Introduced by Sen. GRIFFO -- read twice and ordered printed, and when printed to be committed to the Committee on Civil Service and Pensions

AN ACT to authorize Scott Hoag to receive certain service credit under section 384-d of the retirement and social security law

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Notwithstanding any other provision of law to the contrary,  
2 Scott Hoag, a member of the New York state and local police and fire  
3 retirement system, who is employed as a police officer with the city of  
4 Rome, and who, through no fault of his own, failed to file a timely  
5 application to participate in the special twenty-year retirement plan  
6 contained in section 384-d of the retirement and social security law  
7 resulting in the crediting of his service with the city of Rome in the  
8 general retirement plan contained in section 375-i of such law, shall be  
9 given full credit in the special twenty-year retirement plan upon the  
10 election of the city of Rome to assume the additional cost of such  
11 service credit. The city of Rome may so elect by filing with the state  
12 comptroller, within six months from the effective date of this act, a  
13 resolution of its local legislative body together with certification  
14 that such police officer did not bar himself from participation in such  
15 retirement plan as a result of his own negligence. Thereafter, such  
16 police officer may elect to be covered by the provisions of section  
17 384-d of the retirement and social security law by filing a request to  
18 that effect with the state comptroller within six months from the effec-  
19 tive date of such resolution.

20 § 2. All employer past service costs associated with implementing the  
21 provisions of this act shall be borne by the city of Rome and may be  
22 amortized over a ten-year period.

23 § 3. This act shall take effect immediately.

FISCAL NOTE.--Pursuant to Legislative Law, Section 50:

This bill would allow the City of Rome to reopen the provisions of section 384-d, together with 384-e, of the Retirement and Social Security Law for police officer Scott Hoag.

EXPLANATION--Matter in italics (underscored) is new; matter in brackets [-] is old law to be omitted.

LBD14466-02-4

If this bill is enacted during the 2024 Legislative Session, we anticipate that there will be an increase of approximately \$12,000 in the annual contributions of the City of Rome for the fiscal year ending March 31, 2025. In future years this cost will vary as the billing rates and salary of Scott Hoag change.

In addition to the annual contributions discussed above, there will be an immediate past service cost of approximately \$341,000 which will be borne by the City of Rome as a one-time payment. This estimate assumes that payment will be made on February 1, 2025. If the City of Rome elects to amortize this cost over a 10-year period, the cost for each year including interest would be \$43,500.
