AN ACT to amend the general business law, in relation to requiring charging cords for micromobility devices, mopeds, and bicycles with electric assist to have a red tag attached

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. The general business law is amended by adding a new section 399-nnn to read as follows:

§ 399-nnn. Tags on charging cords of micromobility devices, mopeds, and bicycles with electric assist. 1. No person, firm, partnership, association, or corporation shall manufacture, distribute, assemble, recondition, sell or offer for sale at retail any micromobility device, moped, or bicycle with electric assist as defined in section one hundred two-c of the vehicle and traffic law unless there is a red tag affixed to the charging cord of such micromobility device, moped, or bicycle with electric assist which clearly and conspicuously states "UNPLUG WHEN NOT IN USE". Such tag shall include additional consumer safety information regarding safe usage of the product and its charging equipment and shall be affixed to the cord near the end which is plugged into the electricity source.

2. The department of state shall promulgate rules and regulations providing guidance on the consumer safety information required to be on the tag pursuant to subdivision one of this section.

3. The department of state shall post a model tag containing the information outlined in subdivision one of this section that persons,
