AN ACT to amend the family court act and the social services law, in relation to establishing procedures regarding orders of post-termination visitation and/or contact between a child and such child's parent

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Section 634 of the family court act, as amended by chapter
2 666 of the laws of 1976, is amended to read as follows:

3 § 634. Commitment of guardianship and custody; further orders. The
4 court may enter an order under section six hundred thirty-one of this
5 part committing the guardianship and custody of the child to the peti-
6 tioner on such conditions, if any, as it deems proper, including but not
7 limited to, an order of post-termination visitation and/or contact
8 pursuant to section three hundred eighty-four-b of the social services
9 law.

10 § 2. Section 384-b of the social services law is amended by adding
11 five new subdivisions 14, 15, 16, 17 and 18 to read as follows:

12 14. (a) Upon application by any party to a proceeding under this
13 section, (i) the court shall order post-termination visitation and/or
14 contact between the child and such child's parent who is a party to such
15 proceeding on such terms and conditions as may be agreed upon by the
16 parent, the child, and the foster parent or authorized agency prior to
17 the entry of an order committing the guardianship and custody of the
18 child; or (ii) if any party does not consent, the court may order post-
19 termination visitation and/or contact between the child and the child's
20 parent after a hearing at which the court has determined that (A) the
21 party's consent is being unreasonably withheld; and (B) post-termination
22 visitation and/or contact would be in the best interest of the child.

23 (b) The hearing to determine whether the court should enter an order
24 of post-termination visitation and/or contact shall be held either (i)
25 concurrently with a dispositional hearing held in the proceedings to
26 terminate the parent's rights pursuant to this section; or (ii) if no
27 dispositional hearing is held, subsequent to the close of the fact-find-

1 ing hearing on the underlying petition to terminate the parent's rights
2 and prior to the court's entry of an order committing the guardianship
3 and custody of the child. The court shall not hold such a hearing at
4 any other time.

5 (c) Parents and children who are parties to a termination proceeding
6 under article six of the family court act or this section, as well as
7 such child's foster parents, or, in the case of a child who is not in
8 the care of a foster parent, the authorized agency, shall have notice of
9 and standing to participate in the best interest post-termination visi-
10 tation and/or contact hearing.

11 (d) The applicant shall have the burden of proof that (i) the opposing
12 party's consent has been unreasonably withheld; and (ii) post-termina-
13 tion visitation and/or contact is in the child's best interest.

14 (e) If the application for post-termination contact is denied after
15 this hearing, the applicant shall not have standing to bring the same
16 application in any other proceeding regarding the same child. However,
17 if the court grants any visitation and/or contact, an application to
18 modify the order, upon a showing of substantial change in circumstances,
19 may still be brought, pursuant to subdivision fifteen of this section.

20 (f) The court shall have discretion, depending on the best interests
21 of the child, to determine the nature of any post-termination visitation
22 and/or contact.

23 (g) Notwithstanding the provisions of paragraph (a) of this subdivi-
24 sion, in no event shall an order of post-termination visitation and/or
25 contact be entered where a court has entered a finding pursuant to para-
26 graph (a) or (b) of subdivision eight of this section that a parent
27 severely or repeatedly abused the child, except where a court has deter-
28 mined that the parent seeking post-termination visitation and/or contact
29 was not the perpetrator of such severe or repeated abuse of such child.

30 (h) If the child is over fourteen years of age, the consent of such
31 child to post-termination visitation and/or contact is required.

32 (i) The court in its order shall indicate such person or persons who
33 were given notice of the proceeding and whether such person or persons
34 appeared.

35 15. All parties to a post-termination visitation and/or contact order
36 entered pursuant to subdivision fourteen of this section, as well as any
37 person who subsequently becomes the child's legal guardian, custodian or
38 adoptive parent, may move the court to enforce or modify such order.
39 Upon motion for modification by any such party, (i) the court shall
40 enter an order modifying such post-termination visitation and/or contact
41 order on such terms and conditions as may be agreed upon by the parties,
42 or, (ii) if any party does not consent, the court may enter an order
43 modifying such post-termination visitation and/or contact order, after a
44 hearing at which the court has determined that (A) the party's consent
45 is being unreasonably withheld; and (B) the modification would be based
46 on a showing of a substantial change in circumstances and the best
47 interests of the child.

48 16. Nothing in subdivision fourteen or fifteen of this section shall
49 be construed to limit the rights of half-siblings or siblings to seek
50 contact pursuant to subdivision nine of this section or section seven-
51 ty-one of the domestic relations law following a termination of parental
52 rights or adoption.

53 17. The failure of an authorized agency or a child's foster parent or
54 any other person who subsequently becomes the child's legal guardian,
55 custodian or adoptive parent to comply with the terms of the order of
56 post-termination visitation and/or contact shall not constitute a basis

1 for invalidating either the order committing the guardianship and custo-
2 dy of the child to the petitioner or any subsequent order of adoption
3 regarding such child.

4 18. Unless a stay of adoption proceedings is granted by a judge of the
5 family court or appellate court, an appeal from any order regarding the
6 application for post-termination visitation and/or contact shall not
7 provide a basis for delaying the finalization of a child's adoption.

8 § 3. This act shall take effect on the one hundred eightieth day after
9 it shall have become a law.
