

STATE OF NEW YORK

8492

IN SENATE

February 6, 2024

Introduced by Sen. BRESLIN -- read twice and ordered printed, and when printed to be committed to the Committee on Consumer Protection

AN ACT to amend the general business law, in relation to the sale of digital electronic equipment and providing diagnostic and repair information; and to amend chapter 810 of the laws of 2022 amending the general business law relating to the sale of digital electronic equipment and providing diagnostic and repair information, in relation to the effectiveness thereof

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. Paragraphs (a), (b), and (m) of subdivision 1, paragraphs (a), (g), (h), (i) and (j) of subdivision 3, paragraphs (d) and (e) of subdivision 4, and the opening paragraph of subdivision 6 of section 399-nn of the general business law, paragraphs (a), (b) and (m) of subdivision 1, paragraphs (a) and (g) of subdivision 3, and the opening paragraph of subdivision 6, as amended and paragraphs (h), (i) and (j) of subdivision 3, and paragraphs (d) and (e) of subdivision 4, as added by chapter 48 of the laws of 2023, are amended to read as follows:

(a) "Authorized repair provider" means an individual or business who has an arrangement with the original equipment manufacturer under which the original equipment manufacturer grants to the individual or business a license to use a trade name, service mark, or other proprietary identifier for the purposes of offering the services of diagnosis, maintenance, or repair of digital electronic equipment under the name of the original equipment manufacturer, or other arrangement with the original equipment manufacturer to offer such services on behalf of the original equipment manufacturer. An original equipment manufacturer who offers the services of diagnosis, maintenance, or repair of its own digital electronic equipment shall be considered an authorized repair provider with respect to such equipment.

(b) "Digital electronic equipment" or "equipment" means any hardware product manufactured for the first time, and first sold or used in New York on or after July first, two thousand [~~twenty-three, that depends for its functioning, in whole or in part, on digital electronics embed-~~
