

# STATE OF NEW YORK

836

2023-2024 Regular Sessions

## IN SENATE

January 6, 2023

Introduced by Sen. BRESLIN -- read twice and ordered printed, and when printed to be committed to the Committee on Rules

AN ACT to amend the insurance law and the public health law, in relation to patient prescription pricing transparency; and to repeal certain provisions of the insurance law related thereto

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Subsection 341-a of the insurance law, as added by a chap-  
2 ter of the laws of 2022 amending the insurance law relating to enacting  
3 the "patient Rx information and choice expansion act", as proposed in  
4 legislative bills numbers S. 4620-C and A. 5411-D, is REPEALED.

5 § 2. Section 3217-a of the insurance law is amended by adding a new  
6 subsection (g) to read as follows:

7 (g) (1) As used in this subsection:

8 (A) "Pharmacy benefit manager" shall have the meanings set forth in  
9 section two hundred eighty-a of the public health law.

10 (B) "Cost-sharing information" means the amount an insured is required  
11 to pay to receive a drug that is covered under the insured's insurance  
12 policy.

13 (C) "Covered/coverage" means those health care services to which an  
14 insured is entitled under the terms of the insurance policy.

15 (D) "Electronic health record" means a digital version of a patient's  
16 paper chart and medical history that makes information available  
17 instantly and securely to authorized users.

18 (E) "Electronic prescribing system" means a system that enables pres-  
19 cribers to enter prescription information into a computer prescription  
20 device and securely transmit the prescription to pharmacies using a  
21 special software program and connectivity to a transmission network.

22 (F) "Electronic prescription" means an electronic prescription as  
23 defined in section thirty-three hundred two of the public health law.

EXPLANATION--Matter in italics (underscored) is new; matter in brackets  
[-] is old law to be omitted.

LBD04034-01-3

1 (G) "Prescriber" means a health care provider licensed to prescribe  
2 medication or medical devices in this state.

3 (H) "Real-time benefit tool" or "RTBT" means an electronic  
4 prescription decision support tool that: (i) is capable of integrating  
5 with prescribers' electronic prescribing system and, if feasible, elec-  
6 tronic health record systems; and (ii) complies with the technical stan-  
7 dards adopted by an American National Standards Institute (ANSI) accred-  
8 ited standards development organization.

9 (I) "Authorized third party" shall include a third party legally  
10 authorized under state or federal law subject to a Health Insurance  
11 Portability and Accountability Act (HIPAA) business associate agreement.

12 (2) The provisions of this section shall not apply to any health plan  
13 that exclusively serves individuals enrolled pursuant to a federal or  
14 state insurance affordability program, including the medical assistance  
15 program under title eleven of article five of the social services law,  
16 child health plus under section twenty-five hundred eleven of the public  
17 health law, the basic health program under section three hundred sixty-  
18 nine-gg of the social services law, or a plan providing services under  
19 title XVIII of the federal social security act.

20 (3) An insurer subject to this article or pharmacy benefit manager  
21 shall, upon request of the insured, the insured's health care provider,  
22 or an authorized third party on the insured's behalf, made to the insur-  
23 er or pharmacy benefit manager, furnish the cost, benefit, and coverage  
24 data required by this subsection to the insured, the insured's health  
25 care provider, or the authorized third party and shall ensure that such  
26 data is: (A) current no later than one business day after any change to  
27 the cost, benefit, or coverage data is made; (B) provided through an  
28 RTBT when the request is made by the insured's health care provider; and  
29 (C) in a format that is easily accessible to the requestor.

30 (4) When providing the data required by paragraph three of this  
31 subsection, the insurer or pharmacy benefit manager shall use estab-  
32 lished industry content and transport standards published by:

33 (A) a standards developing organization accredited by the American  
34 National Standards Institute (ANSI), including, the National Council for  
35 Prescription Drug Programs (NCPDP), ASC X12, Health Level 7; or

36 (B) a relevant federal or state governing body, including the Center  
37 for Medicare & Medicaid Services or the Office of the National Coordina-  
38 tor for Health Information Technology; or

39 (C) another format deemed acceptable to the department which provides  
40 the data prescribed in paragraph three of this subsection and in the  
41 same timeliness as required by this section.

42 (5) A facsimile shall not be considered an acceptable electronic  
43 format pursuant to this subsection.

44 (6) Upon a request made pursuant to paragraph three of this  
45 subsection, the insurer or pharmacy benefit manager shall provide the  
46 following data for any drug covered under the insured's insurance poli-  
47 cy:

48 (A) insured-specific eligibility information;

49 (B) insured-specific prescription cost and benefit data, such as  
50 applicable formulary, benefit, coverage and cost-sharing data for the  
51 prescribed drug and clinically-appropriate alternatives, when appropri-  
52 ate;

53 (C) insured-specific cost-sharing information that describes variance  
54 in cost-sharing based on the pharmacy dispensing the prescribed drug or  
55 its alternatives, and in relation to the insured's benefit; and

56 (D) applicable utilization management requirements.

1 (7) Any insurer or pharmacy benefit manager shall furnish the data as  
2 required whether the request is made using the drug's unique billing  
3 code, such as a National Drug Code or Healthcare Common Procedure Coding  
4 System code or descriptive term. An insurer or pharmacy benefit manager  
5 shall not deny or unreasonably delay processing a request.

6 (8) An insurer and pharmacy benefit manager shall not, except as may  
7 be required or authorized by law, interfere with, prevent, or materially  
8 discourage access, exchange, or use of the data as required; nor shall  
9 an insurer or pharmacy benefit manager penalize a health care provider  
10 for disclosing such information to an insured or legally prescribing,  
11 administering, or ordering a lower cost clinically appropriate alterna-  
12 tive.

13 (9) Nothing in this subsection shall be construed to limit access to  
14 the most up-to-date insured-specific eligibility or insured-specific  
15 prescription cost and benefit data by the insurer or pharmacy benefit  
16 manager.

17 (10) Nothing in this subsection shall interfere with insured choice  
18 and a health care provider's ability to convey the full range of  
19 prescription drug cost options to an insured. Insurers and pharmacy  
20 benefit managers shall not restrict a health care provider from communi-  
21 cating to the insured prescription cost options.

22 § 3. Section 4324 of the insurance law is amended by adding a new  
23 subsection (g) to read as follows:

24 (g) (1) As used in this subsection:

25 (A) "Pharmacy benefit manager" shall have the meaning set forth in  
26 section two hundred eighty-a of the public health law.

27 (B) "Cost-sharing information" means the amount a subscriber is  
28 required to pay to receive a drug that is covered under the subscriber's  
29 insurance contract.

30 (C) "Covered/coverage" means those health care services to which a  
31 subscriber is entitled under the terms of the insurance contract.

32 (D) "Electronic health record" means a digital version of a patient's  
33 paper chart and medical history that makes information available  
34 instantly and securely to authorized users.

35 (E) "Electronic prescribing system" means a system that enables pres-  
36 cribers to enter prescription information into a computer prescription  
37 device and securely transmit the prescription to pharmacies using a  
38 special software program and connectivity to a transmission network.

39 (F) "Electronic prescription" shall have the meaning set forth in  
40 section thirty-three hundred two of the public health law.

41 (G) "Prescriber" means a health care provider licensed to prescribe  
42 medication or medical devices in this state.

43 (H) "Real-time benefit tool" or "RTBT" means an electronic  
44 prescription decision support tool that: (i) is capable of integrating  
45 with prescribers' electronic prescribing system and, if feasible, elec-  
46 tronic health record systems; and (ii) complies with the technical stan-  
47 dards adopted by an American National Standards Institute (ANSI) accred-  
48 ited standards development organization.

49 (I) "Authorized third party" shall include a third party legally  
50 authorized under state or federal law subject to a Health Insurance  
51 Portability and Accountability Act (HIPAA) business associate agreement.

52 (2) The provisions of this section shall not apply to any health plan  
53 that exclusively serves individuals enrolled pursuant to a federal or  
54 state insurance affordability program, including the medical assistance  
55 program under title eleven of article five of the social services law,  
56 child health plus under section twenty-five hundred eleven of the public

1 health law, the basic health program under section three hundred sixty-  
2 nine-gg of the social services law, or a plan providing services under  
3 title XVIII of the federal social security act.

4 (3) A health service, hospital service, or medical expense indemnity  
5 corporation subject to this article or pharmacy benefit manager shall,  
6 upon request of the subscriber, the subscriber's health care provider,  
7 or an authorized third party on the subscriber's behalf, made to the  
8 health service, hospital service, or medical expense indemnity corpo-  
9 ration or pharmacy benefit manager, furnish the cost, benefit, and  
10 coverage data required by this subsection to the subscriber, the  
11 subscriber's health care provider, or the authorized third party and  
12 shall ensure that such data is: (A) current no later than one business  
13 day after any change to the cost, benefit, or coverage data is made; (B)  
14 provided through a RTBT when the request is made by the subscriber's  
15 health care provider; and (C) in a format that is easily accessible to  
16 the requestor.

17 (4) When providing the data required by paragraph three of this  
18 subsection, the health service, hospital service, or medical expense  
19 indemnity corporation or pharmacy benefit manager shall use established  
20 industry content and transport standards published by:

21 (A) a standards developing organization accredited by the American  
22 National Standards Institute (ANSI), including, the National Council for  
23 Prescription Drug Programs (NCPDP), ASC X12, Health Level 7; or

24 (B) a relevant federal or state governing body, including the Center  
25 for Medicare & Medicaid Services or the Office of the National Coordina-  
26 tor for Health Information Technology.

27 (C) another format deemed acceptable to the department which provides  
28 the data prescribed in paragraph three of this subsection and in the  
29 same timeliness as required by this section.

30 (5) A facsimile shall not be considered an acceptable electronic  
31 format pursuant to this subsection.

32 (6) Upon a request made pursuant to paragraph three of this  
33 subsection, the health service, hospital service, or medical expense  
34 indemnity corporation or pharmacy benefit manager shall provide the  
35 following data for any drug covered under the subscriber's insurance  
36 contract:

37 (A) subscriber-specific eligibility information;

38 (B) subscriber-specific prescription cost and benefit data, such as  
39 applicable formulary, benefit, coverage, and cost-sharing data for the  
40 prescribed drug and clinically-appropriate alternatives, when appropri-  
41 ate;

42 (C) subscriber-specific cost-sharing information that describes vari-  
43 ance in cost-sharing based on the pharmacy dispensing the prescribed  
44 drug or its alternatives, and in relation to the insured's benefit; and

45 (D) applicable utilization management requirements.

46 (7) A health service, hospital service, or medical expense indemnity  
47 corporation or pharmacy benefit manager shall furnish the data as  
48 required whether the request is made using the drug's unique billing  
49 code, such as a National Drug Code or Healthcare Common Procedure Coding  
50 System code or descriptive term. A health service, hospital service, or  
51 medical expense indemnity corporation or pharmacy benefit manager shall  
52 not deny or unreasonably delay processing a request.

53 (8) A health service, hospital service, or medical expense indemnity  
54 corporation and pharmacy benefit manager shall not, except as may be  
55 required or authorized by law, interfere with, prevent, or materially  
56 discourage access, exchange, or use of the data as required; nor shall a

1 health service, hospital service, or medical expense indemnity corpo-  
2 ration or pharmacy benefit manager penalize a health care provider for  
3 disclosing such information to a subscriber or legally prescribing,  
4 administering, or ordering a lower cost, clinically appropriate alterna-  
5 tive.

6 (9) Nothing in this subsection shall be construed to limit access to  
7 the most up-to-date subscriber-specific eligibility or subscriber-spe-  
8 cific prescription cost and benefit data by the health service, hospital  
9 service, or medical expense indemnity corporation or pharmacy benefit  
10 manager.

11 (10) Nothing in this subsection shall interfere with subscriber choice  
12 and a health care provider's ability to convey the full range of  
13 prescription drug cost options to a subscriber. Health service, hospital  
14 service, or medical expense indemnity corporations and pharmacy benefit  
15 managers shall not restrict a health care provider from communicating to  
16 the subscriber prescription cost options.

17 § 4. Section 4408 of the public health law is amended by adding a new  
18 subdivision 8 to read as follows:

19 8. (a) As used in this subdivision:

20 (i) "Pharmacy benefit manager" shall have the meaning set forth in  
21 section two hundred eighty-a of this chapter.

22 (ii) "Cost-sharing information" means the amount a subscriber is  
23 required to pay to receive a drug that is covered under the subscriber's  
24 insurance contract.

25 (iii) "Covered/coverage" means those health care services to which a  
26 subscriber is entitled under the terms of the subscriber contract.

27 (iv) "Electronic health record" means a digital version of a patient's  
28 paper chart and medical history that makes information available  
29 instantly and securely to authorized users.

30 (v) "Electronic prescribing system" means a system that enables pres-  
31 cribers to enter prescription information into a computer prescription  
32 device and securely transmit the prescription to pharmacies using a  
33 special software program and connectivity to a transmission network.

34 (vi) "Electronic prescription" shall have the meaning set forth in  
35 section thirty-three hundred two of this chapter.

36 (vii) "Prescriber" means a health care provider licensed to prescribe  
37 medication or medical devices in this state.

38 (viii) "Real-time benefit tool" or "RTBT" means an electronic  
39 prescription decision support tool that: (1) is capable of integrating  
40 with prescribers' electronic prescribing system and, if feasible, elec-  
41 tronic health record systems; and (2) complies with the technical stand-  
42 ards adopted by an American National Standards Institute (ANSI) accred-  
43 ited standards development organization.

44 (ix) "Authorized third party" shall include a third party legally  
45 authorized under state or federal law subject to a Health Insurance  
46 Portability and Accountability Act (HIPAA) business associate agreement.

47 (b) The provisions of this section shall not apply to any health plan  
48 that exclusively serves individuals enrolled pursuant to a federal or  
49 state insurance affordability program, including the medical assistance  
50 program under title eleven of article five of the social services law,  
51 child health plus under section twenty-five hundred eleven of this chap-  
52 ter, the basic health program under section three hundred sixty-nine-gg  
53 of the social services law, or a plan providing services under title  
54 XVIII of the federal social security act.

55 (c) A health maintenance organization or pharmacy benefit manager  
56 shall, upon request of the subscriber, the subscriber's health care

1 provider, or an authorized third party on the subscriber's behalf, made  
2 to the health maintenance organization or pharmacy benefit manager,  
3 furnish the cost, benefit, and coverage data required by this subdivi-  
4 sion to the subscriber, the subscriber's health care provider, or the  
5 authorized third party and shall ensure that such data is: (i) current  
6 no later than one business day after any change to the cost, benefit, or  
7 coverage data is made; (ii) provided through a RTBT when the request is  
8 made by the subscriber's health care provider; and (iii) in a format  
9 that is easily accessible to the requestor.

10 (d) When providing the data required by paragraph (c) of this subdivi-  
11 sion, the health maintenance organization or pharmacy benefit manager  
12 shall use established industry content and transport standards published  
13 by:

14 (i) a standards developing organization accredited by the American  
15 National Standards Institute (ANSI), including, the National Council for  
16 Prescription Drug Programs (NCPDP), ASC X12, Health Level 7; or

17 (ii) a relevant federal or state governing body, including the Center  
18 for Medicare & Medicaid Services or the Office of the National Coordina-  
19 tor for Health Information Technology.

20 (iii) another format deemed acceptable to the department which  
21 provides the data prescribed in paragraph (c) of this subdivision and in  
22 the same timeliness as required by this section.

23 (e) A facsimile shall not be considered an acceptable electronic  
24 format pursuant to this subdivision.

25 (f) Upon a request made pursuant to paragraph (c) of this subdivision,  
26 the health maintenance organization or pharmacy benefit manager shall  
27 provide the following data for any drug covered under the subscriber's  
28 subscriber contract:

29 (i) subscriber-specific eligibility information;

30 (ii) subscriber-specific prescription cost and benefit data, such as  
31 applicable formulary, benefit, coverage, and cost-sharing data for the  
32 prescribed drug and clinically-appropriate alternatives, when appropri-  
33 ate;

34 (iii) subscriber-specific cost-sharing information that describes  
35 variance in cost-sharing based on the pharmacy dispensing the prescribed  
36 drug or its alternatives, and in relation to the insured's benefit; and

37 (iv) applicable utilization management requirements.

38 (g) A health maintenance organization or pharmacy benefit manager  
39 shall furnish the data as required whether the request is made using the  
40 drug's unique billing code, such as a National Drug Code or Healthcare  
41 Common Procedure Coding System code or descriptive term. A health main-  
42 tenance organization or pharmacy benefit manager shall not deny or  
43 unreasonably delay processing a request.

44 (h) A health maintenance organization and pharmacy benefit manager  
45 shall not, except as may be required or authorized by law, interfere  
46 with, prevent, or materially discourage access, exchange, or use of the  
47 data as required; nor shall a health maintenance organization or pharma-  
48 cy benefit manager penalize a health care provider for disclosing such  
49 information to a subscriber or legally prescribing, administering, or  
50 ordering a lower cost, clinically appropriate alternative.

51 (i) Nothing in this subdivision shall be construed to limit access to  
52 the most up-to-date subscriber-specific eligibility or subscriber-spe-  
53 cific prescription cost and benefit data by the health maintenance  
54 organization or pharmacy benefit manager.

55 (j) Nothing in this subdivision shall interfere with subscriber choice  
56 and a health care provider's ability to convey the full range of

prescription drug cost options to a subscriber. Health maintenance organizations and pharmacy benefit managers shall not restrict a health care provider from communicating to the subscriber prescription cost options.

§ 5. Severability. If any provision of this act, or any application of any provision of this act, is held to be invalid, or to violate or be inconsistent with any federal law or regulation, that shall not affect the validity or effectiveness of any other provision of this act, or of any other application of any provision of this act, which can be given effect without that provision or application; and to that end, the provisions and applications of this act are severable.

§ 6. This act shall take effect on the same date and in the same manner as a chapter of the laws of 2022 amending the insurance law relating to enacting the "patient Rx information and choice expansion act", as proposed in legislative bills numbers S. 4620-C and A. 5411-D, takes effect.
