1 activities at the school and up to thirty minutes immediately before and
2 up to thirty minutes immediately after such student activities. In
3 selecting a school speed zone in which to install and operate a photo
4 speed violation monitoring system, the city shall consider criteria
5 including, but not limited to, the speed data, crash history, and the
6 roadway geometry applicable to such school speed zone.

7 2. No photo speed violation monitoring system shall be used in a
8 school speed zone unless (i) on the day it is to be used it has success-
9 fully passed a self-test of its functions; and (ii) it has undergone an
10 annual calibration check performed pursuant to paragraph four of this
11 subdivision. The city shall install signs giving notice that a photo
12 speed violation monitoring system is in use to be mounted on advance
13 warning signs notifying motor vehicle operators of such upcoming school
14 speed zone and/or on speed limit signs applicable within such school
15 speed zone, in conformance with standards established in the MUTCD.

16 3. Operators of photo speed violation monitoring systems shall have
17 completed training in the procedures for setting up, testing, and oper-
18 ating such systems. Each such operator shall complete and sign a daily
19 set-up log for each such system that such operator operates that (i)
20 states the date and time when, and the location where, the system was
21 set up that day, and (ii) states that such operator successfully
22 performed, and the system passed, the self-tests of such system before
23 producing a recorded image that day. The city shall retain each such
24 daily log until the later of the date on which the photo speed violation
25 monitoring system to which it applies has been permanently removed from
26 use or the final resolution of all cases involving notices of liability
27 issued based on photographs, microphotographs, videotape or other
28 recorded images produced by such system.

29 4. Each photo speed violation monitoring system shall undergo an annu-
30 al calibration check performed by an independent calibration laboratory
31 which shall issue a signed certificate of calibration. The city shall
32 keep each such annual certificate of calibration on file until the final
33 resolution of all cases involving a notice of liability issued during
34 such year which were based on photographs, microphotographs, videotape
35 or other recorded images produced by such photo speed violation monitor-
36 ing system.

37 5. (i) Such demonstration program shall utilize necessary technologies
38 to ensure, to the extent practicable, that photographs, microphoto-
39 graphs, videotape or other recorded images produced by such photo speed
40 violation monitoring systems shall not include images that identify the
41 driver, the passengers, or the contents of the vehicle. Provided,
42 however, that no notice of liability issued pursuant to this section
43 shall be dismissed solely because such a photograph, microphotograph,
44 videotape or other recorded image allows for the identification of the
45 driver, the passengers, or the contents of vehicles where the city shows
46 that it made reasonable efforts to comply with the provisions of this
47 paragraph in such case.

48 (ii) Photographs, microphotographs, videotape or any other recorded
49 image from a photo speed violation monitoring system shall be for the
50 exclusive use of the city for the purpose of the adjudication of liabil-
51 ity imposed pursuant to this section and of the owner receiving a notice
52 of liability pursuant to this section, and shall be destroyed by the
53 city upon the final resolution of the notice of liability to which such
54 photographs, microphotographs, videotape or other recorded images
55 relate, or one year following the date of issuance of such notice of
56 liability, whichever is later. Notwithstanding the provisions of any

1 other law, rule or regulation to the contrary, photographs, microphoto-
2 graphs, videotape or any other recorded image from a photo speed
3 violation monitoring system shall not be open to the public, nor subject
4 to civil or criminal process or discovery, nor used by any court or
5 administrative or adjudicatory body in any action or proceeding therein
6 except that which is necessary for the adjudication of a notice of
7 liability issued pursuant to this section, and no public entity or
8 employee, officer or agent thereof shall disclose such information,
9 except that such photographs, microphotographs, videotape or any other
10 recorded images from such systems:

11 (A) shall be available for inspection and copying and use by the motor
12 vehicle owner and operator for so long as such photographs, microphoto-
13 graphs, videotape or other recorded images are required to be maintained
14 or are maintained by such public entity, employee, officer or agent; and

15 (B) (1) shall be furnished when described in a search warrant issued
16 by a court authorized to issue such a search warrant pursuant to article
17 six hundred ninety of the criminal procedure law or a federal court
18 authorized to issue such a search warrant under federal law, where such
19 search warrant states that there is reasonable cause to believe such
20 information constitutes evidence of, or tends to demonstrate that, a
21 misdemeanor or felony offense was committed in this state or another
22 state, or that a particular person participated in the commission of a
23 misdemeanor or felony offense in this state or another state, provided,
24 however, that if such offense was against the laws of another state, the
25 court shall only issue a warrant if the conduct comprising such offense
26 would, if occurring in this state, constitute a misdemeanor or felony
27 against the laws of this state; and

28 (2) shall be furnished in response to a subpoena duces tecum signed by
29 a judge of competent jurisdiction and issued pursuant to article six
30 hundred ten of the criminal procedure law or a judge or magistrate of a
31 federal court authorized to issue such a subpoena duces tecum under
32 federal law, where the judge finds and the subpoena states that there is
33 reasonable cause to believe such information is relevant and material to
34 the prosecution, or the defense, or the investigation by an authorized
35 law enforcement official, of the alleged commission of a misdemeanor or
36 felony in this state or another state, provided, however, that if such
37 offense was against the laws of another state, such judge or magistrate
38 shall only issue such subpoena if the conduct comprising such offense
39 would, if occurring in this state, constitute a misdemeanor or felony in
40 this state; and

41 (3) may, if lawfully obtained pursuant to this clause and clause (A)
42 of this subparagraph and otherwise admissible, be used in such criminal
43 action or proceeding.

44 (b) If the city of Mt. Vernon establishes a demonstration program
45 pursuant to subdivision (a) of this section, the owner of a vehicle
46 shall be liable for a penalty imposed pursuant to this section if such
47 vehicle was used or operated with the permission of the owner, express
48 or implied, within a school speed zone in violation of subdivision (c)
49 or during the times authorized pursuant to subdivision (a) of this
50 section in violation of subdivision (b), (d), (f) or (g) of section
51 eleven hundred eighty of this article, such vehicle was traveling at a
52 speed of more than ten miles per hour above the posted speed limit in
53 effect within such school speed zone, and such violation is evidenced by
54 information obtained from a photo speed violation monitoring system;
55 provided however that no owner of a vehicle shall be liable for a penal-
56 ty imposed pursuant to this section where the operator of such vehicle

1 has been convicted of the underlying violation of subdivision (b), (c),
2 (d), (f) or (g) of section eleven hundred eighty of this article.

18 4. The notice of liability shall be prepared and mailed by the city of
19 Mt. Vernon, or by any other entity authorized by the city to prepare and
20 mail such notice of liability.

21 (h) Adjudication of the liability imposed upon owners of this section
22 shall be by the city of Mt. Vernon parking violations bureau.

23 (i) If an owner receives a notice of liability pursuant to this
24 section for any time period during which the vehicle or the number plate

27 liability for a violation of subdivision (b), (c), (d), (f) or (g) of
28 section eleven hundred eighty of this article pursuant to this section
29 that the vehicle or the number plate or plates of such vehicle had been
30 reported to the police as stolen prior to the time the violation
31 occurred and had not been recovered by such time. For purposes of
32 asserting the defense provided by this subdivision, it shall be suffi-

42 of section eleven hundred eighty of this article pursuant to this
43 section, provided that:

44 (i) prior to the violation, the lessor has filed with such parking

51 identified in the notice of liability at the time of such violation,
52 together with such other additional information contained in the rental,
53 lease or other contract document, as may be reasonably required by such
54 bureau pursuant to regulations that may be promulgated for such purpose.

24 or (g) of section eleven hundred eighty of this article.

25 (m) Nothing in this section shall be construed to limit the liability
26 of an operator of a vehicle for any violation of subdivision (c) or (d)
27 of section eleven hundred eighty of this article.

28 (n) If the city adopts a demonstration program pursuant to subdivision
29 (a) of this section it shall conduct a study and submit an annual report
