1 section eleven hundred eighty of this article during the following  
2 times: (A) on school days during school hours and one hour before and  
3 one hour after the school day, and (B) a period during student activ-  
4 ities at the school and up to thirty minutes immediately before and up  
5 to thirty minutes immediately after such student activities. In select-  
6 ing a school speed zone in which to install and operate a photo speed  
7 violation monitoring system, the city shall consider criteria including,  
8 but not limited to, the speed data, crash history, and the roadway geom-  
9 etry applicable to such school speed zone.

10 2. No photo speed violation monitoring system shall be used in a  
11 school speed zone unless (i) on the day it is to be used it has success-  
12 fully passed a self-test of its functions; and (ii) it has undergone an  
13 annual calibration check performed pursuant to paragraph four of this  
14 subdivision. The city shall install signs giving notice that a photo  
15 speed violation monitoring system is in use to be mounted on advance  
16 warning signs notifying motor vehicle operators of such upcoming school  
17 speed zone and/or on speed limit signs applicable within such school  
18 speed zone, in conformance with standards established in the MUTCD.

19 3. Operators of photo speed violation monitoring systems shall have  
20 completed training in the procedures for setting up, testing, and oper-  
21 ating such systems. Each such operator shall complete and sign a daily  
22 set-up log for each such system that he or she operates that (i) states  
23 the date and time when, and the location where, the system was set up  
24 that day, and (ii) states that such operator successfully performed, and  
25 the system passed, the self-tests of such system before producing a  
26 recorded image that day. The city shall retain each such daily log until  
27 the later of the date on which the photo speed violation monitoring  
28 system to which it applies has been permanently removed from use or the  
29 final resolution of all cases involving notices of liability issued  
30 based on photographs, microphotographs, videotape or other recorded  
31 images produced by such system.

32 4. Each photo speed violation monitoring system shall undergo an annu-  
33 al calibration check performed by an independent calibration laboratory  
34 which shall issue a signed certificate of calibration. The city shall  
35 keep each such annual certificate of calibration on file until the final  
36 resolution of all cases involving a notice of liability issued during  
37 such year which were based on photographs, microphotographs, videotape  
38 or other recorded images produced by such photo speed violation monitor-  
39 ing system.

40 5. (i) Such demonstration program shall utilize necessary technologies  
41 to ensure, to the extent practicable, that photographs, microphoto-  
42 graphs, videotape or other recorded images produced by such photo speed  
43 violation monitoring systems shall not include images that identify the  
44 driver, the passengers, or the contents of the vehicle. Provided,  
45 however, that no notice of liability issued pursuant to this section  
46 shall be dismissed solely because such a photograph, microphotograph,  
47 videotape or other recorded image allows for the identification of the  
48 driver, the passengers, or the contents of vehicles where the city shows  
49 that it made reasonable efforts to comply with the provisions of this  
50 paragraph in such case.

51 (ii) Photographs, microphotographs, videotape or any other recorded  
52 image from a photo speed violation monitoring system shall be for the  
53 exclusive use of the city for the purpose of the adjudication of liabil-  
54 ity imposed pursuant to this section and of the owner receiving a notice  
55 of liability pursuant to this section, and shall be destroyed by the  
56 city upon the final resolution of the notice of liability to which such

1 photographs, microphotographs, videotape or other recorded images  
2 relate, or one year following the date of issuance of such notice of  
3 liability, whichever is later. Notwithstanding the provisions of any  
4 other law, rule or regulation to the contrary, photographs, microphoto-  
5 graphs, videotape or any other recorded image from a photo speed  
6 violation monitoring system shall not be open to the public, nor subject  
7 to civil or criminal process or discovery, nor used by any court or  
8 administrative or adjudicatory body in any action or proceeding therein  
9 except that which is necessary for the adjudication of a notice of  
10 liability issued pursuant to this section, and no public entity or  
11 employee, officer or agent thereof shall disclose such information,  
12 except that such photographs, microphotographs, videotape or any other  
13 recorded images from such systems:

14 (A) shall be available for inspection and copying and use by the motor  
15 vehicle owner and operator for so long as such photographs, microphoto-  
16 graphs, videotape or other recorded images are required to be maintained  
17 or are maintained by such public entity, employee, officer or agent; and

18 (B) (1) shall be furnished when described in a search warrant issued  
19 by a court authorized to issue such a search warrant pursuant to article  
20 six hundred ninety of the criminal procedure law or a federal court  
21 authorized to issue such a search warrant under federal law, where such  
22 search warrant states that there is reasonable cause to believe such  
23 information constitutes evidence of, or tends to demonstrate that, a  
24 misdemeanor or felony offense was committed in this state or another  
25 state, or that a particular person participated in the commission of a  
26 misdemeanor or felony offense in this state or another state, provided,  
27 however, that if such offense was against the laws of another state, the  
28 court shall only issue a warrant if the conduct comprising such offense  
29 would, if occurring in this state, constitute a misdemeanor or felony  
30 against the laws of this state; and

31 (2) shall be furnished in response to a subpoena duces tecum signed by  
32 a judge of competent jurisdiction and issued pursuant to article six  
33 hundred ten of the criminal procedure law or a judge or magistrate of a  
34 federal court authorized to issue such a subpoena duces tecum under  
35 federal law, where the judge finds and the subpoena states that there is  
36 reasonable cause to believe such information is relevant and material to  
37 the prosecution, or the defense, or the investigation by an authorized  
38 law enforcement official, of the alleged commission of a misdemeanor or  
39 felony in this state or another state, provided, however, that if such  
40 offense was against the laws of another state, such judge or magistrate  
41 shall only issue such subpoena if the conduct comprising such offense  
42 would, if occurring in this state, constitute a misdemeanor or felony in  
43 this state; and

44 (3) may, if lawfully obtained pursuant to this clause and clause (A)  
45 of this subparagraph and otherwise admissible, be used in such criminal  
46 action or proceeding.

54 hundred eighty of this article, such vehicle was traveling at a speed of  
55 more than ten miles per hour above the posted speed limit in effect  
56 within such school speed zone, and such violation is evidenced by infor-

1 mation obtained from a photo speed violation monitoring system; provided  
2 however that no owner of a vehicle shall be liable for a penalty imposed  
3 pursuant to this section where the operator of such vehicle has been  
4 convicted of the underlying violation of subdivision (b), (c), (d), (f)  
5 or (g) of section eleven hundred eighty of this article.

25 section for any time period during which the vehicle or the number plate

29 section eleven hundred eighty of this article pursuant to this section  
30 that the vehicle or the number plate or plates of such vehicle had been

43 of section eleven hundred eighty of this article pursuant to this  
44 section, provided that:

45 (i) prior to the violation, the lessor has filed with such parking  
46 violations bureau in accordance with the provisions of section two

23 tor operated such vehicle in violation of subdivision (b), (c), (d), (f)  
24 or (g) of section eleven hundred eighty of this article.

25 (m) Nothing in this section shall be construed to limit the liability  
26 of an operator of a vehicle for any violation of subdivision (c) or (d)  
27 of section eleven hundred eighty of this article.

28 (n) If the city adopts a demonstration program pursuant to subdivision
