47 such requirements including, but not

bility for all title IV-E eligible children within the required time frames; claim title IV-E funding only for cases that meet all of the title IV-E eligibility criteria; and fully implement the social services payment system on or before April 1, 2005 for all direct and voluntary agency foster care services.

Notwithstanding any law to the contrary, the office of children and family services shall impose on social services districts any federal disallowance issued against the state as a result of a federal title IV-E secondary eligibility review regardless of the date the children may have entered foster care, the date the eligibility or payment errors occurred, or the filing date of any federal claims for reimbursement; provided, however, that the state shall be responsible for the disallowed costs and expenditures related to the placement of children in a facility operated by the office of children and family services, which shall be determined in the same manner as the disallowed costs and expenditures for social services districts other than the city of New York. In order to reimburse the federal government for the full amount of any disallowance imposed on the state by the federal administration for children and families within the timeframes necessary to avoid any potential interest payments on such amount, the office of children and family services is authorized to immediately offset funds otherwise due to each district for a pro rata share of the total disallowed costs based on the percentage of applicable federal title IV-E claims made by that district for the relevant time period as compared to the total applicable statewide title IV-E claims. The amount of the offset against each district will be adjusted, if necessary, upon completion of the disallowance allocation process. The final allocation of the amount of any federal disallowance resulting from a title IV-E secondary eligibility review shall be allocated among the districts so that each district shall be responsible for the amount

1 attributable to each of the district's  
2 children or cases that are determined by  
3 the federal review to be unallowable. Each  
4 district shall also be responsible for a  
5 portion of the federal extrapolated disal-  
6 lowance amount based on the relative error  
7 rate for the district. The city of New  
8 York's error rate will be based on the  
9 federal sample and federal statistics. For  
10 all social services districts other than  
11 the city of New York, the error rate will  
12 be based on a review conducted by the  
13 district of a sample of children and/or  
14 cases determined by the office of children  
15 and family services and a re-review of a  
16 sub-sample by the office of those children  
17 and/or cases determined by the office. The  
18 office of children and family services  
19 will determine what is reasonable in  
20 establishing the size of the sample and  
21 sub-sample for each district. The office  
22 of children and family services shall  
23 notify each social services district of  
24 the sample of children and/or cases from  
25 the federal audit period that the social  
26 services district must review. Any child  
27 or case from the social services district  
28 that was included in the federal sample  
29 will automatically be included in the  
30 social services district's review sample  
31 and the determination made at the federal  
32 review regarding that child or case will  
33 govern for the purposes of the social  
34 services district's review. The social  
35 services district must complete and submit  
36 the results of its review to the office of  
37 children and family services within 60  
38 days of receipt of the sample. The error  
39 rate for the district will be based on the  
40 findings of the district's review and the  
41 office of children and family services'  
42 re-review. If a social services district  
43 does not complete its review within 60  
44 days of receiving the sample from the  
45 office of children and family services,  
46 the office of children and family services  
47 shall assign an error rate to the social  
48 services district based on the relative  
49 percentage of the district's applicable  
50 title IV-E claims for the relevant period  
51 as compared to applicable statewide title

1 IV-E claims for that period and other  
2 circumstances that the office of children  
3 and family services may consider in order  
4 to allocate 100 percent of the federal  
5 disallowance. The office of children and  
6 family services shall apply each social  
7 services district's error rate to the  
8 total amount of the district's applicable  
9 title IV-E claims including associated  
10 administrative expenses. The resulting  
11 dollar amounts for all of the social  
12 services districts will be summed to  
13 derive the total amount of title IV-E  
14 claims deemed to be in error statewide. To  
15 establish a disallowance percentage for  
16 each social services district, the amount  
17 of the district's title IV-E claims deemed  
18 to be in error will be divided by the  
19 amount of statewide title IV-E claims  
20 deemed to be in error. The resulting  
21 disallowance percentage for each district  
22 will be applied to the entire title IV-E  
23 extrapolated disallowance calculated by  
24 the federal review to determine the amount  
25 of the extrapolated disallowance for which  
26 the district is responsible. Each district  
27 will be credited for the amount already  
28 disallowed for any individual children or  
29 cases found to be in error during the  
30 federal review. The exclusive appeal  
31 rights for the review of the amount of the  
32 federal disallowance assigned to each  
33 social services district shall be pursuant  
34 to article 78 of the civil practice law  
35 and rules; provided, however, that in any  
36 such action all of the social services  
37 districts shall be joined as necessary  
38 parties and the venue of any such action  
39 shall be in Rensselaer county. Any social  
40 services district that fails to complete  
41 its sample review in the required time  
42 frames shall have no right to appeal and  
43 shall not be a necessary party to any  
44 action brought by another social services  
45 district.

FAMILY AND CHILDREN'S SERVICES PROGRAM

General Fund

Local Assistance Account - 10000

By chapter 53, section 1, of the laws of 2023:

Notwithstanding any inconsistent provision of law, the amount appropriated herein, shall be available under a foster care block grant for state reimbursement of eligible social services district expenditures for the provision and administration of foster care services including care, maintenance, supervision, and tuition; for supervision of foster children placed in federally funded job corps programs; for care, maintenance, supervision, and tuition for adjudicated juvenile delinquents placed in residential programs operated by authorized agencies and in out-of-state residential programs; for the provision and administration of the kinship guardian assistance program including kinship guardianship assistance payments and payments for non-recurring guardianship expenses and eligible expenditures associated with local compliance with the federal Family First Prevention Services Act (P.L. 115-123); except that, reimbursement from the amount appropriated herein shall not be available for tuition expenditures for foster children, including persons in need of supervision and adjudicated juvenile delinquents, made by a social services district located within a city having a population of one million or more.

Notwithstanding any other provision of law, a portion of the funds are available to reimburse social services districts for the change in the maximum state aid rates established by the office of children and family services for the 2023-24 rate year pursuant to section 398-a of the social services law and sections 4003 and 4405 of the education law to reflect the continuation of the cost of living adjustments that became effective April 1, 2008 for payments made to foster parents and for salary and fringe benefit costs and other critical nonpersonal services costs for foster care programs as determined by the office. Social services districts must adjust the amount of payments made for care provided by congregate care and foster boarding home programs and to foster parents to reflect the cost of living adjustments in the manner specified by the office. Each authorized agency operating a congregate care or foster boarding home program in New York state for which the office sets a maximum state aid rate pursuant to section 398-a of the social services law or section 4003 or 4405 of the education law shall submit, at

the time and in a manner to be determined by the office, a written certification, attesting that the funds received for the continuation of the cost of living adjustment to the maximum state aid rate that became effective April 1, 2008 for that program will be or were used solely in accordance with the requirements of the cost of living adjustment established by the office.

Notwithstanding any inconsistent provision of law except a chapter of the laws of 2023 authorizing a 4.0 percent cost of living adjustment increase for the period commencing on April 1, 2023 and ending March 31, 2024, the commissioner shall not apply any other cost of living adjustment for the purpose of establishing rates of payments, contracts or any other form of reimbursement, provided that this shall not prevent the commissioner from applying additional trend or staff retention factors for this program.

Within the amounts appropriated herein, state reimbursement to each social services district for services identified herein that are otherwise reimbursable by the state from April 1, 2023 through March 31, 2024 shall be limited to a district allocation, hereinafter referred to as the district's block grant allocation. Notwithstanding any other provision of law, such block grant allocation shall be based, in part, on each district's claims for such costs, adjusted by the applicable cost allocation methodology and net of any retroactive payments for the 12 month period ending June 30, 2022 that are submitted on or before January 2, 2023 and, in part, on such other factors as determined by the office of children and family services and approved by the director of the budget. Any portion of a social services district's allocation from funds appropriated herein not claimed by such district during the state fiscal year may be used by such district for expenditures on preventive services provided pursuant to section 409-a of the social services law, independent living services and aftercare services provided pursuant to regulations of the department of family assistance, claimed by such district during the next state fiscal year up to the amount remaining from the district's foster care block grant allocation, provided however, that any claims for such services during the next state fiscal year in excess of such amount shall be subject to 62 percent state reimbursement exclusive of any federal funds made available for such purposes, in accordance with directives of the department of family assistance and subject to the approval of the director of the budget. Any claims submitted by a social services district for reimbursement for a particular state fiscal year for which the social services district does not receive state or federal reimbursement during that state fiscal year may not be claimed against that district's block grant apportionment for the next state fiscal year.

The office of children and family services, with the approval of the director of the budget, may reduce a district's block grant allocation by the state share decrease related to federal retroactive reimbursement for such foster care services identified herein. The office, with the approval of the director of the budget, may reduce a district's block grant allocation by the state share of disallow-

ances or sanctions taken against the district pursuant to the social services law or federal law.

Notwithstanding any other provision of law, the state shall not be responsible for reimbursing a social services district and a district shall not seek state reimbursement for any portion of any state disallowance or sanction taken against the social services district, or any federal disallowance attributable to final federal agency decisions or to settlement made, on or after July 1, 1995, when such disallowance or sanction results from the failure of the social services district to comply with federal or state requirements, including, but not limited to, failure to document eligibility for federal or state funds in the case record; provided, however, if the office determines that any federal disallowance for services provided between January 1, 1999 and May 31, 1999 results solely from the late enactment of the state legislation implementing the federal adoption and safe families act, the state shall be solely responsible for the full amount of the disallowance or sanction; provided, further, however, this provision shall be deemed to apply both prospectively and retroactively regardless of whether such sanctions or disallowances are for services provided or claims made prior to or after April 1, 2023.

Notwithstanding any other provision of law, any federal disallowance resulting from a federal title IV-E eligibility review or audit that uses extrapolated statistic techniques shall be passed along by the state to any and all social services districts that the office of children and family services has determined have not complied with the title IV-E eligibility requirements or have not taken the necessary actions to ensure compliance with such requirements including, but not limited to, failing to: assess and fully document all the criteria and have readily available all the necessary documents to establish and continue title IV-E eligibility for all title IV-E eligible children within the required time frames; claim title IV-E funding only for cases that meet all of the title IV-E eligibility criteria; and fully implement the social services payment system on or before April 1, 2005 for all direct and voluntary agency foster care services.

Notwithstanding any law to the contrary, the office of children and family services shall impose on social services districts any federal disallowance issued against the state as a result of a federal title IV-E secondary eligibility review regardless of the date the children may have entered foster care, the date the eligibility or payment errors occurred, or the filing date of any federal claims for reimbursement; provided, however, that the state shall be responsible for the disallowed costs and expenditures related to the placement of children in a facility operated by the office of children and family services, which shall be determined in the same manner as the disallowed costs and expenditures for social services districts other than the city of New York. In order to reimburse the federal government for the full amount of any disallowance imposed on the state by the federal administration for children and families within the timeframes necessary to avoid any potential interest

1 payments on such amount, the office of children and family services  
2 is authorized to immediately offset funds otherwise due to each  
3 district for a pro rata share of the total disallowed costs based on  
4 the percentage of applicable federal title IV-E claims made by that  
5 district for the relevant time period as compared to the total  
6 applicable statewide title IV-E claims. The amount of the offset  
7 against each district will be adjusted, if necessary, upon  
8 completion of the disallowance allocation process. The final allo-  
9 cation of the amount of any federal disallowance resulting from a  
10 title IV-E secondary eligibility review shall be allocated among the  
11 districts so that each district shall be responsible for the amount  
12 attributable to each of the district's children or cases that are  
13 determined by the federal review to be unallowable. Each district  
14 shall also be responsible for a portion of the federal extrapolated  
15 disallowance amount based on the relative error rate for the  
16 district. The city of New York's error rate will be based on the  
17 federal sample and federal statistics. For all social services  
18 districts other than the city of New York, the error rate will be  
19 based on a review conducted by the district of a sample of children  
20 and/or cases determined by the office of children and family  
21 services and a re-review of a sub-sample by the office of those  
22 children and/or cases determined by the office. The office of chil-  
23 dren and family services will determine what is reasonable in estab-  
24 lishing the size of the sample and sub-sample for each district. The  
25 office of children and family services shall notify each social  
26 services district of the sample of children and/or cases from the  
27 federal audit period that the social services district must review.  
28 Any child or case from the social services district that was  
29 included in the federal sample will automatically be included in the  
30 social services district's review sample and the determination made  
31 at the federal review regarding that child or case will govern for  
32 the purposes of the social services district's review. The social  
33 services district must complete and submit the results of its review  
34 to the office of children and family services within 60 days of  
35 receipt of the sample. The error rate for the district will be based  
36 on the findings of the district's review and the office of children  
37 and family services' re-review. If a social services district does  
38 not complete its review within 60 days of receiving the sample from  
39 the office of children and family services, the office of children  
40 and family services shall assign an error rate to the social  
41 services district based on the relative percentage of the district's  
42 applicable title IV-E claims for the relevant period as compared to  
43 applicable statewide title IV-E claims for that period and other  
44 circumstances that the office of children and family services may  
45 consider in order to allocate 100 percent of the federal disallow-  
46 ance. The office of children and family services shall apply each  
47 social services district's error rate to the total amount of the  
48 district's applicable title IV-E claims including associated admin-  
49 istrative expenses. The resulting dollar amounts for all of the  
50 social services districts will be summed to derive the total amount  
51 of title IV-E claims deemed to be in error statewide. To establish a

1 disallowance percentage for each social services district, the  
2 amount of the district's title IV-E claims deemed to be in error  
3 will be divided by the amount of statewide title IV-E claims deemed  
4 to be in error. The resulting disallowance percentage for each  
5 district will be applied to the entire title IV-E extrapolated  
6 disallowance calculated by the federal review to determine the  
7 amount of the extrapolated disallowance for which the district is  
8 responsible. Each district will be credited for the amount already  
9 disallowed for any individual children or cases found to be in error  
10 during the federal review. The exclusive appeal rights for the  
11 review of the amount of the federal disallowance assigned to each  
12 social services district shall be pursuant to article 78 of the  
13 civil practice law and rules; provided, however, that in any such  
14 action all of the social services districts shall be joined as  
15 necessary parties and the venue of any such action shall be in Rens-  
16 selaer county. Any social services district that fails to complete  
17 its sample review in the required time frames shall have no right to  
18 appeal and shall not be a necessary party to any action brought by  
19 another social services district.

20 The money hereby appropriated is to be available for payment of state  
21 aid heretofore accrued or hereafter to accrue to municipalities.  
22 Subject to the approval of the director of the budget, such funds  
23 shall be available to the office net of disallowances, refunds,  
24 reimbursements, and credits.

25 Notwithstanding any inconsistent provision of law, the amount herein  
26 appropriated may be transferred to any other appropriation within  
27 the office of children and family services and/or the office of  
28 temporary and disability assistance and/or suballocated to the  
29 office of temporary and disability assistance for the purpose of  
30 paying local social services districts' costs of the above program

32 appropriation or with any other item or items within the amounts  
33 appropriated within the office of children and family services

36 ment of audit and control and copies thereof with the chairman of

40 authorized by the social services law, or payments of federal funds

3 For services and expenses of a program to provide shelter supplements  
4 at local option to individuals and families regardless of immi-  
5 gration status who are experiencing homelessness or are facing an  
6 imminent loss of housing, including individuals and families without  
7 children. Provided, however, that in social service districts with a  
8 population over five million, funds allocated to such district shall  
9 be used in the first instance to reimburse rental costs above the  
10 maximum rent levels in place as of January 1, 2021 up to the United  
11 States department of housing and urban development's fair market  
12 rent level for the family homelessness and eviction prevention  
13 supplement program pursuant to section 131-bb of the social services  
14 law, then adjusted consistent with the annual year-over-year  
15 percentage changes in fair market rent, provided, however, in the  
16 event of a decrease in fair market rent the value of the maximum  
17 rent levels reimbursed with funds appropriated herein shall not  
18 decrease and shall be set at the maximum rent levels established  
19 during the prior year, and any remaining funds for such district may  
20 be used to provide shelter supplements pursuant to the purposes  
21 appropriated herein.

22 Such supplements shall be provided to households who earn no more than  
23 30 percent of area median income at the time of application,  
24 provided however, that if sufficient demand does not exist for  
25 households who earn no more than 30 percent of area median income,  
26 supplements may be provided for households earning up to 50 percent  
27 of area median income.

28 Such supplements shall be provided in accordance with social services  
29 district plans, provided however that no plan shall require supple-  
30 ments to be below 85 percent of fair market rent, but may allow for  
31 supplements above 85 percent of fair market rent at local cost;  
32 provided further however that at least 50 percent of the supplements  
33 shall be allocated for households who are currently in shelter or  
34 experiencing homelessness, unless sufficient demand does not exist  
35 for such households within the district. A social services district  
36 plan may provide for the administration of portions of this program  
37 to be delegated to another public agency or to a contractor or non-  
38 profit organization.

39 Funds appropriated herein shall be used to reimburse up to 100 percent  
40 of the additional rental costs determined based on limiting such  
41 household's earned and/or unearned income contribution to 30  
42 percent. Each supplement shall be provided until 30 percent of the  
43 household's earned and/or unearned income reaches the total monthly  
44 rent.

45 Supplements provided herein shall not be part of the standard of need  
46 pursuant to section 131-a of the social services law. Notwithstand-  
47 ing any provision of law to the contrary such supplements shall not  
48 be subject to recoupment or repayment. Notwithstanding the aforemen-  
49 tioned requirement that a social services district with a population  
50 over five million shall use this funding to reimburse rental costs

3 to the provisions of notice and prior to  
4 implementation but needs to provide a new  
5 notice pursuant to subparagraph (i) of

31 condition determined by the commissioner  
32 to constitute an imminent threat to public

8 that there are sufficient grounds for  
9 non-uniformity, including but not limited  
10 to: the extent to which specific categories of services contributed to department

13 need to maintain safety net services in  
14 underserved communities; or the potential  
15 benefits of pursuing innovative payment

9 discretion of the commissioner, expedited

14 For purposes of this section, a public

11 2024 through March 31, 2025, shall not  
12 exceed \$31,634,010,000 except as provided  
13 below provided, however, such aggregate  
14 limits may be adjusted by the director of  
15 the budget to account for any changes in  
16 the New York state federal medical assist-  
17 ance percentage amount established pursu-  
18 ant to the federal social security act,  
19 increases in provider revenues, reductions

24 York state medical indemnity fund, pursu-  
25 ant to chapter 59 of the laws of 2011, and  
26 state costs or savings from the essential

1 Such medicaid savings allocation adjustment

4 herein in compliance with the following  
5 guidelines: (1) reductions shall be made  
6 in compliance with applicable federal law,  
7 including the provisions of the Patient

9 Law No. 111-148, and the Health Care and

11 Public Law No. 111-152 (collectively  
12 "Affordable Care Act") and any subsequent  
13 amendments thereto or regulations promul-  
14 gated thereunder; (2) reductions shall be  
15 made in a manner that complies with the  
16 state medicaid plan approved by the feder-  
17 al centers for medicare and medicaid  
18 services, provided, however, that the  
19 commissioner of health is authorized to  
20 submit any state plan amendment or seek  
21 other federal approval, including waiver  
22 authority, to implement the provisions of  
23 the medicaid savings allocation adjustment  
24 that meets the other criteria set forth  
25 herein; (3) reductions shall be made in a  
26 manner that maximizes federal financial  
27 participation, to the extent practicable,  
28 including any federal financial partic-  
29 ipation that is available or is reasonably  
30 expected to become available, in the  
31 discretion of the commissioner, under the  
32 Affordable Care Act; (4) reductions shall  
33 be made uniformly among categories of  
34 services and geographic regions of the  
35 state, to the extent practicable, and  
36 shall be made uniformly within a category  
37 of service, to the extent practicable,  
38 except where the commissioner determines

5 legislature, as well as organizations  
6 representing health care providers,  
7 consumers, businesses, workers, health  
8 insurers, and others with relevant exper-  
9 tise, in developing such medicaid savings

11 all or part of such adjustment, in the  
12 discretion of the commissioner, is likely  
13 to have a material impact on the overall  
14 medicaid program, particular categories of  
15 service or particular geographic regions  
16 of the state.

17 (a) The commissioner shall post the medicaid  
18 savings allocation adjustment on the

1 commissioner of health, shall develop a medicaid savings allocation  
2 adjustment to limit such spending to the aggregate limit specified  
3 herein for such period.

4 Such medicaid savings allocation adjustment shall be designed, to  
5 reduce the expenditures authorized by the appropriations herein in  
6 compliance with the following guidelines: (1) reductions shall be  
7 made in compliance with applicable federal law, including the  
8 provisions of the Patient Protection and Affordable Care Act, Public  
9 Law No. 111-148, and the Health Care and Education Reconciliation  
10 Act of 2010, Public Law No. 111-152 (collectively "Affordable Care  
11 Act") and any subsequent amendments thereto or regulations promul-  
12 gated thereunder; (2) reductions shall be made in a manner that  
13 complies with the state medicaid plan approved by the federal  
14 centers for medicare and medicaid services, provided, however, that  
15 the commissioner of health is authorized to submit any state plan  
16 amendment or seek other federal approval, including waiver authori-  
17 ty, to implement the provisions of the medicaid savings allocation  
18 adjustment that meets the other criteria set forth herein; (3)  
19 reductions shall be made in a manner that maximizes federal finan-  
20 cial participation, to the extent practicable, including any federal  
21 financial participation that is available or is reasonably expected  
22 to become available, in the discretion of the commissioner, under  
23 the Affordable Care Act; (4) reductions shall be made uniformly  
24 among categories of services and geographic regions of the state, to  
25 the extent practicable, and shall be made uniformly within a cate-  
26 gory of service, to the extent practicable, except where the commis-  
27 sioner determines that there are sufficient grounds for non-uniform-  
28 ity, including but not limited to: the extent to which specific  
29 categories of services contributed to department of health medicaid  
30 state funds spending in excess of the limits specified herein; the  
31 need to maintain safety net services in underserved communities; or  
32 the potential benefits of pursuing innovative payment models contem-  
33 plated by the Affordable Care Act, in which case such grounds shall  
34 be set forth in the medicaid savings allocation adjustment; and (5)  
35 reductions shall be made in a manner that does not unnecessarily  
36 create administrative burdens to medicaid applicants and recipients  
37 or providers.

38 The commissioner shall seek the input of the legislature, as well as  
39 organizations representing health care providers, consumers, busi-  
40 nesses, workers, health insurers, and others with relevant exper-  
41 tise, in developing such medicaid savings allocation adjustment, to  
42 the extent that all or part of such adjustment, in the discretion of  
43 the commissioner, is likely to have a material impact on the overall  
44 medicaid program, particular categories of service or particular  
45 geographic regions of the state.

46 (a) The commissioner shall post the medicaid savings allocation  
47 adjustment on the department of health's website and shall provide  
48 written copies of such adjustment to the chairs of the senate  
49 finance and the assembly ways and means committees at least 30 days  
50 before the date on which implementation is expected to begin.

51 (b) The commissioner may revise the medicaid savings allocation  
52 adjustment subsequent to the provisions of notice and prior to

1 implementation but needs to provide a new notice pursuant to subpar-  
2 agraph (i) of this paragraph only if the commissioner determines, in  
3 his or her discretion, that such revisions materially alter the  
4 adjustment.

5 Notwithstanding the provisions of paragraphs (a) and (b) of this  
6 subdivision, the commissioner need not seek the input described in  
7 paragraph (a) of this subdivision or provide notice pursuant to  
8 paragraph (b) of this subdivision if, in the discretion of the  
9 commissioner, expedited development and implementation of a medicaid  
10 savings allocation adjustment is necessary due to a public health  
11 emergency.

12 For purposes of this section, a public health emergency is defined as:  
13 (i) a disaster, natural or otherwise, that significantly increases  
14 the immediate need for health care personnel in an area of the  
15 state; (ii) an event or condition that creates a widespread risk of  
16 exposure to a serious communicable disease, or the potential for  
17 such widespread risk of exposure; or (iii) any other event or condi-  
18 tion determined by the commissioner to constitute an imminent threat  
19 to public health.

20 Nothing in this paragraph shall be deemed to prevent all or part of  
21 such medicaid savings allocation adjustment from taking effect  
22 retroactively to the extent permitted by the federal centers for  
23 medicare and medicaid services.

1 natural or other type of disaster, including a governmental declara-  
2 tion of emergency.

3 The director of the budget, in consultation with the commissioner of  
4 health, shall assess on a quarterly basis known and projected medi-  
5 caid expenditures by category of service and by geographic region,  
6 as defined by the commissioner, incurred both prior to and subse-  
7 quent to such assessment for each such period, and if the director  
8 of the budget determines that such expenditures are expected to  
9 cause medicaid spending for such period to exceed the aggregate  
10 limit specified herein for such period, the state medicaid director,  
11 in consultation with the director of the budget and the commissioner  
12 of health, shall develop a medicaid savings allocation adjustment to  
13 limit such spending to the aggregate limit specified herein for such  
14 period.

15 Such medicaid savings allocation adjustment shall be designed, to  
16 reduce the expenditures authorized by the appropriations herein in  
17 compliance with the following guidelines: (1) reductions shall be  
18 made in compliance with applicable federal law, including the  
19 provisions of the Patient Protection and Affordable Care Act, Public  
20 Law No. 111-148, and the Health Care and Education Reconciliation  
21 Act of 2010, Public Law No. 111-152 (collectively "Affordable Care  
22 Act") and any subsequent amendments thereto or regulations promul-  
23 gated thereunder; (2) reductions shall be made in a manner that  
24 complies with the state medicaid plan approved by the federal  
25 centers for medicare and medicaid services, provided, however, that  
26 the commissioner of health is authorized to submit any state plan  
27 amendment or seek other federal approval, including waiver authori-  
28 ty, to implement the provisions of the medicaid savings allocation  
29 adjustment that meets the other criteria set forth herein; (3)  
30 reductions shall be made in a manner that maximizes federal finan-  
31 cial participation, to the extent practicable, including any federal  
32 financial participation that is available or is reasonably expected  
33 to become available, in the discretion of the commissioner, under  
34 the Affordable Care Act; (4) reductions shall be made uniformly  
35 among categories of services and geographic regions of the state, to  
36 the extent practicable, and shall be made uniformly within a cate-  
37 gory of service, to the extent practicable, except where the commis-  
38 sioner determines that there are sufficient grounds for non-uniform-  
39 ity, including but not limited to: the extent to which specific  
40 categories of services contributed to department of health medicaid  
41 state funds spending in excess of the limits specified herein; the  
42 need to maintain safety net services in underserved communities; or  
43 the potential benefits of pursuing innovative payment models contem-  
44 plated by the Affordable Care Act, in which case such grounds shall  
45 be set forth in the medicaid savings allocation adjustment; and (5)  
46 reductions shall be made in a manner that does not unnecessarily  
47 create administrative burdens to medicaid applicants and recipients  
48 or providers.

49 The commissioner shall seek the input of the legislature, as well as  
50 organizations representing health care providers, consumers, busi-  
51 nesses, workers, health insurers, and others with relevant exper-  
52 tise, in developing such medicaid savings allocation adjustment, to

1 the extent that all or part of such adjustment, in the discretion of  
2 the commissioner, is likely to have a material impact on the overall  
3 medicaid program, particular categories of service or particular  
4 geographic regions of the state.

5 (a) The commissioner shall post the medicaid savings allocation  
6 adjustment on the department of health's website and shall provide  
7 written copies of such adjustment to the chairs of the senate  
8 finance and the assembly ways and means committees at least 30 days  
9 before the date on which implementation is expected to begin.

10 (b) The commissioner may revise the medicaid savings allocation  
11 adjustment subsequent to the provisions of notice and prior to  
12 implementation but needs to provide a new notice pursuant to subpar-  
13 agraph (i) of this paragraph only if the commissioner determines, in  
14 his or her discretion, that such revisions materially alter the  
15 adjustment.

16 Notwithstanding the provisions of paragraphs (a) and (b) of this  
17 subdivision, the commissioner need not seek the input described in  
18 paragraph (a) of this subdivision or provide notice pursuant to  
19 paragraph (b) of this subdivision if, in the discretion of the  
20 commissioner, expedited development and implementation of a medicaid  
21 savings allocation adjustment is necessary due to a public health  
22 emergency.

23 For purposes of this section, a public health emergency is defined as:

24 (i) a disaster, natural or otherwise, that significantly increases  
25 the immediate need for health care personnel in an area of the  
26 state; (ii) an event or condition that creates a widespread risk of  
27 exposure to a serious communicable disease, or the potential for  
28 such widespread risk of exposure; or (iii) any other event or condi-  
29 tion determined by the commissioner to constitute an imminent threat  
30 to public health.

31 Nothing in this paragraph shall be deemed to prevent all or part of  
32 such medicaid savings allocation adjustment from taking effect  
33 retroactively to the extent permitted by the federal centers for  
34 medicare and medicaid services.

35 In accordance with the medicaid savings allocation adjustment, the  
36 commissioner of the department of health shall reduce department of  
37 health state funds medicaid spending by the amount of the projected  
38 overspending through, actions including, but not limited to modify-

The commissioner shall seek the input of the legislature, as well as organizations representing health care providers, consumers, businesses, workers, health insurers, and others with relevant expertise, in developing such medicaid savings allocation adjustment, to the extent that all or part of such adjustment, in the discretion of the commissioner, is likely to have a material impact on the overall medicaid program, particular categories of service or particular geographic regions of the state.

(a) The commissioner shall post the medicaid savings allocation adjustment on the department of health's website and shall provide written copies of such plan to the chairs of the senate finance and the assembly ways and means committees at least 30 days before the date on which implementation is expected to begin.

(b) The commissioner may revise the medicaid savings allocation adjustment subsequent to the provisions of notice and prior to implementation but needs to provide a new notice pursuant to subparagraph (i) of this paragraph only if the commissioner determines, in his or her discretion, that such revisions materially alter the plan.

12 tion determined by the commissioner to constitute an imminent threat  
13 to public health.

14 Nothing in this paragraph shall be deemed to prevent all or part of  
15 such medicaid savings allocation adjustment from taking effect  
16 retroactively to the extent permitted by the federal centers for  
17 medicare and medicaid services.

26 benefits; seeking all necessary federal approvals, including, but  
27 not limited to waivers, waiver amendments; and suspending time  
28 frames for notice, approval or certification of rate requirements,

37 fiscal year to exceed the projected department of health state funds  
38 disbursements in the enacted budget financial plan pursuant to  
39 subdivision 3 of section 23 of the state finance law, including  
40 spending increases or decreases due to: enrollment fluctuations,

5 For prompt assistance to utility customers related to the costs of  
6 utility affordability programs authorized by the Public Service  
7 Commission and administered by the Department of Public Service, in  
8 consultation with the energy affordability policy working group.  
9 Additionally, the department shall establish a new, expanded

11 ers, in consultation with the energy affordability policy working  
12 group, for residential customers that do not currently qualify for  
13 the energy affordability policy program but whose income is below

15 Commission shall consider the feasibility of using area median  
16 income or other eligibility thresholds in the event the use of state

37 ration's application for service, provided however that the benefits  
38 of this program can only be transferred to eligible new tenants or  
39 owners. Amounts appropriated herein may be disbursed to the utili-
