Introduced by Sen. HARCKHAM -- read twice and ordered printed, and when printed to be committed to the Committee on Consumer Protection

AN ACT to amend the general business law, in relation to establishing the "sporting range good neighbor act"

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. This act shall be known and may be cited as the "sporting  
2 range good neighbor act".

3 § 2. The general business law is amended by adding two new sections  
4 151 and 152 to read as follows:

5 § 151. Shooting ranges; skeet fields. 1. (a) Every skeet field tract  
6 at a shooting range shall be a minimum of six hundred yards by three  
7 hundred yards with the shooting semicircle located in the middle of the  
8 long side.

9 (b) Any shooting range which is unable to comply with the requirements  
10 of paragraph (a) of this subdivision shall construct and maintain appro-  
11 priate backstops to prevent lead migration outside of the designated  
12 skeet field tract. Such backstops shall be constructed of material that  
13 effectively captures bullets and shall be covered by a roof to prevent  
14 precipitation from eroding such backstops.

15 2. No portion of a skeet field tract shall include a wetland or open  
16 water source.

17 3. As used in this section, "skeet field tract" shall mean a portion  
18 of an outdoor shooting range used for clay, sporting clay, trap or skeet  
19 shooting.

20 § 152. Outdoor shooting range environmental stewardship and lead ammu-  
21 nition material reclamation. The department of environmental conserva-  
22 tion shall promulgate rules and regulations regarding environmental  
23 stewardship and lead ammunition material reclamation at outdoor shooting  
24 ranges and require reporting by outdoor shooting ranges regarding such  
25 ranges' environmental stewardship and lead ammunition material reclama-  
26 tion. Such reporting shall include:

27 1. Environmental actions that have been completed on the outdoor  
28 shooting range;

1     2. The present environmental setting, including upgrades, if applica-  
2     ble, along with previous range maintenance activities;

3     3. Identification of issues of potential environmental concern associ-  
4     ated with shooting and related lead constituents;

5     4. Identification, evaluation and prioritization of appropriate  
6     actions to manage issues identified pursuant to subdivision three of  
7     this section;

8     5. Identification of short- and long-term action items and steps need-  
9     ed for implementation;

10    6. An implementation plan for such action items;

11    7. Identification of ways to measure and document results of lead  
12    ammunition material management actions; and

13    8. Periodic evaluation of progress toward environmental stewardship  
14    goals and appropriate revisions of plans.

15    § 3. This act shall take effect on the one hundred eightieth day after  
16    it shall have become a law.
