IN SENATE

April 15, 2024

Introduced by Sen. MARTINS -- read twice and ordered printed, and when printed to be committed to the Committee on Environmental Conservation

AN ACT directing the department of environmental conservation to develop a regional plan for Long Island glass recycling

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. 1. The department of environmental conservation is hereby directed to engage and coordinate Long Island municipalities, Alfred university, and the glass packaging institute to develop a regional plan for Long Island glass recycling. Such plan shall include:

(a) proposals for the reuse of recycled materials; and

(b) site state-owned property, or property that could be acquired by the state, where a Long Island glass recycling facility is to be built.

2. No later than one year after the effective date of this act, the department of environmental conservation shall submit a report to the governor, the temporary president of the senate, the speaker of the assembly, the minority leader of the senate, the minority leader of the assembly, the county executive of Nassau county, and the county executive of Suffolk county detailing the regional plan for Long Island glass recycling required pursuant to subdivision one of this act.

§ 2. This act shall take effect immediately.

EXPLANATION--Matter in *italics* (underscored) is new; matter in brackets [-] is old law to be omitted.
