8906

IN SENATE

March 26, 2024

- Introduced by Sen. FERNANDEZ -- read twice and ordered printed, and when printed to be committed to the Committee on Higher Education
- AN ACT to amend the education law, in relation to establishing a student mental health apprenticeship retention and training (SMART) internship grant program

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1	Section 1. The education law is amended by adding a new section 319 to
2	read as follows:
3	§ 319. Student mental health apprenticeship retention and training
4	(SMART) internship grant program. 1. As used in this section, the
5	following terms shall have the following meanings:
б	(a) "Debt or expenses repayment" means debt or expenses connected to a
7	<u>recipient's student loans.</u>
8	(b) "Department" means the department of education.
9	(c) "Designated recipient" means an individual who is enrolled in, and
10	in good standing at, as determined by the program, a graduate-level
11	mental health professional program maintained by an institution of high-
12	er education located in this state or out-of-state, which includes a
13	department-approved school counselor education or preparation program
14	maintained by an institution of higher education located in this state
15	or out-of-state, school social worker education or preparation program
16	maintained by an institution of higher education located in this state
17	or out-of-state, or school psychology education or preparation program
18	maintained by an institution of higher education located in this state
19	or out-of-state that offers designations, a focus, or special certif-
20	ications in the provision of school mental health services, and who is
21	working toward obtaining any of the following:
22	(i) a license to practice social work pursuant to article one hundred
23	<u>fifty-four of this chapter;</u>
24	(ii) a school counseling endorsement issued by the department on his
25	or her teaching certificate;
26	<u>(iii) a school psychologist; or</u>

27 (iv) a school social worker.

EXPLANATION--Matter in italics (underscored) is new; matter in brackets [-] is old law to be omitted.

LBD14121-01-4

S. 8906

1	(d) "Extenuating circumstance" means a circumstance determined by the
2	department in consultation with the designated recipient to whom the
3	circumstance applies or who is impacted by the circumstance.
4	(e) "Field supervisor", "field instructor", or "supervisor" means an
5	individual who supervises an eligible designated recipient and to whom
б	the following apply, as applicable:
7	(i) For an individual who is supervising, as described in this subdi-
8	vision, a designated recipient who is working toward obtaining a prelim-
9	inary school psychologist certificate, or a school psychologist certif-
10	icate, the individual providing supervision maintains a school
11	psychologist certificate during the supervision.
12	(ii) For an individual who is supervising, as described in this subdi-
13	vision, a designated recipient who is working toward obtaining temporary
14	or full school social worker approval, the individual providing super-
15	vision maintains full school social worker approval during the super-
16	vision.
17	(iii) For an individual who is supervising a designated recipient who
18	is working toward obtaining a school counselor license, a preliminary
19	school counselor credential, or a school counselor endorsement issued by
20	the department on his or her teaching certificate, the individual
21	providing supervision maintains a school counselor, maintains a school
22	counselor endorsement on his or her teaching certificate, or is a school
23	counselor educator in a department-approved school counselor preparation
24	program during the supervision.
25	(f) "School fiscal year" means a fiscal year that commences July first
26	and continues through June thirtieth.
27	(g) "The grant program" means the student mental health apprenticeship
28	retention and training (SMART) internship grant program created in
29	subdivision two of this section.
30	2. (a) The department shall create and administer a student mental
31	health apprenticeship retention and training (SMART) internship grant
32	program to provide grants to designated recipients and to provide grants
33	to field supervisors, field instructors, and supervisors as described in
34	this section. It is the intent of the legislature that the grant program
35	lead to, at a minimum, both of the following:
36	(i) The provision of paid and educationally meaningful internship
37	practicum in school settings for designated recipients; and
38	(ii) The utilization of funding obtained by a public school to hire
39	designated recipients who obtained a grant under this section.
40	(b) The department shall administer grant funding through the grant
41	program to designated recipients through agreements. The agreements
42	described in this subdivision shall meet the following criteria:
43	(i) The department shall administer grant funding as described in this
44	subdivision in an amount per eligible designated recipient that is equal
45	to twenty-five dollars per hour for each hour spent in an intern capaci-
46	ty for up to twenty hours per week of an internship in a public school
47	that occurs over a thirty-week period in a school year or a lump sum
48	amount equal to fifteen thousand dollars for up to twenty hours per week
49	of an internship in a public school that occurs over a thirty-week peri-
50	od in a school year. The lump sum amount described in this subdivision
51	must be paid at the end of the thirty-week period described in this
52	
52	subdivision. As used in this subdivision, "eligible designated recipi-
53	subdivision. As used in this subdivision, "eligible designated recipi- ent" means a designated recipient to whom both of the following apply:
	ent" means a designated recipient to whom both of the following apply: (A) Either of the following:
53	ent" means a designated recipient to whom both of the following apply:

S. 8906

-	
1	this section who is in the first year of an internship period required
2	by the program and who is serving as a substitute teacher or in a para-
3	professional role in a public school as described in this subdivision or
4	who is in a supervised role in a public school as described in this
5	subdivision and following best-practice training and supervision
б	requirements as indicated by national standards set forth by the appro-
7	priate national professional organizations. As used in this clause,
8	"supervised role" means a role in which the individual is supervised by
9	a field supervisor, field instructor, or supervisor while he or she is
10	<u>serving in the role; or</u>
11	(2) The individual is enrolled in a graduate-level mental health
12	professional program described in paragraph (c) of subdivision one of
13	this section who is in the second year of an internship period required
14	by the program and who is in a supervised role in a public school as
15	described in this subdivision and following best-practice training and
16	supervision requirements as indicated by national standards set forth by
17	the appropriate national professional organizations. As used in this
18	clause, "supervised role" means a role in which the individual is super-
19	vised by a field supervisor, field instructor, or supervisor while he or
20	she is serving in the role.
21	(B) At least one of the following applies to the individual's work as
22	described under this subdivision:
23	(1) The individual is interning in a discipline that has been desig-
24	nated as critical shortage by the superintendent of public instruction
25	for the immediately preceding school fiscal year;
26	(2) The individual is interning in a public school in which not less
27	than fifty percent of pupils enrolled are eligible for free or reduced-
28	price meals; or
29	(3) The individual is interning in a public school that received fund-
29 30	(3) The individual is interning in a public school that received fund- ing in the immediately preceding school fiscal year.
29 30 31	(3) The individual is interning in a public school that received fund- ing in the immediately preceding school fiscal year. (c) Include a requirement that the designated recipient who receives

2901233333333444444444445555	 (3) The individual is interning in a public school that received funding in the immediately preceding school fiscal year. (c) Include a requirement that the designated recipient who receives funding through the grant program shall work at a public school for not less than three school years as of the date of the agreement. (d) A payment or payments of funding through the grant program must be made as follows to designated recipients, pursuant to an agreement between the designated recipient, the public school in which he or she is interning as described in this subdivision and the graduate-level mental health professional program described in paragraph (c) of subdivision one of this section that he or she is enrolled: (i) On the same pay period or schedule offered to other educational professionals at the public school in which the designated recipient is serving for purposes of qualifying for funding under this section; or (ii) Through one lump-sum payment on the date on which the designated recipient's service for purposes of qualifying for funding under this sectione and an applicable: (i) For recipients of the funding who receive twenty-five dollars per hour as described in this subdivision: (A) If the recipient permanently ceases to satisfy the qualification requirements that initially made the recipient eligible for funding under this section either by his or her own initiative, by initiative of the public school in which he or she was interning, or by initiative of

56 the date on which this occurs; and

S. 8906

1	(B) If the recipient temporarily ceases to satisfy the qualification
2	requirements that initially made the recipient eligible for funding
3	under this act because he or she is relocating to intern in another
4	public school or due to a leave of absence, payments must stop during
5	the period which the individual does not meet the requirements, but may
6	be continued when the individual again meets the qualification require-
7	ments, but must not be continued beyond thirty weeks from the date the
8	individual initially started his or her internship at the public school
9	under this subdivision.
10	(ii) For recipients of the funding who receive the lump sum of fifteen
11	thousand dollars as described in this section:
12	(A) If the recipient permanently ceases to satisfy the qualification
13	requirements that initially made the recipient eligible for funding
14	under this section either by his or her own initiative, by initiative of
15	the public school in which he or she was interning, or by initiative of
16	the graduate-level mental health professional program described in para-
17	graph (c) of subdivision one of this section, the recipient may receive
18	a pro rata amount of the lump sum that reflects the number of hours the
19	individual interned at the public school while meeting the qualification
20	requirements for funding under this section; or
21	(B) If the recipient temporarily ceases to satisfy the qualification
22	requirements that initially made the recipient eligible for funding
23	under this section because he or she is relocating to intern in another
24	public school or due to a leave of absence, the individual is still
25	eligible to receive the full amount of the lump sum if he or she
26	completes all of the qualification requirements for funding under this
27	section.
28	3. The department may, for extenuating circumstances, make a debt or
29	expense repayment to a designated recipient before or during each year
30	of service that the designated recipient shall complete or is completing
31	for purposes of qualifying for funding under this section.
32	4. Each state university that designated recipients are enrolled in
33	for the graduate-level mental health professional program described in
34	paragraph (c) of subdivision one of this section may continue implement-
35	ing any existing evaluation processes required as part of any certif-
36	ication, licensing, or approval requirements associated with serving as
37	a school mental health professional. For purposes of this section, the
38	results from an evaluation described in this subdivision may be used as
39	a reason for the individual's disqualification for grant funding under
40	this section.
41	5. A designated recipient that receives a grant under this act shall
42	submit any evaluations he or she receives as described in subdivision
43	four of this section and any evaluations received from the public school
44	in which he or she is interning. Upon receiving an evaluation, the
45	department shall determine whether the designated recipient is still
46	eligible to receive grant funding under this section or whether the
47	recipient is subject to subdivision four of this section and shall noti-
48	fy the recipient of its determination.
49	6. The department shall administer grant funding through the grant
50	program to field supervisors, field instructors, or supervisors. A grant
51	to a field supervisor, field instructor, or supervisor under this
52	subsection must not exceed two hundred fifty dollars for each designated
53	recipient that he or she supervises.
54	7. A designated recipient who receives a grant under this act is not
55	prohibited from applying for another grant under this act if he or she
55	provide the molification of the most function of the state

56 meets the qualifications for grant funding under this section.

1 § 2. Beginning one year after the effective date of this act, the 2 department of education shall report to the governor, the temporary 3 president of the senate and the speaker of the assembly, the status and 4 outcomes of the student mental health apprenticeship retention and 5 training (SMART) internship grant program.

6 § 3. This act shall take effect on the first of July next succeeding 7 the date on which it shall have become a law. Effective immediately, the 8 addition, amendment and/or repeal of any rule or regulation necessary 9 for the implementation of this act on its effective date are authorized 10 to be made and completed on or before such effective date.
