36 violations or nuisance, or emergency condition will be abated in a
37 reasonable period, the court may allow the owner to proceed to remedy
38 the conditions.

39 (b) If the conditions set forth in paragraph (a) of this subdivision
40 have been satisfied, the court shall enter an order providing that, in
41 the event that the violations or nuisance or emergency conditions are
42 not abated by the owner by a specific date or that other specified reme-

44 granting the relief specified in in the petition shall be entered.

45 (c) The court shall also require the owner to post a bond in the
46 amount of the repair costs estimated in the petition as a condition of
47 retaining possession of the building.

48 (d) Upon a finding that:

49 (i) the petition states conditions for receivership; or

50 (ii) the owner elects to either:

51 (A) remedy all violations and nuisance or emergency conditions; or

52 (B) sell the property subject to the receivership, the owner shall

6 of the building and other property subject to the receivership and shall
7 immediately be authorized to exercise all powers of this act.

8 9. Removal by the court. A receiver may be removed by the court at any
9 time upon the request of the receiver or upon a showing by a party to
10 the action that the receiver is not carrying out its responsibilities
11 under this act.

12 § 6. Powers and duties of the receiver. 1. Full powers and duties. The
13 receiver shall have all powers and duties necessary or desirable for the
14 efficient operation, management, and improvement of the building in
15 order to bring it into compliance with all municipal building and hous-
16 ing code requirements and to fulfill the receiver's responsibilities
17 under this act. Such powers and duties shall include, but not be limited
18 to, the power to:

19 (a) take possession and control of the building, appurtenant land and
20 any personal property of the owner used with respect to the building,
21 including any bank or operating account for the building;

23 (c) pursue all claims or causes of action of the owner with respect to
24 the building and all other property subject to the receivership;

25 (d) contract for the repair and maintenance of the building. The
26 contracts shall be appropriately documented and included in the reports
27 and accounting which the receiver is required to submit or file under
28 the provisions of this act. The receiver shall make a reasonable effort
29 to solicit three bids for contracts valued at more than \$25,000 except
30 when the receiver or developer provides or obtains financing for the
31 receivership;

33 this act;

37 operate the building;

38 (h) with the court's approval, enter into new rental contracts and
39 leases for a period not to exceed one year;

41 coverage on the building;

42 (j) engage and pay legal, accounting, appraisal and other profes-
43 sionals to aid the receiver in the conduct of the receivership;

44 (k) when the building has been designated a historic property, consult
45 with the preservation board of the city of Buffalo for recommendations
46 on preserving the property's historic character;

47 (l) apply for and receive public grants or loans;

48 (m) sell the building in accordance with section nine of this act; and

49 (n) exercise all authority that an owner of the building would have to
50 improve, maintain, and otherwise manage the building, including the
51 extent to which rehabilitation will satisfy the goals of the receiver-
52 ship.

53 2. Affirmative duty. While in possession of the building, the receiver
54 shall:

55 (a) maintain, safeguard and insure the building;

1 (b) apply all revenue generated from the building consistent with the
2 provisions of this act;

3 (c) develop a final plan for abatement of the conditions which caused
4 the petition to be granted or, if no such feasible final plan can be
5 developed, to develop alternatives, including the closing, sealing, or
6 demolition of all or part of the building;

7 (d) when the building has been designated as a historic property,
8 rehabilitate architectural features that define the property's historic
9 character;

10 (e) when demolition of a property in a historic district is necessary,
11 design any replacement construction on the site to comply with applica-
12 ble standards under current law;

13 (f) implement the final plan referred to in paragraph (c) of this
14 subdivision upon approval by the court;

19 improvement of the building;

20 (ii) an account of the disposition of all revenue generated from the
21 building;

23 (iv) the status of developing and implementing the final plan pursuant
24 to this subdivision; and

25 (v) a description of any proposed actions to be taken in the next six
26 months to improve the building.

27 3. Hearing on receiver's final plan for abatement. (a) At the time the
28 court appoints a receiver, the receiver may present and the court may
29 approve the final plan for abatement. If no plan is presented at that
30 hearing, a hearing date on the receiver's final plan for abatement shall
31 be set within 120 days of the appointment.

32 (b) 30 days prior to the date of the hearing, the receiver shall
33 submit the plan to the court, and to all parties to the action.

34 (c) The plan shall include a cost estimate, a financing plan, and
35 either a description of the work to be done for the rehabilitation of
36 the building, or if rehabilitation is not feasible, a proposal for the
37 closing, sealing, or demolition of the building.

38 (d) The plan shall conform with all existing municipal codes, duly
39 adopted plans for the area, and historic preservation requirements.

40 (e) At the time of the hearing, all parties shall be allowed to
41 comment on the plan, and the court shall take all comments into consid-
42 eration when assessing the feasibility of the plan and the proposed
43 financing. In making its assessment, the court shall give reasonable
44 regard to the receiver's determination of the scope and necessity of
45 work to be done for the rehabilitation or demolition of the building in
46 approving the final plan and in approving the costs of receivership and
47 sale of the property.

48 (f) Within 15 days of the hearing, the court shall issue a decision
49 approving the plan or requiring that the plan be amended.

50 (g) If the court decision requires that the plan be amended, a hearing
51 date shall be set within 60 days from the date of the decision.

52 4. Accounting. Upon the implementation of the final plan approved by
53 the court, the receiver shall file with the court a full accounting of
54 all income and expenditures during the period of time it took to approve
55 the final plan.

1 § 7. Ownership of property. 1. Ownership interest of the receiver. A
2 receiver appointed under section five of this act shall be deemed to
3 have an ownership interest in and legal control of the property for the
4 purposes of filing plans with public agencies and boards, seeking and
5 obtaining construction permits and other approvals and submitting appli-
6 cations for financing or other assistance to public or private entities.

7 2. Liability of owner. Notwithstanding the appointment of a receiver
8 under section five of this act, nothing in this act shall be construed
9 to relieve the owner of any civil or criminal liability or of any obli-
10 gation to pay taxes, municipal liens and charges, mortgages, private
11 liens or other fees or charges, whether incurred before or after the
12 appointment of the receiver and no such liability shall be transferred
13 to the receiver.

14 3. Limitation of the receiver's environmental liability. (a) Notwith-
15 standing any law to the contrary, the receiver shall not be held liable
16 for any environmental damage to the building or the real property upon
17 which the building is located that existed prior to the appointment by
18 the court of the receiver.

19 (b) Paragraph (a) of this subdivision shall not apply to the owner or
20 any other person or entity regarding the building and its real property
21 that is subject to an appointed receiver under this act.

22 § 8. Incurring indebtedness. 1. Borrowing. From time to time, a
23 receiver may borrow money or incur indebtedness in order to cover the
24 costs of rehabilitation or otherwise fulfill the receiver's obligations
25 under this act.

26 2. Liens. In order to facilitate the borrowing of funds for the costs
27 of rehabilitation, the court may grant priority status to a lien given
28 to secure payment on a debt incurred for purposes authorized under this
29 act, provided that:

30 (a) the receiver sought to obtain the necessary financing from the
31 senior, nongovernmental lienholder, but the lienholder declined to
32 provide financing for reasonable improvements or other costs of rehabil-
33 itation on reasonable terms; and

34 (b) lien priority is necessary in order to induce another lender to
35 provide financing on reasonable terms.

36 3. Lien status of rehabilitation expenses. Should the senior lienhold-
37 er agree to provide financing for the costs of rehabilitation, any funds
38 lent to cover the costs shall be deemed to be added to the senior
39 lienholder's preexisting first lien.

40 4. Approval of financing. The court may approve financing for the
41 costs of rehabilitation, the terms of which may include deferred repay-
42 ment and use restrictions. The terms of the financing may remain with
43 the property after the receivership has ended and be assumed by any of
44 the following:

45 (a) the owner, if the owner regains possession of the property under
46 section ten of this act; or

47 (b) the buyer who takes title under section nine of this act.

48 § 9. Sale of property. 1. Sale by owner or lienholder. If a property
49 subject to receivership is sold by the owner or foreclosed upon by a
50 lienholder or if any interest therein is transferred, such sale, fore-
51 closure, or transfer shall be subject to the receivership.

52 2. Sale by receiver. Upon application of the receiver, the court may
53 order the sale of the property if the court finds that:

54 (a) notice and an opportunity to provide comment to the court was
55 given to each record owner of the property and each lienholder;

1 (b) the receiver has been in control of the building for more than
2 three months and the owner has not successfully petitioned to terminate
3 the receivership under section ten of this act; and

4 (c) the terms and conditions of the sale are acceptable to the court
5 and the buyer has a reasonable likelihood of maintaining the property.

6 3. Sale free and clear. (a) The court may authorize the receiver to
7 sell the building free and clear of all liens, claims, and encumbrances,
8 provided that the proceeds of the sale are distributed pursuant to
9 subdivision four of this section at settlement.

10 (b) In the event that the proceeds of the sale are insufficient to pay
11 all existing liens, claims, and encumbrances, the proceeds shall be
12 distributed according to the priorities set forth in subdivision four of
13 this section and all unpaid liens, claims, or encumbrances which have
14 not been assumed under subdivision four of section eight of this act
15 shall be extinguished.

16 4. Distribution. The proceeds of the sale shall be applied in accord-
17 ance with the following priorities to:

18 (a) all court costs;

19 (b) liens of the state, liens for unpaid property taxes and properly
20 recorded municipal liens;

21 (c) costs and expenses of sale;

23 edness granted priority over existing liens and security interests under
24 subdivision two of section eight of this act;

26 tion in accordance with the requirements of section four of this act;

27 (f) costs of rehabilitation and any fees and expenses incurred by the
28 receiver in connection with the sale or the safeguarding of the property
29 for which the lien authorized under subdivision seven of section five of
30 this act was filed;

31 (g) valid liens and security interests in accordance with their prior-
32 ity;

33 (h) any unpaid obligations of the receiver; and

34 (i) the owner.

35 5. Owner's proceeds as unclaimed property. In the event the owner
36 cannot be located, any proceeds from the sale which belong to the owner
37 shall be presumed to be abandoned and unclaimed and shall be subject to
38 the custody and control of the New York state comptroller's office of
39 unclaimed funds pursuant to the abandoned property law.

40 § 10. Termination of the receivership. Upon request of a party in
41 interest or the receiver, the court may order the termination of the
42 receivership if it determines:

43 1. The conditions that were the grounds for the petition and all other
44 code violations have been abated or corrected, and the obligations,
45 expenses, and improvements of the receivership, including all fees and
46 expenses of the receiver, have been fully paid or provided for and the
47 purposes of the receivership have been fulfilled;

48 2. The owner, mortgagee, or lienholder has requested that the receiv-
49 ership be terminated and has provided adequate assurances to the court
50 that the conditions that constituted grounds for the petition will be
51 promptly abated, all obligations, expenses, and improvements of the
52 receivership including all fees and expenses of the receiver, have been
53 fully paid or provided for and the purposes of the receivership have
54 been fulfilled;

1 3. The building has been sold by the receiver and the proceeds
2 distributed in accordance with subdivision four of section nine of this
3 act; or

4 4. The receiver has been unable, after diligent effort, to present a
5 plan that could be approved under paragraph (c) of subdivision two of
6 section six of this act or to implement a previously approved plan, or
7 for any reason, the purpose of the receivership cannot be fulfilled.

8 § 11. Applicability. 1. General inapplicability. This act shall not
9 apply to commercial and residential buildings, structures, or land owned
10 by or held in trust for the federal government and regulated under the
