

STATE OF NEW YORK

IN ASSEMBLY

May 17, 2024

Introduced by COMMITTEE ON RULES -- (at request of M. of A. L. Rosenthal) -- read once and referred to the Committee on Housing

AN ACT to amend the private housing finance law, in relation to creating an affordable housing relief fund program to preserve affordable multifamily residential properties located in New York state

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. The private housing finance law is amended by adding a new
2 article 33 to read as follows:

3 ARTICLE XXXIII

4 AFFORDABLE HOUSING RELIEF FUND PROGRAM

5 Section 1300. Statement of legislative findings.

6 1301. Definitions.

7 1302. Affordable housing relief fund program.

8 1303. Program criteria.

9 1304. Funding criteria.

10 1305. Affordability protection.

11 1306. Funding.

12 1307. Annual report.

13 § 1300. Statement of legislative findings. The legislature finds and
14 declares that there exists a serious shortage of safe and habitable
15 affordable housing in New York state for persons and families of low
16 income. A portion of the affordable, multifamily housing stock is in
17 operational and financial distress, threatening to exacerbate this shor-
18 tage. Rent collection losses, rising interest rates and insurance costs,
19 and other factors have caused significant increases in operating
20 expenses, which may jeopardize the availability to tenants of affordable
21 housing units or even the viability of some buildings. Existing preser-
22 vation program funding is limited, and distressed affordable housing
23 properties may not be eligible for such funding. The legislature there-
24 fore finds that a program should be established to provide needed capi-
25 tal funds and debt restructuring to ensure these distressed affordable
26 housing properties remain available to tenants.

EXPLANATION--Matter in italics (underscored) is new; matter in brackets
[-] is old law to be omitted.
