by rule, to inform
19 the director of the contractor's or subcontractor's efforts to meet the
20 employment goals; and

21 (vii) to take all other commercially reasonable actions to meet the
22 employment goals.

23 (2) In order to exercise best efforts, neither contractors nor subcon-
24 tractors are required:

25 (i) to undertake an undue financial burden;

26 (ii) to terminate or reduce the work levels of any of a contractor's
27 or subcontractor's existing employees;

28 (iii) to extend an offer of employment to an individual whose labor
29 would not be commercially useful;

30 (iv) to forgo filling building service opportunities with absorption
31 hires; or

32 (v) to forgo requesting, employing, or hiring any individuals or
33 assigning individuals to perform construction work in accordance with
34 the terms of:

35 (A) an agreement with a union referral system to which a contractor or
36 subcontractor is a signatory; or

37 (B) an agreement with a referral source for the sourcing of labor to
38 which a contractor or subcontractor is a signatory, provided that such
39 contractor or subcontractor demonstrates to the satisfaction of the
40 director that such agreement was entered into in furtherance of a bona
41 fide interest in sourcing labor.

42 e. Discretionary application of goals. Notwithstanding any other
43 provision of this section, employment goals authorized under paragraphs
44 six, seven, eight and nine of subdivision a of this section may, but are
45 not required to be, established for transactions that are emergency
46 procurement contracts procured pursuant to the procedure set forth in
47 section three hundred fifteen of this charter.

48 f. Adjustment of construction goals for project labor agreements.
49 Where the city has entered or enters into a project labor agreement and
50 such project labor agreement includes numerical goals regarding the
51 sourcing of economically disadvantaged region candidates and appren-
52 tices, such numerical goals set forth in such project labor agreement
53 shall apply to transactions subject to such project labor agreement.

54 g. Wage payment assurances. The director may promulgate rules setting
55 forth standards and a procedure by which contractors and subcontractors
56 that the director has determined have a record of failing to pay wages,

including but not limited to prevailing wages and benefits required pursuant to article eight of the labor law, to individuals performing construction work under a transaction shall be required to provide additional assurances acceptable to the director in order to receive credit towards the achievement of employment goals set forth in paragraph seven of subdivision a of this section.

§ 3. Subparagraphs (x) and (xi) of paragraph a of subdivision 36 of section 2590-h of the education law, as amended by chapter 98 of the laws of 2019, are amended and a new subparagraph (xii) is added to read as follows:

(xi) procedures for the fair and equitable resolution of contract disputes~~[-]~~; and

(xii) employment goals established in accordance with the program established pursuant to section thirty-five hundred two of the New York city charter, including but not limited to employment goals established pursuant to paragraph seven of subdivision a and the corresponding best efforts provisions set forth in subdivision d of such section; provided, however, that where a provision of such section requires action by the director of the office of community hiring and workforce development, such action shall not be taken by the director of the office of community hiring and workforce development but shall be taken by the chancellor or his or her designee.

§ 4. Subdivision (c) of section 917 of the general municipal law, as separately amended by chapter 1082 of the laws of 1974 and chapter 239 of the laws of 2001, is amended to read as follows:

(c) For the benefit of the city and the inhabitants thereof an industrial development agency, to be known as the New York City Industrial Development Agency, is hereby established for the accomplishment of any or all of the purposes specified in title one of article eighteen-A of this chapter, except that it shall not have the power to construct or rehabilitate any residential facility or housing of any nature and kind whatsoever, nor shall it use any of its funds to further the construction or rehabilitation of any residential facility or housing of any nature and kind whatsoever. It shall constitute a body corporate and politic, and be perpetual in duration. It shall only have the powers and duties conferred by title one of article eighteen-A of this chapter upon industrial development agencies as of January 1, 1973 except that it shall have the power to finance a rail freight facility and the power to establish employment goals in accordance with the program established pursuant to section thirty-five hundred two of the New York city charter, including but not limited to employment goals established pursuant to paragraph seven of subdivision a and the corresponding best efforts provisions set forth in subdivision d of such section; provided, however, that where a provision of such section requires action by the director of the office of community hiring and workforce development, such action shall not be taken by the director of the office of community hiring and workforce development but shall be taken by the chief executive officer of the agency or his or her designee, and it shall not have the power of condemnation. In the exercise of the powers conferred upon

1 such agency with respect to the acquisition of real property by article
2 eighteen-A of this chapter such agency shall be limited to the geograph-
3 ical jurisdictional limits of the city.

4 § 5. Section 816-b of the labor law, as added by chapter 571 of the

26 ty-five of the state finance law, of section one hundred fifty-one of
27 the public housing law, or of any other general, special or local law or
28 administrative code, in entering into any construction contract, a
29 governmental entity ~~[which]~~, including any city governmental entity,
30 that is to be a direct or indirect party to such contract may require
31 that any contractors and subcontractors have, prior to entering into
32 such contract, apprenticeship agreements appropriate for the type and

34 approved by, the commissioner pursuant to the requirements found in this
35 article. A city governmental entity that is a direct or indirect party

38 minimum ratio of apprentices to journey-level workers, as established by
39 the governmental entity but subject to any maximum ratio established by
40 the department, for any classification appropriate for the type and
41 scope of work to be performed, provided that no such minimum ratio shall
42 be established for labor performed pursuant to a construction contract.

43 Whenever utilizing ~~[this requirement]~~ these requirements, the govern-

51 section 3502 of such charter, including but not limited to employment
52 goals established pursuant to paragraph 7 of subdivision a of such
53 section and the corresponding best efforts provisions set forth in
54 subdivision d of such section; provided, however, that where a provision
55 of such section requires action by the director of the office of commu-
56 nity hiring and workforce development of the city of New York, such

1 action shall not be taken by the director of the office of community
2 hiring and workforce development but shall be taken by the chief execu-
3 tive officer of such corporation, or a duly appointed designee.

11 however, that where a provision of such section requires action by the
12 director of the office of community hiring and workforce development,
13 such action shall not be taken by the director of the office of communi-
