11 act.

12 5. Appointment. (a) If the court determines after a hearing that the

30 conditions for receivership set forth in section three of this act have  
31 been established, but the owner represents that the conditions,  
32 violations or nuisance, or emergency condition will be abated in a  
33 reasonable period, the court may allow the owner to proceed to remedy  
34 the conditions.

35 (b) If the conditions set forth in paragraph (a) of this subdivision  
36 have been satisfied, the court shall enter an order providing that, in  
37 the event that the violations or nuisance or emergency conditions are

46 (ii) the owner elects to either:

47 (A) remedy all violations and nuisance or emergency conditions; or

48 (B) sell the property subject to the receivership, the owner shall  
49 reimburse the petitioner for all costs incurred by the petitioner in  
50 preparing and filing the petition in accordance with the requirements of  
51 section four of this act and the receiver or developer's fee.

52 7. Receiver's lien. The receiver may file a lien against the property

7 under this act.

8 § 6. Powers and duties of the receiver. 1. Full powers and duties. The  
9 receiver shall have all powers and duties necessary or desirable for the  
10 efficient operation, management, and improvement of the building in  
11 order to bring it into compliance with all municipal building and hous-

13 under this act. Such powers and duties shall include, but not be limited  
14 to, the power to:

20 the building and all other property subject to the receivership;

21 (d) contract for the repair and maintenance of the building. The  
22 contracts shall be appropriately documented and included in the reports  
23 and accounting which the receiver is required to submit or file under  
24 the provisions of this act. The receiver shall make a reasonable effort  
25 to solicit three bids for contracts valued at more than \$25,000 except  
26 when the receiver or developer provides or obtains financing for the  
27 receivership;

28 (e) borrow money and incur credit in accordance with section eight of  
29 this act;

43 (l) apply for and receive public grants or loans;

44 (m) sell the building in accordance with section nine of this act; and

45 (n) exercise all authority that an owner of the building would have to  
46 improve, maintain, and otherwise manage the building, including the  
47 extent to which rehabilitation will satisfy the goals of the receiver-  
48 ship.

49 2. Affirmative duty. While in possession of the building, the receiver  
50 shall:

51 (a) maintain, safeguard and insure the building;

52 (b) apply all revenue generated from the building consistent with the  
53 provisions of this act;

54 (c) develop a final plan for abatement of the conditions which caused

1 developed, to develop alternatives, including the closing, sealing, or  
2 demolition of all or part of the building;

3 (d) when the building has been designated as a historic property,  
4 rehabilitate architectural features that define the property's historic

23 3. Hearing on receiver's final plan for abatement. (a) At the time the  
24 court appoints a receiver, the receiver may present and the court may  
25 approve the final plan for abatement. If no plan is presented at that  
26 hearing, a hearing date on the receiver's final plan for abatement shall  
27 be set within 120 days of the appointment.

28 (b) 30 days prior to the date of the hearing, the receiver shall  
29 submit the plan to the court, and to all parties to the action.

30 (c) The plan shall include a cost estimate, a financing plan, and

34 (d) The plan shall conform with all existing municipal codes, duly  
35 adopted plans for the area, and historic preservation requirements.

36 (e) At the time of the hearing, all parties shall be allowed to

38 eration when assessing the feasibility of the plan and the proposed  
39 financing. In making its assessment, the court shall give reasonable  
40 regard to the receiver's determination of the scope and necessity of  
41 work to be done for the rehabilitation or demolition of the building in  
42 approving the final plan and in approving the costs of receivership and  
43 sale of the property.

44 (f) Within 15 days of the hearing, the court shall issue a decision  
45 approving the plan or requiring that the plan be amended.

46 (g) If the court decision requires that the plan be amended, a hearing

51 the final plan.

52 § 7. Ownership of property. 1. Ownership interest of the receiver. A  
53 receiver appointed under section five of this act shall be deemed to

55 purposes of filing plans with public agencies and boards, seeking and

1 obtaining construction permits and other approvals and submitting appli-  
2 cations for financing or other assistance to public or private entities.

3 2. Liability of owner. Notwithstanding the appointment of a receiver  
4 under section five of this act, nothing in this act shall be construed  
5 to relieve the owner of any civil or criminal liability or of any obli-  
6 gation to pay taxes, municipal liens and charges, mortgages, private  
7 liens or other fees or charges, whether incurred before or after the  
8 appointment of the receiver and no such liability shall be transferred  
9 to the receiver.

10 3. Limitation of the receiver's environmental liability. (a) Notwith-  
11 standing any law to the contrary, the receiver shall not be held liable  
12 for any environmental damage to the building or the real property upon  
13 which the building is located that existed prior to the appointment by  
14 the court of the receiver.

15 (b) Paragraph (a) of this subdivision shall not apply to the owner or  
16 any other person or entity regarding the building and its real property  
17 that is subject to an appointed receiver under this act.

18 § 8. Incurring indebtedness. 1. Borrowing. From time to time, a  
19 receiver may borrow money or incur indebtedness in order to cover the  
20 costs of rehabilitation or otherwise fulfill the receiver's obligations  
21 under this act.

22 2. Liens. In order to facilitate the borrowing of funds for the costs  
23 of rehabilitation, the court may grant priority status to a lien given  
24 to secure payment on a debt incurred for purposes authorized under this  
25 act, provided that:

26 (a) the receiver sought to obtain the necessary financing from the  
27 senior, nongovernmental lienholder, but the lienholder declined to  
28 provide financing for reasonable improvements or other costs of rehabil-  
29 itation on reasonable terms; and

30 (b) lien priority is necessary in order to induce another lender to  
31 provide financing on reasonable terms.

32 3. Lien status of rehabilitation expenses. Should the senior lienhold-  
33 er agree to provide financing for the costs of rehabilitation, any funds  
34 lent to cover the costs shall be deemed to be added to the senior  
35 lienholder's preexisting first lien.

36 4. Approval of financing. The court may approve financing for the  
37 costs of rehabilitation, the terms of which may include deferred repay-  
38 ment and use restrictions. The terms of the financing may remain with  
39 the property after the receivership has ended and be assumed by any of  
40 the following:

41 (a) the owner, if the owner regains possession of the property under  
42 section ten of this act; or

43 (b) the buyer who takes title under section nine of this act.

44 § 9. Sale of property. 1. Sale by owner or lienholder. If a property

46 lienholder or if any interest therein is transferred, such sale, fore-  
47 closure, or transfer shall be subject to the receivership.

48 2. Sale by receiver. Upon application of the receiver, the court may  
49 order the sale of the property if the court finds that:

50 (a) notice and an opportunity to provide comment to the court was  
51 given to each record owner of the property and each lienholder;

52 (b) the receiver has been in control of the building for more than  
53 three months and the owner has not successfully petitioned to terminate  
54 the receivership under section ten of this act; and

55 (c) the terms and conditions of the sale are acceptable to the court  
56 and the buyer has a reasonable likelihood of maintaining the property.

1 3. Sale free and clear. (a) The court may authorize the receiver to  
2 sell the building free and clear of all liens, claims, and encumbrances,  
3 provided that the proceeds of the sale are distributed pursuant to  
4 subdivision four of this section at settlement.

5 (b) In the event that the proceeds of the sale are insufficient to pay  
6 all existing liens, claims, and encumbrances, the proceeds shall be  
7 distributed according to the priorities set forth in subdivision four of  
8 this section and all unpaid liens, claims, or encumbrances which have  
9 not been assumed under subdivision four of section eight of this act  
10 shall be extinguished.

11 4. Distribution. The proceeds of the sale shall be applied in accord-  
12 ance with the following priorities to:

14 (b) liens of the state, liens for unpaid property taxes and properly  
15 recorded municipal liens;

16 (c) costs and expenses of sale;

21 tion in accordance with the requirements of section four of this act;

22 (f) costs of rehabilitation and any fees and expenses incurred by the  
23 receiver in connection with the sale or the safeguarding of the property  
24 for which the lien authorized under subdivision seven of section five of  
25 this act was filed;

26 (g) valid liens and security interests in accordance with their prior-  
27 ity;
