AN ACT to amend the cannabis law, in relation to authorizing a cannabis showcase event permit

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. The cannabis law is amended by adding a new section 130-a to read as follows:

§ 130-a. Cannabis showcase event permit. 1. When used in this section, "cannabis showcase event" shall mean an event where:

a licensee authorized to conduct retail sales of adult-use cannabis, cannabis products, and cannabis merchandise engages in the sale and showcase of such products away from the licensed premises in demonstrated partnership with a licensed New York state adult-use cannabis cultivator or processor, at showcase events located at farmers' markets and public markets as defined in section two hundred sixty of the agriculture and markets law or similar such locations, as authorized by the office.

2. A licensee authorized under this chapter to conduct retail sales of adult-use cannabis may apply to the office for a cannabis showcase event permit and shall be required to demonstrate that they are in partnership with a licensed cultivator or processor. An application for a cannabis showcase event permit shall identify licensees who are authorized under this chapter to showcase at such cannabis showcase event.

3. A cannabis showcase event permit shall authorize: (a) the permitted licensee, authorized under this chapter to conduct retail sales of adult-use cannabis, adult-use cannabis products, and cannabis merchandise, and (b) the permitted licensee, authorized under this chapter to cultivate and process adult-use cannabis, to showcase their adult-use cannabis and cannabis products, for a temporary period of time, at a cannabis showcase event.

4. A separate cannabis showcase event permit shall be required for each showcase event at which a cannabis showcase event is being held.

5. No cannabis showcase event permit shall authorize more than one cannabis showcase event at one time. A licensee may participate in more than one cannabis showcase event so long as each cannabis showcase event has a corresponding separate cannabis showcase event permit.

6. Notwithstanding any other provision of this chapter, a cannabis showcase event permit shall be valid for no more than fourteen days.

7. The board may set reasonable fees for cannabis showcase event permits. Such fees may be based on the type of cannabis showcase event permit sought, size, length, duration, or any other factors deemed reasonable and appropriate by the board to achieve the policy and purpose of this chapter.

8. Permitted licensees shall comply with all reporting requirements, including required sales reporting, and all other requirements set forth in regulations, and any noncompliance by such permitted licensees shall subject such permitted licensees to applicable fees, fines and penalties.

9. The board shall promulgate regulations to implement this section.

§ 2. This act shall take effect immediately.
