Introduced by Sen. COMRIE -- read twice and ordered printed, and when printed to be committed to the Committee on Energy and Telecommunications

AN ACT to amend the public service law, in relation to complaint procedures and retaining billing records for a certain period of time

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Subdivisions 2 and 3 of section 43 of the public service  
2 law, subdivision 2 as added by chapter 713 of the laws of 1981 and  
3 subdivision 3 as added by chapter 686 of the laws of 2002, are amended  
4 and a new subdivision 4 is added to read as follows:

5 2. The commission shall maintain regulations for complaint handling  
6 procedures including complaints with respect to the negotiation of a  
7 deferred payment agreement which shall include, at a minimum: (a)  
8 provision for investigation and informal review and for appeal to the  
9 commission in its discretion; (b) that the burden of proof in all  
10 proceedings shall be on the utility corporation or municipality, except  
11 as otherwise provided by the commission for good cause; and (c)  
12 provision for parties to receive a written determination of any  
13 complaint, [~~upon request,~~] in plain and simple English, which determi-  
14 nation shall set forth the relevant facts established, the reasons for  
15 the determination, what actions must be taken and what further proce-  
16 dures are available to a complainant.

17 3. The commission shall [~~use its best efforts to~~] complete its inves-  
18 tigation and review and to issue, within ninety days, its final written  
19 determination of any appeal to it pursuant to this section.

20 4. Each utility corporation subject to this article shall retain bill-  
21 ing records for a period of eight years for all customers.

22 § 2. Section 89-i of the public service law, as amended by section 50  
23 of part A of chapter 62 of the laws of 2011, is amended to read as  
24 follows:

25 § 89-i. Complaints as to price of water; investigation by commission;  
26 forms of complaints. 1. Upon the complaint in writing of the mayor of a  
27 city, the trustees of a village or the town board of a town in which a

1 person or corporation is authorized to supply or distribute water for  
2 domestic, commercial or public uses, or upon the complaint in writing of  
3 not less than twenty-five customers or purchasers of such water in such  
4 municipality or upon complaint of a water-works corporation supplying  
5 such water, as to the rates, charges or classifications of service for  
6 water sold and delivered in such municipality, or upon the complaint in  
7 writing of the department of state, or as to the methods employed in  
8 furnishing such service, the commission shall investigate as to the  
9 cause of such complaint. When such complaint is made, the commission  
10 may, by its agents, examiners and inspectors, inspect the works, system,  
11 plant, devices, appliances and methods used by such water-works corpo-  
12 ration in supplying and distributing such water, and may examine or  
13 cause to be examined the books and papers of such water-works corpo-  
14 ration pertaining to the supplying and distributing of such water. The  
15 form and contents of complaints made as provided in this section shall  
16 be prescribed by the commission. Such complaints shall be signed by the  
17 officers, or by the customers, purchasers or subscribers making them,  
18 who must add to their signatures their places of residence, by street  
19 and number, if any.

20 2. The commission shall complete its investigation and review and  
21 issue, within ninety days, to the complainant, its final written deter-  
22 mination of any appeal pursuant to this section. Such written determi-  
23 nation shall include the relevant facts established, the reasons for the  
24 determination, what actions must be taken and what further procedures  
25 are available to a complainant.

26 3. Each utility corporation subject to this article shall retain bill-  
27 ing records for a period of eight years for all customers.

28 § 3. Section 71 of the public service law, as amended by chapter 521  
29 of the laws of 2013, is amended to read as follows:

30 § 71. Complaints as to quality and price of gas and electricity;  
31 investigation by commission; forms of complaints. 1. Upon the complaint  
32 in writing of the mayor of a city, the trustees of a village, the town  
33 board of a town or the chief executive officer or the legislative body  
34 of a county in which a person or corporation is authorized to manufac-  
35 ture, convey, transport, sell or supply gas or electricity for heat,  
36 light or power, or upon the complaint in writing of not less than twen-  
37 ty-five customers or purchasers of such gas or electricity, or upon the  
38 complaint in writing of the department of state, or upon a complaint of  
39 a gas corporation or electrical corporation supplying or transmitting  
40 said gas or electricity, as to the illuminating or heating power, purity  
41 or pressure or the rates, charges or classifications of service of gas,  
42 the efficiency of the electric incandescent lamp supply, the voltage of  
43 the current supplied for light, heat or power, or the rates charged or  
44 classification of service of electricity sold and delivered in such  
45 municipality, or as to the extent or duration of a disruption in gas or  
46 electricity service, the commission shall investigate as to the cause  
47 for such complaint. When such complaint is made, the commission may, by  
48 its agents, examiners and inspectors, inspect the works, system, plant,  
49 devices, appliances and methods used by such person or corporation in  
50 manufacturing, transmitting and supplying such gas or electricity, and  
51 may examine or cause to be examined the books and papers of such person,  
52 or corporation pertaining to the manufacture, sale, transmitting and  
53 supplying of such gas or electricity. The form and contents of  
54 complaints made as provided in this section shall be prescribed by the  
55 commission. Such complaints shall be signed by the officers, or by the  
56 customers, purchasers or subscribers making them, who must add to their

1 signatures their places of residence, by street and number, if any. The  
2 commission shall publish the form and instructions for completing the  
3 form on the commission's website.

4 2. The commission shall complete its investigation and review and  
5 issue, within ninety days, to the complainant, its final written deter-  
6 mination of any appeal pursuant to this section. Such written determi-  
7 nation shall include the relevant facts established, the reasons for the  
8 determination, what actions must be taken and what further procedures  
9 are available to a complainant.

10 3. Each utility corporation subject to this article shall retain bill-  
11 ing records for a period of eight years for all customers.

12 § 4. Section 84 of the public service law, as amended by section 49 of  
13 part A of chapter 62 of the laws of 2011, is amended to read as follows:

14 § 84. Complaints as to service and price of steam heat; investigation  
15 by commission; forms of complaints. 1. Upon the complaint in writing of  
16 the mayor of the city, the trustees of a village or the town board of a  
17 town in which a person or corporation is authorized to manufacture, sell  
18 or supply steam for heat or power, or upon the complaint in writing of  
19 not less than fifty customers or purchasers of such steam heat in cities  
20 of the first or second class, or of not less than twenty-five in cities  
21 of the third class, or of not less than ten elsewhere, or upon the  
22 complaint in writing of the department of state, as to the price, pres-  
23 sure or efficiency of steam supplied for heat or power, sold and deliv-  
24 ered in such municipality, the commission shall investigate as to the  
25 cause for such complaint. When such complaint is made, the commission  
26 may, by its agents, examiners and inspectors, inspect the work, system,  
27 plant, devices, appliances and methods used by such person or corpo-  
28 ration in manufacturing, transmitting and supplying such steam, and may  
29 examine or cause to be examined the books and papers of such person or  
30 corporation pertaining to the manufacture, sale, transmitting and  
31 supplying of such steam. The form and contents of complaints made as  
32 provided in this section shall be prescribed by the commission. Such  
33 complaint shall be signed by the officers, or by the customers, purchas-  
34 ers or subscribers making them, who must add to their signatures their  
35 place of residence, by street and number, if any.

36 2. The commission shall complete its investigation and review and  
37 issue, within ninety days, to the complainant, its final written deter-  
38 mination of any appeal pursuant to this section. Such written determi-  
39 nation shall include the relevant facts established, the reasons for the  
40 determination, what actions must be taken and what further procedures  
41 are available to a complainant.

42 3. Each utility corporation subject to this article shall retain bill-  
43 ing records for a period of eight years for all customers.

44 § 5. This act shall take effect on the thirtieth day after it shall  
45 have become a law.
