28 (b) Unless the court orders otherwise, a temporary restraining order
29 and the papers upon which it was based and a notice of hearing for the
30 preliminary injunction shall be personally served, in the same manner as
31 a summons as provided in the civil practice law and rules, upon any

34 5. Temporary closing order; temporary restraining order; additional

48 conducting, maintaining, or permitting the unlicensed activity within
49 the scope of this chapter and shall enter upon the building or premises
50 for such purpose. Such inventory shall be taken in any manner which is
51 deemed likely to evidence a true and accurate representation of the
52 personal property subject to such inventory including, but not limited
53 to photographing such personal property, except that any cash found on
54 the premises during such inventory shall be inventoried, seized, and
55 secured off premises pending further order of the court. Any police
56 officer or peace officer, or any representative of the office, shall be

1 permitted to review and copy records, including electronic records
2 stored on cloud platforms.

3 (d) The police officer or peace officer serving a temporary closing

18 in a conspicuous place or upon one or more of the principal doors at
19 entrances of such premises where the unlicensed activity is being
20 conducted, maintained, or permitted. In addition, where a temporary
21 closing order has been granted, the officer shall affix, in a conspicu-

23 such premises, a printed notice that the premises have been closed by
24 court order, which notice shall contain the legend "closed by court
25 order" in block lettering of sufficient size to be observed by anyone
26 intending or likely to enter the premises, the date of the order, the
27 court from which issued, and the name of the officer or agency posting
28 the notice. In addition, where a temporary restraining order has been
29 granted, the police officer or peace officer shall affix, in the same
30 manner, a notice similar to the notice provided for in relation to a
31 temporary closing order except that the notice shall state that certain
32 described activity is prohibited by court order and that removal of
33 property is prohibited by court order. Mutilation or removal of such a
34 posted order or such a posted notice while it remains in force, in addi-

45 authorized pursuant to subdivision eight of this section to bring and
46 maintain the proceeding in accordance with the procedures set forth in
47 this section, if ~~[the]~~ a defendant who is the fee owner, lessor, or
48 lessee of the building or premises shows by affidavit and such other
49 proof as may be submitted that the unlicensed activity within the scope
50 of this chapter has been abated and that they are also not affiliated
51 with the person who is conducting the unlicensed activity. An order

53 shall include a provision authorizing the office, or any county attor-

55 the building or premises which is the subject of a proceeding pursuant
56 to this subdivision, periodically without notice, during the pendency of

1 the proceeding for the purpose of ascertaining whether or not the unli-

3 with jurisdiction may, upon the request of the office, assist in the
4 enforcement of an inspection provision of an order vacating a temporary
5 closing order or temporary restraining order.

6 (b) A temporary closing order or a temporary restraining order may be
7 vacated by the court, upon notice to the office, or any county attorney,
8 corporation counsel, or local government, as applicable, when [~~the~~] a
9 defendant entitled to request vacatur pursuant to paragraph (a) of this
10 subdivision gives an undertaking and the court is satisfied that the
11 public health, safety, or welfare will be protected adequately during
12 the pendency of the proceeding. The undertaking shall be in an amount

14 unlicensed activity is being conducted, maintained, or permitted or in
15 such other amount as may be fixed by the court. The defendant shall pay
16 to the office and the attorney general, in the event a judgment of

48 as the court may direct but in no event shall the closing be for a peri-
49 od of more than one year from the posting of the judgment provided for
50 in this section. If the owner shall file a bond in the value of the
51 property ordered to be closed and submits proof to the court that the
52 unlicensed activity has been abated and will not be created, maintained,
53 or permitted for such period of time as the building or premises has
54 been directed to be closed in the judgment, and also submits proof that
55 they are also not affiliated with the person who is conducting the unli-

3 provisions of this section shall not constitute an act of possession,
4 ownership, or control by such police officer or peace officer of the
5 closed premises.

6 (c) Upon the request of the office of cannabis management or its
7 authorized representative, or any county attorney, corporation counsel,
8 or local government authorized pursuant to subdivision eight of this

22 ter shall provide, in addition to the costs and disbursements allowed by
23 the civil practice law and rules, upon satisfactory proof by affidavit
24 or such other evidence as may be submitted, the actual costs, expenses
25 and disbursements of the office and the attorney general, or of any
26 county attorney, corporation counsel, or local government authorized
27 pursuant to subdivision eight of this section to bring and maintain a
28 civil proceeding in accordance with the procedures set forth in this
29 section, in bringing and maintaining the proceeding.

30 8. Civil proceedings. In addition to the authority granted in this
31 section to the office of cannabis management and the attorney general,
32 any county attorney, corporation counsel, or local government in which
33 such building or premises is located may~~[, after the office of cannabis~~
34 ~~management grants permission in writing,~~] bring and maintain a civil
35 proceeding in the supreme court of the county in which the building or
36 premises is located to permanently enjoin the unlicensed activity
37 described in this section and the person or persons conducting or main-

39 forth in this section. The office shall be permitted to intervene as of
40 right in any such proceeding. Any such governmental entity which obtains

45 graph (h) of subdivision one or paragraph (e) of subdivision five of
46 this section and the actual costs, expenses and disbursements in bring-
47 ing and maintaining the proceeding. The authority provided by this
48 subdivision shall be in addition to, and shall not be deemed to diminish
49 or reduce, any rights of the parties described in this section under
50 existing law for any violation pursuant to this chapter or any other
51 law.

23 sales or up to two thousand five hundred dollars for each such sale,
24 provided, however, that where such conduct also constitutes a violation
25 of subdivision one of this section, such person may only be subject to
26 the civil penalties under one such subdivision, and provided, further,
27 that where such person has been ordered to cease such conduct pursuant
28 to subdivision one of section one hundred thirty-eight-a of this arti-

37 5. Notwithstanding the factors listed in subdivision four of this
38 section, the office may issue an order to seal with an immediate effec-

The office shall mail a copy, by certified mail, of any order to seal issued by the office or board within five days following issuance of such order to the person in whose name the real estate affected by the order is recorded in the office of the city register or the county clerk, as the case may be, who shall be presumed to be the owner thereof. Such mailing shall constitute notice to the owner and shall be deemed to be complete upon such mailing by the office as provided above.

35 (b) the user whose personal data the operator processes; or

36 (c) the parent or legal guardian of a user under thirteen years old
37 whose personal data the operator processes.

38 § 899-ff. Privacy protection by default. 1. Except as provided for in
39 subdivision six of this section and section eight hundred ninety-nine-jj
40 of this article, an operator shall not process, or allow a third party
41 to process, the personal data of a covered user collected through the
42 use of a website, online service, online application, mobile applica-
43 tion, or connected device unless and to the extent:

44 (a) the covered user is twelve years of age or younger and processing
45 is permitted under 15 U.S.C. § 6502 and its implementing regulations; or

46 (b) the covered user is thirteen years of age or older and processing
47 is strictly necessary for an activity set forth in subdivision two of
48 this section, or informed consent has been obtained as set forth in
49 subdivision three of this section.

50 2. For the purposes of paragraph (b) of subdivision one of this
51 section, the processing of personal data of a covered user is permissi-
52 ble where it is strictly necessary for the following activities:

53 (a) providing or maintaining a specific product or service requested
54 by the covered user;

55 (b) conducting the operator's internal business operations. For
56 purposes of this paragraph, such internal business operations shall not

1 include any activities related to marketing, advertising, or providing
2 products or services to third parties, or prompting covered users to use
3 the website, online service, online application, mobile application, or
4 connected device when it is not in use;

5 (c) identifying and repairing technical errors that impair existing or
6 intended functionality;

7 (d) protecting against malicious, fraudulent, or illegal activity;

14 mental authorities;

15 (h) detecting, responding to, or preventing security incidents or
16 threats; or

17 (i) protecting the vital interests of a natural person.

18 3. (a) For the purposes of paragraph (b) of subdivision one of this
19 section, to process personal data of a covered user where such process-
20 ing is not strictly necessary under subdivision two of this section,
21 informed consent must be obtained from the covered user either through a
22 device communication or signal pursuant to the provisions of subdivision
23 two of section eight hundred ninety-nine-ii of this article or through a
24 request. Requests for such informed consent shall:

25 (i) be made separately from any other transaction or part of a trans-
26 action;

27 (ii) be made in the absence of any mechanism that has the purpose or
28 substantial effect of obscuring, subverting, or impairing a covered
29 user's decision-making regarding authorization for the processing;

30 (iii) clearly and conspicuously state that the processing for which
31 consent is requested is not strictly necessary, and that the covered
32 user may decline without preventing continued use of the website, online
33 service, online application, mobile application, or connected device;
34 and

35 (iv) clearly present an option to refuse to provide consent as the
36 most prominent option.

37 (b) Such informed consent, once given, shall be freely revocable at
38 any time, and shall be at least as easy to revoke as it was to provide.

39 (c) If a covered user declines to provide or revokes informed consent
40 for processing, another request may not be made for such processing for
41 the following calendar year, however an operator may make available a
42 mechanism that a covered user can use, at the user's discretion, to
43 provide informed consent.

44 (d) If a covered user's device communicates or signals that the
45 covered user declines to provide informed consent for processing pursu-
46 ant to the provisions of subdivision two of section eight hundred nine-
47 ty-nine-ii of this article, an operator shall not request informed
48 consent for such processing, however an operator may make available a
49 mechanism that a covered user can use, at the user's discretion, to
50 provide informed consent.

51 4. Except where processing is strictly necessary to provide a product,
52 service, or feature, an operator may not withhold, degrade, lower the
53 quality, or increase the price of any product, service, or feature to a
54 covered user due to the operator not obtaining verifiable parental
55 consent under 15 U.S.C. § 6502 and its implementing regulations or
56 informed consent under subdivision three of this section.

1 5. Except as provided for in section eight hundred ninety-nine-jj of
2 this article, an operator shall not purchase or sell, or allow a third
3 party to purchase or sell, the personal data of a covered user.

4 6. Within fourteen days of determining that a user is a covered user,
5 an operator shall:

6 (a) dispose of, destroy, or delete all personal data of such covered
7 user that it maintains, unless processing such personal data is permit-
8 ted under 15 U.S.C. § 6502 and its implementing regulations, is strictly
9 necessary for an activity listed in subdivision two of this section, or
10 informed consent is obtained as set forth in subdivision three of this
11 section; and

12 (b) notify any third parties to whom it disclosed the personal data,
13 and any third parties it allowed to process the personal data, that the
14 user is a covered user.

15 § 899-gg. Third parties. 1. Except as provided for in section eight
16 hundred ninety-nine-jj of this article, no operator shall disclose the
17 personal data of a covered user to a third party, or allow the process-
18 ing of the personal data of a covered user by a third party, without a
19 written, binding agreement governing such disclosure or processing. Such
20 agreement shall clearly set forth instructions for the nature and
21 purpose of the third-party's processing of the personal data,
22 instructions for using or further disclosing the personal data, and the
23 rights and obligations of both parties.

24 2. Except as provided for in section eight hundred ninety-nine-jj of
25 this article, prior to disclosing personal data to a third party, the
26 operator shall inform the third party if such data is the personal data
27 of a covered user.

28 3. An agreement pursuant to subdivision one of this section shall
29 require that the third party:

30 (a) process the personal data of covered users only when and to the
31 extent strictly necessary for an activity listed pursuant to subdivision
32 two of section eight hundred ninety-nine-ff of this article, or where
33 informed consent was obtained pursuant to subdivision three of section
34 eight hundred ninety-nine-ff of this article;

35 (b) delete or return to the operator all personal data of covered
36 users at the end of its provision of services, unless retention of the
37 personal data is required by law;

38 (c) upon reasonable request of the operator, make available to the
39 operator all data in its possession necessary to demonstrate the third-
40 party's compliance with the obligations in this section;

41 (d) allow, and cooperate with, reasonable assessments by the operator
42 or the operator's designated assessor for purposes of evaluating compli-
43 ance with the obligations of this article. Alternatively, the third
44 party may arrange for a qualified and independent assessor to conduct an
45 assessment of the third-party's policies and technical and organiza-
46 tional measures in support of the obligations under this article using
47 an appropriate and accepted control standard or framework and assessment
48 procedure for such assessments. The third party shall provide a report
49 of such assessment to the operator upon request; and

50 (e) notify the operator a reasonable time in advance before disclosing
51 or transferring the personal data of covered users to any further third
52 parties, which may be in the form of a regularly updated list of further
53 third parties that may access personal data of covered users.

54 § 899-hh. Ongoing coverage. Upon learning that a user is no longer a
55 covered user, an operator shall immediately provide notice that such

1 user is no longer covered by the protections and rights provided under
2 the provisions of this article.

3 § 899-ii. Respecting user-provided age flags. 1. For the purposes of
4 this article, an operator shall treat a user as a covered user if the
5 user's device communicates or signals that the user is or shall be
6 treated as a minor, including through a browser plug-in or privacy
7 setting, device setting, or other mechanism.

8 2. For the purposes of subdivision three of section eight hundred
9 ninety-nine-ff of this article, an operator shall adhere to any clear
10 and unambiguous communications or signals from a covered user's device,
11 including through a browser plug-in or privacy setting, device setting,
12 or other mechanism, concerning processing that the covered user consents
13 to or declines to consent to. An operator shall not adhere to unclear or
14 ambiguous communications or signals from a covered user's device, and
15 shall instead request informed consent pursuant to the provisions of
16 paragraph a of subdivision three of section eight hundred ninety-nine-ff
17 of this article.

18 § 899-jj. Protections for third-party operators. Sections eight
19 hundred ninety-nine-ff and eight hundred ninety-nine-gg of this article
20 shall not apply to an operator processing the personal data of a covered
21 user of another website, online service, online application, mobile
22 application, or connected device, or portion thereof, where the operator
23 received reasonable written representations that the covered user
24 provided informed consent for such processing, or:

25 1. the operator does not have actual knowledge that the covered user
26 is a minor; and

27 2. the operator does not have actual knowledge that the other website,
28 online service, online application, mobile application, or connected
29 device, or portion thereof, is primarily directed to minors.

30 § 899-kk. Rulemaking authority. The attorney general may promulgate
31 such rules and regulations as are necessary to effectuate and enforce
32 the provisions of this article.

33 § 899-ll. Scope. 1. This article shall apply to conduct that occurs in
34 whole or in part in the state of New York. For purposes of this article,
35 commercial conduct takes place wholly outside of the state of New York
36 if the business collected such information while the covered user was
37 outside of the state of New York, no part of the use of the covered
38 user's personal data occurred in the state of New York, and no personal
39 data collected while the covered user was in the state of New York is
40 used.

41 2. Nothing in this article shall be construed to prohibit an operator
42 from storing a covered user's personal data that was collected pursuant
43 to section eight hundred ninety-nine-ff of this article when such
44 covered user is in the state.

45 3. Nothing in this article shall be construed to impose liability for
46 commercial activities or actions by operators subject to 15 U.S.C. 6501
47 that is inconsistent with the treatment of such activities or actions
48 under 15 U.S.C. 6502.

49 § 899-mm. Remedies. Whenever it appears to the attorney general,
50 either upon complaint or otherwise, that any person, within or outside
51 the state, has engaged in or is about to engage in any of the acts or
52 practices stated to be unlawful in this article, the attorney general
53 may bring an action or special proceeding in the name and on behalf of
54 the people of the state of New York to enjoin any violation of this
55 article, to obtain restitution of any moneys or property obtained
56 directly or indirectly by any such violation, to obtain disgorgement of

any profits or gains obtained directly or indirectly by any such violation, including but not limited to the destruction of unlawfully obtained data and algorithms trained on such data, to obtain damages caused directly or indirectly by any such violation, to obtain civil penalties of up to five thousand dollars per violation, and to obtain any such other and further relief as the court may deem proper, including preliminary relief.

§ 2. Severability. If any clause, sentence, paragraph, subdivision, section or part of this act shall be adjudged by any court of competent jurisdiction to be invalid, such judgment shall not affect, impair, or invalidate the remainder thereof, but shall be confined in its operation to the clause, sentence, paragraph, subdivision, section or part thereof directly involved in the controversy in which such judgment shall have been rendered. It is hereby declared to be the intent of the legislature that this act would have been enacted even if such invalid provisions had not been included herein.

§ 3. This act shall take effect one year after it shall have become a law. Effective immediately, the addition, amendment and/or repeal of any rule or regulation necessary for the implementation of this act on its effective date are authorized to be made and completed on or before such effective date.

13 PART W

14 Section 1. Paragraphs t, u and v of subdivision 10 of section 54 of
15 the state finance law, paragraph v as relettered by section 3 of part K
16 of chapter 55 of the laws of 2013, are relettered paragraphs u, v and w
17 and a new paragraph t is added to read as follows:

18 t. Local government efficiency grant program beginning in the state
19 fiscal year commencing April first, two thousand twenty-four. (i) (1)
20 For the purposes of this paragraph, "municipality" shall mean a county,
21 city, town, village, special improvement district, fire district, public
22 library, association library, or public library system as defined by
23 section two hundred seventy-two of the education law; provided, however,
24 that for the purposes of this definition, a public library system shall
25 be considered a municipality only in instances where such public library
26 system advances a joint application on behalf of its member libraries,

35 ative educational services: shall not generate additional state aid;
36 shall be deemed not to be a part of the program, capital and administra-
37 tive budgets of the board of cooperative educational services for the
38 purposes of computing charges upon component school districts pursuant
39 to subdivision one and subparagraph seven of paragraph b of subdivision
40 four of section nineteen hundred fifty, and subdivision one of section
41 nineteen hundred fifty-one of the education law; and shall be deemed to
42 be a cooperative municipal service for purposes of subparagraph two of
43 paragraph d of subdivision four of section nineteen hundred fifty of the
44 education law.

45 (2) For the purposes of this paragraph, "functional consolidation"
46 shall mean one municipality completely providing a service or function
47 for another municipality, which no longer provides such service or func-
48 tion.

49 (ii) Within the annual amounts appropriated therefor, the secretary of
50 state may award competitive grants to municipalities to cover costs
51 associated with local government efficiency projects, including, but not
52 limited to, planning for or implementation of a municipal consolidation
53 or dissolution, a functional consolidation, a city or county charter
54 revision that includes functional consolidation, shared or cooperative

1 services, and regionalized delivery of services; provided, however, that
2 such local government efficiency projects must demonstrate new opportu-
3 nities for financial savings and operational efficiencies; provided,
4 further, that eligible local government efficiency projects shall not
5 include studies and plans for a local government re-organization eligi-
6 ble to receive a local government citizens re-organization empowerment
7 grant pursuant to paragraph q of this subdivision. The secretary of
8 state may focus the grant program in specific functional areas, within
9 distressed communities and areas of historically high local government

11 case such areas of focus shall be detailed in a request for applica-
12 tions.

13 (iii) Any approved project shall include an examination of financial

18 improvements, transitional personnel costs and other necessary expenses
19 related to implementing the approved local government efficiency grant
20 work plan. Grants may be used for capital improvements, transitional
21 personnel costs or joint equipment purchases only where such expenses
22 are integral to implementation of the local government efficiency
23 project. No part of the grant shall be used by the applicant for recur-
24 ring expenses such as salaries, except that the salaries of certain
25 transitional personnel essential for the implementation of the approved
26 local government efficiency grant work plan shall be eligible for a
27 period not to exceed three years. The amounts awarded to a school
28 district pursuant to this subparagraph shall not be included in the
29 approved operating expense of the school district as defined in para-
30 graph t of subdivision one of section thirty-six hundred two of the
31 education law.

32 (v) The maximum cumulative grant award for a local government effi-

34 municipality; provided, however, that in no case shall such a project
35 receive a cumulative grant award in excess of one million two hundred

41 project receive a grant award in excess of one hundred thousand dollars.

42 (vi) Local matching funds equal to at least fifty percent of the total
43 cost of activities under the grant work plan approved by the department
44 of state shall be required for planning grants, and local matching funds
45 equal to at least ten percent of the total cost of activities under the
46 grant work plan approved by the department of state shall be required
47 for implementation grants. In the event an applicant is implementing a
48 project that the applicant developed through a successfully completed
49 planning grant funded under the local government efficiency grant
50 program or the shared municipal services incentive grant program, the
51 local matching funds required shall be reduced by the local matching
52 funds required by such successfully completed planning grant up to the
53 amount of local matching funds required for the implementation grant.

54 (vii) In the selection of grant awards, the secretary of state shall
55 give the highest priority to applications: (1) that would result in the
56 dissolution or consolidation of municipalities; (2) that would implement

1 the complete functional consolidation of a municipal service; or (3) by
2 local governments with historically high costs of local government or
3 sustained increases in property taxes. Priority will also be given to
4 municipalities that have previously completed a planning grant pursuant
5 to this program or the shared municipal services incentive grant
6 program, and to local governments currently involved in regional devel-
7 opment projects that have received funds through state community and
8 infrastructure development programs.

9 (viii) Within one week of the receipt of an application, the depart-
10 ment of state shall review the application to ensure the applicant has
11 filed the correct application, and to determine if any required sections
12 of the application contain no information. Within one business day of
13 determining an applicant has filed an incorrect application, or deter-

15 contain information, the department shall so notify the applicant.
16 Applicants shall be permitted to amend an application found to be miss-

18 if it is amended by the application deadline. If an applicant has
19 submitted an incorrect application, the applicant may submit the correct
20 application to the appropriate program by the deadline for such program
21 for consideration. Under no circumstances shall this subparagraph be
22 deemed to require the extension of any application deadline established
23 by the department, nor shall it obligate the department to conduct a
24 substantive review of the contents of any application outside of the
25 procedures established by the department for the purposes of maintaining
26 the competitive integrity of the grant program.

27 (ix) Written notice shall be provided to an applicant of a decision
28 regarding the grant or denial of an award under this paragraph, within
29 thirty days after such decision.

30 (x) The department of state shall prepare an annual report to the
31 governor and the legislature on the effectiveness of the local govern-
32 ment efficiency grant program and the local government citizens re-or-
33 ganization empowerment grant program. Such report shall be provided on

Section 1. Legislative findings and intent. As the official record of all eligible voters in a state, a state's voter registration rolls are the foundation of free, fair, and accurate elections. Illegal voting is exceedingly rare but maintaining accurate voter rolls reduces the opportunity for such behavior and it helps build confidence in election outcomes. However, keeping voter rolls up to date is a challenge because, every day, voters move or die. Voters do not always remember to update their registration when they move. These challenges are especially acute in states with large and highly mobile populations. Participation in a multistate voter list maintenance organization can improve the accuracy of New York's voter registration rolls. A multistate voter list maintenance organization is a coordinating entity between states that aids them in identifying voters who may no longer be eligible to vote, who have moved, or who have died. A voter list maintenance organization may also offer other information useful to improving voter registration or enhancing the integrity of election administration.

§ 2. Article 5 of the election law is amended by adding a new title 10 to read as follows:

43 PART BB

44 Section 1. Short title. This act shall be known and may be cited as
45 the "New York privacy act".

46 § 2. Legislative intent. 1. Privacy is a fundamental right and an
47 essential element of freedom. Advances in technology have produced ramp-
48 ant growth in the amount and categories of personal data being gener-
49 ated, collected, stored, analyzed, and potentially shared, which
50 presents both promise and peril. Companies collect, use and share our
51 personal data in ways that can be difficult for ordinary consumers to
52 understand. Opaque data processing policies make it impossible to evalu-
53 ate risks and compare privacy-related protections across services,
54 stifling competition. Algorithms quietly make decisions with critical

1 consequences for New York consumers, often with no human accountability.
2 Behavioral advertising generates profits by turning people into products
3 and their activity into assets. New York consumers deserve more notice
4 and more control over their data and their digital privacy.

5 2. This act seeks to help New York consumers regain their privacy. It
6 gives New York consumers the ability to exercise more control over their
7 personal data and requires businesses to be responsible, thoughtful, and
8 accountable managers of that information. To achieve this, this act
9 provides New York consumers a number of new rights, including clear
10 notice of how their data is being used, processed and shared; the ability
11 to access and obtain a copy of their data in a commonly used elec-
12 tronic format, with the ability to transfer it between services; the
13 ability to correct inaccurate data and to delete their data. This act
14 also imposes obligations upon businesses to maintain reasonable data
15 security for personal data, to notify New York consumers of foreseeable
16 harms arising from use of their data and to obtain specific consent for
17 that use, and to conduct regular assessments to ensure that data is not
18 being used for unacceptable purposes. These data assessments can be
19 obtained and evaluated by the New York State Attorney General, who is
20 empowered to obtain penalties for violations of this act and prevent
21 future violations.

22 § 3. The general business law is amended by adding a new article 42 to
23 read as follows:

34 cannot be associated with a consumer, household or device;

35 (b) publicly commits to process the data only as deidentified data and

50 extracted deoxyribonucleic acid (DNA) information; (b) genotype and
51 phenotypic information that results from analyzing the raw sequence
52 data; and (c) self-reported health information that a consumer submits
53 to a company regarding the consumer's health conditions and that is used
54 for scientific research or product development and analyzed in
55 connection with the consumer's raw sequence data.

1 with suspected insurance-related criminal or fraudulent acts; or (ii)
2 first responders in connection with catastrophic events;

3 (d) information that meets the following criteria:

13 (iv) personal data collected, processed, sold, or disclosed pursuant

15 2001-2279cc) and its implementing regulations (12 C.F.R. Part 600 et
16 seq.) if the collection, processing, sale, or disclosure is in compli-
17 ance with that law;

18 (v) personal data regulated by section two-d of the education law;

19 (vi) data maintained as employment records, for purposes other than
20 sale;

21 (vii) protected health information that is lawfully collected by a
22 covered entity or business associate and is governed by the privacy,
23 security, and breach notification rules issued by the United States
24 Department of Health and Human Services, Parts 160 and 164 of Title 45
25 of the Code of Federal Regulations, established pursuant to the Health
26 Insurance Portability and Accountability Act of 1996 (Public Law
27 104-191) ("HIPAA") and the Health Information Technology for Economic
28 and Clinical Health Act (Public Law 111-5);

29 (viii) patient identifying information for purposes of 42 C.F.R. Part

38 exempt under subparagraph (vii) of this paragraph that is maintained by
39 a covered entity or business associate as defined by HIPAA or a program
40 or a qualified service organization as defined by 42 U.S.C. § 290dd-2,
41 as long as such data is not sold in violation of HIPAA or any state or
42 federal law;

43 (xii) deidentified health information that meets all of the following
44 conditions:

45 (A) it is deidentified in accordance with the requirements for deiden-
46 tification set forth in Section 164.514 of Part 164 of Title 45 of the
47 Code of Federal Regulations;

48 (B) it is derived from protected health information, individually
49 identifiable health information, or identifiable private information
50 compliant with the Federal Policy for the Protection of Human Subjects,
51 also known as the Common Rule; and

52 (C) a covered entity or business associate does not attempt to reiden-
53 tify the information nor do they actually reidentify the information
54 except as otherwise allowed under state or federal law;

55 (xiii) information maintained by a covered entity or business associ-
56 ate governed by the privacy, security, and breach notification rules

1 issued by the United States Department of Health and Human Services,
2 Parts 160 and 164 of Title 45 of the Code of Federal Regulations, estab-
3 lished pursuant to the Health Insurance Portability and Accountability
4 Act of 1996 (Public Law 104-191), to the extent the covered entity or

6 protected health information as described in subparagraph (vii) of this
7 paragraph;

8 (xiv) data collected as part of human subjects research, including a

19 164.512 of Title 45 of the Code of Federal Regulations; and/or

20 (C) activities related to quality, safety, or effectiveness regulated
21 by the United States Food and Drug Administration; or

22 (xvi) personal data collected, processed, or disclosed pursuant to and
23 in compliance with any opt-out program authorized by the public service
24 commission or any other opt-out community distributed generation
25 programs authorized in law; or

26 (e) (i) an activity involving the collection, maintenance, disclosure,
27 sale, communication, or use of any personal data bearing on a consumer's
28 credit worthiness, credit standing, credit capacity, character, general
29 reputation, personal characteristics, or mode of living by a consumer
30 reporting agency, as defined in Title 15 U.S.C. Sec. 1681a(f), by a
31 furnisher of information, as set forth in Title 15 U.S.C. Sec. 1681s-2,
32 who provides information for use in a consumer report, as defined in
33 Title 15 U.S.C. Sec. 1861a(d), and by a user of a consumer report, as
34 set forth in Title 15 U.S.C. Sec. 1681b.; and

35 (ii) this paragraph shall apply only to the extent that such activity
36 involving the collection, maintenance, disclosure, sale, communication,
37 or use of such data by that agency, furnisher, or user is subject to
38 regulation under the Fair Credit Reporting Act, Title 15 U.S.C. Sec.
39 1681 et seq., and the data is not collected, maintained, used, communi-
40 cated, disclosed, or sold except as authorized by the Fair Credit
41 Reporting Act.

42 § 1102. Consumer rights. 1. Right to notice. (a) Notice. Each control-
43 ler that processes a consumer's personal data must make publicly and
44 consistently available, in a conspicuous and readily accessible manner,
45 a notice containing the following:

46 (i) a description of the consumer's rights under subdivisions two
47 through seven of this section and how a consumer may exercise those
48 rights, including how to withdraw consent;

49 (ii) the categories of personal data processed by the controller and
50 by any processor who processes personal data on behalf of the control-
51 ler;

52 (iii) the sources from which personal data is collected;

53 (iv) the purposes for processing personal data;

54 (v) the categories of third parties to whom the controller disclosed,
55 shared, transferred or sold personal data and, for each category of
56 third party, (A) the categories of personal data being shared,

1 disclosed, transferred, or sold to the third party, (B) the purposes for
2 which personal data is being shared, disclosed, transferred, or sold to
3 the third party, (C) any applicable retention periods for each category
4 of personal data processed by the third parties or processed on their
5 behalf, or if that is not possible, the criteria used to determine the
6 period, and (D) whether the third parties may use the personal data for
7 targeted advertising; and

8 (vi) the controller's retention period for each category of personal
9 data that they process or is processed on their behalf, or if that is
10 not possible, the criteria used to determine that period.

11 (b) Notice requirements.

12 (i) The notice must be written in easy-to-understand language and
13 format at an eighth grade reading level or below and in at least twelve
14 point font.

15 (ii) The categories of personal data processed and purposes for which
16 each category of personal data is processed must be described in a clear
17 and conspicuous manner, at a level specific enough to enable a consumer
18 to exercise meaningful control over their personal data but not so
19 specific as to render the notice unhelpful to a consumer.

20 (iii) The notice must be dated with its effective date and updated at
21 least annually. When the information required to be disclosed to a
22 consumer pursuant to paragraph (a) of this subdivision has not changed
23 since the immediately previous notice (whether initial, annual, or
24 revised) provided to the consumer, a controller may issue a statement
25 that no changes have been made.

26 (iv) The notice, as well as each version of the notice in effect in
27 the preceding six years, must be easily accessible to consumers and
28 capable of being viewed by consumers at any time.

29 2. Right to opt out. (a) A controller must allow consumers the right
30 to opt out, at any time, of processing personal data concerning the
31 consumer for the purposes of:

32 (i) targeted advertising;

33 (ii) the sale of personal data; and

34 (iii) profiling in furtherance of decisions that produce legal or
35 similarly significant effects concerning a consumer.

36 (b) A controller must provide clear and conspicuous means for the
37 consumer or their agent to opt out of processing and clearly present as
38 the most conspicuous choice an option to simultaneously opt out of all
39 processing purposes set forth in paragraph (a) of this subdivision.

40 (c) A controller must not process personal data for any purpose from
41 which the consumer has opted out.

42 (d) A controller must not request that a consumer who has opted out of
43 certain purposes of processing personal data opt back in, unless those
44 purposes subsequently become necessary to provide the services or goods
45 requested by a consumer. Targeted advertising and sale of personal data
46 shall not be considered processing purposes that are necessary to
47 provide service or goods requested by a consumer.

48 (e) Controllers must treat user-enabled privacy controls in a browser,
49 browser plug-in, smartphone application, operating system, device
50 setting, or other mechanism that communicates or signals the consumer's
51 choice not to opt out of the processing of personal data in furtherance
52 of targeted advertising, the sale of their personal data, or profiling
53 in furtherance of decisions that produce legal or similarly significant
54 effects concerning the consumer as an opt out under this article. To the
55 extent that the privacy control conflicts with a consumer's consent, the
56 controller shall comply with the privacy control but may notify the

1 consumer of such conflict and provide to such consumer the choice to
2 give controller specific consent to such processing.

3 3. Sensitive data. (a) A controller must obtain freely given, specif-
4 ic, informed, and unambiguous opt-in consent from a consumer to:

5 (i) process the consumer's sensitive data related to that consumer for
6 any purpose other than those in subdivision two of section eleven
7 hundred five of this article; or

8 (ii) make any changes to the existing processing or processing
9 purpose, including those regarding the method and scope of collection,
10 of the consumer's sensitive data that may be less protective of the
11 consumer's sensitive data than the processing to which the consumer has
12 previously given their freely given, specific, informed, and unambiguous
13 opt-in consent.

14 (b) Any request for consent to process sensitive data must be provided
15 to the consumer, prior to processing their sensitive data, in a stand-
16 alone disclosure that is separate and apart from any contract or privacy
17 policy. The request for consent must:

18 (i) be written in a twelve point font or greater and include a clear
19 and conspicuous description of each category of data and processing
20 purpose for which consent is sought;

21 (ii) clearly identify and distinguish between categories of data and
22 processing purposes that are necessary to provide the services or goods
23 requested by the consumer and categories of data and processing purposes
24 that are not necessary to provide the services or goods requested by the
25 consumer;

26 (iii) enable a reasonable consumer to easily identify the categories
27 of data and processing purposes for which consent is sought;

28 (iv) clearly present as the most conspicuous choice an option to
29 provide only the consent necessary to provide the services or goods
30 requested by the consumer;

31 (v) clearly present an option to deny consent; and

32 (vi) where the request seeks consent to sharing, disclosure, transfer,
33 or sale of sensitive data to third parties, identify the categories of
34 such third parties, the categories of data sold or shared with them, the
35 processing purposes, the retention period, or if that is not possible,
36 the criteria used to determine the period, and state if such sharing,
37 disclosure, transfer, or sale enables or involves targeted advertising.
38 The details of the categories of such third parties, and the categories
39 of data, processing purposes, and the retention period, may be set forth
40 in a different disclosure, provided that the request for consent
41 contains a conspicuous and directly accessible link to that disclosure.

42 (c) Targeted advertising and sale of personal data shall not be
43 considered processing purposes that are necessary to provide services or
44 goods requested by a consumer.

45 (d) Once a consumer has provided freely given, specific, informed, and
46 unambiguous opt-in consent to process their sensitive data for a proc-
47 essing purpose, a controller may rely on such consent until it is with-
48 drawn.

49 (e) A controller must provide a mechanism for a consumer to withdraw
50 previously given consent at any time. Such mechanism shall make it as
51 easy for a consumer to withdraw their consent as it is for such consumer
52 to provide consent.

53 (f) A controller must not infer that a consumer has provided freely
54 given, specific, informed, and unambiguous opt-in consent from the
55 consumer's inaction or the consumer's continued use of a service or
56 product provided by the controller.

1 (g) Controllers must not request consent from a consumer who has
2 previously withheld or denied consent to process sensitive data, until
3 at least twelve months after a denial, unless consent is necessary to
4 provide the services or goods requested by the consumer.

5 (h) Controllers must treat user-enabled privacy controllers in a brow-
6 ser, browser plug-in, smartphone application, operating system, device
7 setting, or other mechanism that communicates or signals the consumer's
8 choices to opt out of the processing of personal data in furtherance of
9 targeted advertising, the sale of their personal data, or profiling in
10 furtherance of decisions that produce legal or similarly significant
11 effects concerning the consumer as a denial of consent to process sensi-
12 tive data under this article. To the extent that the privacy control
13 conflicts with a consumer's consent, the privacy control settings
14 govern, unless the consumer provides freely given, specific, informed,
15 and unambiguous opt-in consent to override the privacy control, however,
16 the controller may notify such consumer of such conflict and provide to
17 the consumer the choice to give controller-specific consent to such
18 processing.

19 (i) (i) A controller must not discriminate against a consumer for
20 withholding or denying consent, including, but not limited to, by:

21 (A) denying services or goods to the consumer, unless the consumer
22 does not consent to processing necessary to provide the services or
23 goods requested by the consumer;

24 (B) charging different prices for goods or services, including through
25 the use of discounts or other benefits, imposing penalties, or providing
26 a different level or quality of services or goods to the consumer; or

27 (C) suggesting that the consumer will receive a different price or
28 rate for goods or services or a different level or quality of services
29 or goods.

30 (ii) A controller shall not be prohibited from offering a different
31 price, rate, level, quality, or selection of goods or services to a
32 consumer, including offering goods or services for no fee, if the offer-
33 ing is in connection with a consumer's voluntary participation in bona
34 fide loyalty, rewards, premium features, discounts, or club card
35 program. If a consumer exercises their right pursuant to paragraph (a)
36 of subdivision two of this section, a controller may not sell personal
37 data to a third party controller as part of such a program unless: (A)
38 the sale is reasonably necessary to enable the third party to provide a
39 benefit to which the consumer is entitled; (B) the sale of personal data
40 to third parties is clearly disclosed in the terms of the program; and
41 (C) the third party uses the personal data only for purposes of facili-
42 tating such a benefit to which the consumer is entitled and does not
43 retain or otherwise use or disclose the personal data for any other
44 purpose.

45 (j) A controller may, with the consumer's freely given, specific,
46 informed, and unambiguous opt-in consent given pursuant to this section,
47 operate a program in which information, products, or services sold to
48 the consumer are discounted based solely on such consumer's prior
49 purchases from the controller, provided that any sensitive data used to
50 operate such program is processed solely for the purpose of operating
51 such program.

52 (k) In the event of a merger, acquisition, bankruptcy, or other trans-
53 action in which another entity assumes control or ownership of all or
54 majority of the controller's assets, any consent provided to the
55 controller by a consumer relating to sensitive data prior to such trans-

1 action other than consent to processing necessary to provide services or
2 goods requested by the consumer, shall be deemed withdrawn.

3 4. Right to access. Upon the verified request of a consumer, a
4 controller shall:

5 (a) confirm whether or not the controller is processing or has proc-
6 essed personal data of that consumer, and provide access to a copy of
7 any such personal data in a manner understandable to a reasonable
8 consumer when requested; and

9 (b) provide the category of each processor or third party to whom the
10 controller disclosed, transferred, or sold the consumer's personal data
11 and, for each category of processor or third party, (i) the categories
12 of the consumer's personal data disclosed, transferred, or sold to each
13 processor or third party and (ii) the purposes for which each category
14 of the consumer's personal data was disclosed, transferred, or sold to
15 each processor or third party.

16 5. Right to portable data. Upon a verified request, and to the extent
17 technically feasible, the controller must: (a) provide to the consumer a
18 copy of all of, or a portion of, as designated in a verified request,
19 the consumer's personal data in a structured, commonly used and
20 machine-readable format and (b) transmit the data to another person of
21 the consumer's or their agent's designation without hindrance.

22 6. Right to correct. (a) Upon the verified request of a consumer or
23 their agent, a controller must conduct a reasonable investigation to
24 determine whether personal data, the accuracy of which is disputed by
25 the consumer, is inaccurate, with such investigation to be concluded
26 within the time period set forth in paragraph (a) of subdivision eight
27 of this section.

28 (b) Notwithstanding paragraph (a) of this subdivision, a controller
29 may terminate an investigation initiated pursuant to such paragraph if
30 the controller reasonably and in good faith determines that the dispute
31 by the consumer is wholly without merit, including by reason of a fail-
32 ure by a consumer to provide sufficient information to investigate the
33 disputed personal data. Upon making any determination in accordance with
34 this paragraph that a dispute is wholly without merit, a controller
35 must, within the time period set forth in paragraph (a) of subdivision
36 eight of this section, provide the affected consumer a statement in
37 writing that includes, at a minimum, the specific reasons for the deter-
38 mination, and identification of any information required to investigate
39 the disputed personal data, which may consist of a standardized form
40 describing the general nature of such information.

41 (c) If, after any investigation under paragraph (a) of this subdivi-
42 sion of any personal data disputed by a consumer, an item of the
43 personal data is found to be inaccurate or incomplete, or cannot be
44 verified, the controller must:

45 (i) correct the inaccurate or incomplete personal data of the consum-
46 er; and

47 (ii) unless it proves impossible or involves disproportionate effort,
48 communicate such request to each processor or third party to whom the
49 controller disclosed, transferred, or sold the personal data within one
50 year preceding the consumer's request, and to require those processors
51 or third parties to do the same for any further processors or third
52 parties they disclosed, transferred, or sold the personal data to.

53 (d) If the investigation does not resolve the dispute, the consumer
54 may file with the controller a brief statement setting forth the nature
55 of the dispute. Whenever a statement of a dispute is filed, unless there
56 exists reasonable grounds to believe that it is wholly without merit,

1 the controller must note that it is disputed by the consumer and include
2 either the consumer's statement or a clear and accurate codification or
3 summary thereof with the disputed personal data whenever it is
4 disclosed, transferred, or sold to any processor or third party.

5 7. Right to delete. (a) Upon the verified request of a consumer, a
6 controller must:

7 (i) within forty-five days after receiving the verified request,
8 delete any or all of the consumer's personal data, as directed by the
9 consumer or their agent, that the controller possesses or controls; and

10 (ii) unless it proves impossible or involves disproportionate effort
11 that is documented in writing by the controller, communicate such
12 request to each processor or third party to whom the controller
13 disclosed, transferred or sold the personal data within one year preced-
14 ing the consumer's request and to require those processors or third
15 parties to do the same for any further processors or third parties they
16 disclosed, transferred, or sold the personal data to.

17 (b) For personal data that is not possessed by the controller but by a
18 processor of the controller, the controller may choose to (i) communi-
19 cate the consumer's request for deletion to the processor, or (ii)
20 request that the processor return to the controller the personal data
21 that is the subject of the consumer's request and delete such personal
22 data upon receipt of the request.

23 (c) A consumer's deletion of their online account must be treated as a
24 request to the controller to delete all of that consumer's personal data
25 directly related to that account.

26 (d) A controller must maintain reasonable procedures designed to
27 prevent the reappearance in its systems, and in any data it discloses,
28 transfers, or sells to any processor or third party, the personal data
29 that is deleted pursuant to this subdivision.

30 (e) A controller is not required to comply with a consumer's request
31 to delete personal data if:

32 (i) complying with the request would prevent the controller from
33 performing accounting functions, processing refunds, effectuating a
34 product recall pursuant to federal or state law, or fulfilling warranty
35 claims, provided that the personal data that is the subject of the
36 request is not processed for any purpose other than such specific activ-
37 ities; or

38 (ii) it is necessary for the controller to maintain the consumer's
39 personal data to engage in public or peer-reviewed scientific, histor-
40 ical, or statistical research in the public interest that adheres to all
41 other applicable ethics and privacy laws, when the controller's deletion
42 of the information is likely to render impossible or seriously impair
43 the achievement of such research, provided that the consumer has given
44 informed consent and the personal data is not processed for any purpose
45 other than such research.

46 (f) Where a consumer's request for deletion is denied, the controller
47 shall provide the consumer with a written justification for such denial.

48 8. Responding to requests. (a) A controller must take action under
49 subdivisions four through seven of this section and inform the consumer
50 of any actions taken without undue delay and in any event within forty-
51 five days of receipt of the request. That period may be extended once by
52 forty-five additional days where reasonably necessary, taking into
53 account the complexity and number of the requests. The controller must
54 inform the consumer of any such extension within forty-five days of
55 receipt of the request, together with the reasons for the delay. When a
56 controller denies any such request, it must within this period disclose

1 to the consumer a statement in writing of the specific reasons for the
2 denial and instructions for how to appeal the decision.

3 (b) A controller shall permit the exercise of rights and carry out its
4 obligations set forth in subdivisions four through seven of this section
5 free of charge, at least twice annually to the consumer. Where requests
6 from a consumer are manifestly unfounded or excessive, in particular
7 because of their repetitive character, the controller may either (i)
8 charge a reasonable fee to cover the administrative costs of complying
9 with the request or (ii) refuse to act on the request and notify the
10 consumer of the reason for refusing the request. The controller bears
11 the burden of demonstrating the manifestly unfounded or excessive char-
12 acter of the request.

13 (c) (i) A controller shall promptly attempt, using commercially
14 reasonable efforts, to verify that all requests to exercise any rights
15 set forth in any section of this article requiring a verified request
16 were made by the consumer who is the subject of the data, or by a person
17 lawfully exercising the right on behalf of the consumer who is the
18 subject of the data. Commercially reasonable efforts shall be determined
19 based on the totality of the circumstances, including the nature of the
20 data implicated by the request.

21 (ii) A controller may require the consumer to provide additional
22 information only if the request cannot reasonably be verified without
23 the provision of such additional information. A controller must not
24 transfer or process any such additional information provided pursuant to
25 this section for any other purpose and must delete any such additional
26 information without undue delay and in any event within forty-five days
27 after the controller has notified the consumer that it has taken action
28 on a request under subdivisions four through seven of this section as
29 described in paragraph (a) of this subdivision.

30 (iii) If a controller discloses this additional information to any
31 processor or third party for the purpose of verifying a consumer
32 request, it must notify the receiving processor or third party at the
33 time of such disclosure, or as close in time to the disclosure as is
34 reasonably practicable, that such information was provided by the
35 consumer for the sole purpose of verification and cannot be processed
36 for any purpose other than verification.

37 9. Implementation of rights. Controllers must provide easily accessi-
38 ble and convenient means for consumers to exercise their rights under
39 this article.

40 10. Non-waiver of rights. Any provision of a contract or agreement of
41 any kind that purports to waive or limit in any way a consumer's rights
42 under this article is contrary to public policy and is void and unen-
43 forceable.

44 § 1103. Controller, processor, and third party responsibilities. 1.
45 Controller responsibilities. (a) Data protection assessments. (i) A
46 controller shall regularly conduct and document a data protection
47 assessment for each of the controller's processing activities that
48 presents a heightened risk of harm to a consumer. For the purposes of
49 this section, processing that presents a heightened risk of harm to a
50 consumer includes: (A) the processing of personal data for the purposes
51 of targeting advertising, (B) the sale of personal data, (C) the proc-
52 essing of personal data for the purposes of profiling, where such
53 profiling presents a reasonably foreseeable risk of (I) unfair or decep-
54 tive treatment of, or unlawful disparate impact on consumers, (II)
55 financial, physical or reputational injury to consumers, (III) a phys-
56 ical or other intrusion upon the solitude or seclusion, or the private

1 affairs or concerns of consumers where such intrusion would be offensive
2 to a reasonable person, or (IV) other substantial injury to consumers;
3 and (D) the processing of sensitive data.

4 (ii) Data protection assessments conducted pursuant to subparagraph
5 (i) of this paragraph shall identify and weigh the benefits that may
6 flow, directly and indirectly, from the processing to the controller,
7 the consumer, other stakeholders and the public against the potential
8 risks to the rights of the consumer associated with such processing, as
9 mitigated by safeguards that can be employed by the controller to reduce
10 such risks. The controller shall factor into any such data protection
11 assessment that use of deidentified data and the reasonable expectations
12 of consumers, as well as the context of the processing and the relation-
13 ship between the controller and the consumer whose personal data will be
14 processed.

15 (iii) The attorney general may require that a controller disclose any
16 data protection assessment that is relevant to an investigation
17 conducted by the attorney general, and the controller shall make the
18 data protection assessment available to the attorney general. The attor-
19 ney general may evaluate the data protection assessment to assess
20 compliance with the provisions of this article. Data protection assess-
21 ments shall be confidential and shall be exempt from disclosure under
22 the freedom of information law. To the extent any information contained
23 in a data protection assessment disclosure to the attorney general
24 includes information subject to attorney-client privilege or work prod-
25 uct protection, such disclosure shall not constitute a waiver of such
26 privilege or protection.

27 (iv) A single data protection assessment may address a comparable set
28 of processing operations that include similar activities.

29 (v) If a controller conducts a data protection assessment for the
30 purpose of complying with another applicable law or regulation, the data
31 protection assessment shall be deemed to satisfy the requirements estab-
32 lished in this section if such data protection assessment is reasonably
33 similar in scope and effect to the data protection assessment that would
34 otherwise be conducted pursuant to this section.

35 (vi) Data protection assessment requirements shall apply to processing
36 activities created or generated after the effective date of this arti-
37 cle.

38 (b) Controllers must not engage in unfair, deceptive, or abusive acts
39 or practices with respect to obtaining consumer consent, the processing
40 of personal data, and a consumer's exercise of any rights under this
41 article, including without limitation:

42 (i) designing a user interface with the purpose or substantial effect
43 of deceiving consumers, obscuring consumers' rights under this article,
44 or subverting or impairing user autonomy, decision-making, or choice; or

45 (ii) obtaining consent in a manner designed to overpower a consumer's
46 resistance; for example, by making excessive requests for consent.

47 (c) Controllers must develop, implement, and maintain reasonable safe-
48 guards to protect the security, confidentiality and integrity of the
49 personal data of consumers including adopting reasonable administrative,
50 technical and physical safeguards appropriate to the volume and nature
51 of the personal data at issue.

52 (d) (i) A controller shall limit the use and retention of a consumer's
53 personal data to what is (A) necessary to provide the services or goods
54 requested by the consumer, (B) necessary for the internal business oper-
55 ations of the controller and consistent with the disclosures made to the

1 consumer pursuant to section eleven hundred two of this article, or (C)
2 necessary to comply with the legal obligations of the controller.

3 (ii) At least annually, a controller shall review its retention prac-
4 tices for the purpose of ensuring that it is maintaining the minimum
5 amount of personal data as is necessary for the operation of its busi-
6 ness. A controller must securely dispose of all personal data that is no
7 longer (A) necessary to provide the services or goods requested by the
8 consumer, (B) necessary for the internal business operations of the
9 controller and consistent with the disclosures made to the consumer
10 pursuant to section eleven hundred two of this article, or (C) necessary
11 to comply with the legal obligations of the controller.

12 (e) Non-discrimination. (i) (A) A controller must not discriminate
13 against a consumer for exercising rights under this article, including
14 but not limited to, by:

15 (I) denying services or goods to consumers;

16 (II) charging different prices for services or goods, including
17 through the use of discounts or other benefits; imposing penalties; or
18 providing a different level or quality of services or goods to the
19 consumer; or

20 (III) suggesting that the consumer will receive a different price or
21 rate for services or goods or a different level or quality of services
22 or goods.

23 (B) A controller shall not be prohibited from offering a different
24 price, rate, level, quality, or selection of goods or services to a
25 consumer, including offering goods or services for no fee, if the offer-
26 ing is in connection with a consumer's voluntary participation in bona
27 fide loyalty, rewards, premium features, discounts, or club card
28 program. If a consumer exercises their right pursuant to paragraph (a)
29 of subdivision two of section eleven hundred two of this article, a
30 controller may not sell personal data to a third party controller as
31 part of such a program unless: (I) the sale is reasonably necessary to
32 enable the third party to provide a benefit to which the consumer is
33 entitled; (II) the sale of personal data to third parties is clearly
34 disclosed in the terms of the program; and (III) the third party uses
35 the personal data only for purposes of facilitating such a benefit to
36 which the consumer is entitled and does not retain or otherwise use or
37 disclose the personal data for any other purpose.

38 (ii) This paragraph does not apply to a controller's conduct with
39 respect to opt-in consent, in which case paragraph (j) of subdivision
40 three of section eleven hundred two of this article governs.

41 (f) Agreements with processors. (i) Before making any disclosure,
42 transfer, or sale of personal data to any processor, the controller must
43 enter into a written, signed contract with that processor. Such contract
44 must be binding and clearly set forth instructions for processing data,
45 the nature and purpose of processing, the type of data subject to proc-
46 essing, the duration of processing, and the rights and obligations of
47 both parties. The contract must also include requirements that the
48 processor must:

49 (A) ensure that each person processing personal data is subject to a
50 duty of confidentiality with respect to the data;

51 (B) protect the data in a manner consistent with the requirements of
52 this article and at least equal to the security requirements of the
53 controller set forth in their publicly available policies, notices, or
54 similar statements;

1 (C) process the data only when and to the extent necessary to comply
2 with its legal obligations to the controller unless otherwise explicitly
3 authorized by the controller;

4 (D) not combine the personal data which the processor receives from or
5 on behalf of the controller with personal data which the processor
6 receives from or on behalf of another person or collects from its own
7 interaction with consumers;

8 (E) comply with any exercises of a consumer's rights under section
9 eleven hundred two of this article upon the request of the controller,
10 subject to the limitations set forth in section eleven hundred five of
11 this article;

12 (F) at the controller's direction, delete or return all personal data
13 to the controller as requested at the end of the provision of services,
14 unless retention of the personal data is required by law;

15 (G) upon the reasonable request of the controller, make available to
16 the controller all data in its possession necessary to demonstrate the
17 processor's compliance with the obligations in this article;

18 (H) allow, and cooperate with, reasonable assessments by the control-
19 ler or the controller's designated assessor; alternatively, the process-
20 or may arrange for a qualified and independent assessor to conduct an
21 assessment of the processor's policies and technical and organizational
22 measures in support of the obligations under this article using an
23 appropriate and accepted control standard or framework and assessment
24 procedure for such assessments. The processor shall provide a report of
25 such assessment to the controller upon request;

26 (I) a reasonable time in advance before disclosing or transferring the
27 data to any further processors, notify the controller of such a proposed
28 disclosure or transfer and provide the controller an opportunity to
29 approve or reject the proposal; and

30 (J) engage any further processor pursuant to a written, signed
31 contract that includes the contractual requirements provided in this
32 paragraph, containing at minimum the same obligations that the processor
33 has entered into with regard to the data.

34 (ii) A controller must not agree to indemnify, defend, or hold a
35 processor harmless, or agree to a provision that has the effect of
36 indemnifying, defending, or holding the processor harmless, from claims
37 or liability arising from the processor's breach of the contract
38 required by clause (A) of subparagraph (i) of this paragraph or a
39 violation of this article. Any provision of an agreement that violates
40 this subparagraph is contrary to public policy and is void and unen-
41 forceable.

42 (iii) Nothing in this paragraph relieves a controller or a processor
43 from the liabilities imposed on it by virtue of its role in the process-
44 ing relationship as defined by this article.

45 (iv) Determining whether a person is acting as a controller or proces-
46 sor with respect to a specific processing of data is a fact-based deter-
47 mination that depends upon the context in which personal data is to be
48 processed. A processor that continues to adhere to a controller's
49 instructions with respect to a specific processing of personal data
50 remains a processor.

51 (g) Third parties. (i) A controller must not share, disclose, trans-
52 fer, or sell personal data, or facilitate or enable the processing,
53 disclosure, transfer, or sale to a third party of personal data for
54 which a consumer has exercised their opt-out rights pursuant to subdivi-
55 sion two of section eleven hundred two of this article, or for which
56 consent of the consumer pursuant to subdivision three of section eleven

1 hundred two of this article, has not been obtained or is not currently
2 in effect. Any request for consent to share, disclose, transfer, or sell
3 personal data, or to facilitate or enable the processing, disclosure,
4 transfer, or sale of personal data to a third party of personal data to
5 a third party must clearly include the category of the third party and
6 the processing purposes for which the third party may use the personal
7 data.

8 (ii) A controller must not share, disclose, transfer, or sell personal
9 data, or facilitate or enable the processing, disclosure, transfer, or
10 sale to a third party of personal data if it can reasonably expect the
11 personal data of a consumer to be used for purposes for which a consumer
12 has exercised their opt-out rights pursuant to subdivision two of
13 section eleven hundred two of this article, or for which the consumer
14 has not consented to pursuant to subdivision three of section eleven
15 hundred two of this article, or if it can reasonably expect that any
16 rights of the consumer provided in this article would be compromised as
17 a result of such transaction.

18 (iii) Before making any disclosure, transfer, or sale of personal data
19 to any third party, the controller must enter into a written, signed
20 contract. Such contract must be binding and the scope, nature, and
21 purpose of processing, the type of data subject to processing, the dura-
22 tion of processing, and the rights and obligations of both parties.
23 Such contract must include requirements that the third party:

24 (A) Process that data only to the extent permitted by the agreement
25 entered into with the controller; and

26 (B) Provide a mechanism to comply with any exercises of a consumer's
27 rights under section eleven hundred two of this article upon the request
28 of the controller, subject to any limitations thereon as authorized by
29 this article; and

30 (C) To the extent the disclosure, transfer, or sale of the personal
31 data causes the third party to become a controller, comply with all
32 obligations imposed on controllers under this article.

33 2. Processor responsibilities. (a) For any personal data that is
34 obtained, received, purchased, or otherwise acquired by a processor,
35 whether directly from a controller or indirectly from another processor,
36 the processor must comply with the requirements set forth in clauses (A)
37 through (J) of subparagraph (i) of paragraph (f) of subdivision one of
38 this section.

39 (b) A processor is not required to comply with a request submitted
40 pursuant to this article if (i) the consumer submits the request direct-
41 ly to the processor; and (ii) the processor has processed the consumer's
42 personal data solely in its role as a processor for a controller.

43 (c) Processors shall be under a continuing obligation to engage in
44 reasonable measures to review their activities for circumstances that
45 may have altered their ability to identify a specific natural person and
46 to update their classifications of data as identified or identifiable
47 accordingly.

48 (d) A processor shall not engage in any sale of personal data other
49 than on behalf of the controller pursuant to any agreement entered into
50 with the controller.

51 3. Third party responsibilities. For any personal data that is
52 obtained, received, purchased, or otherwise acquired or accessed by a
53 third party from a controller or processor, the third party must:

54 (a) Process that data only to the extent permitted by any agreements
55 entered into with the controller;

1 (b) Comply with any exercises of a consumer's rights under section
2 eleven hundred two of this article upon the request of the controller or
3 processor, subject to any limitations thereon as authorized by this
4 article; and

5 (c) To the extent the third party becomes a controller for personal
6 data, comply with all obligations imposed on controllers under this
7 article.

8 4. Exceptions. The requirements of this section shall not apply where:

9 (a) The processing is required by law;

10 (b) The processing is made pursuant to a request by a federal, state,
11 or local government or government entity; or

12 (c) The processing significantly advances protection against criminal
13 or tortious activity.

14 § 1104. Data brokers. 1. A data broker, as defined under this article,
15 must annually, on or before January thirty-first following a year in
16 which a person meets the definition of data broker in this article:

17 (a) Register with the attorney general;

18 (b) Pay a registration fee of one hundred dollars or as otherwise
19 determined by the attorney general pursuant to the regulatory authority
20 granted to the attorney general under this article, not to exceed the
21 reasonable cost of establishing and maintaining the database and infor-
22 mational website described in this section; and

23 (c) Provide the following information:

24 (i) the name and primary physical, email, and internet website address
25 of the data broker;

26 (ii) the name and business address of an officer or registered agent
27 of the data broker authorized to accept legal process on behalf of the
28 data broker;

29 (iii) a statement describing the method for exercising consumers
30 rights under section eleven hundred two of this article;

31 (iv) a statement whether the data broker implements a purchaser
32 credentialing process; and

33 (v) any additional information or explanation the data broker chooses
34 to provide concerning its data collection practices.

35 2. Notwithstanding any other provision of this article, any controller
36 that conducts business in the state of New York must:

37 (a) annually, on or before January thirty-first following a year in
38 which a person meets the definition of controller in this act, provide
39 to the attorney general a list of all data brokers or persons reasonably
40 believed to be data brokers to which the controller provided personal
41 data in the preceding year; and

42 (b) not sell a consumer's personal data to an entity reasonably
43 believed to be a data broker that is not registered with the attorney
44 general.

45 3. The attorney general shall establish, manage and maintain a state-
46 wide registry on its internet website, which shall list all registered
47 data brokers and make accessible to the public all the information
48 provided by data brokers pursuant to this section. Printed hard copies
49 of such registry shall be made available upon request and payment of a
50 reasonable fee to be determined by the attorney general.

51 4. A data broker that fails to register as required by this section or
52 submits false information in its registration is, in addition to any
53 other injunction, penalty, or liability that may be imposed under this
54 article, liable for civil penalties, fees, and costs in an action
55 brought by the attorney general as follows: (a) a civil penalty of one
56 thousand dollars for each day the data broker fails to register as

1 required by this section or fails to correct false information, (b) an
2 amount equal to the fees that were due during the period it failed to
3 register, and (c) expenses incurred by the attorney general in the
4 investigation and prosecution of the action as the court deems appropri-
5 ate.

6 § 1105. Limitations. 1. This article does not require a controller or
7 processor to do any of the following solely for purposes of complying
8 with this article:

9 (a) Reidentify deidentified data;

10 (b) Comply with a verified consumer request to access, correct, or
11 delete personal data pursuant to this article if all of the following
12 are true:

13 (i) The controller is not reasonably capable of associating the
14 request with the personal data;

15 (ii) The controller does not associate the personal data with other
16 personal data about the same specific consumer as part of its normal
17 business practice; and

18 (iii) The controller does not sell the personal data to any third
19 party or otherwise voluntarily disclose or transfer the personal data to
20 any processor or third party, except as otherwise permitted in this
21 article; or

22 (c) Maintain personal data in identifiable form, or collect, obtain,
23 retain, or access any personal data or technology, in order to be capa-
24 ble of associating a verified consumer request with personal data.

25 2. The obligations imposed on controllers and processors under this
26 article do not restrict a controller's or processor's ability to do any
27 of the following, to the extent that the use of the consumer's personal
28 data is reasonably necessary and proportionate for these purposes:

29 (a) Comply with federal, state, or local laws, rules, or regulations,
30 provided that no law enforcement agency or officer thereof shall access
31 personal data without a subpoena or a lawfully executed search warrant,
32 except for the attorney general for the purposes of enforcing this
33 article, except where otherwise provided specifically in federal law;

34 (b) Investigate, establish, exercise, prepare for, or defend legal
35 claims;

36 (c) Process personal data necessary to provide the services or goods
37 requested by a consumer; perform a contract to which the consumer is a
38 party; or take steps at the request of the consumer prior to entering
39 into a contract;

40 (d) Take immediate steps to protect the life or physical safety of the
41 consumer or of another natural person, and where the processing cannot
42 be manifestly based on another legal basis;

43 (e) Prevent, detect, protect against, or respond to security inci-
44 dents, identity theft, fraud, harassment, malicious or deceptive activ-
45 ities, or any illegal activity; preserve the integrity or security of
46 systems; or investigate, report, or prosecute those responsible for any
47 such action;

48 (f) Identify and repair technical errors that impair existing or
49 intended functionality; or

50 (g) Process business contact information, including a natural person's
51 name, position name or title, business telephone number, business
52 address, business electronic mail address, business fax number, or qual-
53 ifications and any other similar information about the natural person.

54 3. The obligations imposed on controllers or processors under this
55 article do not apply where compliance by the controller or processor
56 with this article would violate an evidentiary privilege under New York

1 law and do not prevent a controller or processor from providing personal
2 data concerning a consumer to a person covered by an evidentiary privi-
3 lege under New York law as part of a privileged communication.

4 4. A controller that receives a request pursuant to subdivisions four
5 through seven of section eleven hundred two of this article, or a
6 processor or third party to whom a controller communicates such a
7 request, may decline to fulfill the relevant part of such request if:

8 (a) the controller, processor, or third party is unable to verify the
9 request using commercially reasonable efforts, as described in paragraph
10 (c) of subdivision eight of section eleven hundred two of this article;

11 (b) complying with the request would be demonstrably impossible (for
12 purposes of this paragraph, the receipt of a large number of verified
13 requests, on its own, is not sufficient to render compliance with a
14 request demonstrably impossible);

15 (c) complying with the request would impair the privacy of another
16 individual or the rights of another to exercise free speech; or

17 (d) the personal data was created by a natural person other than the
18 consumer making the request and is being processed for the purpose of
19 facilitating interpersonal relationships or public discussion.

20 § 1106. Enforcement. 1. Whenever it appears to the attorney general,
21 either upon complaint or otherwise, that any person or persons has
22 engaged in or is about to engage in any of the acts or practices stated
23 to be unlawful under this article, the attorney general may bring an
24 action or special proceeding in the name and on behalf of the people of
25 the state of New York to enjoin any violation of this article, to obtain
26 restitution of any moneys or property obtained directly or indirectly by
27 any such violation, to obtain disgorgement of any profits obtained
28 directly or indirectly by any such violation, to obtain civil penalties
29 of not more than twenty thousand dollars per violation, and to obtain
30 any such other and further relief as the court may deem proper, includ-
31 ing preliminary relief.

32 (a) Any action or special proceeding brought by the attorney general
33 pursuant to this section must be commenced within six years.

34 (b) Each instance of unlawful processing counts as a separate
35 violation. Unlawful processing of the personal data of more than one
36 consumer counts as a separate violation as to each consumer. Each
37 provision of this article that is violated counts as a separate
38 violation.

39 (c) In assessing the amount of penalties, the court must consider any
40 one or more of the relevant circumstances presented by any of the
41 parties, including, but not limited to, the nature and seriousness of
42 the misconduct, the number of violations, the persistence of the miscon-
43 duct, the length of time over which the misconduct occurred, the will-
44 fulness of the violator's misconduct, and the violator's financial
45 condition.

46 2. In connection with any proposed action or special proceeding under
47 this section, the attorney general is authorized to take proof and make
48 a determination of the relevant facts, and to issue subpoenas in accord-
49 ance with the civil practice law and rules. The attorney general may
50 also require such other data and information as he or she may deem rele-
51 vant and may require written responses to questions under oath. Such
52 power of subpoena and examination shall not abate or terminate by reason
53 of any action or special proceeding brought by the attorney general
54 under this article.

55 3. Any person, within or outside the state, who the attorney general
56 believes may be in possession, custody, or control of any books, papers,

1 or other things, or may have information, relevant to acts or practices
2 stated to be unlawful in this article is subject to the service of a
3 subpoena issued by the attorney general pursuant to this section.
4 Service may be made in any manner that is authorized for service of a
5 subpoena or a summons by the state in which service is made.

6 4. (a) Failure to comply with a subpoena issued pursuant to this
7 section without reasonable cause tolls the applicable statutes of limi-
8 tations in any action or special proceeding brought by the attorney
9 general against the noncompliant person that arises out of the attorney
10 general's investigation.

11 (b) If a person fails to comply with a subpoena issued pursuant to
12 this section, the attorney general may move in the supreme court to
13 compel compliance. If the court finds that the subpoena was authorized,
14 it shall order compliance and may impose a civil penalty of up to one
15 thousand dollars per day of noncompliance.

16 (c) Such tolling and civil penalty shall be in addition to any other
17 penalties or remedies provided by law for noncompliance with a subpoena.

18 5. This section shall apply to all acts declared to be unlawful under
19 this article, whether or not subject to any other law of this state, and
20 shall not supersede, amend or repeal any other law of this state under
21 which the attorney general is authorized to take any action or conduct
22 any inquiry.

23 § 1107. Miscellaneous. 1. Preemption: This article does not annul,
24 alter, or affect the laws, ordinances, regulations, or the equivalent
25 adopted by any local entity regarding the processing, collection, trans-
26 fer, disclosure, and sale of consumers' personal data by a controller or
27 processor subject to this article, except to the extent those laws,
28 ordinances, regulations, or the equivalent create requirements or obli-
29 gations that conflict with or reduce the protections afforded to consum-
30 ers under this article.

31 2. Impact report: The attorney general shall issue a report evaluating
32 this article, its scope, any complaints from consumers or persons, the
33 liability and enforcement provisions of this article including, but not
34 limited to, the effectiveness of its efforts to enforce this article,
35 and any recommendations for changes to such provisions. The attorney
36 general shall submit the report to the governor, the temporary president
37 of the senate, the speaker of the assembly, and the appropriate commit-
38 tees of the legislature within two years of the effective date of this
39 section.

40 3. Regulatory authority: (a) The attorney general is hereby authorized
41 and empowered to adopt, promulgate, amend and rescind suitable rules and
42 regulations to carry out the provisions of this article, including rules
43 governing the form and content of any disclosures or communications
44 required by this article.

45 (b) The attorney general may request, and shall receive, data and
46 information from controllers conducting business in New York state,
47 other New York state government entities administering notice and
48 consent regimes, consumer protection and privacy advocates and research-
49 ers, internet standards setting bodies, such as the internet engineering
50 taskforce and the institute of electrical and electronics engineers, and
51 other relevant sources, to conduct studies to inform suitable rules and
52 regulations. The attorney general shall receive, upon request, data
53 from other New York state governmental entities.

54 4. Exercise of rights: Any consumer right set forth in this article
55 may be exercised at any time by the consumer who is the subject of the
56 data or by a parent or guardian authorized by law to take actions of

legal consequence on behalf of the consumer who is the subject of the data. An agent authorized by a consumer may exercise the consumer rights set forth in subdivisions four through seven of section eleven hundred two of this article on the consumers behalf.

§ 4. Severability. If any provision of this act, or any application of any provision of this act, is held to be invalid, that shall not affect the validity or effectiveness of any other provision of this act, or of any other application of any provision of this act, which can be given effect without that provision or application; and to that end, the provisions and applications of this act are severable.

§ 5. This act shall take effect immediately; provided, however, that sections 1101, 1102, 1103, 1105, 1106 and 1107 of the general business law, as added by section three of this act, shall take effect one year after it shall have become a law.

PART CC

Section 1. This act shall be known and may be cited as the "secure our data act".

§ 2. Legislative intent. The legislature finds that ransomware and other malware attacks have affected the electronically stored personal information relating to thousands of people statewide and millions of people nationwide. The legislature also finds that state entities receive such personal information from various sources, including the data subjects themselves, other state entities, and the federal government. In addition, the legislature finds that state entities use such personal information to make determinations regarding the data subjects. The legislature further finds that New Yorkers deserve to have their personal information that is in the possession of a state entity stored in a manner that will withstand any attempt by ransomware and other malware to alter, change, or encrypt such information.

Therefore, the legislature enacts the secure our data act which will guarantee that state entities will employ the proper technology to protect the personal information stored as backup information from any unauthorized alteration or change.

§ 3. The state technology law is amended by adding a new section 210 to read as follows:

§ 210. Ransomware and other malware protection. 1. Definitions. For purposes of this section, the following terms shall have the following meanings:

(a) "Data subject" shall mean the person who is the subject of the personal information.

(b) "Immutable" means data that is stored unchanged over time or unable to be changed. For the purposes of backups, "immutable" shall mean that, once ingested, no external or internal operation can modify the data and must never be available in a read/write state to the client. "Immutable" shall specifically apply to the characteristics and attributes of a backup system's file system and may not be applied to temporary systems state, time-bound or expiring configurations, or temporary conditions created by a physical air gap as is implemented in most legacy systems. An immutable file system must demonstrate characteristics that do not permit the editing or changing of any data backed up to provide agencies with complete recovery capabilities.

(c) "Information system" shall mean any good, service or a combination thereof, used by any computer, cloud service, or interconnected system that is maintained for or used by a state entity in the acquisition,

storage, manipulation, management, movement, control, display, switching, interchange, transmission, or reception of data or voice including, but not limited to, hardware, software, information appliances, firmware, programs, systems, networks, infrastructure, media, and related material used to automatically and electronically collect, receive, access, transmit, display, store, record, retrieve, analyze, evaluate, process, classify, manipulate, manage, assimilate, control, communicate, exchange, convert, coverage, interface, switch, or disseminate data of any kind or form.

(d) "Maintained" shall mean personal information stored by a state entity that was provided to the state entity by the data subject, a state entity, or a federal governmental entity. Such term shall also include personal information provided by an adverse party in the course of litigation or other adversarial proceeding.

(e) "Malware" shall mean malicious code included in any application, digital content, document, executable, firmware, payload, or software for the purpose of performing or executing one or more unauthorized processes designed to have an adverse impact on the availability, confidentiality, or integrity of data stored in an information system.

(f) "Ransomware" shall mean any type of malware that uses encryption technology to prevent users from accessing an information system or data stored by such information system until a ransom is paid.

36 case) of cider produced by such license holder per year directly to a
37 resident of New York who is at least twenty-one years of age, for such

33 section sixty-five-b of this chapter;

34 (ii) require a recipient to sign an electronic or paper form or other
35 acknowledgement of receipt as approved by the authority; and

43 taxes to be determined on the basis that each sale in this state was at
44 the location where delivery is made;

46 provide copies of such records, upon written request, to the authority
47 or the department of taxation and finance;

55 obtain a certificate of authority pursuant to section eleven hundred
56 thirty-four of the tax law and a registration as a distributor pursuant

1 to sections four hundred twenty-one and four hundred twenty-two of the

6 excise taxes levied pursuant to section four hundred twenty-four of the
7 tax law and all sales taxes levied pursuant to articles twenty-eight and
8 twenty-nine of such law.

9 5. Renewal. The out-of-state shipper may annually renew its license
10 with the authority by paying a one hundred twenty-five dollar renewal
11 fee, providing the authority with a true copy of its current license in

17 7. Enforcement. The authority may enforce the requirements of this
18 section including the requirements imposed on the common carrier, by
19 administrative proceedings to suspend or revoke an out-of-state ship-
20 per's license and the authority may accept payment of an administrative
21 fine in lieu of suspension, such payments to be determined by rules or
22 regulations promulgated by the authority. In addition, the authority or
23 the attorney general of the state of New York shall report violations of
24 this section, where appropriate, to the United States department of the

38 shorter timeframe than in subdivision two of section sixty-six-p of the
39 public service law. Except in regard to the provision regarding to the
40 emergency generator as set forth in paragraph (a) of this subdivision,
41 any action taken in furtherance of the project that leads to any
42 increase in the emissions of greenhouse gases shall be deemed inconsis-
43 ent with and in interference with the attainment of the statewide green-
44 house gas emissions limits established in article seventy-five of the
45 environmental conservation law and therefore shall trigger the process
46 set forth in subdivision two of section seven of the CLCPA.

47 3. (a) Within sixty days of the effective date of this section, the
48 office shall establish an advisory committee to advise it on the prepa-
49 ration, design and content of the plan. Such plan shall be completed no
50 later than January thirty-first, two thousand twenty-six. The advisory
51 committee shall consist of the commissioner of the department of envi-
52 ronmental conservation and the chief executive officer of NYSERDA, or
53 their designees, and additional members which shall be appointed by such
54 commissioner in consultation with such chief executive officer, as
55 follows: three representatives of Albany community organizations, at
56 least two of which are from organizations whose mission, in whole or in

1 part, is to represent the interests of the Arbor Hill and/or Sheridan
2 Hollow neighborhoods in Albany; two additional representatives of local
3 environmental justice organizations; one individual not employed by New
4 York state with recognized expertise in renewable energy; a represen-
5 tative of labor organizations; a scientist with expertise in energy and
6 climate policy; an engineer with expertise in energy (including geother-
7 mal) and climate policy; and the mayor of Albany or his or her designee.
8 The advisory committee shall meet at least three times annually, or
9 additional times as the committee shall by majority vote determine. At
10 such meetings, which shall be open to the public, the office, among
11 other things, shall report on the progress made in completing the
12 project and otherwise implementing this section. The advisory committee
13 members shall receive no compensation for their services but shall be
14 reimbursed for their actual and necessary expenses incurred in the
15 performance of their duties. All agencies of the state or subdivisions
16 thereof may, at the request of the advisory panel or the office, provide
17 the advisory panel with such facilities, assistance and data as will
18 enable the advisory panel to carry out its powers and duties.

19 (b) Each member of the advisory committee shall be entitled to one
20 vote. No action may be taken by the advisory committee unless there is
21 a quorum, which shall at all times be a majority of the members of the
22 committee.

23 (c) The office shall retain a third party to perform an engineering
24 study to be completed within one hundred eighty days after the effective
25 date of this section, which shall consider the matters set forth in
26 paragraph (f) of this subdivision and any other matters consistent with
27 this section that the office shall direct. For the purposes of this
28 paragraph, the term "third party" shall mean a professional engineer,
29 not employed by the state of New York, or an engineering firm, provided
30 that none of the engineers employed by such firm shall also be employed
31 by the state of New York.

32 (d) The office shall be transparent in its work to develop the plan
33 and shall maintain a website where a draft plan and other documents
34 relevant to its development shall be posted for public review at least
35 fourteen days prior to the first of the public hearings mandated by this
36 paragraph. The advisory committee shall hold at least two public hear-
37 ings at least sixty days prior to the release of the final plan, of
38 which one shall be held in the Arbor Hill or Sheridan Hollow neighbor-
39 hoods and one shall be held during the evening or weekend hours. The
40 advisory committee shall make provisions for online and telephonic
41 attendance and participation. At such public hearings, the draft plan
42 shall be made available in written form for those physically attending.
43 Provisions shall also be made for written comments on the draft plan.

44 (e) The plan shall contain recommendations on regulatory measures and
45 other state actions to ensure that the mandates in subdivisions two and
46 three of this section and section ninety-one of the public buildings law
47 are met. The measures and actions set forth in the plan shall include:

48 i. a timeline for planned steps toward the completion of the project,
49 including, but not limited to construction of the project and obtaining
50 the necessary permits to begin operation. The timeline should maximize
51 the potential for achieving, and if feasible making greater emissions
52 reductions than the statewide greenhouse gas emissions limits set forth
53 in section 75-0107 of the environmental conservation law and meeting the
54 other mandates of the CLCPA;

1 ii. measures to maximize the benefits to the local community, includ-
2 ing prioritizing the reduction of greenhouse gases and co-pollutants and
3 improving public health in the local community;

4 iii. measures to optimize thermal load sharing, energy efficiency,
5 demand response, and energy conservation;

6 iv. comprehensive consideration of renewable heat exchange systems or
7 a combination of such systems to meet the heating and cooling needs of
8 the empire state plaza complex, including but not limited to: geothermal
9 heat exchange with the earth, geothermal heat exchange with the Hudson
10 River, open-loop and closed-loop geothermal heat exchange with the aquif-
11 er, heat exchange with potable water supplies, heat recovery from
12 wastewater sources, air-source heat pump technology, and thermal stor-
13 age, provided that such systems do not use combustion-based or fossil
14 fuel energy;

15 v. prioritization of electricity procurement from renewable sources
16 within New York Independent System Operator (NYISO) Zone F, especially
17 sources most capable of providing electricity serving real-time load
18 conditions of the empire state plaza complex. This shall include, but
19 not be limited to, consideration of projects that expand electricity
20 generation from ecologically-responsible, run-of-the-river hydroelectric
21 facilities within the region; and

22 vi. electricity service upgrades for the empire state plaza complex
23 necessary to support measures identified in this section.

24 (f) In designing the plan, the office shall be guided by any recommen-
25 dations contained in the engineering study mandated by paragraph (c) of
26 this subdivision, and any comments or recommendations made by the advi-
27 sory committee, including as to such engineering study. Such advisory
28 committee shall also be entitled to reject or modify any recommendation
29 upon a finding that such recommendation would be inconsistent with or
30 will interfere with the attainment of the statewide greenhouse gas emis-
31 sions limits established in article seventy-five of the environmental
32 conservation law, the climate justice provisions of the CLCPA, any rules
33 or regulations issued thereunder, or this section. If the advisory
34 committee rejects or modifies any recommendation, the original version
35 of the recommendations as set forth in the engineering study shall
36 presumptively not be considered by the office, unless substantial
37 evidence exists to support the study's initial recommendations.

38 (g) The plan shall designate the geographic boundaries of the local
39 community. In designating such boundaries, which shall include the Alba-
40 ny Sheridan Hollow, Arbor Hill, Center Square, Mansion, Washington Park,
41 West Hill, and South End neighborhoods, the office shall consider
42 including in its designation any other communities that experience
43 impacts on their water, air quality, noise and traffic from the empire
44 state plaza complex.

45 (h) Any project that may be funded as a result of the renewable capi-
46 tol project completed pursuant to this section shall: i. be deemed a
47 public work project subject to article eight of the labor law; ii.
48 require that the component parts of any renewable capitol project are
49 produced or made in whole or substantial part in the United States, its
50 territories or possessions, subject to a waiver provision similar to the
51 one contained in subdivision two of section sixty-six-s of the public
52 service law; iii. contain a requirement that any public owner or third
53 party acting on behalf of a public owner enter into a project labor
54 agreement as defined by section two hundred twenty-two of the labor law
55 for all construction work; and iv. require the payment of prevailing
56 wage standards consistent with article nine of the labor law for

building services work. Notwithstanding any provision of law to the contrary, all rights or benefits, including terms and conditions of employment, and protection of civil service and collective bargaining status of all existing public employees and the work jurisdiction, covered job titles, and work assignments, set forth in the civil service law and collective bargaining agreements with labor organizations representing public employees shall be preserved and protected. Any such project shall not result in the: (A) displacement of any currently employed worker or loss of position (including partial displacement as such a reduction in the hours of non-overtime work, wages, or employment benefits) or result in the impairment of existing collective bargaining agreements; (B) transfer of existing duties and functions related to maintenance and operations currently performed by existing employees of authorized entities to a contracting entity; or (C) transfer of future duties and functions ordinarily performed by employees of authorized entities to a contracting entity.

(i) In the case of any conflict as to the requirements of this section and section ninety-one of the public buildings law in regard to the project, this section shall prevail.

§ 3. The tenth undesignated paragraph of section 1005 of the public authorities law, as added by chapter 55 of the laws of 1992, is amended to read as follows:

The authority is further authorized, as deemed feasible and advisable by the trustees, to acquire, maintain, manage, operate, improve and reconstruct as a project or projects of the authority one or both of the steam generation facilities owned by the state known as the Sheridan ~~[avenue] Avenue~~ steam ~~[generating] plant [on Sheridan avenue in the city of Albany and used to supply steam to state facilities]~~, together with any properties, buildings and equipment at the sites thereof or ancillary thereto, for the generation and sale of thermal energy and the cogeneration and sale of electricity for use by facilities of the state within the county of Albany. All the authority's costs, including its acquisition, capital, operating and maintenance costs, shall be recovered fully from the customers receiving service from such project or projects. Thermal energy and electricity not required by the state may be sold by the authority to others. The authority is not authorized to use refuse or refuse-derived fuel in operating the project or projects.

As of the time period specified in paragraph (a) of subdivision two of section two hundred four of the executive law, all of the energy, including but not limited to heat, cooling and electricity, produced at the Sheridan Avenue steam plant shall utilize renewable energy systems.

Any agreement for such acquisition shall insure that the authority is not liable or otherwise responsible for circumstances arising from the prior operation of such facilities. The acquisition and purchase of such land, buildings and equipment by the authority, and any actions taken to effect such acquisition and purchase, are hereby exempt from the provisions of article eight of the environmental conservation law. The application of such exemption shall be strictly limited to the acquisition and purchase of such land, buildings and equipment by the authority and such agreements with the state. Nothing herein shall exempt the authority from otherwise applicable laws respecting the expansion, conversion, operation and maintenance of such land, buildings and equipment. For the purposes of this subdivision, the terms "renewable energy systems" and "Sheridan Avenue steam plant" shall have the same meanings as in subdivision one of section two hundred four of the executive law.

§ 4. Subdivisions 2 and 3 of section 90 of the public buildings law, as added by section 5 of part RR of chapter 56 of the laws of 2023, are amended to read as follows:

2. "Decarbonization" and "decarbonize" means eliminating all on-site combustion of fossil-fuels and associated co-pollutants with the exception of back-up emergency generators and redundant systems needed to address public health, safety and security, providing heating and cooling through thermal energy, and thermal energy networks, from non-combustion sources, and to the greatest extent feasible producing on-site electricity that is one hundred percent renewable. Notwithstanding the provisions of this subdivision, for purposes of the empire state plaza complex, such term shall mean meeting the requirements of subdivisions two and three of section two hundred four of the executive law, and section ninety-one of this article, as such requirements are applicable to the empire state plaza complex.

3. "Highest-emitting facilities" means state-owned facilities that are among the highest producers of greenhouse gas emissions and collectively account for at least thirty percent of the greenhouse gas emissions as recorded by the authority's Build Smart NY program established pursuant to Executive Order 88 of 2012. Notwithstanding the provisions of this subdivision, one of such facilities shall be the empire state plaza complex. For purposes of this article, the "empire state plaza complex" shall have the same meaning as defined in paragraph (e) of subdivision one of section two hundred four of the executive law.

§ 5. The opening paragraph and paragraph (g) of subdivision 1 and subdivision 2 of section 91 of the public buildings law, as added by section 5 of part RR of chapter 56 of the laws of 2023, are amended and a new paragraph (l) is added to subdivision 1 to read as follows:

The authority is hereby authorized and directed to establish decarbonization action plans for fifteen of the highest-emitting facilities that will serve as a basis for decarbonizing the facilities to the maximum extent practicable, and subject to any needed redundant systems and back-up systems needed for public safety and security. [~~Decarbonization~~] Except as provided in paragraph (h) of subdivision three of section two hundred four of the executive law, decarbonization action plans shall address the following matters at a minimum:

(g) [~~Identification~~] Except for the empire state plaza decarbonization plan, identification of any parts of the facilities that cannot be decarbonized, with explanations.

(l) In the case of the empire state plaza complex decarbonization action plan, the items listed in paragraph (f) of subdivision three of section two hundred four of the executive law.

2. [~~The~~] Except for the decarbonization plan for the empire state plaza complex, the authority shall complete the decarbonization action plans no later than January thirty-first, two thousand twenty-six, provided that such date shall be extended for justifiable delay outside the control of the authority, including, but not limited to, previously planned or current major renovations or replacements to the facilities, delayed permitting or approval by building owners, local authorities, or other essential parties, external resource bottlenecks, pending or unresolved investigations into utility grid capacity or similar circumstances where crucial information is not yet available or determined. Such extension shall be limited to the time necessary to address the factors causing such delay. The empire state decarbonization plan shall be completed by January thirty-first, two thousand twenty-six, and no exclusions for justifiable delays shall be permitted.

§ 6. Subdivisions 5, 6 and 7 of section 91 of the public buildings law are renumbered subdivisions 6, 7 and 8, and a new subdivision 5 is added to read as follows:

5. The authority shall be authorized to use the funding provided in subdivision four of this section to prepare the decarbonization action plan for the empire state plaza complex, to update or modify any study or plan undertaken, with the goal, in whole or in part of reducing greenhouse gas emissions applicable to such complex, or to perform the engineering study mandated by paragraph (d) of subdivision three of section two hundred four of the executive law, provided that such plan or study in the view of the authority would provide information useful for achieving the purposes of such section.

§ 7. This act shall take effect immediately.

PART II

Section 1. Subdivision b of section 448 of the retirement and social security law is amended by adding a new paragraph 3 to read as follows:

3. Provided further, notwithstanding any other provision of this article to the contrary, where the member is in a title as defined in subdivision i of section eighty-nine of this chapter, and would have been entitled to a service retirement benefit at the time of such member's death and where such member's death occurs on or after July first, two thousand twenty-four, the beneficiary or beneficiaries nominated for the purposes of this subdivision may elect to receive, in a lump sum, an amount payable which shall be equal to the pension reserve that would have been established had the member retired on the date of such member's death, or the value of the death benefit and the reserve-for-increased-take-home-pay, if any, whichever is greater.

§ 2. Subdivision b of section 508 of the retirement and social security law, as amended by chapter 476 of the laws of 2018, is amended to read as follows:

b. A member of a retirement system subject to the provisions of this article who is a police officer, firefighter, correction officer, investigator revised plan member or sanitation worker and is in a plan which permits immediate retirement upon completion of a specified period of service without regard to age or who is subject to the provisions of section five hundred four or five hundred five of this article, shall upon completion of ninety days of service be covered for financial protection in the event of death in service pursuant to this subdivision.

1. Such death benefit shall be equal to three times the member's salary raised to the next highest multiple of one thousand dollars, but in no event shall it exceed three times the maximum salary specified in section one hundred thirty of the civil service law or, in the case of a member of a retirement system other than the New York city employees' retirement system, or in the case of a member of the New York city employees' retirement system who is a New York city uniformed correction/sanitation revised plan member or an investigator revised plan member, the specific limitations specified for age of entrance into service contained in subparagraphs (b), (c), (d), (e) and (f) of paragraph two of subdivision a of this section.

2. Provided further, notwithstanding any other provision of this article to the contrary, where the member is in a title as defined in subdivision i of section eighty-nine of this chapter, and would have been entitled to a service retirement benefit at the time of such member's

1 death and where such member's death occurs on or after July first, two
2 thousand twenty-four, the beneficiary or beneficiaries nominated for the
3 purposes of this subdivision may elect to receive, in a lump sum, an
4 amount payable which shall be equal to the pension reserve that would
5 have been established had the member retired on the date of such
6 member's death, or the value of the death benefit and the reserve-for-
7 increased-take-home-pay, if any, whichever is greater.

8 § 3. This act shall take effect immediately.

FISCAL NOTE.--Pursuant to Legislative Law, Section 50:

This bill would modify the in-service death benefit for retirement eligible members of the New York State and Local Employees' Retirement System who are employed by New York State as correction officers and security hospital treatment assistants. The in-service death benefit will be the value of the pension reserve as if the member had retired on their date of death.

If this bill is enacted during the 2024 Legislative Session, we anticipate that there will be an increase of approximately \$1.7 million in the annual contributions of the State of New York for the fiscal year ending March 31, 2025. In future years this cost will vary but is expected to average 0.1% of salary annually.

In addition to the annual contributions discussed above, there will be an immediate past service cost of approximately \$10.4 million which will be borne by the State of New York as a one-time payment. This estimate assumes that payment will be made on March 1, 2025.

These estimated costs are based on 17,000 affected members employed by the State of New York, with annual salary of approximately \$1.6 billion as of March 31, 2023.

28 final average salary but during which the member was on authorized leave
29 of absence at partial pay or without pay shall be excluded from the
30 computation of final average salary and the month or an equal number of
31 months immediately preceding such period shall be substituted in lieu

39 be equal to one-third of the highest total wages earned during any

41 three years of service credit; provided, however, if the wages earned
42 during any year of credited service included the period used to deter-

§ 2. Subdivisions a and b of section 608 of the retirement and social security law, as amended by chapter 18 of the laws of 2012, are amended to read as follows:

a. ~~[For members who first become members of a public retirement system of the state before April first, two thousand twelve, a]~~ A member's final average salary shall be the average wages earned by such a member during any three consecutive years which provide the highest average wage; provided, however, if the wages earned during any year included in the period used to determine final average salary exceeds that of the average of the previous two years by more than ten percent, the amount in excess of ten percent shall be excluded from the computation of final average salary. ~~[For members who first become members of the New York state and local employees' retirement system or the New York state teachers' retirement system on or after April first, two thousand twelve, a member's final average salary shall be the average wages earned by such member during any five consecutive years which provide the highest average wage; provided, however, if the wages earned during any year included in the period used to determine final average salary exceeds that of the average of the previous four years by more than ten percent, the amount in excess of ten percent shall be excluded from the computation of final average salary.]~~ Where the period used to determine final average salary is the period which immediately precedes the date of retirement, any month or months (not in excess of twelve) which would otherwise be included in computing final average salary but during which the member was on authorized leave of absence at partial pay or without pay shall be excluded from the computation of final average salary and the month or an equal number of months immediately preceding such period shall be substituted in lieu thereof.

§ 3. Subparagraph (ii) of paragraph 14 of subdivision e of section 13-638.4 of the administrative code of the city of New York, as amended by chapter 18 of the laws of 2012, is amended to read as follows:

(ii) Subject to the provisions of subdivision f of this section where those provisions are applicable, and notwithstanding the provisions of subdivisions a and c of section six hundred eight of the RSSL, for a tier IV member of NYCERS who is a New York city revised plan member (as defined in subdivision m of section six hundred one of the RSSL) or a tier IV member of BERS who is a New York city revised plan member, the term "final average salary", as used in article fifteen of the RSSL, shall be equal to ~~[one-fifth]~~ one-third of the highest total wages earned by such member during any continuous period of employment for which the member was credited with ~~[five]~~ three years of service credit; provided that if the wages earned during any year of credited service included in the period used to determine final average salary exceeds the average of the wages of the previous four years of credited service by more than ten percent, the amount in excess of ten percent shall be excluded from the computation of final average salary, provided further that "wages", as used in this paragraph, shall mean the applicable provisions and limitations of the term "wages", as defined in subdivision l of section six hundred one of the RSSL.

§ 4. Subdivision a of section 1209 of the retirement and social security law, as amended by chapter 705 of the laws of 2023, is amended to read as follows:

a. For members who first become members of the New York state and local police and fire retirement system on or after April first, two thousand twelve, a member's final average salary shall be equal to one-fifth of the highest total wages earned by such member during any continuous period of employment for which the member was credited with five years of service credit; provided, however, if the wages earned during any year of credited service included in the period used to determine final average salary exceeds the average of the wages of the previous four years of credited service by more than ten percent, the amount in excess of ten percent shall be excluded from the computation of final average salary. Provided, however, beginning on or after April first, two thousand twenty-four, a member's final average salary shall be equal to one-third of the highest total wages earned by such member during any continuous period of employment for which the member was credited with three years of service credit; provided, however, if the wages earned during any year of credited service included in the period used to determine final average salary exceeds the average of the wages of the previous two years of credited service by more than ten percent, the amount in excess of ten percent shall be excluded from the computation of final average salary. Wages in excess of the annual salary paid to the governor pursuant to section three of article four of the state constitution shall be excluded from the computation of final average salary for members who first become members of the New York state and local police and fire retirement system on or after April first, two thousand twelve.

§ 5. Notwithstanding any other provision of law to the contrary, none of the provisions of this act shall be subject to section 25 of the retirement and social security law.

§ 6. This act shall take effect immediately.

FISCAL NOTE.--Pursuant to Legislative Law, Section 50:

This bill would provide Tier 6 members in the New York State and Local Retirement System a final average salary based on their highest salary earned over three consecutive years, where the salary earned in any year cannot exceed the average of the previous two years by more than 10%. Currently, final average salary for these members is based on their

highest salary earned over five consecutive years, where the salary earned in any year cannot exceed the average of the previous four years by more than 10%. The provisions of Section 25 of the Retirement and Social Security Law shall not apply.

Insofar as this bill affects the New York State and Local Employees' Retirement System (NYSLERS), the increased costs would be shared by the State of New York and the local participating employers in the NYSLERS. If this bill were enacted during the 2024 Legislative Session, the increase in the present value of benefits would be approximately \$1.17 billion.

NYSLERS	Increase in present value benefits	Increase in required contributions
Tiers 1 - 5	\$0	\$220 million
Tier 6	\$1.17 billion	\$950 million
Total	\$1.17 billion	\$1.17 billion

In the NYSLERS, this benefit improvement will be funded by increasing the billing rates charged annually to cover both retrospective and prospective benefit increases. The annual contribution required of all participating employers in NYSLERS is 0.4% of billable salary, or approximately \$51 million to the State of New York and approximately \$76 million to the local participating employers. This permanent annual cost will increase as Tier 6 salary grows and will vary by employer based upon the plan coverage and salary reported in Tier 6.

Insofar as this bill affects the New York State and Local Police and Fire Retirement System (NYSLPFRS), the increased costs would be shared by the State of New York and the local participating employers in the NYSLPFRS. If this bill were enacted during the 2024 Legislative Session, the increase in the present value of benefits would be approximately \$341 million.

NYSLPFRS	Increase in present value benefits	Increase in required contributions
Tiers 1 - 5	\$0	\$33 million
Tier 6	\$341 million	\$308 million
Total	\$341 million	\$341 million

In the NYSLPFRS, this benefit improvement will be funded by increasing the billing rates charged annually to cover both retrospective and prospective benefit increases. The annual contribution required of all participating employers in the NYSLPFRS is 0.70% of billable salary, or approximately \$6.0 million to the State of New York and approximately \$25 million to the local participating employers. The permanent annual cost will increase as Tier 6 salary grows and will vary by employer based upon the plan coverage and salary reported in Tier 6.

These estimated costs are based on 265,533 Tier 6 members in the NYSLERS and 16,599 Tier 6 members in the NYSLPFRS, with annual salary of approximately \$12 billion and \$1.5 billion, respectively, as of March 31, 2023.

Membership data as of March 31, 2023 was used in measuring the impact of the proposed change, the same data used in the April 1, 2023 actuarial valuation. Distributions and other statistics can be found in the 2023 Report of the Actuary and the 2023 Annual Comprehensive Financial Report.

The actuarial assumptions and methods used are described in the 2023 Annual Report to the Comptroller on Actuarial Assumptions, and the

Codes, Rules and Regulations of the State of New York: Audit and Control.

The Market Assets and GASB Disclosures are found in the March 31, 2023 New York State and Local Retirement System Financial Statements and Supplementary Information.

This fiscal note does not constitute a legal opinion on the viability of the proposed change nor is it intended to serve as a substitute for the professional judgment of an attorney.

This estimate, dated February 2, 2024, and intended for use only during the 2024 Legislative Session, is Fiscal Note No. 2024-118, prepared by the Actuary for the New York State and Local Retirement System.

FISCAL NOTE.--Pursuant to Legislative Law, Section 50:

As it relates to the New York State Teacher's Retirement System, this bill would amend subdivisions a and b of Section 608 of the Retirement and Social Security Law to change the definition of final average salary for Tier 6 members to be the same as that for Tier 3, 4 and 5 members. The final average salary for Tier 6 members would be based on any three consecutive years which produce the highest average salary. Currently, the final average salary for Tier 6 members is based on the salaries earned during any five consecutive years which provide the highest average salary. Additionally, under the bill, as in Tier 3, 4 and 5, if the salary for any year used in the period exceeds that of the average of the prior two years by more than 10%, the amount in excess of 10% shall be excluded from the computation. Currently, under Tier 6, if the salary for any year used in the period exceeds that of the average of the prior four years by more than 10%, the amount in excess of 10% is excluded from the computation.

The annual cost to the employers of members of the New York State Teachers' Retirement System for this benefit is estimated to be \$23.1 million or 0.12% of payroll if this bill is enacted.

The System's "new entrant rate", a hypothetical employer contribution rate that would occur if we started a new Retirement System without any assets, is equal to 5.31% of pay under the current Tier 6 benefit structure. This can be thought of as the long-term expected employer cost of Tier 6, based on current actuarial assumptions. For the proposed change to the Tier 6 benefit structure under this bill, this new entrant rate is estimated to increase to 5.55% of pay, an increase of 0.24% of pay.

Member data is from the System's most recent actuarial valuation files as of June 30, 2023, consisting of data provided by the employers to the Retirement System. The most recent data distributions and statistics can be found in the System's Annual Report for fiscal year ended June 30, 2023. System assets are as reported in the System's financial statements and can also be found in the System's Annual Report. Actuarial assumptions and methods are provided in the System's Actuarial Valuation Report as of June 30, 2023.

I am a member of the American Academy of Actuaries and I meet the Qualification Standards of the American Academy of Actuaries to render the actuarial opinion contained herein.

IMPACT ON MEMBER BENEFITS: Currently, Final Average Salary (FAS) is based on a five-year average, with each year's salary limited to 110% of the average of the prior four year's salaries for the following groups:

* Tier 3 and Tier 6 members who joined NYCERS on or after April 1, 2012, and

* Tier 3 enhanced members of POLICE and FIRE who retire for disability.

Under the proposed legislation, the FAS for such members would be based on a three-year average, with each year's salary limited to 110% of the average of the prior two year's salaries (prior four year's salaries for NYCERS and BERS).

The five-year FAS for enhanced disability benefits for Corrections and Sanitation members of NYCERS is provided as part of an agreement under Retirement and Social Security Law Article 25 and is assumed to remain unchanged by this proposed legislation.

ASSUMPTIONS AND METHODS: The estimates presented herein have been calculated based on the Revised 2021 Actuarial Assumptions and Methods of the impacted retirement systems. In addition:

* New entrants were assumed to replace exiting members so that total payroll increases by 3% each year for impacted groups. New entrant demographics were developed based on data for recent new hires and actuarial judgement.

RISK AND UNCERTAINTY: The costs presented in this Fiscal Note depend highly on the actuarial assumptions, methods, and models used, demographics of the impacted population, and other factors such as investment, contribution, and other risks. If actual experience deviates from actuarial assumptions, the actual costs could differ from those presented herein. Quantifying these risks is beyond the scope of this Fiscal Note.

This Fiscal Note is intended to measure pension-related impacts and does not include other potential costs (e.g., administrative and Other Postemployment Benefits).

STATEMENT OF ACTUARIAL OPINION: Marek Tyszkiewicz and Gregory Zelikovsky are members of the Society of Actuaries and the American Academy of Actuaries. We are members of NYCERS but do not believe it impairs our objectivity and we meet the Qualification Standards of the American Academy of Actuaries to render the actuarial opinion contained herein. To the best of our knowledge, the results contained herein have been prepared in accordance with generally accepted actuarial principles and procedures and with the Actuarial Standards of Practice issued by the Actuarial Standards Board.

FISCAL NOTE IDENTIFICATION: This Fiscal Note 2024-10 dated February 2, 2024 was prepared by the Chief Actuary for the New York City Retirement Systems and Pension Funds. This estimate is intended for use only during the 2024 Legislative Session.

1 PART KK

2 Section 1. Short title. This act shall be known and may be cited as
3 the "legislative oversight of automated decision-making in government
4 act (LOADing Act)".

5 § 2. The state technology law is amended by adding a new article 4 to
6 read as follows:

7 ARTICLE IV

8 AUTOMATED DECISION-MAKING IN STATE GOVERNMENT

9 Section 401. Definitions.

10 402. Use of automated decision-making systems by agencies.

11 403. Impact assessments.

12 § 401. Definitions. For the purpose of this article:

13 1. "Automated decision-making system" shall mean any software that
14 uses algorithms, computational models, or artificial intelligence tech-
15 niques, or a combination thereof, to automate, support, or replace human
16 decision-making and shall include, without limitation, systems that
17 process data, and apply predefined rules or machine learning algorithms
18 to analyze such data, and generate conclusions, recommendations,
19 outcomes, assumptions, projections, or predictions without meaningful
20 human review and discretion. "Automated decision-making system" shall
21 not include any software used primarily for basic computerized proc-
22 esses, such as calculators, spellcheck tools, autocorrect functions,
23 spreadsheets, electronic communications, or any tool that relates only
24 to internal management affairs such as ordering office supplies or proc-
25 essing payments, and that do not materially affect the rights, liber-
26 ties, benefits, safety or welfare of any individual within the state.

27 2. "State agency" shall mean any department, public authority, board,
28 bureau, commission, division, office, council, committee or officer of
29 the state. Such terms shall not include the legislature or judiciary.

30 3. "Public assistance benefit" shall mean any service or program with-
31 in the control of the state, or benefit provided by the state to indi-
32 viduals or households, including but not limited to public assistance,
33 cash assistance, grants, child care assistance, housing assistance,
34 unemployment benefits, transportation benefits, education assistance,
35 domestic violence services, and any other assistance or benefit within
36 the authority of the state to grant to individuals within the state.
37 This shall not include any federal program that is administered by the
38 federal government or the state.

39 § 402. Use of automated decision-making systems by agencies. 1. Any
40 state agency, or any entity acting on behalf of such agency, shall be
41 prohibited from, directly or indirectly, utilizing or applying any auto-

1 mated decision-making system in performing any function that: (a) is
2 related to the delivery of any public assistance benefit; (b) will have
3 a material impact on the rights, civil liberties, safety or welfare of
4 any individual within the state; or (c) affects any statutorily or
5 constitutionally provided right of an individual; unless such utiliza-
6 tion or application of the automated decision-making system is specif-
7 ically authorized in law.

8 2. No state agency shall authorize any procurement, purchase or acqui-
9 sition of any service or system utilizing, or relying on, automated
10 decision-making systems prohibited in subdivision one of this section,
11 except where the use of such system is specifically authorized in law.

12 § 403. Impact assessments. 1. No state agency shall utilize or apply
13 any automated decision-making system unless the state agency, or an
14 entity acting on behalf of such state agency, shall have conducted an
15 impact assessment for the application and use of such automated deci-
16 sion-making system. Following the first impact assessment, an impact
17 assessment shall be conducted at least once every two years. An impact
18 assessment shall be conducted prior to any material change to the auto-
19 mated decision-making system that may change the outcome or effect of
20 such system. Such impact assessments shall include:

21 (a) a description of the objectives of the automated decision-making
22 system;

23 (b) an evaluation of the ability of the automated decision-making
24 system to achieve its stated objectives;

25 (c) a description and evaluation of the objectives and development of
26 the automated decision-making including:

27 (i) a summary of the underlying algorithms, computational modes, and
28 artificial intelligence tools that are used within the automated deci-
29 sion-making system; and

30 (ii) the design and training data used to develop the automated deci-
31 sion-making system process;

32 (d) testing for:

33 (i) accuracy, fairness, bias and discrimination, and an assessment of
34 whether the use of the automated decision-making system produces discri-
35 minatory results on the basis of a consumer's or a class of consumers'
36 actual or perceived race, color, ethnicity, religion, national origin,
37 sex, gender, gender identity, sexual orientation, familial status, biom-
38 etric information, lawful source of income, or disability and outlines
39 mitigations for any identified performance differences in outcomes
40 across relevant groups impacted by such use;

41 (ii) any cybersecurity vulnerabilities and privacy risks resulting
42 from the deployment and use of the automated decision-making system, and
43 the development or existence of safeguards to mitigate the risks;

44 (iii) any public health or safety risks resulting from the deployment
45 and use of the automated decision-making system;

46 (iv) any reasonably foreseeable misuse of the automated decision-mak-
47 ing system and the development or existence of safeguards against such
48 misuse;

49 (e) the extent to which the deployment and use of the automated deci-
50 sion-making system requires input of sensitive and personal data, how
51 that data is used and stored, and any control users may have over their
52 data; and

53 (f) the notification mechanism or procedure, if any, by which individ-
54 uals impacted by the utilization of the automated decision-making system
55 may be notified of the use of such automated decision-making system and

1 of the individual's personal data, and informed of their rights and
2 options relating to such use.

3 2. Notwithstanding the provisions of this article or any other law, if
4 an impact assessment finds that the automated decision-making system
5 produces discriminatory or biased outcomes, the state agency shall cease
6 any utilization, application, or function of such automated decision-
7 making system, and of any information produced using such system.

8 3. Any impact assessment conducted pursuant to this subdivision shall
9 be submitted to the governor, the temporary president of the senate, and
10 the speaker of the assembly at least thirty days prior to the implemen-
11 tation of the automated decision-making system that is the subject of
12 such assessment. The impact statement of an automated decision-making
13 system that is approved and utilized, shall be published on the website
14 of the relevant agency. If the state agency makes a determination that
15 the disclosure of any information required in the impact assessment
16 would result in a substantial negative impact on health or safety of the
17 public, infringe upon the privacy rights of individuals, or significant-
18 ly impair the state agency's ability to protect its information technol-
19 ogy or operational assets, it may redact such information, provided that
20 an explanatory statement on the process by which the state agency made
21 such determination is published along with the redacted impact assess-
22 ment.

23 § 3. Disclosure of existing automated decision-making systems. Any
24 state agency, that directly or indirectly, utilizes an automated deci-
25 sion-making system, as defined in section 401 of the state technology
26 law, shall submit to the legislature a disclosure on the use of such
27 system, no later than one year after the effective date of this section.
28 Such disclosure shall include:

29 (a) a description of the automated decision-making system utilized by
30 such agency;

31 (b) a list of any software vendors related to such automated deci-
32 sion-making system;

33 (c) the date that the use of such system began;

34 (d) a summary of the purpose and use of such system, including a
35 description of human decision-making and discretion supported or
36 replaced by the automated decision-making system;

37 (e) whether any impact assessments for the automated decision-making
38 system were conducted and the dates and summaries of the results of such
39 assessments where applicable; and

40 (f) any other information deemed relevant by the agency.

41 § 4. Section 101 of the state technology law is amended by adding a
42 new subdivision 6 to read as follows:

43 6. "Artificial intelligence" or "AI" shall mean: (a) a machine-based
44 system that operates with varying levels of autonomy and that may exhib-
45 it adaptiveness after deployment and that, for explicit or implicit
46 objectives, infers, from the input the system receives, how to generate
47 outputs such as predictions, content, recommendations, or decisions that
48 may influence physical or virtual environments. This includes, but is
49 not limited to, systems, applications, software, or devices designed to:

50 (i) Sense, interpret, process, analyze, or otherwise comprehend data,
51 text, speech, voice, images, video, sensor inputs, or other forms of
52 information from the physical and virtual world.

53 (ii) Abstract concepts, detect patterns, extract features, develop
54 explanatory and predictive data models, or otherwise derive higher-order
55 insights through analysis of data and information.

1 (iii) Apply reasoning, decision logic, knowledge representation,
2 prediction models, data model inferences, or other structured and
3 unstructured techniques and capabilities to generate options, recommen-
4 dations, forecasts, determinations, conclusions, actions, or other
5 outputs that influence physical or virtual environments, systems, appli-
6 cations, devices, or decision-making.

7 (iv) Operate autonomously once deployed, regardless of whether
8 designed to allow human monitoring, oversight, intervention, or over-
9 ride.

10 (b) This definition shall not include any software used primarily for
11 basic computerized processes, such as calculators, spell check tools,
12 autocorrect functions, spreadsheets, electronic communications, or any
13 tool that relates only to internal management affairs such as ordering
14 office supplies or processing payments, and that do not materially
15 affect the rights, liberties, safety or welfare of any human.

16 § 5. The state technology law is amended by adding a new section 102-a
17 to read as follows:

18 § 102-a. Chief artificial intelligence officer; functions, powers and
19 duties. 1. There is hereby established the office of artificial intelli-
20 gence within the office. The head of such office shall be the chief
21 artificial intelligence officer and shall be appointed by the governor
22 with the advice and consent of the senate. The chief artificial intelli-
23 gence officer shall be in sole charge of the administration of the
24 office, and shall report to the executive department. The chief artifi-
25 cial intelligence officer shall be designated as management confidential
26 in the noncompetitive class in accordance with the civil service law.
27 The chief artificial intelligence officer shall have expertise in arti-
28 ficial intelligence, data privacy, and the technology industry.

29 2. The office of artificial intelligence shall have the following
30 functions, powers and duties:

31 (a) Develop statewide artificial intelligence policies and governance,
32 including but not limited to:

33 (i) Developing and updating state policy and guidelines on the use,
34 procurement, development, and deployment of artificial intelligence in a
35 manner consistent with state laws;

36 (ii) Developing and updating a handbook regarding the use, study,
37 development, evaluation, and procurement of systems that use artificial
38 intelligence, in a manner consistent with state and federal laws, and
39 national and international standards for use by the state's departments,
40 boards, commissions, agencies and authorities;

41 (iii) Developing a risk management plan, including procedures for
42 assessing and classifying risk levels, including, but not limited to,
43 pertaining to the operations of the state, data security and privacy,
44 and the rights, liberties, safety and welfare of any human for use of
45 artificial intelligence and automated decision-making systems by the
46 state's departments, boards, commissions, agencies and authorities; and

47 (iv) Setting governance standards for oversight of artificial intelli-
48 gence and automated systems, and determining resource requirements for
49 responsible adoption, including, but not limited to developing and
50 deploying employee training programs for safe and responsible use of
51 artificial intelligence; and

52 (v) Ensuring public access requirements are established for the publi-
53 cation of information related to each state agency use of the automated
54 systems and artificial intelligence.

1 (b) Coordinate the activities of any and all state departments,
2 boards, commissions, agencies and authorities performing any functions
3 using artificial intelligence tools.

4 (c) Coordinate and track state department, board, commission, agency
5 and authority procurement and planning in state programs.

6 (d) Investigate and assess what resources, monetary or otherwise, if
7 any, a department, board, commission, authority or agency requires to
8 adapt to the changes that artificial intelligence will bring to the
9 regulatory landscape and to adequately adopt and oversee the use of
10 artificial intelligence across its operations.

11 (e) Provide guidance to governmental entities in developing, designing
12 and deploying standards, mission, regulations, investments, practices,
13 systems pertaining to the use of artificial intelligence tools, in a
14 manner that protects the rights and safety of individuals, including but
15 not limited to employee training, protecting privacy and data security,
16 safeguarding against discrimination based on race, gender, ethnicity,
17 religion, disability, sexual orientation, or socioeconomic status, miti-
18 gating risks of misinformation and manipulation, and impact on the human
19 workforce.

20 (f) Recommend the replacement, disconnection or deactivation of any
21 application that utilizes artificial intelligence and that demonstrates
22 that deployment and use is inconsistent with provisions of law or is
23 otherwise harmful to the operations of the state, data security and
24 privacy, or the rights, liberties, safety, and welfare of any human.

25 (g) Study the implications of the usage of artificial intelligence for
26 data collection to inform testing and evaluation, verification and vali-
27 dation of artificial intelligence to ensure that artificial intelligence
28 will perform as intended, including when interacting with humans and
29 other systems, develop common metrics to assess trustworthiness that
30 artificial intelligence systems will perform as intended, and minimize
31 performance problems and unanticipated outcomes, protect against risks
32 to data security and privacy, and address the possibility of intentional
33 misuse of an artificial intelligence system.

34 (h) Submit a report annually to the temporary president of the senate
35 and the speaker of the assembly on progress, findings, studies and
36 recommendations regarding the use of artificial intelligence in the
37 various government agencies. Such report shall also be made publicly
38 available on the office of information technology website. Where the
39 chief artificial intelligence officer makes a determination that such
40 disclosure would result in a substantial negative impact on health or
41 safety of the public, infringe upon the privacy rights of individuals,
42 or significantly impair the state's ability to protect its information
43 technology or operational assets, the officer may redact such informa-
44 tion, provided an explanatory statement by which such determination was
45 made is published along with the redacted report. The provisions of this
46 subdivision shall not be deemed to require or authorize the disclosure
47 of confidential information or trade secrets.

48 (i) Investigate and conduct periodic audits any department's, board's,
49 commission's, agency's or authority's use of artificial intelligence
50 tools to ensure:

51 (i) departments, boards, commissions, agencies and authorities devel-
52 op, acquire and use automated systems that comply with the constitution,
53 state and federal laws;

54 (ii) ensure that any benefit a department, board, commission, agency
55 or authority receives by using an automated system outweighs any risk in
56 using that automated system;

(iii) ensure that each automated system is secure, protected and resistant to circumstances in which that automated system faces any systematic vulnerability, manipulation or malicious exploitation; and

PART MM

Section 1. Subdivision 3 of section 363-a of the retirement and social security law, as amended by chapter 437 of the laws of 2016, is amended to read as follows:

3. As used in this section, the terms "firefighter" and "police officer" mean any member who is performing police or fire service, as the phrase police or fire service is defined in paragraphs a, b, c, d, f (as added by chapter six hundred seventy-four of the laws of nineteen eighty-six), f (as added by chapter six hundred seventy-seven of the laws of

1 nineteen eighty-six), g, h, i and j of subdivision eleven of section

14 by the provisions of section 480 of the retirement and social security
15 law.

16 § 3. This act shall take effect immediately.

FISCAL NOTE.-- Pursuant to Legislative Law, Section 50:

This bill is a technical correction to Chapter 561 of the Laws of 2015. It would add a "heart bill" performance of duty disability provision for police officers of the State University of New York who are members of the New York State and Local Police and Fire Retirement System (NYSLPFRS).

If this legislation is enacted during the 2024 Legislative Session, it would lead to more disabilities being classified as "in performance of duty".

However, we anticipate that few additional performance of duty disability retirements will be granted, and thus, the resulting costs are expected to be negligible.

These estimated costs are based on 557 affected members employed by the State of New York, with annual salary of approximately \$53.8 million as of March 31, 2023.

Summary of relevant resources:

Membership data as of March 31, 2023 was used in measuring the impact of the proposed change, the same data used in the April 1, 2023 actuarial valuation. Distributions and other statistics can be found in the 2023 Report of the Actuary and the 2023 Annual Comprehensive Financial Report.

This estimate, dated March 5, 2024, and intended for use only during the 2024 Legislative Session, is Fiscal Note No. 2024-91, prepared by the Actuary for the New York State and Local Retirement System.

1 Section 1. Subdivision a of section 503 of the retirement and social
2 security law, as amended by chapter 18 of the laws of 2012, is amended
3 to read as follows:

4 a. The normal service retirement benefit specified in section five
5 hundred four of this article shall be payable to general members, other
6 than elective members, who have met the minimum service requirements
7 upon retirement and attainment of age sixty-two, provided, however, a
8 general member who is a peace officer employed by the unified court
9 system or a member of a teachers' retirement system may retire without
10 reduction of his or her retirement benefit upon attainment of at least
11 fifty-five years of age and completion of thirty or more years of
12 service. For members who become members of the New York state and local
13 employees' retirement system on or after April first, two thousand
14 twelve, the normal service retirement benefits specified in section five
15 hundred four of this article shall be payable to general members, other
16 than elective members, who have met the minimum service requirements
17 upon retirement and attainment of age sixty-three; provided that, a
18 member who is a peace officer employed by the unified court system may
19 retire without reduction of his or her retirement benefit upon attain-
20 ment of at least fifty-five years of age and completion of thirty or
21 more years of service.

22 § 2. Subdivisions a and a-1 of section 603 of the retirement and
23 social security law, subdivision a as amended and subdivision a-1 as
24 added by chapter 18 of the laws of 2012, are amended to read as follows:

25 a. The service retirement benefit specified in section six hundred
26 four of this article shall be payable to members who have met the mini-
27 mum service requirements upon retirement and attainment of age sixty-
28 two, other than members who are eligible for early service retirement
29 pursuant to subdivision c of section six hundred four-b of this article,
30 subdivision c of section six hundred four-c of this article, subdivision
31 d of section six hundred four-d of this article, subdivision c of
32 section six hundred four-e of this article, subdivision c of section six
33 hundred four-f of this article, subdivision c of section six hundred
34 four-g of this article, subdivision c of section six hundred four-h of
35 this article or subdivision c of section six hundred four-i of this
36 article, provided, however, a member of a teachers' retirement system or
37 the New York state and local employees' retirement system who first
38 joins such system before January first, two thousand ten or a member who
39 is a uniformed court officer or peace officer employed by the unified
40 court system [~~who first becomes a member of the New York state and local~~
41 ~~employees' retirement system before April first, two thousand twelve~~]
42 may retire without reduction of his or her retirement benefit upon
43 attainment of at least fifty-five years of age and completion of thirty
44 or more years of service, provided, however, that a uniformed court
45 officer or peace officer employed by the unified court system who first
46 becomes a member of the New York state and local employees' retirement
47 system on or after January first, two thousand ten and retires without
48 reduction of his or her retirement benefit upon attainment of at least
49 fifty-five years of age and completion of thirty or more years of
50 service pursuant to this section shall be required to make the member
51 contributions required by subdivision f of section six hundred thirteen
52 of this article for all years of credited and creditable service,
53 provided further that the [~~the~~] preceding provisions of this subdivision
54 shall not apply to a New York city revised plan member.

55 a-1. For members who first become a member of a public retirement
56 system of the state on or after April first, two thousand twelve, except

1 for uniformed court officers or peace officers employed by the unified
2 court system, the service retirement benefit specified in section six
3 hundred four of this article shall be payable to members who have met
4 the minimum service requirements upon retirement and have attained age
5 sixty-three.

6 § 3. Subdivisions a and b-1 of section 604 of the retirement and
7 social security law, subdivision a as amended and subdivision b-1 as
8 added by chapter 18 of the laws of 2012, are amended to read as follows:

9 a. The service retirement benefit at normal retirement age for a
10 member with less than twenty years of credited service, or less than
11 twenty-five years credited service for a member who joins the New York
12 state teachers' retirement system on or after January first, two thou-
13 sand ten, shall be a retirement allowance equal to one-sixtieth of final
14 average salary times years of credited service. Normal retirement age
15 for members who first become members of a public retirement system of
16 the state on or after April first, two thousand twelve shall be age
17 sixty-three; except that the normal retirement age shall be sixty-two
18 for a member who is a peace officer or uniformed court officer employed
19 by the unified court system.

20 b-1. Notwithstanding any other provision of law to the contrary, the
21 service retirement benefit for members with twenty or more years of
22 [~~credit~~] credited service who first become a member of a public retire-
23 ment system of the state on or after April first, two thousand twelve at
24 age sixty-three, or at age sixty-two for uniformed court officers or
25 peace officers employed by the unified court system, shall be a pension
26 equal to the sum of thirty-five per centum and one-fiftieth of final
27 average salary for each year of service in excess of twenty times final
28 average salary times years of credited service. In no event shall any
29 retirement benefit payable without optional modification be less than
30 the actuarially equivalent annuitized value of the member's contrib-
31 utions accumulated with interest at five percent per annum compounded
32 annually to the date of retirement.

33 § 4. Paragraph 3 of subdivision i of section 603 of the retirement and
34 social security law, as added by chapter 18 of the laws of 2012, is
35 amended to read as follows:

36 3. A member of a public retirement system of the state who has met the
37 minimum service requirement, but who is not a New York city transit
38 authority member, as defined in paragraph one of subdivision a of
39 section six hundred four-b of this article, may retire prior to normal
40 retirement age, but no earlier than attainment of age fifty-five, in
41 which event, the amount of his or her retirement benefit computed with-
42 out optional modification shall be reduced by six and one-half per
43 centum for each year by which early retirement precedes age sixty-three;
44 provided, however, that for a member who is a uniformed court officer or
45 peace officer employed by the unified court system, the retirement bene-
46 fit computed without optional modification shall be reduced in accord-
47 ance with paragraph one of this subdivision.

48 § 5. Notwithstanding any other provision of law to the contrary, none
49 of the provisions of this act shall be subject to the appropriation
50 requirement of section 25 of the retirement and social security law.

51 § 6. This act shall take effect immediately; provided that the amend-
52 ments to subdivision a of section 603 of the retirement and social secu-
53 rity law made by section two of this act shall not affect the expiration
54 of such subdivision and shall be deemed to expire therewith.

FISCAL NOTE.-- Pursuant to Legislative Law, Section 50:

This bill would allow any Tier 6 member who is a uniformed court officer or peace officer employed by the unified court system to retire without early age reduction upon attaining 30 years of creditable service and age 55. It would also reduce the normal retirement age from 63 to 62 and lessen the reductions in benefits for those who retire prior to normal retirement age.

Insofar as this bill affects the New York State and Local Employees' Retirement System (NYSLERS), the increased costs would be borne entirely by the State of New York. If this bill were enacted during the 2024 Legislative Session, the increase in the present value of benefits would be approximately \$34.2 million.

In the NYSLERS, this benefit improvement will be funded by (1) billing a past service cost to cover retrospective benefit increases and (2) increasing the billing rates charged annually to cover prospective benefit increases, as follows:

(1) To fund retrospective costs, the State of New York will be required to pay \$18.9 million as of March 1, 2025.

(2) To fund prospective costs, the annual contribution required of the State of New York will include a separate itemized charge equal to 1.0% of billable salary reported to the NYSLERS for the affected members, or approximately \$2.2 million beginning in fiscal year ending March 31, 2025. This permanent annual cost will increase as Tier 6 salary grows and will vary in subsequent billing cycles with changes in the billing rate.

These estimated costs are based on 2,207 affected members employed by New York State, with annual salary of approximately \$166 million as of March 31, 2023.

19 with the provisions of paragraph one of this subdivision, such deferred
20 vested benefit shall vest automatically.

21 (ii) In the case of a participant who is not a New York city revised

24 such discontinuance had not occurred or, in the case of a participant
25 who is a New York city revised plan member, such vested benefit shall
26 become payable at age sixty-three. Subject to the provisions of para-
27 graph seven of subdivision e of this section, such deferred vested bene-
28 fit shall be a retirement allowance consisting of an amount equal to two
29 percent of such discontinued member's final average salary, multiplied
30 by the number of years of credited service.

31 e. Additional member contributions. 1. In addition to the member
32 contributions required by section six hundred thirteen of this article,
33 each participant in the twenty-five year retirement program shall
34 contribute to the retirement system of which they are a member (subject
35 to the applicable provisions of subdivision d of section six hundred
36 thirteen of this article and subject to the limitation provided for in
37 paragraph two of this subdivision) an additional six and twenty-five
38 one-hundredths percent of their compensation earned from (i) all allow-
39 able service, as a participant in the twenty-five year retirement
40 program, rendered on or after the starting date of the twenty-five year
41 retirement program, and (ii) all allowable service after such person
42 ceases to be a participant, but before they again become a participant
43 pursuant to paragraph six of subdivision b of this section. The addi-
44 tional contributions required by this section shall be in lieu of addi-
45 tional member contributions required by subdivision d of section six
46 hundred four-c of this article, as added by chapter ninety-six of the
47 laws of nineteen hundred ninety-five, and no member making additional
48 contributions pursuant to this section shall be required to make
49 contributions pursuant to such subdivision d of section six hundred
50 four-c of this article. Notwithstanding the foregoing provisions of this
51 paragraph, the additional member contribution required to be paid by
52 each participant pursuant to this paragraph shall not exceed the
53 percentage of their compensation that, when added to the contribution
54 made pursuant to subdivision d of section six hundred thirteen of this
55 article, equals nine and twenty-five one-hundredths percent of that
56 compensation.

1 2. A participant in the twenty-five year retirement program shall
2 contribute additional member contributions until the later of (i) the
3 first anniversary of the starting date of the twenty-five year retire-
4 ment program, or (ii) the date on which they complete thirty years of
5 allowable service as a fire protection inspector member.

6 3. Commencing with the first full payroll period after each person
7 becomes a participant in the twenty-five year retirement program, addi-
8 tional member contributions at the rate specified in paragraph one of
9 this subdivision shall be deducted (subject to the applicable provisions
10 of subdivision d of section six hundred thirteen of this article) from
11 the compensation of such participant on each and every payroll of such
12 participant for each and every payroll period for which they are such a
13 participant.

14 4. (i) Each participant in the twenty-five year retirement program
15 shall be charged with a contribution deficiency consisting of the total
16 amounts of additional member contributions such person is required to
17 make pursuant to paragraphs one and two of this subdivision which are
18 not deducted from their compensation pursuant to paragraph three of this
19 subdivision, if any, together with interest thereon, compounded annual-
20 ly, and computed in accordance with the provisions of subparagraphs (ii)
21 and (iii) of this paragraph.

22 (ii) (A) The interest required to be paid on each such amount speci-
23 fied in subparagraph (i) of this paragraph shall accrue from the end of
24 the payroll period for which such amount would have been deducted from
25 compensation if they had been a participant at the beginning of that
26 payroll period and such deduction had been required for such payroll
27 period, until such amount is paid to the retirement system.

28 (B) The rate of interest to be applied to each such amount during the
29 period for which interest accrues on that amount shall be equal to the
30 rate or rates of interest required by law to be used during that same
31 period to credit interest on the accumulated deductions of retirement
32 system members.

33 (iii) Except as otherwise provided in paragraph five of this subdivi-
34 sion, no interest shall be due on any unpaid additional member contrib-
35 utions which are not attributable to a period prior to the first full
36 payroll period referred to in paragraph three of this subdivision.

37 5. (i) Should any person who, pursuant to subparagraph (ii) of para-
38 graph ten of this subdivision, has received a refund of their additional
39 member contribution including any interest paid on such contributions,
40 again become a participant in the twenty-five year retirement program
41 pursuant to paragraph six of subdivision b of this section, an appropri-
42 ate amount shall be included in such participant's contribution defi-
43 ciency (including interest thereon as calculated pursuant to subpara-
44 graph (ii) of this paragraph) for any credited service for which such
45 person received a refund of such additional member contributions
46 (including any amount of an unpaid loan balance deemed to have been
47 returned to such person pursuant to paragraph twelve of this subdivi-
48 sion), as if such additional member contributions never had been paid.

49 (ii)(A) Interest on a participant's additional member contributions
50 included in such participant's contribution deficiency pursuant to
51 subparagraph (i) of this paragraph shall be calculated as if such addi-
52 tional member contributions had never been paid by such participant, and
53 such interest shall accrue from the end of the payroll period to which
54 an amount of such additional member contributions is attributable, until
55 such amount is paid to the retirement system.

1 (B) The rate of interest to be applied to each such amount during the
2 period for which interest accrues on that amount shall be five percent
3 per annum, compounded annually.

4 6. Where a participant who is otherwise eligible for service retire-
5 ment pursuant to subdivision c of this section did not, prior to the
6 effective date of retirement, pay the entire amount of a contribution
7 deficiency chargeable to them pursuant to paragraphs four and five of
8 this subdivision, or repay the entire amount of a loan of their addi-
9 tional member contributions pursuant to paragraph eleven of this subdivi-
10 vision (including accrued interest on such loan), that participant,
11 nevertheless, shall be eligible to retire pursuant to subdivision c of
12 this section, provided, however, that such participant's service retire-
13 ment benefit calculated pursuant to paragraph two of such subdivision c
14 of this section shall be reduced by a life annuity (calculated in
15 accordance with the method set forth in subdivision i of section six
16 hundred thirteen-b of this article) which is actuarially equivalent to:

17 (i) the amount of any unpaid contribution deficiency chargeable to
18 such member pursuant to paragraphs four and five of this subdivision;
19 plus

20 (ii) the amount of any unpaid balance of a loan of their additional
21 member contributions pursuant to paragraph eleven of this subdivision
22 (including accrued interest on such loan).

23 7. Where a participant who is otherwise eligible for a vested right to
24 a deferred benefit pursuant to subdivision d of this section did not,
25 prior to the date of discontinuance of service, pay the entire amount of
26 a contribution deficiency chargeable to them pursuant to paragraphs four
27 and five of this subdivision, or repay the entire amount of a loan of
28 their additional member contributions pursuant to paragraph eleven of
29 this subdivision (including accrued interest on such loan), that partic-
30 ipant, nevertheless, shall have a vested right to a deferred benefit
31 pursuant to subdivision d of this section provided, however, that the
32 deferred vested benefit calculated pursuant to paragraph two of subdivi-
33 sion d of this section shall be reduced by a life annuity (calculated in
34 accordance with the method set forth in subdivision i of section six
35 hundred thirteen-b of this article) which is actuarially equivalent to:

36 (i) the amount of any unpaid contribution chargeable to such member
37 pursuant to paragraphs four and five of this subdivision; plus

38 (ii) the amount of any unpaid balance of a loan of their additional
39 member contributions pursuant to paragraph eleven of this subdivision
40 (including accrued interest on such a loan).

41 8. The head of a retirement system which includes participants in the
42 twenty-five year retirement program in its membership may, consistent
43 with the provisions of this subdivision, promulgate regulations for the
44 payment of such additional member contributions, and any interest there-
45 on, by such participants (including the deduction of such contributions,
46 and any interest thereon, from the participant's compensation).

47 9. Subject to the provisions of paragraphs six and seven of this
48 subdivision, where a participant has not paid in full any contribution
49 deficiency chargeable to them pursuant to paragraphs four and five of
50 this subdivision, and a benefit, other than a refund of member contrib-
51 utions pursuant to section six hundred thirteen of this article or a
52 refund of additional member contributions pursuant to subparagraph (ii)
53 of paragraph ten of this subdivision, becomes payable under this article
54 to the participant or to their designated beneficiary or estate, the
55 actuarial equivalent of any such unpaid amount shall be deducted from
56 the benefit otherwise payable.

10. (i) Such additional member contributions (and any interest thereon) shall be paid into the contingent reserve fund of the retirement system of which the participant is a member and shall not for any purpose be deemed to be member contributions or accumulated contributions of a member under section six hundred thirteen of this article or otherwise while they are a participant in the twenty-five year retirement program or otherwise.

(ii) Should a participant in the twenty-five year retirement program who has rendered less than fifteen years of credited service cease to hold a position as a fire protection inspector member for any reason whatsoever, their accumulated additional member contributions made pursuant to this subdivision (together with any interest thereon paid to the retirement system) may be withdrawn by them pursuant to procedures promulgated in regulations of the board of trustees of the retirement system, together with interest thereon at the rate of five percent per annum, compounded annually.

(iii) Notwithstanding any other provision of law to the contrary, (A) no person shall be permitted to withdraw from the retirement system any additional member contributions paid pursuant to this subdivision or any interest paid thereon, except pursuant to and in accordance with the preceding subparagraphs of this paragraph; and (B) no person, while they are a participant in the twenty-five year retirement program, shall be permitted to withdraw any such additional member contributions or any interest paid thereon pursuant to any of the preceding subparagraphs of this paragraph or otherwise.

11. A participant in the twenty-five year retirement program shall be permitted to borrow from their additional member contributions (including any interest paid thereon) which are credited to the additional contributions account established for such participant in the contingent reserve fund of the retirement system. The borrowing from such additional member contributions pursuant to this paragraph shall be governed by the rights, privileges, obligations, and procedures set forth in section six hundred thirteen-b of this article which govern the borrowing of member contributions made pursuant to section six hundred thirteen of this article. The board of trustees of the retirement system may, consistent with the provisions of this subdivision and the provisions of section six hundred thirteen-b of this article as made applicable to this subdivision, promulgate regulations governing the borrowing of such additional member contributions.

12. Whenever a person has an unpaid balance of a loan or their additional member contributions pursuant to paragraph eleven of this subdivision at the time they become entitled to a refund of their additional member contributions pursuant to subparagraph (ii) of paragraph ten of this subdivision, the amount of such unpaid loan balance (including accrued interest) shall be deemed to have been returned to such member, and the refund of such additional contributions shall be the net amount of such contribution, together with interest thereon in accordance with the provisions of such subparagraph (ii).

§ 2. Subdivision d of section 613 of the retirement and social security law is amended by adding a new paragraph 12 to read as follows:

12. (i) The city of New York shall, in the case of a fire protection inspector member (as defined in paragraph one of subdivision a of section six hundred four-j of this article) who is a participant in the twenty-five year retirement program (as defined in paragraph four of subdivision a of such section six hundred four-j), pick up and pay to the retirement system of which such participant is a member all addi-

1 tional member contributions which otherwise would be required to be
2 deducted from such member's compensation pursuant to paragraphs one and
3 two of subdivision e of such section six hundred four-j of this article
4 (not including any additional member contributions due for any period
5 prior to the first full payroll period referred to in such paragraph
6 three of such subdivision e), and shall effect such pick up in each and
7 every payroll of such participant for each and every payroll period with
8 respect to which such paragraph three would otherwise require such
9 deductions.

10 (ii) An amount equal to the amount of additional contributions picked
11 up pursuant to this paragraph shall be deducted by such employer from
12 the compensation of such member (as such compensation would be in the
13 absence of a pick up program applicable to them hereunder) and shall not
14 be paid to such member.

15 (iii) The additional member contributions picked up pursuant to this
16 paragraph for any such member shall be paid by such employer in lieu of
17 an equal amount of additional member contributions otherwise required to
18 be paid by such member under the applicable provisions of subdivision e
19 of section six hundred four-j of this article, and shall be deemed to be
20 and treated as employer contributions pursuant to section 414(h) of the
21 Internal Revenue Code.

22 (iv) For the purpose of determining the retirement system rights,
23 benefits, and privileges of any member whose additional member contrib-
24 utions are picked up pursuant to this paragraph, such picked up addi-
25 tional member contributions shall be deemed to be and treated as part of
26 such member's additional member contributions under the applicable
27 provisions of subdivision e of section six hundred four-j of this arti-
28 cle.

29 (v) With the exception of federal income tax treatment, the additional
30 member contributions picked up pursuant to subparagraph (i) of this
31 paragraph shall for all other purposes, including computation of retire-
32 ment benefits and contributions by employers and employees, be deemed
33 employee salary. Nothing contained in this subdivision shall be
34 construed as superseding the provisions of section four hundred thirty-
35 one of this chapter, or any similar provision of law which limits the
36 salary base for computing retirement benefits payable by a public
37 retirement system.

38 § 3. Subdivision a of section 603 of the retirement and social securi-
39 ty law, as amended by chapter 18 of the laws of 2012, is amended to read
40 as follows:

41 a. The service retirement benefit specified in section six hundred
42 four of this article shall be payable to members who have met the mini-
43 mum service requirements upon retirement and attainment of age sixty-
44 two, other than members who are eligible for early service retirement
45 pursuant to subdivision c of section six hundred four-b of this article,
46 subdivision c of section six hundred four-c of this article, subdivision
47 d of section six hundred four-d of this article, subdivision c of
48 section six hundred four-e of this article, subdivision c of section six
49 hundred four-f of this article, subdivision c of section six hundred
50 four-g of this article, subdivision c of section six hundred four-h of
51 this article [~~e~~] subdivision c of section six hundred four-i of this
52 article, or subdivision c of section six hundred four-j of this article,
53 provided, however, a member of a teachers' retirement system or the New
54 York state and local employees' retirement system who first joins such
55 system before January first, two thousand ten or a member who is a
56 uniformed court officer or peace officer employed by the unified court

1 system who first becomes a member of the New York state and local
2 employees' retirement system before April first, two thousand twelve may
3 retire without reduction of [~~his or her~~] their retirement benefit upon
4 attainment of at least fifty-five years of age and completion of thirty
5 or more years of service, provided, however, that a uniformed court
6 officer or peace officer employed by the unified court system who first
7 becomes a member of the New York state and local employees' retirement
8 system on or after January first, two thousand ten and retires without
9 reduction of [~~his or her~~] their retirement benefit upon attainment of at
10 least fifty-five years of age and completion of thirty or more years of
11 service pursuant to this section shall be required to make the member
12 contributions required by subdivision f of section six hundred thirteen
13 of this article for all years of credited and creditable service,
14 provided further that the [~~the~~] preceding provisions of this subdivision
15 shall not apply to a New York city revised plan member.

16 § 4. Nothing contained in sections two and three of this act shall be
17 construed to create any contractual right with respect to members to
18 whom such sections apply. The provisions of such sections are intended
19 to afford members the advantages of certain benefits contained in the
20 internal revenue code, and the effectiveness and existence of such
21 sections and benefits they confer are completely contingent thereon.

22 § 5. This act shall take effect immediately, provided, however that:

23 (a) The provisions of sections two and three of this act shall remain
24 in full force and effect only so long as, pursuant to federal law,
25 contributions picked up under such sections are not includable as gross
26 income of a member for federal income tax purposes until distributed or
27 made available to the member; provided that the New York city employees'
28 retirement system shall notify the legislative bill drafting commission
29 upon the occurrence of such a change in federal law ruling affecting the
30 provisions of this act in order that the commission may maintain an
31 accurate and timely effective data base of the official text of the laws
32 of the state of New York in furtherance of effectuating the provisions
33 of section 44 of the legislative law and section 70-b of the public
34 officers law;

35 (b) The amendments to subdivision a of section 603 of the retirement
36 and social security law made by section three of this act shall not
37 affect the expiration of such subdivision and shall be deemed to expire
38 therewith.

39 PART PP

40 Section 1. Section 212 of the retirement and social security law is
41 amended by adding a new subdivision 2-a to read as follows:

42 2-a. Notwithstanding the provisions of subdivision two of this
43 section, the earning limitations for retired persons in positions of
44 public service shall be increased to fifty thousand dollars from the
45 year two thousand twenty-four and thereafter.

46 § 2. This act shall take effect immediately.

FISCAL NOTE.--Pursuant to Legislative Law, Section 50:

This bill would allow a retired person of the New York State and Local Retirement System who returns to public employment with an annual salary of \$50,000 or less to continue to receive their full retirement benefit. Currently, the salary limit is \$35,000.

Insofar as this bill affects the New York State and Local Employees' Retirement System (NYSLERS), if this bill were enacted during the 2024 Legislative Session, the direct cost incurred would be the retiree's

pension benefit paid while post-retirement earnings are between \$35,000 and \$50,000 each calendar year. The pension benefit expected to be paid by the NYSLERS during that 2.5-month period is estimated to be \$9,000 per person.

In addition to the direct cost quoted above, there would be additional costs in the form of lost employer contributions due to non-billable post-retirement earnings, which is estimated to be \$2,250 per person.

In the NYSLERS, pursuant to Section 25 of the Retirement and Social Security Law, the increased costs would be borne entirely by the State of New York and would require an itemized appropriation sufficient to pay the cost of the provision. For each retiree rehired pursuant to this proposal, an annual cost of \$11,250 is expected.

Insofar as this bill affects the New York State and Local Police and Fire Retirement System (NYSLPFRS), if this bill were enacted during the 2024 Legislative Session, the direct cost incurred would be the retiree's pension benefit paid while post-retirement earnings are between \$35,000 and \$50,000 each calendar year. The pension benefit expected to be paid by the NYSLPFRS during that 1-month period is estimated to be \$7,500 per person.

In addition to the direct cost quoted above, there would be additional costs in the form of lost employer contributions due to non-billable post-retirement earnings, which is estimated to be \$4,500 per person.

In the NYSLPFRS, all costs will be shared by the State of New York and all participating employers in the NYSLPFRS and spread over future billing cycles. For each retiree rehired pursuant to this proposal, an annual cost of \$12,000 is expected.

In addition to the direct costs quoted above, insofar as this proposal disrupts the usual pattern and timing of employee turnover (that is, if members retire earlier than assumed and participating employers hire a retiree instead of a new billable member), shifts in member behavior could generate losses that increase the average billing rate in 20-year and 25-year service-based plans from 31.2% to 40.8%. In age-based plans, average billing rates could increase from 15.2% to 18.7%. The actual increase in billing rates will depend upon member and employer utilization, with the rates above representing an upper maximum.

Since this proposal exclusively benefits retirees, the increased costs are primarily attributable to retirees from Tiers 1 -- 3. Approximately half the contributions required to fund this proposal will be collected on salary reported for current members of Tier 6.

1 PART QQ

2 Section 1. Section 3 of part HH of chapter 56 of the laws of 2022
3 amending the retirement and social security law relating to waiving
4 approval and income limitations on retirees employed in school districts
5 and board of cooperative educational services, as amended by section 1
6 of part V of chapter 55 of the laws of 2023, is amended to read as
7 follows:

8 § 3. This act shall take effect immediately and shall expire and be
9 deemed repealed June 30, [~~2024~~] 2025.

10 § 2. This act shall take effect immediately.

FISCAL NOTE.--Pursuant to Legislative Law, Section 50:

This bill would allow retirees employed by a New York State school district or by the board of cooperative educational services (BOCES) to collect a salary without suspension or diminution of their pension benefit through June 30, 2025.

Pursuant to Section 25 of the Retirement and Social Security Law, the increased costs would be borne entirely by the State of New York and would require an itemized appropriation sufficient to pay the cost of the provision.

Insofar as this bill affects the New York State and Local Employees' Retirement System (NYSLERS), if this bill were enacted during the 2024 Legislative Session, the direct cost incurred would be the retiree's pension benefit paid while post-retirement earnings are above \$35,000 each calendar year. The pension benefit expected to be paid by the NYSLERS during that 6-month period is estimated to be \$22,000 per person.

In addition to the direct cost quoted above, there would be additional costs in the form of lost employer contributions due to non-billable post-retirement earnings, which is estimated to be \$5,500 per person.

In the NYSLERS, this benefit improvement will be funded by including a separate itemized charge on the New York State annual invoice, equal to the costs quoted above, plus interest.

The number of members and retirees who could be affected by this legislation cannot be readily determined. For each retiree hired pursuant to this proposal, an annual cost of \$27,500 is expected.

20 Section 1. The retirement and social security law is amended by adding

23 retirement plan. a. Membership. Every non-seasonally appointed sworn
24 member or officer of the division of law enforcement in the department
25 of environmental conservation, a forest ranger in the service of the
26 department of environmental conservation, which shall mean a person who
27 serves on a full-time basis in the title of forest ranger I, forest

31 environmental conservation, a police officer in the department of envi-
32 ronmental conservation, the regional state park police, and university
33 police officers who enter or re-enter service in any such title shall be
34 covered by the provisions of this section, and every member described in
35 this subdivision in such service on or before one year prior to the
36 effective date of this section may elect to be covered by the provisions
37 of this section by filing an election therefor with the comptroller. To
38 be effective, such election must be duly executed and acknowledged on a
39 form prepared by the comptroller for that purpose.

40 b. Retirement allowance. A member, covered by the provisions of this
41 section at the time of retirement, shall be entitled to retire upon
42 completion of twenty years of total creditable service in such titles,
43 and shall retire upon the attainment of the mandatory retirement age
44 prescribed by this section, by filing an application therefor in a
45 manner similar to that provided in section three hundred seventy of this
46 article.

47 1. Upon completion of twenty years of such service and upon retire-
48 ment, each such member shall receive a pension which, together with an
49 annuity for such years of service as provided in paragraph four of this
50 subdivision, shall be sufficient to provide him or her with a retirement
51 allowance of one-half of his or her final average salary.

52 2. Upon completion of more than twenty years of such service and upon
53 retirement, each such member shall receive, for each year of service in
54 excess of twenty, an additional pension which, together with an annuity

1 for each such year as provided in paragraph four of this subdivision,
2 shall be equal to one-sixtieth of his or her final average salary,
3 provided, however, that the pension payable pursuant to this section
4 shall not exceed three-quarters of final average salary.

5 3. Upon attainment of the mandatory retirement age without completion
6 of twenty years of such service, each such member shall receive a

19 ment, of the member's accumulated contributions based upon the rate of
20 contribution fixed under section three hundred eighty-three of this
21 title and upon the salaries earned while in such service. Such annuity
22 shall be computed as it would be if it were not reduced by the actuarial
23 equivalent of any outstanding loan nor by reason of the member's
24 election to decrease his or her contributions toward retirement in order
25 to apply the resulting amount toward payment of contributions for old
26 age and survivor's insurance. Any accumulated contributions in excess of
27 the amount required to provide the annuity computed pursuant to this
28 paragraph shall be used to increase the member's retirement allowance.

29 c. Credit for previous service. In computing the years of total cred-

36 capital police force in the office of general services while a member of
37 the New York state and local police and fire retirement system, of the
38 New York state and local employees' retirement system or of the New York
39 city police pension fund and for all service for which full credit has
40 been given and full allowance made pursuant to the provisions of section
41 three hundred seventy-five-h of this article provided, however, that
42 full credit pursuant to the provisions of such section shall mean only
43 such service as would be creditable service pursuant to the provisions
44 of section three hundred eighty-three, three hundred eighty-three-a,
45 three hundred eighty-three-b, as added by chapter six hundred seventy-

49 hundred eighty-three-d of this title or pursuant to the provisions of
50 title thirteen of the administrative code of the city of New York for
51 any member contributing pursuant to this section who transferred to the
52 jurisdiction of the department of environmental conservation including
53 but not limited to environmental conservation officers and forest
54 rangers, regional state park police or state university of New York
55 peace officers.

d. Retirement for cause. Upon receipt of a certificate from the head of the entity where such member is employed or his or her designee, a member as described in subdivision a of this section, who has accrued twenty-five or more years of service credit under this section shall be retired on the first day of the second month next succeeding the date such certificate was filed with the comptroller.

e. Credit for military service. In computing the years of total creditable service full credit shall be given and full allowance shall be made for service of such member in war after world war I as defined in section three hundred two of this article, provided such member at the time of his or her entrance into the armed forces was in police service as defined in subdivision eleven of section three hundred two of this article.

f. Transfer of membership to employees' retirement system. Any member currently enrolled pursuant to this section and who previously transferred service credit from the New York state and local employees' retirement system to the New York state and local police and fire retirement system, may elect to transfer such previously transferred service credit back to the New York state and local employees' retirement system, and such member shall have the option to retroactively transfer his or her membership into such employees' retirement system.

g. The provisions of this section shall be controlling, notwithstanding any provision of this article to the contrary.

§ 2. All past service costs associated with implementing the provisions of this act shall be borne by the state of New York and may be amortized over a period of ten years.

§ 3. This act shall take effect on the sixtieth day after it shall have become a law.

FISCAL NOTE.--Pursuant to Legislative Law, Section 50:

This bill would allow any non-seasonally appointed sworn member or officer of the division of law enforcement, police officer, or forest ranger in the department of environmental conservation; any regional state park police officer; or any university police officer to become covered by the provisions of a special 20-year retirement plan, which will provide a benefit of one-half of final average salary upon retirement and an additional benefit of one-sixtieth of final average salary for each year of creditable service in excess of 20 years, not to exceed 12 years.

If this bill is enacted during the 2024 Legislative Session, we anticipate that there will be an increase of approximately \$6.6 million in the annual contributions of the State of New York for the fiscal year ending March 31, 2025. In future years this cost will vary but is expected to average 3.9% of salary annually.

In addition to the annual contributions discussed above, there will be an immediate past service cost of approximately \$70.3 million which will be borne by the State of New York as a one-time payment. This estimate assumes that payment will be made on March 1, 2025. If the State of New York elects to amortize this cost over a 10-year period, the cost for each year including interest would be \$8.98 million.

These estimated costs are based on 1,228 affected members employed by the State of New York, with annual salary of approximately \$131 million as of March 31, 2023.

12 lative law, as amended by chapter 1 of the laws of 2005, is amended to
13 read as follows:

14 (4) Such biennial filings shall be completed on or before January
15 first of the first year of a biennial cycle commencing in calendar year
16 two thousand five and thereafter, by those persons who have been
17 retained, employed or designated as lobbyist on or before December
18 fifteenth of the previous calendar year and who reasonably anticipate
19 that in the coming year they will expend, incur or receive combined
20 reportable compensation and expenses in an amount in excess of two thou-
21 sand dollars in years prior to calendar year two thousand six and five
22 thousand dollars commencing in two thousand six or, where such lobbyist
23 is qualified as an exempt organization or entity by the United States
24 department of the treasury under section 501(c)(3) of the internal
25 revenue code, ten thousand dollars commencing in two thousand twenty-
26 five; for those lobbyists retained, employed or designated after the
27 previous December fifteenth, and for those lobbyists who subsequent to
28 their retainer, employment or designation reasonably anticipate combined
29 reportable compensation and expenses in excess of such amount, such
30 filing must be completed within fifteen days thereafter, but in no event
31 later than ten days after the actual incurring or receiving of such
32 reportable compensation and expenses.

33 § 2. Paragraphs (iii) and (iv) of subdivision (e) of section 1-e of
34 the legislative law, as amended by section 1 of part S of chapter 62 of
35 the laws of 2003, are amended to read as follows:

36 (iii) The first statement of registration filed biennially by each
37 lobbyist for the first biennial registration requirements for calendar
38 years between two thousand five and two thousand ~~[six and thereafter]~~
39 twenty-four, shall be accompanied by a registration fee of two hundred
40 dollars except that no registration fee shall be required from any
41 lobbyist who in any year does not expend, incur or receive an amount in
42 excess of five thousand dollars of reportable compensation and expenses,
43 as provided in paragraph five of subdivision (b) of section one-h of
44 this article, for the purposes of lobbying or of a public corporation. A
45 fee of two hundred dollars shall be required for any subsequent state-
46 ment of registration filed by a lobbyist during the same biennial peri-
47 od; (iv) The first statement of registration filed biennially by each
48 lobbyist for the first biennial registration requirements for calendar
49 year two thousand twenty-five and thereafter, shall be accompanied by a
50 registration fee of two hundred dollars except that no registration fee
51 shall be required from any lobbyist who is qualified as an exempt organ-
52 ization or entity by the United States department of the treasury under
53 section 501(c)(3) of the internal revenue code and in any year does not
54 expend, incur or receive an amount in excess of ten thousand dollars of

reportable compensation and expenses, as provided in paragraph five of subdivision (b) of section one-h of this article, for the purposes of lobbying or of a public corporation. A fee of two hundred dollars shall be required for any subsequent statement of registration filed by a lobbyist during the same biennial period; (v) The statement of registration filed after the due date of a biennial registration shall be accompanied by a registration fee that is prorated to one hundred dollars for any registration filed after January first of the second calendar year covered by the biennial reporting requirement. In addition to the fees authorized by this section, the commission may impose a fee for late filing of a registration statement required by this section not to exceed twenty-five dollars for each day that the statement required to be filed is late, except that if the lobbyist making a late filing has not previously been required by statute to file such a statement, the fee for late filing shall not exceed ten dollars for each day that the statement required to be filed is late.

§ 3. Subdivision (a) of section 1-h of the legislative law, as amended by chapter 14 of the laws of 2007, is amended to read as follows:

(a) Any lobbyist required to file a statement of registration pursuant to section one-e of this article who in any lobbying year reasonably anticipates that during the year such lobbyist will expend, incur or receive combined reportable compensation and expenses in an amount in excess of [~~five~~] ten thousand dollars, or ten thousand dollars where such lobbyist is qualified as an exempt organization or entity by the United States department of the treasury under section 501(c)(3) of the internal revenue code as provided in paragraph five of subdivision (b) of this section, for the purpose of lobbying, shall file with the commission a bi-monthly written report, on forms supplied by the commission, by the fifteenth day next succeeding the end of the reporting period in which the lobbyist was first required to file a statement of registration. Such reporting periods shall be the period of January first to the last day of February, March first to April thirtieth, May first to June thirtieth, July first to August thirty-first, September first to October thirty-first and November first to December thirty-first.

§ 4. Subdivision (a) of section 1-j of the legislative law, as amended by chapter 14 of the laws of 2007, is amended to read as follows:

(a) Semi-annual reports shall be filed by any client retaining, employing or designating a lobbyist or lobbyists, whether or not any such lobbyist was required to file a bi-monthly report, if such client reasonably anticipates that during the year such client will expend or incur an amount in excess of five thousand dollars, or ten thousand dollars where such lobbyist is qualified as an exempt organization or entity by the United States department of the treasury under section 501(c)(3) of the internal revenue code of combined reportable compensation and expenses, as provided in paragraph five of subdivision [~~(e)~~] (b) of this section, for the purposes of lobbying.

§ 5. This act shall take effect on the sixtieth day after it shall have become a law.

PART AAA

for visitors to correctional facilities on a regular basis, but no less than bimonthly, at no cost to visitors. Transportation shall be provided from the city of New York, Rochester, Syracuse, Buffalo and Albany to correctional facilities, as determined by the commissioner. PART BBB

Section 1. The criminal procedure law is amended by adding two new sections 440.00 and 440.11 to read as follows:

§ 440.00 Definition.

As used in this article, the term "applicant" means a person previously convicted of a crime who is applying for relief under this article.

§ 440.11 Motion to vacate judgment; change in the law.

1. At any time after the entry of a judgment obtained at trial or by plea, the court in which it was entered may, upon motion of the applicant, vacate such conviction upon the ground that the applicant was convicted of any offense in the state of New York which has been subsequently decriminalized and is thus a legal nullity.

2. If the court grants a motion under this section, it shall vacate the conviction on the merits, dismiss the accusatory instrument, seal the conviction, and may take such additional action as is appropriate in the circumstances.

§ 2. Section 440.10 of the criminal procedure law, paragraph (g-1) of subdivision 1 as added by chapter 19 of the laws of 2012, paragraph (h) of subdivision 1, paragraph (a) of subdivision 3 and subdivision 4 as amended and subdivisions 7 and 8 as renumbered by chapter 332 of the laws of 2010, paragraph (i) of subdivision 1 and subdivision 6 as amended by chapter 629 of the laws of 2021, paragraph (j) of subdivision 1 as amended by chapter 131 of the laws of 2019, paragraph (k) of subdivision 1 as amended by chapter 92 of the laws of 2021, paragraphs (b) and (c) of subdivision 2 as amended by chapter 501 of the laws of 2021, and subdivision 9 as added by section 4 of part 00 of chapter 55 of the laws of 2019, is amended to read as follows:

§ 440.10 Motion to vacate judgment.

1. At any time after the entry of a judgment obtained at trial or by plea, the court in which it was entered may, upon motion of the [~~defendant~~] applicant, vacate such judgment upon the ground that:

(a) The court did not have jurisdiction of the action or of the person of the [~~defendant~~] applicant; or

(b) The judgment was procured by duress, misrepresentation or fraud on the part of the court or a prosecutor or a person acting for or in behalf of a court or a prosecutor; or

(c) [~~Material evidence adduced at a trial~~] Evidence that was likely relied upon by a fact finder resulting in the judgment at trial or that was likely relied upon by any party as a basis for a plea agreement was false [~~and was, prior to the entry of the judgment, known by the prosecutor or by the court to be false~~]; or

(d) [~~Material evidence adduced by the people at a trial~~] Evidence that was likely relied upon by a fact finder resulting in the judgment at

1 trial or that was likely relied upon by any party as a basis for a plea
2 agreement was procured in violation of the [~~defendant's~~] applicant's
3 rights under the constitution of this state or of the United States; or

4 (e) During the proceedings resulting in the judgment, the [~~defendant~~]
5 applicant, by reason of mental disease or defect, was incapable of
6 understanding or participating in such proceedings; or

7 (f) Improper [~~and-prejudicial~~] conduct not appearing in the record
8 occurred during a trial resulting in the judgment which conduct, if it
9 had appeared in the record, would have [~~required~~] made possible a
10 reversal of the judgment upon an appeal therefrom; or

11 (g) New evidence has been discovered [~~since the entry of a judgment~~
12 ~~based upon a verdict of guilty after trial, which could not have been~~
13 ~~produced by the defendant at the trial even with due diligence on his~~
14 ~~part and which~~] or become available that, when viewed alone or with
15 other evidence, is of such character as to create a reasonable probabil-
16 ity that had such evidence been received at the trial or discovered
17 prior to trial or plea agreement that the verdict or plea would have
18 been more favorable to the [~~defendant, provided that a motion based upon~~
19 ~~such ground must be made with due diligence after the discovery of such~~
20 ~~alleged new evidence~~] applicant. Types of new evidence shall include,
21 but not be limited to newly available forensic evidence or evidence that
22 has either been repudiated by the expert who originally provided the
23 opinion at a hearing or trial or that has been undermined by later
24 scientific research or technological advances; or

25 (g-1) [~~Forensic DNA~~] In cases involving the forensic testing of
26 evidence performed since the entry of a judgment, [~~(1) in the case of a~~
27 ~~defendant convicted after a guilty plea, the court has determined that~~
28 ~~the defendant has demonstrated a substantial probability that the~~
29 ~~defendant was actually innocent of the offense of which he or she was~~
30 ~~convicted, or (2) in the case of a defendant convicted after a trial,~~]
31 the court has determined that there exists a reasonable probability that
32 the verdict or plea offer would have been more favorable to the [~~defend-~~
33 ~~ant~~] applicant, or the applicant would have rejected the plea offer.

34 (h) The judgment was obtained in violation of a right of the [~~defend-~~
35 ~~ant~~] applicant under the constitution of this state or of the United
36 States, including, but not limited to, a judgment entered, whether upon
37 trial or guilty plea, against an applicant who is actually innocent. An
38 applicant is actually innocent where the applicant proves by a prepon-
39 derance of the evidence that no reasonable jury of the applicant's peers
40 would have found the applicant guilty beyond a reasonable doubt; or

41 (i) The judgment is a conviction where the [~~defendant's~~] applicant's
42 participation in the offense was a result of having been a victim of sex
43 trafficking under section 230.34 of the penal law, sex trafficking of a
44 child under section 230.34-a of the penal law, labor trafficking under
45 section 135.35 of the penal law, aggravated labor trafficking under
46 section 135.37 of the penal law, compelling prostitution under section
47 230.33 of the penal law, or trafficking in persons under the Trafficking
48 Victims Protection Act (United States Code, title 22, chapter 78);
49 provided that

50 (i) official documentation of the [~~defendant's~~] applicant's status as
51 a victim of sex trafficking, labor trafficking, aggravated labor traf-
52 ficking, compelling prostitution, or trafficking in persons at the time
53 of the offense from a federal, state or local government agency shall
54 create a presumption that the [~~defendant's~~] applicant's participation in
55 the offense was a result of having been a victim of sex trafficking,
56 labor trafficking, aggravated labor trafficking, compelling prostitution

1 or trafficking in persons, but shall not be required for granting a
2 motion under this paragraph;

3 (ii) a motion under this paragraph, and all pertinent papers and docu-
4 ments, shall be confidential and may not be made available to any person
5 or public or private ~~[entity]~~ agency except ~~[where]~~ when specifically
6 authorized by the court; and

7 (iii) when a motion is filed under this paragraph, the court may, upon
8 the consent of the petitioner and all of the involved state ~~[and]~~ or
9 local prosecutorial agencies ~~[that prosecuted each matter]~~, consolidate
10 into one proceeding a motion to vacate judgments imposed by distinct or
11 multiple criminal courts; or

12 (j) The judgment is a conviction for ~~[a class A or unclassified]~~ any
13 misdemeanor entered prior to the effective date of this paragraph and
14 satisfies the ground prescribed in paragraph (h) of this subdivision.
15 There shall be a rebuttable presumption that a conviction by plea to
16 such an offense was not knowing, voluntary and intelligent, based on
17 ongoing collateral consequences, including potential or actual immi-
18 gration consequences, and there shall be a rebuttable presumption that a
19 conviction by verdict constitutes cruel and unusual punishment under
20 section five of article one of the state constitution based on such
21 consequences; or

22 (k) The judgment occurred prior to the effective date of the laws of
23 two thousand ~~[twenty-one]~~ twenty-three that amended this paragraph and
24 is a conviction for an offense as defined in ~~[subparagraphs]~~ subpara-
25 graph (i), (ii), (iii) or (iv) of paragraph (k) of subdivision three of
26 section 160.50 of this part, or a misdemeanor under the former article
27 two hundred twenty-one of the penal law, in which case the court shall
28 presume that a conviction by plea for the aforementioned offenses was
29 not knowing, voluntary and intelligent if it has severe or ongoing
30 consequences, including but not limited to potential or actual immi-
31 gration consequences, and shall presume that a conviction by verdict for
32 the aforementioned offenses constitutes cruel and unusual punishment
33 under section five of article one of the state constitution, based on
34 those consequences. The people may rebut these presumptions~~[-]~~; or

35 (1) Any offense in the state of New York that an intermediate appel-
36 late court, court of appeals, or United States federal court with juris-
37 isdiction over New York state law issues has deemed in violation of the
38 constitution of this state or of the United States, or any other right
39 under state or federal law.

40 2. Notwithstanding the provisions of subdivision one, the court ~~[must]~~
41 may deny a motion to vacate a judgment when:

42 (a) The ground or issue raised upon the motion was previously deter-
43 mined on the merits upon an appeal from the judgment, unless since the
44 time of such appellate determination there has been a retroactively
45 effective change in the law controlling such issue. However, if all of
46 the evidence currently before the court was not duly considered previ-
47 ously by the court, the court shall grant the motion or order the hear-
48 ing; or

49 (b) The judgment is, at the time of the motion, appealable or pending
50 on appeal, and sufficient facts appear on the record with respect to the
51 ground or issue raised upon the motion to permit adequate review thereof
52 upon such an appeal unless the issue raised upon such motion is ineffec-
53 tive assistance of counsel. This paragraph shall not apply to a motion
54 under paragraph (i), (j), (k) or (l) of subdivision one of this section;
55 or

(c) ~~[Although sufficient facts appear on the record of the proceedings underlying the judgment to have permitted, upon appeal from such judgment, adequate review of the ground or issue raised upon the motion, no such appellate review or determination occurred owing to the defendant's unjustifiable failure to take or perfect an appeal during the prescribed period or to his or her unjustifiable failure to raise such ground or issue upon an appeal actually perfected by him or her unless the issue raised upon such motion is ineffective assistance of counsel, or~~

~~(d)]~~ The ground or issue raised relates solely to the validity of the sentence and not to the validity of the conviction. In such case, the court shall deem the motion to have been made pursuant to section 440.20 of this article.

~~[3. Notwithstanding the provisions of subdivision one, the court may deny a motion to vacate a judgment when:~~

~~(a) Although facts in support of the ground or issue raised upon the motion could with due diligence by the defendant have readily been made to appear on the record in a manner providing adequate basis for review of such ground or issue upon an appeal from the judgment, the defendant unjustifiably failed to adduce such matter prior to sentence and the ground or issue in question was not subsequently determined upon appeal. This paragraph does not apply to a motion based upon deprivation of the right to counsel at the trial or upon failure of the trial court to advise the defendant of such right, or to a motion under paragraph (i) of subdivision one of this section; or~~

~~(b) The ground or issue raised upon the motion was previously determined on the merits upon a prior motion or proceeding in a court of this state, other than an appeal from the judgment, or upon a motion or proceeding in a federal court, unless since the time of such determination there has been a retroactively effective change in the law controlling such issue; or~~

~~(c) Upon a previous motion made pursuant to this section, the defendant was in a position adequately to raise the ground or issue underlying the present motion but did not do so.]~~

(d) Although the court may deny the motion under any of the circumstances specified in this subdivision, in the interest of justice and for good cause shown it may in its discretion grant the motion if it is otherwise meritorious and vacate the judgment.

~~[4.]~~ 3. If the court grants the motion, it must, except as provided in subdivision ~~[five]~~ four or ~~[six]~~ five of this section, vacate the judgment, and must either:

(a) dismiss and seal the accusatory instrument, or

(b) order a new trial, or

(c) take such other action as is appropriate in the circumstances.

~~[5.]~~ 4. Upon granting the motion upon the ground, as prescribed in paragraph (g) of subdivision one, that newly discovered evidence creates a probability that had such evidence been received at the trial the verdict would have been more favorable to the ~~[defendant]~~ applicant in that the conviction would have been for a lesser offense than the one contained in the verdict, the court may either:

(a) Vacate the judgment and order a new trial; or

(b) With the consent of the people, modify the judgment by reducing it to one of conviction for such lesser offense. In such case, the court must re-sentence the ~~[defendant]~~ applicant accordingly.

~~[6.]~~ 5. If the court grants a motion under ~~[paragraph (i) or]~~ paragraph ~~[(k)]~~ (h), (i), (j), (k) or (l) of subdivision one of this section, it must vacate the judgment ~~[and]~~ on the merits, dismiss the

1 accusatory instrument, seal the judgment, and may take such additional
2 action as is appropriate in the circumstances. [~~In the case of a motion~~
3 ~~granted under paragraph (i) of subdivision one of this section, the~~
4 ~~court must vacate the judgment on the merits because the defendant's~~
5 ~~participation in the offense was a result of having been a victim of~~
6 ~~trafficking.~~

7 ~~7.~~ 6. Upon a new trial resulting from an order vacating a judgment
8 pursuant to this section, the indictment is deemed to contain all the
9 counts and to charge all the offenses which it contained and charged at
10 the time the previous trial was commenced, regardless of whether any
11 count was dismissed by the court in the course of such trial, except (a)
12 those upon or of which the [~~defendant~~] applicant was acquitted or deemed
13 to have been acquitted, and (b) those dismissed by the order vacating
14 the judgment, and (c) those previously dismissed by an appellate court
15 upon an appeal from the judgment, or by any court upon a previous post-
16 judgment motion.

17 [~~8.~~] 7. Upon an order which vacates a judgment based upon a plea of
18 guilty to an accusatory instrument or a part thereof, but which does not
19 dismiss the entire accusatory instrument, the criminal action is, in the
20 absence of an express direction to the contrary, restored to its
21 [~~prepleading~~] pre-pleading status and the accusatory instrument is
22 deemed to contain all the counts and to charge all the offenses which it
23 contained and charged at the time of the entry of the plea, except those
24 subsequently dismissed under circumstances specified in paragraphs (b)
25 and (c) of subdivision six. Where the plea of guilty was entered and
26 accepted, pursuant to subdivision three of section 220.30, upon the
27 condition that it constituted a complete disposition not only of the
28 accusatory instrument underlying the judgment vacated but also of one or
29 more other accusatory instruments against the [~~defendant~~] applicant then
30 pending in the same court, the order of vacation completely restores
31 such other accusatory instruments; and such is the case even though such
32 order dismisses the main accusatory instrument underlying the judgment.

33 [~~9.~~] 8. Upon granting of a motion pursuant to paragraph (j) of subdivi-
34 sion one of this section, the court may either:

35 (a) With the consent of the people, vacate the judgment or modify the
36 judgment by reducing it to one of conviction for a lesser offense; or

37 (b) Vacate the judgment and order a new trial wherein the [~~defendant~~]
38 applicant enters a plea to the same offense in order to permit the court
39 to resentence the [~~defendant~~] applicant in accordance with the amendato-
40 ry provisions of subdivision one-a of section 70.15 of the penal law.

41 § 3. Section 440.20 of the criminal procedure law, subdivision 1 as
42 amended by chapter 1 of the laws of 1995, is amended to read as follows:
43 § 440.20 Motion to set aside sentence; by [~~defendant~~] applicant.

44 1. At any time after the entry of a judgment, the court in which the
45 judgment was entered may, upon motion of the [~~defendant~~] applicant, set
46 aside the sentence upon the ground that it was unauthorized, illegally
47 imposed, exceeded the maximum allowed by law, obtained or imposed in
48 violation of the defendant's constitutional rights, or was otherwise
49 invalid as a matter of law. Where the judgment includes a sentence of
50 death, the court may also set aside the sentence upon any of the grounds
51 set forth in paragraph (b), (c), (f), (g) or (h) of subdivision one of
52 section 440.10 as applied to a separate sentencing proceeding under
53 section 400.27, provided, however, that to the extent the ground or
54 grounds asserted include one or more of the aforesaid paragraphs of
55 subdivision one of section 440.10, the court must also apply [~~subdivi-~~
56 ~~sions~~] subdivision two [~~and three~~] of section 440.10, other than para-

graph [~~(d)~~] (c) of [~~subdivision two of~~] such [~~section~~] subdivision, in determining the motion. In the event the court enters an order granting a motion to set aside a sentence of death under this section, the court must either direct a new sentencing proceeding in accordance with section 400.27 or, to the extent that the defendant cannot be resentenced to death consistent with the laws of this state or the constitution of this state or of the United States, resentence the defendant to life imprisonment without parole or to a sentence of imprisonment for the class A-I felony of murder in the first degree other than a sentence of life imprisonment without parole. Upon granting the motion upon any of the grounds set forth in the aforesaid paragraphs of subdivision one of section 440.10 and setting aside the sentence, the court must afford the people a reasonable period of time, which shall not be less than ten days, to determine whether to take an appeal from the order setting aside the sentence of death. The taking of an appeal by the people stays the effectiveness of that portion of the court's order that directs a new sentencing proceeding.

2. Notwithstanding the provisions of subdivision one, the court [~~must~~] may deny such a motion when the ground or issue raised thereupon was previously determined on the merits upon an appeal from the judgment or sentence, unless since the time of such appellate determination there has been a retroactively effective change in the law controlling such issue. However, if all of the evidence currently before the court was not duly considered previously by the court, the court shall not deny the motion to vacate and instead shall order a hearing or grant the motion. Even if the court has already considered all of the evidence currently before the court, the court in the interest of justice and for good cause shown may grant the motion if it is otherwise meritorious.

3. [~~Notwithstanding the provisions of subdivision one, the court may deny such a motion when the ground or issue raised thereupon was previously determined on the merits upon a prior motion or proceeding in a court of this state, other than an appeal from the judgment, or upon a prior motion or proceeding in a federal court, unless since the time of such determination there has been a retroactively effective change in the law controlling such issue. Despite such determination, however, the court in the interest of justice and for good cause shown, may in its discretion grant the motion if it is otherwise meritorious.~~]

4.] An order setting aside a sentence pursuant to this section does not affect the validity or status of the underlying conviction, and after entering such an order the court must resentence the [~~defendant~~] applicant in accordance with the law.

§ 4. Section 440.30 of the criminal procedure law, subdivisions 1 and 1-a as amended by chapter 19 of the laws of 2012 and the opening paragraph of paragraph (b) of subdivision 1 as amended by section 10 of part LLL of chapter 59 of the laws of 2019, is amended to read as follows:

§ 440.30 Motion to vacate judgment and to set aside sentence; procedure.

1. [~~(a) A~~] An application for assignment of counsel for a motion to vacate a judgment pursuant to section 440.10 or 440.11 of this article and a motion to set aside a sentence pursuant to section 440.20 of this article must be made in writing by a pro se applicant to the judge or justice who imposed the original sentence and upon reasonable notice to the people. [~~Upon the motion, a defendant~~]

(a) The court shall assign defense counsel in cases where there is a colorable claim of relief according to this article, in accordance with section seven hundred twenty-two of the county law. For the purpose of this section, a colorable claim is a claim that, taking the facts

1 alleged in the application as true and viewed in a light most favorable
2 to the applicant, would entitle the applicant to relief.

3 (b) If the judge decides not to assign counsel, they shall state the
4 reasons for denying the request for assignment of counsel in writing.

5 (c) If, at the time of such applicant's request for assignment of
6 counsel, the original sentencing judge or justice no longer works in the
7 court in which the original sentence was imposed, then the request shall
8 be randomly assigned to another judge or justice of the court in which
9 the original sentence was imposed.

10 (d) Applicants already represented by counsel, either appointed pursu-
11 ant to section seven hundred twenty-two of the county law or otherwise
12 retained, are not required to file an application for assignment of
13 counsel.

14 2. Upon the request of the applicant or the applicant's defense coun-
15 sel, the court shall order:

16 (a) The people to make available a copy of its file of the case,
17 including any physical evidence in the people's possession and grand
18 jury minutes;

19 (b) The applicant's prior trial and appellate defense counsel to make
20 available their complete files relating to the case;

21 (c) Court clerks and probation departments to make available the court
22 files or probation records relating to the case; and

23 (d) Any law enforcement agency involved with the case to turn over its
24 files of the case, including police reports, witness statements,
25 evidence vouchers, or any other relevant records or evidence at its
26 disposal.

27 (e) The court shall further ensure that any disclosure of evidence or
28 property ordered pursuant to this subdivision may be subject to a
29 protective order as defined in section 245.70 of this part, where appro-
30 priate.

31 (f) Nothing in this section shall preclude the court from conducting
32 an in camera inspection of evidence and issuing a protective order
33 pursuant to section 245.70 of this part at the request of the prose-
34 cution or defense.

35 3. (a) An applicant who is in a position adequately to raise more than
36 one ground should raise every such ground upon which ~~[he or she]~~ the
37 applicant intends to challenge the judgment or sentence. If the motion
38 is based upon the existence or occurrence of facts, the motion papers
39 ~~[must]~~ may contain sworn allegations thereof, whether by the ~~[defendant]~~
40 applicant or by another person or persons. Such sworn allegations may be
41 based upon personal knowledge of the affiant or upon information and
42 belief, provided that in the latter event the affiant must state the
43 sources of such information and the grounds of such belief. The ~~[defend-~~
44 ~~ant]~~ applicant may further submit documentary evidence or information
45 supporting or tending to support the allegations of the moving papers.

46 (b) The people may file with the court, and in such case must serve a
47 copy thereof upon the ~~[defendant]~~ applicant or ~~[his or her]~~ the appli-
48 cant's counsel, if any, an answer denying or admitting any or all of the
49 allegations of the motion papers, and may further submit documentary
50 evidence or information refuting or tending to refute such allegations.

51 (c) After all papers of both parties have been filed, and after all
52 documentary evidence or information, if any, has been submitted, the
53 court must consider the same for the purpose of ascertaining whether the
54 motion is determinable without a hearing to resolve questions of fact.

55 ~~[(b) In conjunction with the filing or consideration of a motion to~~
56 ~~vacate a judgment pursuant to section 440.10 of this article by a~~

~~defendant convicted after a trial, in cases where the court has ordered an evidentiary hearing upon such motion, the court may order that the people produce or make available for inspection property in its possession, custody, or control that was secured in connection with the investigation or prosecution of the defendant upon credible allegations by the defendant and a finding by the court that such property, if obtained, would be probative to the determination of defendant's actual innocence, and that the request is reasonable. The court shall deny or limit such a request upon a finding that such a request, if granted, would threaten the integrity or chain of custody of property or the integrity of the processes or functions of a laboratory conducting DNA testing, pose a risk of harm, intimidation, embarrassment, reprisal, or other substantially negative consequences to any person, undermine the proper functions of law enforcement including the confidentiality of informants, or on the basis of any other factor identified by the court in the interests of justice or public safety. The court shall further ensure that any property produced pursuant to this paragraph is subject to a protective order, where appropriate. The court shall deny any request made pursuant to this paragraph where:~~

~~(i) (1) the defendant's motion pursuant to section 440.10 of this article does not seek to demonstrate his or her actual innocence of the offense or offenses of which he or she was convicted that are the subject of the motion, or (2) the defendant has not presented credible allegations and the court has not found that such property, if obtained, would be probative to the determination of the defendant's actual innocence and that the request is reasonable;~~

~~(ii) the defendant has made his or her motion after five years from the date of the judgment of conviction; provided, however, that this limitation period shall be tolled for five years if the defendant is in custody in connection with the conviction that is the subject of his or her motion, and provided further that, notwithstanding such limitation periods, the court may consider the motion if the defendant has shown: (A) that he or she has been pursuing his or her rights diligently and that some extraordinary circumstance prevented the timely filing of the motion; (B) that the facts upon which the motion is predicated were unknown to the defendant or his or her attorney and could not have been ascertained by the exercise of due diligence prior to the expiration of the statute of limitations; or (C) considering all circumstances of the case including but not limited to evidence of the defendant's guilt, the impact of granting or denying such motion upon public confidence in the criminal justice system, or upon the safety or welfare of the community, and the defendant's diligence in seeking to obtain the requested property or related relief, the interests of justice would be served by considering the motion;~~

~~(iii) the defendant is challenging a judgment convicting him or her of an offense that is not a felony defined in section 10.00 of the penal law; or~~

~~(iv) upon a finding by the court that the property requested in this motion would be available through other means through reasonable efforts by the defendant to obtain such property.~~

~~1-a.] 4. (a) [(1)] Where the [defendant's] applicant's~~ motion requests the performance of a forensic DNA test on specified evidence, and upon the court's determination that any evidence containing deoxyribonucleic acid ("DNA") was secured in connection with the trial or the plea resulting in the judgment, the court shall grant the application for forensic DNA testing of such evidence upon its determination that ~~[if a]~~

1 had the DNA test [~~had~~] results been [~~conducted on such evidence, and if~~
2 ~~the results had been admitted in the trial resulting in the judgment,~~]
3 available at the time of trial or plea, there [~~exists~~] is a reasonable
4 probability that the verdict would have been more favorable to the
5 [~~defendant~~] applicant.

6 [~~(2) Where the defendant's motion for forensic DNA testing of speci-~~
7 ~~fied evidence is made following a plea of guilty and entry of judgment~~
8 ~~thereon convicting him or her of: (A) a homicide offense defined in~~
9 ~~article one hundred twenty-five of the penal law, any felony sex offense~~
10 ~~defined in article one hundred thirty of the penal law, a violent felony~~
11 ~~offense as defined in paragraph (a) of subdivision one of section 70.02~~
12 ~~of the penal law, or (B) any other felony offense to which he or she~~
13 ~~pled guilty after being charged in an indictment or information in supe-~~
14 ~~rior court with one or more of the offenses listed in clause (A) of this~~
15 ~~subparagraph, then the court shall grant such a motion upon its determi-~~
16 ~~nation that evidence containing DNA was secured in connection with the~~
17 ~~investigation or prosecution of the defendant, and if a DNA test had~~
18 ~~been conducted on such evidence and the results had been known to the~~
19 ~~parties prior to the entry of the defendant's plea and judgment thereon,~~
20 ~~there exists a substantial probability that the evidence would have~~
21 ~~established the defendant's actual innocence of the offense or offenses~~
22 ~~that are the subject of the defendant's motion; provided, however, that:~~

23 (i) ~~the court shall consider whether the defendant had the opportunity~~
24 ~~to request such testing prior to entering a guilty plea, and, where it~~
25 ~~finds that the defendant had such opportunity and unjustifiably failed~~
26 ~~to do so, the court may deny such motion; and~~

27 (ii) ~~a court shall deny the defendant's motion for forensic DNA test-~~
28 ~~ing where the defendant has made his or her motion more than five years~~
29 ~~after entry of the judgment of conviction; except that the limitation~~
30 ~~period may be tolled if the defendant has shown: (A) that he or she has~~
31 ~~been pursuing his or her rights diligently and that some extraordinary~~
32 ~~circumstance prevented the timely filing of the motion for forensic DNA~~
33 ~~testing; (B) that the facts upon which the motion is predicated were~~
34 ~~unknown to the defendant or his or her attorney and could not have been~~
35 ~~ascertained by the exercise of due diligence prior to the expiration of~~
36 ~~this statute of limitations; or (C) considering all circumstances of the~~
37 ~~case including but not limited to evidence of the defendant's guilt, the~~
38 ~~impact of granting or denying such motion upon public confidence in the~~
39 ~~criminal justice system, or upon the safety or welfare of the community,~~
40 ~~and the defendant's diligence in seeking to obtain the requested proper-~~
41 ~~ty or related relief, the interests of justice would be served by toll-~~
42 ~~ing such limitation period.]~~

43 (b) Where the applicant's motion for relief requests the performance
44 of any other testing of forensic evidence or any physical evidence
45 secured in the case, the court shall grant the application for testing
46 of such evidence, upon its determination that had the results of testing
47 of forensic or other physical evidence been available at the time of
48 trial or plea, there is a reasonable probability that the verdict would
49 have been more favorable to the applicant.

50 (c) (i) In conjunction with the filing of a motion under this subdivi-
51 sion, the court may direct the people to provide the [~~defendant~~] appli-
52 cant and the applicant's counsel with information in the possession of
53 the people concerning the current physical location of the specified
54 evidence and if the specified evidence no longer exists or the physical
55 location of the specified evidence is unknown, a representation to that
56 effect and information and documentary evidence in the possession of the

1 people concerning the last known physical location of such specified
2 evidence.

3 (ii) If there is a finding by the court that the specified evidence no
4 longer exists or the physical location of such specified evidence is
5 unknown, ~~[such information in and of itself shall not be a factor from~~
6 ~~which any inference unfavorable to the people may be drawn by the court~~
7 ~~in deciding a motion under this section]~~ the court may grant the appli-
8 cant's motion and vacate the judgment upon a finding by the court that
9 such evidence is unavailable due to malfeasance or neglect.

10 (iii) The court, on motion of the ~~[defendant]~~ applicant, may also
11 issue a subpoena duces tecum directing a public or private hospital,
12 laboratory or other entity to produce such specified evidence in its
13 possession and/or information and documentary evidence in its possession
14 concerning the location and status of such specified evidence.

15 ~~[(a)]~~ (d) In response to a motion under this paragraph, upon notice to
16 the parties and to the entity required to perform the search the court
17 may order an entity that has access to the combined DNA index system
18 ("CODIS") or its successor system to compare a DNA profile obtained from
19 probative biological material gathered in connection with the investi-
20 gation or prosecution of the ~~[defendant]~~ applicant against DNA databanks
21 by keyboard searches, or a similar method that does not involve upload-
22 ing, upon a court's determination that (1) such profile complies with
23 federal bureau of investigation or state requirements, whichever are
24 applicable and as such requirements are applied to law enforcement agen-
25 cies seeking such a comparison, and that the data meet state DNA index
26 system and/or national DNA index system criteria as such criteria are
27 applied to law enforcement agencies seeking such a comparison and (2) if
28 such comparison had been conducted, ~~[and if the results had been admit-~~
29 ~~ted in the trial resulting in the judgment,]~~ a reasonable probability
30 exists that the verdict would have been more favorable to the ~~[defend-~~
31 ~~ant, or in a case involving a plea of guilty, if the results had been~~
32 ~~available to the defendant prior to the plea, a reasonable probability~~
33 ~~exists that the conviction would not have resulted]~~ applicant. For
34 purposes of this subdivision, a "keyboard search" shall mean a search of
35 a DNA profile against the databank in which the profile that is searched
36 is not uploaded to or maintained in the databank.

37 ~~[2. If it appears by conceded or uncontradicted allegations of the~~
38 ~~moving papers or of the answer, or by unquestionable documentary proof,~~
39 ~~that there are circumstances which require denial thereof pursuant to~~
40 ~~subdivision two of section 440.10 or subdivision two of section 440.20,~~

42 ~~circumstances authorizing, though not requiring, denial thereof pursuant~~
43 ~~to subdivision three of section 440.10 or subdivision three of section~~

45 ~~motion, or (b) proceed to consider the merits thereof.]~~

46 ~~[3.]~~ 5. Upon considering the merits of the motion, the court must
47 grant it without conducting a hearing and vacate the judgment or set
48 aside the sentence, as the case may be, if:

50 motion; and

51 (b) Such ground, if based upon the existence or occurrence of facts,
52 is supported by sworn allegations thereof; and

53 (c) The sworn allegations of fact essential to support the motion are
54 either conceded by the people to be true or are conclusively substanti-
55 ated by unquestionable documentary proof.

1 ~~[4.]~~ 6. Upon considering the merits of the motion, the court may deny
2 it without conducting a hearing if:

3 (a) The moving papers do not allege any ground constituting legal
4 basis for the motion; or

5 (b) ~~[The motion is based upon the existence or occurrence of facts and
6 the moving papers do not contain sworn allegations substantiating or
7 tending to substantiate all the essential facts, as required by subdivi-
8 sion one, or~~

11 ~~[(d)]~~ (c) An allegation of fact essential to support the motion (i) is
12 contradicted by a court record or other official document~~[, or is made
13 solely by the defendant and is unsupported by any other affidavit or
14 evidence,]~~ and (ii) under these and all the other circumstances attend-
15 ing the case, there is no reasonable possibility that such allegation is
16 true.

17 ~~[5.]~~ 7. If the court does not determine the motion pursuant to ~~[subdi-
18 visions two, three or four]~~ subdivision five or six, it must conduct a
19 hearing and make findings of fact essential to the determination there-
20 of. The ~~[defendant]~~ applicant has a right to be present at such hearing
21 but may waive such right in writing. If ~~[he]~~ the applicant does not so
22 waive it and if ~~[he]~~ the applicant is confined in a prison or other
23 institution of this state, the court must cause ~~[him]~~ the applicant to
24 be produced at such hearing.

25 ~~[6.]~~ 8. At such a hearing, the ~~[defendant]~~ applicant has the burden of
26 proving by a preponderance of the evidence every fact essential to
27 support the motion. At the hearing, either party shall receive a daily
28 copy of the hearing minutes, upon request.

29 ~~[7.]~~ 9. Notwithstanding any other provision of this section, when the
30 applicant raises a colorable claim of relief pursuant to this article,
31 the court shall not summarily deny the motion on the ground that the
32 applicant previously moved for relief under this article.

33 10. Regardless of whether a hearing was conducted, the court, upon
34 determining the motion, must set forth on the record its findings of
35 fact, its conclusions of law and the reasons for its determination.

36 § 5. Subdivision 4 of section 450.10 of the criminal procedure law, as

52 criminal procedure law. Information to be collected and disclosed shall
53 include the raw number of both applications and/or motions filed in each
54 county and on appeal in each judicial department. Information shall
55 include the top conviction charge for each application or motion; when
56 pro se applicants request assignment of counsel pursuant to subdivision

two of section 440.30 of the criminal procedure law, whether or not counsel was assigned; the outcome of each motion filed, whether denied without hearing, denied with hearing, vacatur granted, or other; and the average length of time motion under article four hundred forty of the criminal procedure law remains pending for each county. Such report shall aggregate the data collected by county and judicial department. The data shall be aggregated in order to protect the identity of individual applicants. § 8. Severability. If any provision of this act, or any application of any provision of this act, is held to be invalid, that shall not affect the validity or effectiveness of any other provision of this act, or of any other application of any provision of this act, which can be given effect without that provision or application; and to that end, the provisions and applications of this act are severable.

§ 9. This act shall take effect on the sixtieth day after it shall have become a law.

2. Equipment and personnel. The following shall be permitted in any trial or appellate court proceeding:

(a) At least two compact video cameras, each operated by no more than one camera person.

(b) At least one still photographer, each using not more than two still cameras.

(c) At least one audio system for radio broadcast purposes. Audio pickup for all media purposes shall be provided by existing audio systems present in the courtroom. If no technically suitable audio system exists in the courtroom, microphones and related wiring essential for media purposes shall be permissible provided they are unobtrusive and shall be located in places designated in advance of any proceeding by the judge or justice presiding over the proceeding.

(d) Additional permitted equipment or personnel shall be within the sole discretion and authority of the judge or justice presiding over the proceeding.

(e) Any pooling arrangements among members of the media concerning equipment and personnel shall be the sole responsibility of such members without calling upon the judge or justice presiding over the proceeding to mediate any dispute as to the appropriate media representative or equipment authorized to cover a particular proceeding. In the absence of

1 advance media agreement concerning disputed equipment or personnel
2 issues, the judge or justice presiding over the proceeding may exclude
3 all contesting media personnel from a proceeding.

4 3. Sound and light criteria. Video and audio equipment, including
5 still camera equipment, whether film or digital, shall not be permitted
6 if it produces disorienting sound or light. No artificial lighting
7 device of any kind shall be used in connection with the video equipment
8 or still camera.

9 4. Location of equipment personnel. Video camera equipment and still
10 camera photographers shall be positioned in such location or locations
11 in the courtroom as shall be designated by the chief administrative
12 judge of the court or the chief administrative judge's designee. The
13 area designated shall provide reasonable access to coverage of the
14 proceedings. Still camera photographers shall assume a fixed position
15 within the designated area and shall not be permitted to move about to
16 obtain photographs of court proceedings. Media representatives shall not
17 move about the court facility while proceedings are in session.

18 5. Equipment movement during proceedings. News media photographic or
19 audio equipment shall not be placed in, removed from, or moved about the
20 court facility except before commencement or after adjournment of

23 shall be changed within a courtroom except during a recess in the
24 proceeding.

25 6. Courtroom light sources. With the concurrence of the chief adminis-

37 admissible as evidence in the proceeding out of which it arose, in any
38 proceeding subsequent or collateral thereto, or upon retrial or appeal
39 of such proceedings.

40 9. Written order. (a) An order restricting audio-visual coverage with
41 respect to a particular participant shall be in writing and be included
42 in the record of such proceeding. The order must state good cause why
43 such coverage will have a substantial effect upon the individual which
44 would be qualitatively different from the effect on members of the
45 public in general and that such effect will be qualitatively different
46 from coverage by other types of media. Before prohibiting audio-visual
47 coverage, the presiding judge must first consider the imposition of
48 special limitations, such as a delayed or modified still or audio-visual
49 coverage of the proceedings.

50 (b) A presumption of good cause shall exist with respect to testimony
51 of minors.

52 10. Closing the courtroom. No audio-visual coverage will be permitted
53 during any period in which the courtroom is lawfully closed to the
54 general public in accordance with the United States and New York Consti-
55 tutions, New York law, and court rules.

11. Appellate review. Interlocutory review of an order restricting audio-visual coverage shall be expedited in accordance with the rules of the applicable appellate court.

12. Regulations. In fixing the amount of the fine, the court shall consider all the facts and circumstances directly related to the contempt, including, but not limited to: (i) the extent of the willful defiance of or resistance to the court's mandate, (ii) the amount of gain obtained by the willful disobedience of the mandate, and (iii) the effect upon the public and the parties to the proceeding of the willful disobedience.

§ 4. This act shall take effect on the thirtieth day after it shall have become a law.

38 support; and

39 (d) any additional information related to the defendant's circum-

55 law, as amended by chapter 491 of the laws of 2021, is amended to read
56 as follows:

1 (a) A merit termination granted by the department under this section
2 shall constitute a termination of the sentence with respect to which it
3 was granted. No such merit termination shall be granted unless the
4 department is satisfied that termination of sentence from presumptive
5 release, parole, conditional release or post-release supervision is in
6 the best interest of society, and that the parolee or releasee, other-
7 wise financially able to comply with an order of restitution and the
8 payment of any mandatory felony surcharge previously imposed by a court
9 of competent jurisdiction, has made a good faith effort to comply there-

14 1. Except where a determinate sentence was imposed for a felony other
15 than a felony defined in article two hundred twenty [~~or article two~~
16 ~~hundred twenty-one~~] of the penal law, if the board of parole is satis-
17 fied that an absolute discharge from presumptive release, parole, condi-
18 tional release or release to a period of post-release supervision is in
19 the best interests of society, the board may grant such a discharge
20 prior to the expiration of the full term or maximum term to any person
21 who has been on unrevoked community supervision for at least three
22 consecutive years. A discharge granted under this section shall consti-
23 tute a termination of the sentence with respect to which it was granted.
24 No such discharge shall be granted unless the board is satisfied that
25 the parolee or releasee, otherwise financially able to comply with an
26 order of restitution and the payment of any mandatory felony surcharge,
27 sex offender registration fee or DNA databank fee previously imposed by
28 a court of competent jurisdiction, has made a good faith effort to
29 comply therewith.

30 3. Notwithstanding any other provision of this section to the contra-

32 been imposed on a person convicted of a crime defined in article one

35 prior to the expiration of the maximum term of post-release supervision.
36 Such a discharge may be granted only after the person has served at
37 least five years of post-release supervision, and only to a person who

42 consults with any licensed psychologist, qualified psychiatrist, or
43 other mental health professional who is providing care or treatment to
44 the supervisee; and the board: (a) determines that a discharge from
45 post-release supervision is in the best interests of society; and (b) is

47 an order of restitution and the payment of any mandatory felony
48 surcharge, sex offender registration fee, or DNA data bank fee previous-
49 ly imposed by a court of competent jurisdiction, has made a good faith
50 effort to comply therewith. Before making a determination to discharge a
51 person from a period of post-release supervision, the board of parole
52 may request that the commissioner of the office of mental health arrange
53 a psychiatric evaluation of the supervisee. A discharge granted under
54 this section shall constitute a termination of the sentence with respect
55 to which it was granted.

26 subdivision three of section 60.35 of the penal law, section eighteen
27 hundred nine of the vehicle and traffic law or section 27.12 of the

45 so in a written order. Such order shall not excuse the person from the
46 obligation to pay the surcharge, sex offender registration fee or DNA
47 databank fee. Rather, the court's order shall direct the filing of a
48 certified copy of the order with the county clerk of the county in which
49 the court is situate except where the court which issues such order is
50 the supreme court in which case the order itself shall be filed by the
