AN ACT to amend the state finance law, in relation to authorizing the establishment of permanent COVID-19 memorials and establishing a COVID-19 permanent memorial fund

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. The state of New York and any municipality therein are authorized to, in collaboration with municipal parks departments and under the guidance of the office of parks, recreation, and historic preservation, designate and establish a permanent COVID-19 memorial within its jurisdiction. Municipalities seeking to establish and maintain such a memorial may apply for funding under section 99-rr of the state finance law as well as from other public and private sources, including but not limited to grants, donations, and partnerships. The final designs and locations of such memorials shall be selected through a community-driven process overseen by municipal parks departments, with specific guidance from the office of parks, recreation, and historic preservation, and with financial oversight from the comptroller's office. The final designs and locations of such memorials shall prioritize input from those most impacted, including but not limited to family members and loved ones of victims of COVID-19.

§ 2. The state finance law is amended by adding a new section 99-rr to read as follows:

2. The fund shall consist of all moneys appropriated therefor, grants, gifts or bequests received by the state for the purposes of the fund, and all other moneys credited or transferred thereto from any other fund or source. gifts or bequests for the purposes of such fund and depositing them into the fund according to law.

3. Any income earned by the investment of such moneys shall be added to and become a part of, and shall be used for the purposes of such fund.
