The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. This act shall be known as the "Health Equity for Retirees
2 Act" or "(HERA)".
3 § 2. 1. On and after the effective date of this act, a public employer
4 shall not diminish the health insurance benefits provided to retirees
5 and their dependents or the contributions such employer makes for such
6 health insurance coverage below the level of such benefits or contribu-
7 tions made on behalf of such retirees and their dependents by such
8 public employer as of December 31, 2021.
9 2. For the purposes of this act:
10 (a) "diminish" shall mean any change in health care offered that could

13 their health care than before such change was made. These changes shall
14 include, but are not limited to, increasing the cost of such health
15 care, reducing contributions made by a public employer, forcing retirees
16 into Medicare Advantage Plans, forcing them to use health care providers
17 only from pre-designated panels, or forcing them to wait for pre-author-
18 ization for medical procedures that are recommended by their health care
19 providers;
