§ 4. Subdivision 6 of section 2023-a of the education law, as added by section 2 of part A of chapter 97 of the laws of 2011, is amended to read as follows:

6. (a) Notwithstanding any other provision of law to the contrary, in the event the trustee, trustees or board of education of a school district that is subject to the provisions of this section proposes a budget that will require a tax levy that exceeds the tax levy limit for the corresponding school year, not including any levy necessary to support the expenditures pursuant to subparagraphs (i) through (iv) of paragraph i of subdivision two of this section, then such budget shall be approved if ~~[sixty]~~ more than fifty percent of the votes cast thereon are in the affirmative.

(b) Where the trustee, trustees or board of education proposes a budget subject to the requirements of paragraph (a) of this subdivision, the ballot for such budget shall include the following statement in substantially the same form: "Adoption of this budget requires a tax levy increase of _____ which exceeds the statutory tax levy increase limit of _____ for this school fiscal year and therefore exceeds the state tax cap and must be approved by ~~[sixty]~~ more than fifty percent of the qualified voters present and voting."
