Introduced by Sen. MAYER -- read twice and ordered printed, and when printed to be committed to the Committee on Rules

AN ACT to amend the public health law, in relation to requiring camps and youth programs have at least one automated external defibrillator

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Paragraph (d) of subdivision 1 of section 3000-f of the  
2 public health law, as added by a chapter of the laws of 2023 amending  
3 the public health law relating to requiring camps and youth sports  
4 programs to establish an automated external defibrillator implementation  
5 plan, as proposed in legislative bills numbers S. 7424 and A. 366-A, is  
6 amended to read as follows:

7 (d) "Camp" means a children's overnight camp, summer day camp, or  
8 traveling summer day camp, as such terms are defined in section thirteen  
9 hundred ninety-two of this chapter, that is subject to regulation by the  
10 department.

11 § 2. Subdivision 2 of section 3000-f of the public health law, as  
12 added by a chapter of the laws of 2023 amending the public health law  
13 relating to requiring camps and youth sports programs to establish an  
14 automated external defibrillator implementation plan, as proposed in  
15 legislative bills numbers S. 7424 and A. 366-A, is amended to read as  
16 follows:

17 2. Within one hundred eighty days of the effective date of this  
18 section, [~~a camp or~~] each camp, and each youth sports program that  
19 either hosts or participates in games, matches, tournaments, leagues, or  
20 similar activities in which at least five teams are participating, shall  
21 establish [~~and submit to the department of health~~] an automated external  
22 defibrillator implementation plan describing how the camp or program  
23 will:

24 (a) make available an automated external defibrillator or describe  
25 reasonable access to an automated external defibrillator at every camp,  
26 game and practice; and

27 (b) use best efforts to ensure that there is at least one employee,  
28 volunteer, coach, umpire or other qualified adult who is present at each

EXPLANATION--Matter in italics (underscored) is new; matter in brackets  
[-] is old law to be omitted.

1 such camp, game and practice who has successfully completed a training  
2 course within the preceding twenty-four months of each such camp  
3 session, game and practice.

4 (c) Each camp and youth sports program shall [~~include in their plan~~  
5 ~~details for maintaining~~] maintain records that such camp or youth sports  
6 program possesses [~~a sufficient number of~~] at least one automated  
7 external [~~defibrillators to meet the requirements of paragraphs (a) and~~  
8 ~~(b) of this subdivision~~] defibrillator.

9 (d) Implementation plans shall include an equipment checklist and  
10 cardiac emergency protocol for when cardiac emergency incidents occur.

11 (e) Implementation plans can include automated external defibrillator  
12 access provided by athletic facilities, playing fields or site for games  
13 or practices where the operator of the facility provides automated  
14 external defibrillator access at their location.

15 § 3. This act shall take effect on the same date and in the same  
16 manner as a chapter of the laws of 2023 amending the public health law  
17 relating to requiring camps and youth sports programs to establish an  
18 automated external defibrillator implementation plan, as proposed in  
19 legislative bills numbers S. 7424 and A. 366-A, takes effect.
