3 ~~Tuesday in February~~] April second, two thousand twenty-four unless  
4 otherwise changed by an act of the legislature, for the purpose of  
5 electing delegates and alternate delegates to the national convention.

6 § 2. Notwithstanding any inconsistent provisions of the election law,  
7 a rule or resolution of a state committee providing for the selection of  
8 delegates and alternate delegates to a national party convention or  
9 national party conference in the year 2024 shall select either section  
10 three or section four of this act in order to conform to the rules of a  
11 national committee. A certified copy of such rule or resolution shall be  
12 filed with the state board of elections no later than 22 weeks before  
13 the presidential primary.

14 § 3. The election law is amended by adding a new section 2-122-a to  
15 read as follows:

16 § 2-122-a. National convention; national party conference. 1. The  
17 rules of the state committee of a party may provide that the delegates  
18 and alternate delegates to a national convention or national party  
19 conference be elected by a combination of all of the following methods:

20 a. By votes cast at a primary election for candidates for the office  
21 of president of the United States in which the names of candidates for  
22 such office appear on the ballot;

23 b. By votes cast at a primary election for candidates for the posi-  
24 tions of delegate and alternate delegate to a national convention in  
25 districts no larger than congressional districts; and

26 c. By the state committee or a committee of the state committee at a  
27 meeting or convention called for such purpose as the rules of the party  
28 may provide.

29 2. If the rules of a state committee adopted pursuant to the  
30 provisions of this section provide for a primary election in which the  
31 office of president of the United States appears on the ballot, desig-  
32 nation of candidates for such office shall be made pursuant to the  
33 provisions of sections 6-100, 6-118, 6-122 (except that such candidates  
34 need not be citizens of New York but only citizens of the United  
35 States), 6-130, 6-132 (except that references to a committee to fill  
36 vacancies shall be deemed references to a committee to receive notices  
37 and individuals appointed to such committee to receive notices shall not  
38 be required to file a certificate of acceptance), 6-134, 6-144, the  
39 provisions with respect to declinations in subdivisions one and two of  
40 section 6-146 (except that references to a committee to fill vacancies  
41 shall be deemed references to a committee to receive notices and indi-  
42 viduals appointed to such committee to receive notices shall not be  
43 required to file a certificate of acceptance), 6-154, and subdivisions  
44 one, one-b and the provision with respect to declinations in subdivision  
45 two of section 6-158 (except that such candidates may decline such  
46 designations not later than February sixth, two thousand twenty-four) of  
47 this chapter. The state board of elections shall forthwith notify the  
48 appropriate county boards of elections of any such declination filed.

49 3. Designating petitions, where required for candidates for the office  
50 of president of the United States to be voted on by voters of the entire  
51 state in a primary election, must be signed by not less than fifteen  
52 thousand of the then enrolled voters of the party in the state.

53 4. If the rules of a state committee provide for a primary election in  
54 which the office of the president of the United States appears on the  
55 ballot, in addition to the spaces on the ballot with the names of the  
56 candidates designated for such office there may be a space with the word

1 "uncommitted". The "uncommitted" space shall be listed on the ballot  
2 provided that a designating petition for such "uncommitted" space which  
3 meets the same requirements as a petition designating a candidate for  
4 the office of president of the United States is filed in the same manner  
5 as is required for such a petition.

6 5. a. The form of a petition requesting that an "uncommitted" space be  
7 listed on the ballot at a primary election for the office of president  
8 of the United States held pursuant to the provisions of this section  
9 shall be substantially as follows:

10 I, the undersigned, do hereby state that I am a duly enrolled voter of  
11 the ..... Party and entitled to vote at the next primary  
12 election of such party to be held on the ..... day of  
13 ..... 20..., that my place of residence is truly stated oppo-  
14 site my signature hereto, and I do hereby request that an "uncommitted"  
15 space be listed on the ballot at the primary election of such party for  
16 the office of president of the United States.

17 b. The appointment of a committee to receive notices shall be in the  
18 form prescribed for a petition for an opportunity to ballot. The signa-  
19 tures on the petition with all the required information and the signed  
20 statement of a witness or authentication by a person authorized to take  
21 oaths shall be in the form prescribed for a designating petition for  
22 such office.

23 6. a. If the rules of a state committee, adopted pursuant to the  
24 provisions of this section, provide that the positions of delegate and  
25 alternate delegate to a national convention appear on the ballot, desig-  
26 nation of candidates for such positions shall be made pursuant to the  
27 provisions of sections 6-100, 6-118, 6-122, 6-130, 6-132 (except that  
28 references to a committee to fill vacancies shall be deemed references  
29 to a committee to receive notices and individuals appointed to such  
30 committee to receive notices shall not be required to file a certificate  
31 of acceptance), 6-134, 6-144, the provisions with respect to declina-  
32 tions in subdivisions one and two of section 6-146 (except that refer-  
33 ences to a committee to fill vacancies shall be deemed references to a  
34 committee to receive notices and individuals appointed to such committee  
35 to receive notices shall not be required to file a certificate of  
36 acceptance), 6-147, 6-154, and subdivisions one, one-b and the provision  
37 with respect to declinations in subdivision two and subdivision three of  
38 section 6-158 of this chapter.

39 b. Candidates for the positions of district delegate and alternate  
40 district delegate to a national party convention pursuant to the  
41 provisions of this section shall be enrolled members of such party and  
42 residents of the district in which they are candidates. The board of  
43 elections with which a petition is filed shall conduct a prima facie  
44 review of the enrollment status of candidates for district delegate and  
45 alternate district delegate to determine ballot eligibility. The  
46 congressional districts used for the election of such delegates and  
47 alternate delegates shall be those districts in effect for the two thou-  
48 sand twenty-two congressional elections.

49 c. Designating petitions for candidates for such positions must be  
50 signed by at least five hundred enrolled voters of the party residing in  
51 the district in which such candidates are designated, or by at least  
52 one-half of one percent (0.5%) of the then enrolled voters of such party  
53 in such district, whichever is less. Such petition signature requirement  
54 shall be computed using the official February twenty-first, two thousand  
55 twenty-three enrollments published by the state board of elections.

1 d. The designating petition for any such candidate or candidates shall  
2 have printed thereon prior to the affixing of any signatures thereto, a  
3 legend naming the presidential candidate whom such candidates are  
4 pledged to support, or a legend that such candidates are uncommitted.  
5 Such legend shall be part of the title of such position.

6 e. No designating petition containing the names of more than one  
7 candidate for either such position shall be valid under this section,  
8 for purposes of delegates and alternate delegates, unless all such  
9 candidates for such positions have printed on such petition the legend  
10 that they are pledged to the same presidential candidate or unless all  
11 such candidates for such positions have printed on such petition the  
12 legend that they are uncommitted.

13 f. On the designating petition shall appear, in parenthesis, the  
14 letter (M) if the candidate identifies as male, the letter (F) if the  
15 candidate identifies as female or the letter (X) if the candidate iden-  
16 tifies as any gender other than female or male. No designating petition  
17 containing the names of more than one candidate for either such position  
18 shall be presumptively valid unless among the candidates for delegate as  
19 a group, and among the candidates for alternate as a group, the variance  
20 within each group between those identifying as male and those identify-  
21 ing as female shall be no greater than one.

22 g. In the event that a designating petition is filed for candidates  
23 for such positions listed as pledged to support a presidential candidate  
24 or as uncommitted, and the name of such presidential candidate, or the  
25 word uncommitted, will not appear on the ballot at the presidential  
26 primary election in two thousand twenty-four, then the petition desig-  
27 nating such candidates for such positions shall be null and void and the  
28 names of such candidates for such positions shall not appear on the  
29 ballot.

30 h. Every board of elections with which designating petitions are filed  
31 pursuant to the provisions of this section shall, not later than four  
32 days after the last day to file such petitions, file with the state  
33 board of elections by express mail or by electronic transmission, a  
34 complete list of all candidates for delegate and alternate delegate  
35 together with their residence addresses, the districts in which they are  
36 candidates and the name of the presidential candidate whom they are  
37 pledged to support or that they are uncommitted. Such boards of  
38 elections shall, not later than the day after a certificate of declina-  
39 tion or substitution is filed with respect to any such candidate, file  
40 such information with respect to such candidate with the state board of  
41 elections by electronic transmission.

42 7. a. The rules of a state committee adopted pursuant to the  
43 provisions of this section may provide that no candidate for the posi-  
44 tions of delegate and alternate delegate may appear on the ballot as  
45 pledged to support a particular presidential candidate, or as uncommi-  
46 tied, unless the name of such candidate for such position appears on a  
47 certificate listing the names of those candidates for such positions who  
48 have filed statements of candidacy for such positions with the secretary  
49 of the state committee within the time prescribed by such rules and who,  
50 if their statements of candidacy contained a pledge of support of a  
51 presidential candidate, were not rejected by such presidential candi-  
52 date. Such certificate shall also list the address and gender of each  
53 such candidate for delegate and alternate delegate and the district in  
54 which such candidate may appear on the ballot.

55 b. Such certificate shall be filed by the secretary of such state  
56 committee, with the board of elections with which the designating

1 petitions for such candidates for such positions are required to be  
2 filed, not later than January twenty-third, two thousand twenty-four.

3 c. In the event that a designating petition for candidates for such  
4 positions, listed as pledged to support a presidential candidate,  
5 contains the names of one or more persons who have not been permitted by  
6 such presidential candidate to appear on the ballot as so pledged pursu-  
7 ant to the provisions of this section, then the names of such candidates  
8 shall not appear on the ballot but the names of other candidates on such  
9 petition who have been permitted by the presidential candidate to appear  
10 on the ballot shall be placed on the ballot provided that such candi-  
11 dates are otherwise eligible and that such petition is otherwise valid.

12 d. The state board of elections shall send a copy of the certificate  
13 required by section 4-110 of this chapter to the secretary of the state  
14 committee of each party conducting a primary pursuant to the provisions  
15 of this section not later than February eighth, two thousand twenty-  
16 four. Every other board of elections with which designating petitions  
17 for delegate and alternate delegate were filed pursuant to the  
18 provisions of this section shall, not later than February ninth, two  
19 thousand twenty-four, send a list of the names and addresses of those  
20 candidates who will appear on the ballot to the secretary of each such  
21 state committee.

22 8. a. If the rules of a state committee adopted pursuant to the  
23 provisions of this section provide for an election in which candidates  
24 for the office of president of the United States and the word "uncommi-  
25 ted" and candidates for the positions of delegate and alternate delegate  
26 to a national convention appear on the ballot, such ballot shall be  
27 arranged in the manner prescribed by this section.

28 b. The name of each candidate for the office of president of the  
29 United States who has qualified to appear on the ballot and the word  
30 "uncommitted," if a valid designating petition to place such word on the  
31 ballot was filed with the state board of elections, shall appear in a  
32 separate row or column. The names of all the candidates for delegate to  
33 a national convention who filed designating petitions containing a  
34 legend naming the presidential candidate whom they are pledged to  
35 support or stating that they are uncommitted shall be listed in such row  
36 or column immediately under or adjacent to the name of such presidential  
37 candidate or the word "uncommitted," followed by the names of all candi-  
38 dates for alternate delegate to such convention who filed such  
39 petitions. If the number of candidates, or groups of candidates for  
40 delegate and alternate delegate who are pledged to support a particular  
41 presidential candidate or who are uncommitted is greater than the number  
42 who may be listed in one row or column and if there are more rows or  
43 columns available on the ballot than are required for the candidates for  
44 president who have qualified to appear on the ballot, then the board of  
45 elections shall use two rows or columns on such ballot to list the names  
46 of such candidates for delegate and alternate delegate.

47 c. The order of the names of candidates for the office of president  
48 and the word "uncommitted" on the ballot and the order of the names of  
49 candidates for the positions of delegate or alternate delegate within a  
50 particular row or column shall be determined pursuant to the provisions  
51 of subdivision three of section 7-116 of this chapter except that names  
52 of candidates for such positions who are designated by individual  
53 petitions and not in a group shall have their positions determined by  
54 lot in the same drawing as groups and except further that candidates or  
55 groups of candidates for delegates and alternate delegates designated by  
56 the same petition shall be treated as one group for the purposes of such

determination by lot. The provisions of subdivision six of such section 7-116 of this chapter shall not apply to any election conducted pursuant to the provisions of this section.

d. Immediately following the name of each candidate for delegate and alternate delegate on the ballot shall appear, in parenthesis, the letter (M) if such candidate identifies as male, the letter (F) if such candidate identifies as female, or the letter (X) if such candidate identifies as any gender other than female or male.

9. All primary elections conducted pursuant to the provisions of this section shall use only voting systems authorized by title two of article seven of this chapter.

10. Persons entitled to vote pursuant to section 11-200 of this chapter shall be entitled to sign designating petitions for, and vote in, any election held pursuant to the provisions of this section.

11. If the rules of a state committee provide for a primary election in which the office of president of the United States and the positions of delegate and alternate delegate to a national convention appear on the ballot pursuant to the provisions of this section, the state board of elections and the county boards of elections as the case may be shall canvass the results of such primary election for such office and positions pursuant to the provisions of sections 9-200 and 9-202 of this chapter, and shall certify to the secretary of the state committee of such party the votes cast for each candidate for such office and positions in such primary election and the votes cast for the "uncommitted" preference, tallied separately by congressional districts, except that no candidate or "uncommitted" preference shall be certified as nominated or elected to any such office or position.

12. Except as provided in this section and party rules and regulations, all provisions of the election law, except any provisions of section 2-122 of this article which are inconsistent with this section and those sections and subdivisions of article six of this chapter not specified in this section, shall apply to elections conducted pursuant to this section.

§ 4. The election law is amended by adding a new section 2-122-b to read as follows:

§ 2-122-b. Presidential primary. 1. Applicability. The selection of delegates and alternate delegates from New York state to the national convention of the Republican party in each year in which electors of president and vice-president of the United States are to be elected shall be conducted pursuant to the provisions of this section. The state committee of any other political party may, by rule or resolution, opt to conduct the selection of delegates and alternate delegates in any such year in accordance with the provisions of this section. A certified copy of such rule or resolution shall be filed with the state board of elections no later than twenty weeks prior to the date of such election.

2. General provisions. The awarding of delegates and alternate delegates to a national convention or conference of a political party pursuant to this section shall be determined by the votes cast at a statewide primary election for candidates for the office of president of the United States in which the names of candidates for such office appear on the ballot and the names of delegates and alternate delegates do not appear on such ballot. The total number of delegates and alternate delegates shall be determined by the call for the national convention. Three delegates and three alternate delegates shall be awarded from every congressional district in the state, unless the rules of the national Republican party and/or the call for the national convention

1 provide differently. The total number of delegates and alternate deleg-  
2 ates as established by the call for the national convention minus the  
3 number of delegates and alternate delegates to be awarded from the  
4 congressional districts shall be designated at-large delegates and  
5 at-large alternate delegates.

6 A political party shall certify to the state board of elections, at  
7 least sixteen weeks prior to the date of the presidential primary, the  
8 number of delegates to which such party is entitled pursuant to its  
9 rules.

10 Congressional district delegates and alternate delegates shall be  
11 awarded based upon the results of separate and distinct primary  
12 elections held within each congressional district of the state. Congres-  
13 sional district delegates and alternate delegates shall be awarded to  
14 presidential candidates pursuant to paragraph b of subdivision four of  
15 this section and elected pursuant to paragraph c of subdivision four of  
16 this section. At-large delegates and alternate delegates shall be  
17 elected by the state committee and allocated to presidential candidates  
18 pursuant to subdivision five of this section.

19 3. Ballot access methods. Candidates shall be eligible to appear on  
20 the ballot in a primary election of a political party for the office of  
21 president of the United States pursuant to any of the following  
22 provisions:

23 a. Any candidate who has been certified as eligible to receive presi-  
24 dential primary matching fund payments pursuant to the provisions of 11  
25 Code of Federal Regulations Part 9033, or any candidate who meets the  
26 eligibility criteria regarding matchable contributions established in 11  
27 Code of Federal Regulations Part 9033.2(b)(3) regardless of whether such  
28 candidate actually applied for such matching fund payments, may request,  
29 by certificate filed and received by the state board of elections no  
30 sooner than sixteen weeks and not later than nine weeks prior to the  
31 date of the presidential primary, that the name of such candidate appear  
32 on the ballot at the primary of such party in the state of New York for  
33 that year.

34 b. Any candidate may request, by certificate filed and received by the  
35 state board of elections no sooner than sixteen weeks and not later than  
36 nine weeks prior to the date of the presidential primary, that the name  
37 of such candidate appear on the ballot at the primary of such party in  
38 the state of New York for the office of president of the United States.  
39 Such candidate shall be eligible to appear on the ballot of such party  
40 in the state of New York at the primary election for that year if the  
41 state board of elections determines that the person is a nationally  
42 known and recognized candidate and the candidacy of such person for the  
43 party nomination for president is generally and seriously advocated or  
44 recognized according to reports in the national or state news media.  
45 Notwithstanding any inconsistent provision of law to the contrary, a  
46 request by a candidate to appear on the presidential primary ballot of a  
47 major political party shall be determined solely upon a joint recommen-  
48 dation by the commissioners of the state board of elections who have  
49 been appointed on the recommendation of such political party or the  
50 legislative leaders of such political party, and no other commissioner  
51 of the state board of elections shall participate in such determination.  
52 The state board of elections shall act upon any such request no later  
53 than fifty-six days before the presidential primary.

54 c. Any candidate shall be eligible to appear on the ballot pursuant to  
55 the provisions of article six of this chapter. Designating petitions

1 shall be signed by not less than five thousand or five percent, whichever  
2 is less, of the then enrolled voters of the party in the state.

3 d. Presidential candidates determined eligible to appear on the primary  
4 ballot may have their name removed from such primary ballot by filing  
5 a certificate with the state board of elections and received no later  
6 than fifty-six days before such primary election. After such date but  
7 before the seventh day before the primary, presidential candidates may  
8 file a certificate with the state board of elections deeming any vote  
9 for such presidential candidate to be a void vote.

10 4. Election of delegates and alternate delegates from congressional  
11 districts. a. Each congressional district shall conduct a separate and  
12 distinct primary election. Enrolled Republican voters from a congress-  
13 sional district shall vote for a presidential candidate who has quali-  
14 fied for the primary ballot pursuant to subdivision three of this  
15 section.

16 b. All three delegates and all three alternate delegates from a  
17 congressional district shall be awarded to a presidential candidate who  
18 receives a majority of the total votes cast for presidential candidates  
19 in such congressional district. If no presidential candidate receives a  
20 majority of the votes in a congressional district, the presidential  
21 candidate receiving the most votes in the congressional district shall  
22 be awarded two delegates and two alternate delegates and the presiden-  
23 tial candidate who receives the second most votes in the congressional  
24 district shall be awarded one delegate and one alternate delegate,  
25 provided however, that a presidential candidate must receive at least  
26 twenty percent of the total votes cast for presidential candidates in  
27 the congressional district in order to be awarded any delegates and  
28 alternate delegates from that congressional district. If only one presi-  
29 dential candidate receives twenty percent or more of the total votes  
30 cast for presidential candidates in a congressional district, such presi-  
31 dential candidate shall be awarded all three delegates and all three  
32 alternate delegates. If no presidential candidate receives twenty  
33 percent or more of the total votes cast for presidential candidates in a  
34 congressional district, the three delegate and three alternate delegate  
35 positions from such district shall be deemed vacant and filled pursuant  
36 to the rules of the national Republican party.

37 c. All congressional district delegates and alternate delegates shall  
38 be elected by the members of the New York Republican state committee  
39 representing each such congressional district and awarded to presiden-  
40 tial candidates pursuant to paragraph b of this subdivision. The  
41 congressional district delegates and alternate delegates shall be  
42 elected by the members of the New York Republican state committee  
43 representing each such congressional district at meetings called by the  
44 state chairman and scheduled in compliance with Rules 16 and 20 of the  
45 Rules of the Republican Party (National) but, if practicable, following  
46 the certification of the results of the presidential primary by the New  
47 York state board of elections. The notices of call issued by the state  
48 chairman shall designate New York Republican state committee members to  
49 serve as chairs and secretaries of the congressional district meetings.  
50 At these congressional district meetings, the members of the New York  
51 Republican state committee shall each cast votes equal to the Republican  
52 enrollment for their unit of representation that is within the congress-  
53 sional district. Voting by proxy at the congressional district meeting  
54 shall be valid. The chair and secretary of each congressional district  
55 meeting shall file a certificate with the New York state board of  
56 elections stating the names and addresses of the individuals elected as

1 congressional district delegates and alternate delegates within five  
2 days of the meeting.

3 5. Election of at-large delegates and at-large alternate delegates.  
4 At-large delegates and at-large alternate delegates shall be selected by  
5 the New York Republican state committee and awarded to presidential  
6 candidates based upon the statewide vote results of the presidential  
7 primary election. All at-large delegates and at-large alternate deleg-  
8 ates shall be awarded to the presidential candidate who receives a  
9 majority of the statewide total votes cast for presidential candidates.  
10 If no presidential candidate receives a majority of the statewide total  
11 votes cast for presidential candidates, at-large delegates and at-large  
12 alternate delegates shall be allocated and awarded as follows: based on  
13 the ratio of the total statewide vote received by each presidential  
14 candidate in relation to the total statewide vote for all presidential  
15 candidates receiving at least twenty percent of the statewide vote in  
16 the presidential primary election, the New York Republican state commit-  
17 tee shall apportion pro-rata the number of at-large delegates and  
18 at-large alternate delegates that each presidential candidate is enti-  
19 tled to receive rounded to the nearest whole number: provided however,  
20 that a presidential candidate must receive at least twenty percent of  
21 the total statewide vote of the presidential primary election in order  
22 to be awarded any at-large delegates by the New York Republican state  
23 committee. In the event the pro-rata apportionment of delegates leaves  
24 one or more delegates unawarded by process of mathematical distribution,  
25 then any such delegate or delegates, shall be awarded to the presiden-
