1 § 2. Subdivision 2 of section 238 of the vehicle and traffic law, as
2 amended by chapter 224 of the laws of 1995, is amended to read as
3 follows:

4 2. A notice of violation shall be served personally upon the operator
5 of a motor vehicle who is present at the time of service, and [~~his~~] such
6 operator's name, together with the plate designation and the plate type
7 as shown by the registration plates of said vehicle and the expiration
8 date, provided that where the vehicle has no such registration plate
9 issued by the commissioner, the commissioner's agent, or the equivalent
10 official or agents from another state, territory, district, province,
11 nation or other jurisdiction, or where such registration plate is
12 concealed or obscured, the vehicle identification number may be inserted
13 in such notice in place of or in addition to the plate designation and
14 plate type; the make or model, and, provided that a body type is indi-
15 cated on the registration sticker of said vehicle, the body type of said
16 vehicle; a description of the charged violation, including but not
17 limited to a reference to the applicable traffic rule or provision of
18 this chapter; information as to the days and hours the applicable rule
19 or provision of this chapter is in effect, unless always in effect
20 pursuant to rule or this chapter and where appropriate the word ALL when
21 the days and/or hours in effect are everyday and/or twenty-four hours a
22 day; the meter number for a meter violation, where appropriate; and the
23 date, time and particular place of occurrence of the charged violation,
24 shall be inserted therein. A mere listing of a meter number in cases of
25 charged meter violations shall not be deemed to constitute a sufficient
26 description of a particular place of occurrence for purposes of this
27 subdivision. The notice of violation shall be served upon the owner of
28 the motor vehicle if the operator is not present, by affixing such
29 notice to said vehicle in a conspicuous place. Whenever such notice is
30 so affixed, in lieu of inserting the name of the person charged with the
31 violation in the space provided for the identification of said person,
32 the words "owner of the vehicle bearing license" may be inserted to be
33 followed by the plate designation and plate type as shown by the regis-
34 tration plates of said vehicle together with the expiration date,
35 provided that where the vehicle has no such registration plate issued by
36 the commissioner, the commissioner's agent, or the equivalent official
37 or agents from another state, territory, district, province, nation or
38 other jurisdiction, or where such registration plate is concealed or
39 obscured, the vehicle identification number may be inserted in such
40 notice in place of the plate designation and plate type, such notice
41 shall indicate the reason for insertion of such vehicle identification
42 number, and supporting photographic documentation may be provided; the
43 make or model, and, provided that a body type is indicated on the regis-
44 tration sticker of said vehicle, the body type of said vehicle; a
45 description of the charged violation, including but not limited to a
46 reference to the applicable traffic rule or provision of this chapter;
47 information as to the days and hours the applicable rule or provision of
48 this chapter is in effect unless always in effect pursuant to rule or
49 this chapter and where appropriate the word ALL when the days and/or
50 hours in effect are every day and/or twenty-four hours a day; the meter
51 number for a meter violation where appropriate; and the date, time and
52 particular place of occurrence of the charged violation. Service of the
53 notice of violation, or a duplicate thereof by affixation as herein
54 provided shall have the same force and effect and shall be subject to
55 the same penalties for disregard thereof as though the same was

1 personally served with the name of the person charged with the violation
2 inserted therein.

3 § 3. Paragraph (a) of subdivision 2-a of section 238 of the vehicle
4 and traffic law, as added by chapter 224 of the laws of 1995, is amended
5 to read as follows:

6 (a) Notwithstanding any inconsistent provision of subdivision two of
7 this section, where the plate type or the expiration date are not shown
8 on either the registration plates or sticker of a vehicle or where the
9 registration sticker is covered, faded, defaced or mutilated so that it
10 is unreadable, or cannot be located on such vehicle, the plate type or
11 the expiration date may be omitted from the notice of violation;
12 provided, however, [~~such~~] that the condition or absence of such plates
13 or sticker must be so described and inserted on the notice of violation
14 and that supporting photographic documentation may be provided.

15 § 4. Subparagraph (ii) of paragraph (c) of subdivision 2-a of section
16 238 of the vehicle and traffic law, as added by chapter 409 of the laws
17 of 2001, is amended to read as follows:

18 (ii) Notice shall be served on the owner by mail to the last known
19 registered address within the greater of six years of the date of the
20 dismissal or two years of the time that the enforcing authority discov-
21 ers, or could with reasonable diligence have discovered, that the
22 dismissal was procured due to the knowing fraud, false testimony,
23 misrepresentation, or other misconduct, or the knowing alteration of a
24 notice of parking violation, by the person so charged or [~~his or her~~]
25 such person's agent, employee, or representative. Such notice shall fix
26 a time when and place where a hearing shall be held before a hearing
27 examiner to determine whether or not dismissal of a charged parking
28 violation shall be set aside. Such notice shall set forth the basis for
29 setting aside the dismissal and advise the owner that failure to appear
30 at the date and time indicated in such notice shall be deemed an admis-
31 sion of liability and shall result in the setting aside of the dismissal
32 and entry of a determination on the charged parking violation. Such
33 notice shall also contain a warning that civil penalties may be imposed
34 for the violation pursuant to this paragraph and that a default judgment
35 may be entered thereon.

36 § 5. Section 242 of the vehicle and traffic law is amended by adding a
37 new subdivision 3-a to read as follows:

38 3-a. Notwithstanding any provision of this section to the contrary, in
39 cities having a population of one million or more persons, an adminis-
40 trative appeal of a determination regarding a notice of violation served
41 on an owner or operator of a commercial vehicle, as such term is defined
42 in section 4-01 of title thirty-four of the rules of the city of New
43 York, shall be conducted only when an appellant has either:

44 (a) posted a bond in the amount of the determination appealed from; or
45 (b) paid to the parking violations bureau the following penalties and
46 surcharges, as applicable:

47 (i) any penalty imposed pursuant to a notice of liability issued
48 pursuant to a program authorized by section three hundred eighty-five-a,
49 eleven hundred eleven-a, eleven hundred eleven-c, eleven hundred
50 eleven-c-one, or eleven hundred eighty-b of this chapter, other than any
51 additional penalty imposed for failure to respond to a notice of liabil-
52 ity within the prescribed time period; and

53 (ii) any surcharge levied pursuant to a notice of violation issued in
54 accordance with sections eighteen hundred nine-a and eighteen hundred
55 nine-b of this chapter.

1 § 6. Subdivision 6 of section 242 of the vehicle and traffic law, as
2 added by chapter 515 of the laws of 2004, is amended to read as follows:

3 6. When charges have been overturned by a court or any other adminis-
4 trative body or officer, the party in whose favor the appeal is decided
5 shall be entitled to have returned an amount equal to any fine or penal-
6 ty imposed and collected from the parking violations bureau, less an
7 amount equal to any such penalty described in subparagraph (i) of para-
8 graph (b) of subdivision three-a of this section that was paid after the
9 time period to contest the notice of liability has expired, within thir-
10 ty days of the entry of the judgement; provided, however, that such
11 court, administrative body or officer shall have the authority to lessen
12 from such amount any debt owed by such party and shall apply this amount
13 to any outstanding fines and penalties owed by the same individual. If
14 payment is not made within thirty days, a penalty shall accrue at the
15 same rate as that imposed for failure to make timely payment of a fine
16 and shall be paid by the parking violations bureau; provided, however,
17 that in a city with a population of one million or more, where such
18 amount exceeds five thousand dollars, a court may extend the time for a
19 parking violations bureau to return such an amount to a reasonable peri-
20 od of time after entry of the judgment.

21 § 7. Subdivisions (a) and (b) of section 1204 of the vehicle and traf-
22 fic law, as amended by chapter 193 of the laws of 1974, are amended to
23 read as follows:
