AN ACT to amend the administrative code of the city of New York, in relation to enacting the New York city department of buildings community accountability act

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Legislative findings. The legislature hereby finds and
2 declares that the health and safety of the population living in and
3 around the many construction projects within the densely populated city
4 of New York is a matter of state concern as pressure mounts to build
5 more and more while completing projects in the shortest time possible.
6 Construction is the most dangerous occupation, with death rates four
7 times the average for other workers and conditions adjacent to
8 construction sites dangerous to the public.
9 A comprehensive public reporting system for the tracking of accidents,
10 vacate orders, safety violations, and enforcement actions of the depart-
11 ment of buildings is an essential component of assuring greater account-
12 ability and transparency in assuring compliance with the building code
13 and the zoning resolution to improve public safety.
14 § 2. This act shall be known and may be cited as the "New York city
15 department of buildings community accountability act".
16 § 3. Section 28-103.18.1 of the administrative code of the city of New
17 York, as amended by section 1 of part A of local law number 126 of the
18 city of New York for the year 2021, is amended to read as follows:
19 § 28-103.18.1 Complaint records. The department shall keep records of
20 complaints made by any person in reference to any building or other
21 matter under the jurisdiction of the department. Recorded complaints
22 shall include the name and residence of the complainant, the name of the

18 § 5. The administrative code of the city of New York is amended by
19 adding a new section 28-201.5 to read as follows:

21 dents. The department shall, not less than biannually, provide a report

25 immediately hazardous and specified major violations, the number of such
26 violations corrected, enforcement actions commenced, and the disposition
27 of enforcement actions, within the period, separated by community board
28 and borough president. Such enforcement actions shall include court
29 actions, orders of closure, and environmental control board actions and
30 orders, including fines and penalties. The report shall further show all
31 unsafe building orders, vacate orders, and stop work orders.

32 § 6. The administrative code of the city of New York is amended by
