Introduced by COMMITTEE ON RULES -- (at request of M. of A. Jean-Pierre)
-- read once and referred to the Committee on Higher Education

AN ACT in relation to authorizing the state university of New York at Farmingdale to lease certain lands to the Farmingdale state development corporation

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Legislative findings. The legislature finds that the state
2 university of New York at Farmingdale ("Farmingdale") seeks to use
3 approximately 9.26 acres of underutilized land on Farmingdale's campus
4 for the purpose of multi-purpose facilities to support housing needs and
5 supporting amenities, fulfilling a necessary and vital public purpose.
6 The legislature further finds that granting the trustees of the state
7 university of New York ("Trustees") the authority and power to lease and
8 otherwise contract to make available grounds and facilities of the Farm-
9 ington campus will ensure such land is utilized for the benefit of
10 Farmingdale, the surrounding community, and the general public.

11 § 2. Notwithstanding any other law to the contrary, the state univer-
12 sity Trustees are authorized and empowered, without any public bidding,
13 to lease and otherwise contract to make available to Farmingdale state
14 development corporation, a not-for-profit corporation (the "ground
15 lessee"), a portion of the lands of the university generally described
16 in this act for the purpose of developing, constructing, maintaining and
17 operating multi-purpose facilities to support housing needs and support-
18 ing amenities. Such lease or contract shall be for a period not exceed-
19 ing ninety-nine years without any fee simple conveyance and otherwise
20 upon terms and conditions determined by such Trustees, subject to the
21 approval of the director of the division of the budget, the attorney
22 general and the state comptroller. In the event that the real property
23 that is the subject of such lease or contract shall cease to be used for
24 the purpose described in this act, such lease or contract shall imme-
25 diately terminate and the real property and any improvements thereon
26 shall revert to the state university of New York. Any lease or contract
27 entered into pursuant to this act shall provide that the real property

1 that is the subject of such lease or contract and any improvements ther-
2 eon shall revert to the state university of New York on the expiration
3 of such contract or lease. Any and all proceeds related to the leases
4 authorized by this act shall be used for the benefit of the Farmingdale
5 campus and the allocation of such proceeds shall be subject to approval
6 by the Trustees.

7 § 3. Any contract or lease entered into pursuant to this act shall be
8 deemed to be a state contract for purposes of article 15-A of the execu-
9 tive law, and any contractor, subcontractor, lessee or sublessee enter-
10 ing into such contract or lease for the construction, demolition, recon-
11 struction, excavation, rehabilitation, repair, renovation, alteration or
12 improvement authorized pursuant to this act shall be deemed a state
13 agency for the purposes of article 15-A of the executive law and subject
14 to the provisions of such article.

15 § 4. Notwithstanding any general, special or local law or judicial
16 decision to the contrary, all work performed on a project authorized by
17 this act where all or any portion thereof involves a lease or agreement
18 for construction, demolition, reconstruction, excavation, rehabili-
19 tation, repair, renovation, alteration or improvement shall be deemed
20 public work and shall be subject to and performed in accordance with the
21 provisions of article 8 of the labor law to the same extent and in the
22 same manner as a contract of the state, and compliance with all the
23 provisions of article 8 of the labor law shall be required of any
24 lessee, sublessee, contractor or subcontractor on the project, including
25 the enforcement of prevailing wage requirements by the fiscal officer as
26 defined in paragraph e of subdivision 5 of section 220 of the labor law
27 to the same extent as a contract of the state.

28 § 5. Notwithstanding any law, rule or regulation to the contrary, the
29 state university of New York shall not contract out to Farmingdale state
30 development corporation or any subsidiary for the instruction or any
31 pedagogical functions or services, or any administrative services, and
32 similar professional services currently being performed by state employ-
33 ees. All such functions and services shall be performed by state employ-
34 ees pursuant to the civil service law. Nothing in this act shall result
35 in the displacement of any currently employed state worker or the loss
36 of position (including partial displacement such as reduction in the
37 hours of non-overtime, wages or employment benefits), or result in the
38 impairment of existing contracts for services or collective bargaining
39 rights pursuant to existing agreements. All positions currently at the
40 state university of New York in the unclassified service of the civil
41 service law shall remain in the unclassified service. No services or
42 work on the property described in this act currently performed by public
43 employees or future work that is similar in scope and nature to the work
44 being currently performed by public employees shall be contracted out or
45 privatized by the state university of New York or by an affiliated enti-
46 ty or associated entity of the state university of New York. All such
47 future work shall be performed by public employees.

48 § 6. For the purposes of this act: (a) "project" shall mean work at
49 the property authorized by this act to be leased to Farmingdale state
50 development corporation as described in section twelve of this act that
51 involves the design, construction, reconstruction, demolition, exca-
52 vation, rehabilitation, repair, renovation, alteration or improvement of
53 Farmingdale state development corporation property.

54 (b) "project labor agreement" shall mean a pre-hire collective
55 bargaining agreement between a contractor and a labor organization,
56 establishing the labor organization as the collective bargaining repre-

1 tentative for all persons who will perform work on the project, and
2 which provides that only contractors and subcontractors who sign a pre-
3 negotiated agreement with the labor organization can perform project
4 work.

5 § 7. Nothing in this act shall be deemed to waive or impair any rights
6 or benefits of employees of the state university of New York that other-
7 wise would be available to them pursuant to the terms of agreements
8 between the certified representatives of such employees and the state of
9 New York pursuant to article 14 of the civil service law; all work
10 performed on such property that ordinarily would be performed by employ-
11 ees subject to article 14 of the civil service law shall continue to be
12 performed by such employees.

13 § 8. Notwithstanding the provisions of any general, special, or local
14 law or judicial decision to the contrary:

15 (a) Farmingdale state development corporation may require a contractor
16 awarded a contract, subcontract, lease, grant, bond, covenant or other
17 agreement for a project to enter into a project labor agreement during
18 and for the work involved with such project when such requirement is
19 part of Farmingdale state development corporation's request for
20 proposals for the project and when the Farmingdale state development
21 corporation determines that the record supporting the decision to enter
22 into such an agreement establishes that the interests underlying the
23 competitive bidding laws are best met by requiring a project labor
24 agreement including: obtaining the best work at the lowest possible
25 price; preventing favoritism, fraud and corruption; the impact of delay;
26 the possibility of cost savings; and any local history of labor unrest.

27 (b) If Farmingdale state development corporation does not require a
28 project labor agreement, then any contractor, subcontractor, lease,
29 grant, bond, covenant or other agreements for a project shall be awarded
30 pursuant to section 135 of the state finance law.

31 § 9. Without limiting the determination of the terms and conditions of
32 such contracts or leases, such terms and conditions may provide for
33 leasing, subleasing, construction, reconstruction, rehabilitation,
34 improvement, operation and management of and provision of services and
35 assistance and the granting of licenses, easements and other arrange-
36 ments with regard to such grounds and facilities by Farmingdale state
37 development corporation, and parties contracting with Farmingdale state
38 development corporation, and in connection with such activities, the
39 obtaining of funding or financing, whether public or private, unsecured
40 or secured (including, but not limited to, secured by leasehold mort-
41 gages and assignments of rents and leases), by Farmingdale state devel-
42 opment corporation and parties contracting with Farmingdale state devel-
43 opment corporation for the purposes of completing the project described
44 in this act.

45 § 10. Such lease shall include an indemnity provision whereby the
46 lessee or sublessee promises to indemnify, hold harmless and defend the
47 lessor against all claims, suits, actions, and liability to all persons
48 on the leased premises, including tenant, tenant's agents, contractors,
49 subcontractors, employees, customers, guests, licensees, invitees and
50 members of the public, for damage to any such person's property, whether
51 real or personal, or for personal injuries arising out of tenant's use
52 or occupation of the demised premises.

53 § 11. Any contracts entered into pursuant to this act between the
54 ground lessee and parties contracting with the ground lessee shall be
55 awarded by a competitive process.
