§ 112. Separability of congressional districts. Each congressional district created by this article shall be deemed a separate district for the purpose of apportionment of the entire state into congressional districts. If one or more congressional districts created by this article are judicially found not to be in compliance with the decisions and mandates of a court of competent jurisdiction, only the defective district or districts and those immediately adjacent or contiguous thereto shall be reapportioned. All other districts shall be deemed to be properly created.

§ 2. Construction. a. This act shall be liberally construed to effectuate the purposes thereof and to apportion and district this state in compliance with constitutional and statutory requirements.

b. It is intended that this act and the congressional districts described herein completely encompass all the area of the state. It is also intended that such districts apportioned on the basis of 2020 population, contain the whole number of persons in this state. It is further intended that the apportionment and districting provided for in this act result in the creation of districts containing equal population as nearly as practicable. It is also intended that no district shall include any of the area included within the description of any other district.

§ 3. Saving clause. a. If the districts described in the act do not carry out the purposes thereof, because of unintentional omissions; duplications; overlapping areas; erroneous nomenclature; lack of adequate maps or descriptions of political subdivisions, wards, or other divisions thereof, or of their boundary lines; street closings, changes in names of streets, or other changes of public places; alteration of the boundary or courses of waters or waterways, filling in of lands underwater, accretion or other changes in shorelines or alteration of courses, rights of way, or lines of public utilities or other conditions, then the state board of elections, at the request of any person or candidate, aggrieved thereby, shall, by order, correct such omissions, overlappings, erroneous nomenclature, or other defects in the description of districts so as to accomplish the purposes and objectives of this act.

1 b. In promulgating such orders, the state board of elections, in addi-
2 tion to achieving equality in the population of districts and ensuring
3 that all areas of the state are completely and accurately encompassed in
4 such districts, shall be guided by the following standards:

5 (1) Gaps in the description of any district shall be completed in a
6 manner which results in a total description of that district consonant
7 with the description of adjacent districts and results in complete
8 contiguity of districts.

9 (2) Areas of the state included within the descriptions of more than
10 one district shall be allocated to the district having the lowest popu-
11 lation.

12 (3) Areas of the state not included within the descriptions of any
13 district shall be allocated to the adjacent district having the lowest
14 population.

15 (4) In the event that the area subject to corrected description or
16 allocation as provided in paragraphs one, two or three of this subdivi-
17 sion, is of such size or contains such population that its inclusion as
18 a unit in any district would result in substantial disparity in the
19 size, shape or population of such district, then the state board of
20 elections may allocate portions of such area to two or more districts.

21 (5) In any allocation of area or correction of a description made
22 pursuant to this section, the state board of elections shall, consistent
23 with the foregoing standards, preserve the contiguity and compactness of
24 districts and avoid the unnecessary division of political subdivisions.

25 c. Copies of such orders shall be filed by the state board of
26 elections in its own office and in the office of the affected boards of
27 election. A copy of each such order shall also be filed by the state
28 board with the legislative bill drafting commission to facilitate it in
29 performing its functions under section 70-b of the public officers law.
30 In addition, a copy of such order shall be served upon the person or
31 candidate, if any, who instituted the application for such an order. The
32 state board of elections may adopt reasonable rules regulating the
33 procedure for applications for orders under this section in the manner
34 of serving and filing any notice or copy of orders relating thereto.

35 d. Upon the filing of such an order, the description of any affected
36 district shall be deemed to have been corrected in the manner provided
37 in such order to the full extent as if such correction had been
38 contained in the original description set forth in this act.

39 e. In furtherance of effectuating the provisions of subdivision d of
40 this section, the legislative bill drafting commission, upon receipt
41 from the state board of elections of an order promulgated pursuant to
42 subdivision b of this section, and upon the approval of the temporary
43 president of the senate and the speaker of the assembly, shall cause the
44 description of a congressional district altered pursuant to any such
45 order to be revised accordingly within its data base of the laws of the
46 state of New York so that such altered district may be contained in a
47 publication of the state law and be certified to as a correct transcript
48 of the text of law relating thereto such district in the manner author-
49 ized by section 70-b of the public officers law.

50 f. If any part or provision of this act relating to any congressional
51 district shall be adjudged invalid by a court of competent jurisdiction,
52 such judgment shall: (1) be confined in its operation to the part or
53 provision of this act or the district or districts described herein
54 directly involved in the controversy in which such judgment shall have
55 been rendered, and (2) not affect or impair the validity of the remain-
56 ing parts, provisions or districts described in this act or elsewhere.

1 g. The congressional districts of this state, as existing immediately
2 prior to the effective date of this act, shall continue to be the
3 congressional districts of the state for the purpose of filling vacan-
4 cies in the office of representative in congress at any special election
5 held prior to the general election of the year 2024.

6 h. The congressional districts of this state, from and after the
7 effective date of this act, shall be the congressional districts of the
8 state for the purpose of designating and nominating candidates for
9 representatives in congress, and for electing district delegates and
10 alternate district delegates to national party conventions.

11 i. In order to provide for an orderly election of members of the
12 congress from the state of New York and in recognition of the constitu-
13 tional mandate that congressional districts shall be created by law
14 subject to judicial review under such reasonable regulations as the
15 legislature may prescribe, it is hereby determined and declared that no
16 order of the court invalidating this act or part thereof shall be
17 entered in a manner which will deprive the legislature of an opportunity
18 to discharge its constitutional mandate. In any proceeding for judicial
19 review of the provisions of this act, the determination of the court
20 shall be embodied in a tentative order which shall become final 30 days
21 after service of copies thereof upon the parties unless the court shall,
22 in the interval, on application of any party, resettle its order.

23 j. If any clause, sentence, paragraph, section or part of this act
24 shall be adjudged by any court of competent jurisdiction to be invalid,
25 such judgment shall not affect, impair or invalidate the remainder ther-
26 eof, but shall be confined in its operation to the clause, sentence,
27 paragraph, section or part thereof directly involved in the controversy
28 in which such judgment shall have been rendered.

29 § 4. Separability. If any clause, sentence, paragraph, section or part
30 of this act shall be adjudged by any court of competent jurisdiction to
31 be invalid, such judgment shall not affect, impair or invalidate the
32 remainder thereof, but shall be confined in its operation to the clause,
33 sentence, paragraph, section or part thereof directly involved in the
34 controversy in which such judgment shall have been rendered.

35 § 5. This act shall take effect immediately.
