Introduced by Sen. MAY -- read twice and ordered printed, and when printed to be committed to the Committee on Local Government

AN ACT to direct the secretary of state to establish a pilot program for implementation of local land value taxation

**The People of the State of New York, represented in Senate and Assembly, do enact as follows:**

Section 1. 1. The secretary of state shall establish a pilot program in up to five municipalities under which such municipalities shall develop a plan for implementation of land value taxation that (a) classifies real estate included in such municipality's assessment roll as (i) land or land exclusive of buildings, or (ii) buildings on land; and (b) establishes a different local property tax rate for each such class, provided the higher local property tax rate shall apply to land or land exclusive of buildings.

2. The secretary of state shall establish an application procedure and any other criteria for the pilot program established under subdivision one of this section, under which municipalities may apply to participate in such pilot program, and shall send a copy of such application procedure and any other criteria to the temporary president of the senate and the speaker of the assembly. If a municipality having a population greater than 50,000 applies for participation in such pilot program, such municipality shall designate a specific neighborhood or area within such municipality that would participate in such program, if selected. The secretary of state shall not select a municipality for such pilot program unless the legislative body of such municipality has approved such municipality's application for participation in such pilot program. The secretary of state shall send a notice of selection for such pilot program to the chief executive officer of the municipality and to the temporary president of the senate and the speaker of the assembly.

§ 2. This act shall take effect immediately.

EXPLANATION--Matter in *italics* (underscored) is new; matter in brackets [-] is old law to be omitted.
