42 similarly serious nature requiring the aid of the court; provided,
43 however, that where such parent or other person legally responsible for

34 regulations; and

35 (D) prescribe a reasonable time period for correction of the
36 violations, depending on the nature of such violations and the time
37 required for correction.

38 (iii) Where inspections have been made and critical violations of
39 applicable statutes or regulations have been found, the office of chil-

26 (iv) serious condition;

27 (v) communicable disease;

28 (vi) transportation to a hospital; or

29 (vii) any other incident involving a critical violation.

30 § 5. Subdivision 10 of section 390 of the social services law, as
31 amended by chapter 416 of the laws of 2000, is amended to read as
32 follows:

33 10. (a) Any home or facility providing child day care shall be oper-
34 ated in accordance with applicable statutes and regulations. Any crit-
35 ical violation of applicable statutes or regulations shall be a basis to
36 deny, limit, suspend, revoke, or terminate a license or registration.

37 (b) Additional bases to deny, limit, suspend, revoke, or terminate a
38 license or registration shall include a finding that the holder of such
39 license or registration:

40 (i) failed to comply with any applicable statute or regulation, or any
41 corrective action plan, notice of sanction, suspension, or terms of
42 probation;

43 (ii) failed to pay a fine after either failing to appeal the assess-
44 ment of a fine within the prescribed time or a hearing where assessment
45 of a fine was upheld;

46 (iii) submitted any misleading or false statement or report required
47 under applicable statutes or regulations;

48 (iv) refused to submit any report or make available any records
49 required under applicable statutes or regulations;

50 (v) refused to admit, at a reasonable time, any employee of the office
51 of children and family services authorized by the commissioner of such
52 office to investigate or inspect a program or facility pursuant to para-
53 graph (a) of subdivision three of this section; or

54 (vi) failed to obtain a license prior to opening a program or facility
55 or changing the location of a program or facility.

1 (c) Consistent with articles twenty-three and twenty-three-A of the
2 correction law, and guidelines referenced in subdivision two of section
3 four hundred twenty-five of this article, if the office of children and
4 family services is made aware of the existence of a criminal conviction
5 or pending criminal charge concerning an operator of a family day care
6 home, group family day care home, school-age child care program, or
7 child day care center or concerning any assistant, employee or volunteer
8 in such homes, programs or centers, or any persons age eighteen or over
9 who reside in such homes, such conviction or charge may be a basis to
10 deny, limit, suspend, revoke, reject, or terminate a license or regis-
11 tration.

12 (d) Before any license [~~issued~~] or registration is denied, limited,
13 suspended, revoked, rejected, or terminated pursuant to [~~the provisions~~]
14 paragraph (a), (b) or (c) of this [section is suspended or revoked,
15 before registration pursuant to this section is suspended or terminated]
16 subdivision, the office of children and family services shall conduct an
17 investigation of any critical violations, including an inspection of the
18 program or facility pursuant to paragraph (a) of subdivision three of
19 this section.

20 (e) (i) Before any license or registration is denied, limited,
21 suspended, revoked, rejected, or terminated pursuant to paragraph (a),
22 (b) or (c) of this subdivision, or when an application for such license
23 is denied or registration rejected, the applicant for or holder of such
24 registration or license is entitled, pursuant to section twenty-two of
25 this chapter and the regulations of the office of children and family
26 services, to a hearing before the office of children and family
27 services. However, a license or registration shall be temporarily
28 suspended or limited without a hearing upon written notice to the opera-
29 tor of the facility following a finding that the public health, or an
30 individual's safety or welfare, are in imminent danger. Such written
31 notice shall be hand delivered, mailed to such holder of a registration
32 or license via first class mail, certified or registered, return receipt
33 requested, or delivered by courier requiring a signed receipt.

34 (ii) Upon temporary suspension or limitation of a license or registra-
35 tion pursuant to subparagraph (i) of this paragraph, the holder of such
36 license or registrant shall immediately return such license or registra-
37 tion to the office of children and family services and cease providing
38 services. The licensee or registrant shall notify the parents or guardi-
39 ans of all children enrolled in the program or facility of any such
40 suspension or limitation within two business days of receipt of written
41 notice from the office of children and family services.

42 (iii) (A) The holder of a license or registrant is entitled to a hear-
43 ing before the office of children and family services to contest the
44 temporary suspension or limitation. If the holder of a license or regis-
45 trant requests a hearing to contest the temporary suspension or limita-
46 tion, such hearing must be scheduled to commence as soon as possible but
47 in no event later than thirty days after the receipt of the request by
48 the office of children and family services. [~~Suspension~~] The suspension
49 or limitation shall continue until the condition requiring suspension or
50 limitation is corrected or until a hearing decision has been issued.

51 (B) The sole issue at a hearing held pursuant to clause (A) of this
52 subparagraph shall be whether the office of children and family services
53 has reason to believe that the licensee's or registrant's failure to
54 comply with any applicable statutes or regulations resulted in an emer-
55 gency situation in which the public health, or an individual's safety or
56 welfare, was in imminent danger. A finding that any abuse or neglect

1 occurred at the program or facility shall be prima facie evidence that
2 such emergency situation exists.

3 (C) If the office of children and family services determines after a
4 hearing held pursuant to clause (A) of this subparagraph that the tempo-
5 rary suspension or limitation was proper, such suspension or limitation
6 shall be extended until the condition requiring suspension or limitation
7 has been corrected or until the license or registration has been
8 revoked.

9 (iv) Any party aggrieved by a final decision of the office of children
10 and family services in any adjudicatory proceeding under this paragraph
11 may petition for judicial review pursuant to section twenty-two of this
12 chapter.

13 § 6. Subparagraphs (i), (iii) and (iv) of paragraph (a) of subdivision
14 11 of section 390 of the social services law, as amended by chapter 416
15 of the laws of 2000, are amended to read as follows:

16 (i) The office of children and family services shall adopt regulations
17 establishing civil penalties of no more than five hundred dollars per
18 day to be assessed against child day care centers, school age child care
19 programs, group family day care homes or family day care homes for crit-
20 ical violations of this section, sections three hundred ninety-a and
21 three hundred ninety-b of this title and any regulations promulgated
22 thereunder. The regulations establishing civil penalties shall specify
23 the violations subject to penalty.

24 (iii) In addition to any other civil or criminal penalty provided by
25 law, the office of children and family services shall have the power to
26 assess civil penalties in accordance with its regulations adopted pursu-
27 ant to this subdivision after a hearing conducted in accordance with
28 procedures established by regulations of the office of children and
29 family services. Such procedures shall require that notice of the time
30 and place of the hearing, together with a statement of charges of
31 violations, shall be served in person or by certified mail addressed to
32 the school age child care program, group family day care home, family
33 day care home, or child day care center at least thirty days prior to
34 the date of the hearing. The statement of charges shall set forth the
35 existence of the critical violation or violations, the amount of penalty
36 for which the program may become liable, the steps which must be taken
37 to rectify [~~the~~] such violation or violations, and where applicable, a
38 statement that a penalty may be imposed regardless of rectification. A
39 written answer to the charges of critical violations shall be filed with
40 the office of children and family services not less than ten days prior
41 to the date of hearing with respect to each of the charges and shall
42 include all material and relevant matters which, if not disclosed in the
43 answer, would not likely be known to the office of children and family
44 services.

45 (iv) The hearing shall be held by the commissioner of the office of
46 children and family services or the commissioner's designee. The burden
47 of proof at such hearing shall be on the office of children and family
48 services to show that the charges are supported by a preponderance of
49 the evidence. The commissioner of the office of children and family
50 services or the commissioner's designee, in his or her discretion, may
51 allow the child day care center operator or provider to attempt to prove
52 by a preponderance of the evidence any matter not included in the
53 answer. Where the child day care provider satisfactorily demonstrates
54 that it has rectified the critical violations in accordance with the
55 requirements of paragraph (c) of this subdivision, no penalty shall be
56 imposed except as provided in paragraph (c) of this subdivision.

1 § 7. Subparagraph (i) of paragraph (b) of subdivision 11 of section
2 390 of the social services law, as amended by chapter 416 of the laws of
3 2000, is amended to read as follows:

4 (i) In assessing penalties pursuant to this subdivision, the office of
5 children and family services may consider the completeness of any recti-
6 fication of critical violations made and the specific circumstances of
7 such critical violations as mitigating factors.

8 § 8. Subparagraph (i) of paragraph (c) of subdivision 11 of section
9 390 of the social services law, as amended by chapter 117 of the laws of
10 2010, is amended to read as follows:

11 (i) Except as provided for in this paragraph, a child day care provid-
12 er shall avoid payment of a penalty imposed pursuant to this subdivision
13 where the provider has rectified the condition which resulted in the
14 imposition of the penalty within thirty days of notification of the
15 existence of the critical violation of statute or regulation.

16 § 9. The opening paragraph of subparagraph (i) of paragraph (e) of
17 subdivision 11 of section 390 of the social services law, as added by
18 chapter 117 of the laws of 2010, is amended to read as follows:

19 The office of children and family services shall deny a new applica-
20 tion for licensure or registration made by a day care provider whose
21 license or registration was previously revoked or terminated based on a
22 critical violation of statute or regulation for a period of two years
23 from the date that the revocation or termination of the license or
24 registration became finally effective, unless such office determines, in
25 its discretion, that approval of the application will not in any way
26 jeopardize the health, safety or welfare of children in the center,
27 program or home. For the purposes of this paragraph, the date that the
28 revocation or termination became finally effective shall be, as applica-
29 ble:

30 § 10. Section 390 of the social services law is amended by adding a
31 new subdivision 11-a to read as follows:

34 this section, a child care provider licensed or registered pursuant to
35 subdivision two of this section may file with the commissioner of the
36 office of children and family services a written request for administra-

38 specific reasons why such notice of sanction or any item in such correc-
39 tive action plan or any portion thereof should be rescinded or modified,
40 and the approximate times requested by such child care provider to take
41 corrective measure, if any.

42 (ii) Within fifteen business days after receipt of such request for
43 administrative reconsideration, the commissioner of the office of chil-
44 dren and family services shall grant, deny, or otherwise act on such
45 request.

46 (iii) Filing such request for administrative reconsideration shall not

50 whose license or registration the office of children and family services
51 intends to deny, limit, refuse to renew, make probationary, suspend,

53 whom the office of children and family services intends to fine pursuant
54 to subdivision eleven of this section, may request a hearing pursuant to
55 section twenty-two of this chapter.

1 (ii) The hearing officer shall enter a recommended decision regarding
2 the intention of the office of children and family services to deny,
3 limit, refuse to renew, make probationary, suspend, revoke, or terminate
4 a license or registration pursuant to subdivision ten of this section or
5 fine an applicant for or a holder of a license or registration pursuant

8 Hearings shall be held pursuant to regulations to be determined by the
9 commissioner of the office of children and family services.

10 (iii) Failure of an applicant for or a holder of a license or regis-

12 waiver of such right and a final decision may be entered without further
13 notice.

14 (iv) Any party aggrieved by a final decision of the office of children
15 and family services in any adjudicatory proceeding under this paragraph
16 may petition for judicial review pursuant to section twenty-two of this
17 chapter.

18 (c) (i) Upon the expiration of the time periods prescribed in a
19 corrective action plan or notice of sanction issued pursuant to para-
20 graph (b) of subdivision three of this section, a duly authorized
21 employee of the office of children and family services shall determine
22 compliance with such plan or notice by visiting the facility or program,
23 reviewing documents, and/or verifying compliance through whatever other
24 means the office of children and family services deems suitable. If a
25 determination of non-compliance with such plan or notice is made, the
26 office of children and family services may issue an additional correc-
27 tive action plan or take any other action pursuant to subdivisions ten
28 and eleven of this section.

29 (ii) Following the suspension, revocation, rejection, or termination
30 of a license or registration pursuant to paragraph (a), (b), or (c) of
31 subdivision ten of this section, a duly authorized employee of the
32 office of children and family services shall determine compliance with
33 applicable statutes or regulations by visiting the facility or program,
34 reviewing documents, and/or verifying compliance through any other means
35 the office of children and family services deems suitable.

36 (d) Factors which the office of children and family services shall
37 consider before imposing any sanction or fine or any other action
38 authorized pursuant to paragraph (b) of subdivision three and subdivi-
39 sions ten and eleven of this section shall include, but shall not be
40 limited to, the following:

47 the violations;

48 (iv) the failure of a holder of a license or registrant to correct the
49 violations;

51 (vi) any previous enforcement actions.

52 § 11. This act shall take effect on the ninetieth day after it shall
53 have become a law. Effective immediately, the addition, amendment and/or
54 repeal of any rule or regulation necessary for the implementation of
55 this act on its effective date are authorized to be made and completed
56 on or before such effective date.
