IN SENATE

January 31, 2024

Introduced by Sen. RIVERA -- read twice and ordered printed, and when printed to be committed to the Committee on Health

AN ACT to amend the public health law, in relation to allowing patients to register in the "donate life registry" through their electronic health records

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Paragraph (v) of subdivision 1 of section 206 of the public
2 health law, as added by chapter 40 of the laws of 2016, is amended and a
3 new paragraph (w) is added to read as follows:

4 (v) require, in consultation and cooperation with the superintendent
5 of financial services, that every individual applying for health care
6 coverage through the state health benefit exchange established pursuant
7 to the federal Patient Protection and Affordable Care Act (P.L.
8 111-148), as amended by the federal Health Care and Education Reconcil-
9 iation Act of 2010 (P.L. 111-152), be provided space so that such appli-
10 cant may register in the "donate life registry" for organ, eye and
11 tissue donations under section forty-three hundred ten of this chapter
12 with the following stated in clear conspicuous type:

13 "Would you like to be added to the Donate Life Registry? Check box for
14 'yes' or 'skip this question'."

15 The commissioner shall not maintain records of any person who checks
16 "skip this question". Except where the application is made in person or
17 electronically, failure to check a box shall not impair the validity of
18 an application, and failure to check "yes" or checking "skip this ques-
19 tion" shall not be construed to imply a wish not to donate. In the case
20 of an applicant under eighteen years of age, checking "yes" shall not
21 constitute consent to make an anatomical gift or registration in the
22 donate life registry, except as otherwise provided pursuant to the
23 provisions of paragraph (b) of subdivision one of section forty-three
24 hundred one of this chapter. Where an applicant has previously consented
25 to make an anatomical gift or registered in the donate life registry,
26 checking "skip this question" or failing to check a box shall not impair
27 that consent or registration.

EXPLANATION--Matter in italics (underscored) is new; matter in brackets
[-] is old law to be omitted.
