AN ACT granting retroactive Tier IV membership in the New York city teachers' retirement system to Matthew DeTiberiis

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Notwithstanding any other provision of law, Matthew DeTi-
2 beriis, who is currently employed by the New York city department of
3 education and a member of the New York city teachers' retirement system,
4 and who was employed by the city of Yonkers parks department for the
5 period beginning in 2009 and ending in 2014, and who, for reasons not
6 ascribable to his own negligence, failed to become a member of the New
7 York state and local employees' retirement system during such employment
8 with the city of Yonkers parks department in 2009, shall be granted
9 service credit in the New York city teachers' retirement system for his
10 employment with the city of Yonkers parks department for the period
11 beginning in 2009 and ending in 2014 and shall be granted Tier IV status
12 in such retirement system, provided that an application is filed with
13 the head of the New York city teachers' retirement system within one
14 year from the effective date of this act.

15 § 2. All past service costs associated with the implementation of this
16 act shall be borne by the city of New York.

17 § 3. This act shall take effect immediately.

FISCAL NOTE.--Pursuant to Legislative Law, Section 50:

SUMMARY: This proposed legislation would permit Matthew DeTiberiis, an active Tier 6 member of the New York City Teachers' Retirement System (TRS), to purchase service with the Yonkers Parks Department and to

CENSUS DATA: The estimates presented herein are based on preliminary census data collected as of June 30, 2023. The census data for the impacted population is summarized below.

	TRS

- Number Count:	1
- Average Age:	36.0
- Average Service:	7.0
- Average Salary:	92,200

BACKGROUND: Mr. DeTiberiis is currently employed by the New York City Department of Education. He joined TRS in September 2016 as a Tier 6 member. Previously he was employed by the City of Yonkers Parks Department from September 18, 2009 through February 28, 2014.

The proposed legislation would allow Mr. DeTiberiis to receive service credit in TRS for his employment with the Yonkers Parks Department and apply for a Tier 4 membership with a refund of past Tier 6 contributions that exceed the applicable Tier 4 contribution rate. A change from Tier 6 to Tier 4 would result in an earlier date of retirement eligibility, lower overall prospective employee contribution rates, a larger benefit, and a three-year (as opposed to a five-year) final average salary.

ASSUMPTIONS AND METHODS: The estimates presented herein have been calculated based on the Revised 2021 Actuarial Assumptions and Methods of the impacted retirement systems.

RISK AND UNCERTAINTY: The costs presented in this Fiscal Note depend highly on the actuarial assumptions, methods, and models used, demographics of the impacted population, and other factors such as investment, contribution, and other risks. If actual experience deviates from actuarial assumptions, the actual costs could differ from those presented herein. Quantifying these risks is beyond the scope of this Fiscal Note.

This Fiscal Note is intended to measure pension-related impacts and does not include other potential costs (e.g., administrative and Other Postemployment Benefits).

STATEMENT OF ACTUARIAL OPINION: Marek Tyszkiewicz and Gregory Zelikovsky are members of the Society of Actuaries and the American Academy of Actuaries. We are members of NYCERS but do not believe it impairs our objectivity and we meet the Qualification Standards of the American Academy of Actuaries to render the actuarial opinion contained herein. To the best of our knowledge, the results contained herein have been prepared in accordance with generally accepted actuarial principles and procedures and with the Actuarial Standards of Practice issued by the Actuarial Standards Board.

FISCAL NOTE IDENTIFICATION: This Fiscal Note 2024-35 dated March 21, 2024 was prepared by the Chief Actuary for the New York City Retirement Systems and Pension Funds. This estimate is intended for use only during the 2024 Legislative Session.
