STATE OF NEW YORK

7495

2023-2024 Regular Sessions

IN SENATE

May 31, 2023

Introduced by Sen. HOYLMAN-SIGAL -- read twice and ordered printed, and when printed to be committed to the Committee on Higher Education

AN ACT to amend the education law, in relation to the administration of certain immunizations by a pharmacist or a certified nurse practitioner

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Subdivision 7 of section 6527 of the education law, as 2 amended by chapter 555 of the laws of 2021, is amended to read as 3 follows:

3 follows: 7. A licensed physician may prescribe and order a patient specific order or non-patient specific regimen to a licensed pharmacist, pursuant to regulations promulgated by the commissioner, and consistent with the public health law, for: (a) administering immunizations to prevent influenza to patients two years of age or older; and (b) administering immunizations to prevent pneumococcal, acute herpes zoster, hepatitis A, 10 hepatitis B, human papillomavirus, measles, mumps, mpox, rubella, vari-11 cella, COVID-19, meningococcal, tetanus, diphtheria or pertussis disease and medications required for emergency treatment of anaphylaxis to 13 patients eighteen years of age or older; and (c) administering other 14 immunizations recommended by the advisory committee on immunization 15 practices of the centers for disease control and prevention for patients 16 eighteen years of age or older if the commissioner of health in consultation with the commissioner determines that an immunization: (i) (A) 17 may be safely administered by a licensed pharmacist within their lawful 18 19 scope of practice; and (B) is needed to prevent the transmission of a 20 reportable communicable disease that is prevalent in New York state; or 21 (ii) is a recommended immunization for such patients who: (A) meet age 22 requirements, (B) lack documentation of such immunization, (C) lack evidence of past infection, or (D) have an additional risk factor or 24 another indication as recommended by the advisory committee on immuniza-

tion practices of the centers for disease control and prevention. Nothing in this subdivision shall authorize unlicensed persons to administer
immunizations, vaccines or other drugs.

- § 2. Paragraph a of subdivision 22 of section 6802 of the education law, as amended by chapter 555 of the laws of 2021, is amended to read as follows:
- 7 a. the direct application of an immunizing agent to adults, whether by 8 injection, ingestion, inhalation or any other means, pursuant to a 9 patient specific order or non-patient specific regimen prescribed or 10 ordered by a physician or certified nurse practitioner, for: immuniza-11 tions to prevent influenza, pneumococcal, acute herpes zoster, hepatitis 12 A, hepatitis B, human papillomavirus, measles, mumps, mpox, rubella, varicella, COVID-19, meningococcal, tetanus, diphtheria or pertussis 13 14 disease and medications required for emergency treatment of anaphylaxis; 15 and other immunizations recommended by the advisory committee on immunization practices of the centers for disease control and prevention for 16 17 patients eighteen years of age or older if the commissioner of health in consultation with the commissioner determines that an immunization: 18 19 (i)(A) may be safely administered by a licensed pharmacist within their 20 lawful scope of practice; and (B) is needed to prevent the transmission 21 of a reportable communicable disease that is prevalent in New York state; or (ii) is a recommended immunization for such patients who: (A) meet age requirements, (B) lack documentation of such immunization, 23 24 lack evidence of past infection, or (D) have an additional risk factor 25 or another indication as recommended by the advisory committee on immunization practices of the centers for disease control and prevention. If 26 27 the commissioner of health determines that there is an outbreak of disease, or that there is the imminent threat of an outbreak of disease, 28 29 then the commissioner of health may issue a non-patient specific regimen 30 applicable statewide.
 - § 2-a. Subparagraph 1 of paragraph a of subdivision 22 of section 6802 of the education law, as amended by chapter 802 of the laws of 2022, is amended to read as follows:
- 34 (1) the direct application of an immunizing agent to adults, whether 35 by injection, ingestion, inhalation or any other means, pursuant to a 36 patient specific order or non-patient specific regimen prescribed or 37 ordered by a physician or certified nurse practitioner, for: tions to prevent influenza, pneumococcal, acute herpes zoster, hepatitis 38 39 hepatitis B, human papillomavirus, measles, mumps, mpox, rubella, 40 varicella, COVID-19, meningococcal, tetanus, diphtheria or pertussis disease and medications required for emergency treatment of anaphylaxis; 41 42 and other immunizations recommended by the advisory committee on immuni-43 zation practices of the centers for disease control and prevention for patients eighteen years of age or older if the commissioner of health in 45 consultation with the commissioner determines that an immunization: (i)(A) may be safely administered by a licensed pharmacist within their 46 47 lawful scope of practice; and (B) is needed to prevent the transmission 48 a reportable communicable disease that is prevalent in New York state; or (ii) is a recommended immunization for such patients who: (A) 49 meet age requirements, (B) lack documentation of such immunization, (C) 50 lack evidence of past infection, or (D) have an additional risk factor 51 52 or another indication as recommended by the advisory committee on immun-53 ization practices of the centers for disease control and prevention. If the commissioner of health determines that there is an outbreak of disease, or that there is the imminent threat of an outbreak of disease, 55

then the commissioner of health may issue a non-patient specific regimen applicable statewide.

- § 3. Subdivision 7 of section 6909 of the education law, as amended by chapter 555 of the laws of 2021, is amended to read as follows:
- 5 7. A certified nurse practitioner may prescribe and order a patient specific order or non-patient specific regimen to a licensed pharmacist, 7 pursuant to regulations promulgated by the commissioner, and consistent with the public health law, for: (a) administering immunizations to 9 prevent influenza to patients two years of age or older; and (b) admin-10 istering immunizations to prevent pneumococcal, acute herpes zoster, 11 hepatitis A, hepatitis B, human papillomavirus, measles, mumps, mpox, 12 rubella, varicella, COVID-19, meningococcal, tetanus, diphtheria or pertussis disease and medications required for emergency treatment of 13 14 anaphylaxis to patients eighteen years of age or older; and (c) administering other immunizations recommended by the advisory committee on 15 16 immunization practices of the centers for disease control and prevention 17 for patients eighteen years of age or older if the commissioner of 18 health in consultation with the commissioner determines that an immunization: (i) (A) may be safely administered by a licensed pharmacist 19 within their lawful scope of practice; and (B) is needed to prevent the 20 21 transmission of a reportable communicable disease that is prevalent in 22 New York state; or (ii) is a recommended immunization for such patients who: (A) meet age requirements, (B) lack documentation of such immuniza-23 tion, (C) lack evidence of past infection, or (D) have an additional 24 25 risk factor or another indication as recommended by the advisory commit-26 tee on immunization practices of the centers for disease control and 27 prevention. Nothing in this subdivision shall authorize unlicensed 28 persons to administer immunizations, vaccines or other drugs.
- § 4. This act shall take effect immediately; provided that the amendments to subdivision 22 of section 6802 of the education law made by section two of this act shall be subject to the expiration of such subdivision when upon such date the provisions of section two-a of this act shall take effect.
