Introduced by Sen. SALAZAR -- read twice and ordered printed, and when printed to be committed to the Committee on Social Services

AN ACT to amend the executive law, in relation to requiring the New York state office for the prevention of domestic violence to establish trauma-informed standards for domestic violence abuse intervention programs

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. This act shall be known and may be cited as the "trauma-in-  
2 formed standards for domestic violence abuse intervention programs act".

3 § 2. The executive law is amended by adding a new section 577 to read  
4 as follows:

5 § 577. Trauma-informed standards for domestic violence abuse inter-  
6 vention programs. 1. Purpose. The purpose of this section is to estab-  
7 lish a statewide framework for domestic violence abuse intervention  
8 programs that is rooted in trauma-informed care principles, enhancing  
9 the safety, support, and recovery of survivors while promoting account-  
10 ability and therapeutic engagement for people who cause harm.

11 2. Definitions. For the purposes of this section:

12 (a) "Trauma-informed care" means a framework that involves understand-  
13 ing, recognizing, and responding to the effects of all types of trauma,  
14 emphasizing physical, psychological, and emotional safety for both  
15 providers and survivors, and helping rebuild a sense of control and  
16 empowerment.

17 (b) "Domestic violence abuse intervention program" means any program  
18 or service designed to address and mitigate domestic violence through  
19 education, therapy, and community support for the person who causes  
20 harm, with a primary focus on survivor safety and well-being.

21 3. Trauma-informed standards. All domestic violence abuse intervention  
22 programs operating within the state shall adhere to the following trau-  
23 ma-informed standards:

24 (a) Comprehensive training which shall require that all staff and  
25 administrators are trained in trauma-informed care practices;

1 (b) Participant assessment which shall require conducting thorough  
2 assessments of participants to identify trauma-related issues and  
3 tailoring intervention strategies accordingly;

4 (c) Survivor safety and empowerment which shall prioritize the safety,  
5 confidentiality, and autonomy of survivors in all program activities and  
6 decisions;

7 (d) Accountability and engagement which shall encourage people who  
8 cause harm's accountability for their actions and engagement in the  
9 healing process, recognizing the impact of their behavior on survivors  
10 and the community;

11 (e) Collaboration and community linkages which shall foster collab-  
12 oration with local agencies, community organizations, and support  
13 services to provide comprehensive support for participants and survi-  
14 vors; and

15 (f) Evaluation and feedback which shall implement ongoing evaluation  
16 mechanisms to assess program effectiveness, incorporating feedback from  
17 participants, survivors, and staff to make continuous improvements.

18 4. Implementation. (a) The office shall oversee the implementation of  
19 these trauma-informed standards and shall provide guidance, resources,  
20 and monitoring to ensure compliance.

21 (b) The office shall establish a certification process for domestic  
22 violence abuse intervention programs, based on adherence to the trauma-  
23 informed standards outlined in this section.

24 5. Funding. The state shall appropriate funds to support the training,  
25 implementation, and evaluation of the trauma-informed domestic violence  
26 abuse intervention programs established pursuant to this section in  
27 order to ensure that adequate resources are available to meet the stand-  
28 ards set forth in this section.

29 § 3. This act shall take effect one year after it shall have become a  
30 law.
