STATE OF NEW YORK

8470

IN SENATE

February 1, 2024

Introduced by Sen. RIVERA -- read twice and ordered printed, and when printed to be committed to the Committee on Health

AN ACT to amend the public health law, in relation to the supervision of intravenous administration of contrast media by a radiographer

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. Subdivision 3 of section 3501 of the public health law, as added by chapter 175 of the laws of 2006, is amended to read as follows:

3. "Radiography" means the use of x-rays or x-ray producing equipment on human beings for diagnostic purposes under the supervision of a licensed practitioner. The practice includes, but is not limited to: measuring and positioning patients; selecting and setting up exposure factors on x-ray equipment, and the making of the x-ray exposure; the performance of quality control tests; [~~and,~~] under the direct supervision of a licensed physician, the intravascular administration of contrast media when such administration is an integral part of the x-ray or imaging procedure**; and, under the direct supervision of a licensed physician, licensed nurse practitioner, or licensed physician assistant, the intravenous administration of contrast media when such administration is an integral part of the x-ray or imaging procedure**.

§ 2. This act shall take effect immediately.

EXPLANATION--Matter in ***italics*** (underscored) is new; matter in brackets [-] is old law to be omitted.
