AN ACT to amend the education law, in relation to the dispensing of self-administered hormonal contraceptives

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. Section 6527 of the education law is amended by adding a new subdivision 11 to read as follows:

11. A licensed physician may prescribe and order a non-patient specific regimen to a pharmacist licensed and located in the state, pursuant to regulations promulgated by the commissioner, and consistent with section sixty-eight hundred one of this title, for dispensing self-administered hormonal contraceptives as defined in section sixty-eight hundred two of this title.

§ 2. Section 6802 of the education law is amended by adding a new subdivision 29 to read as follows:

29. "Self-administered hormonal contraceptives", for the purpose of section sixty-eight hundred one of this article, means self-administered contraceptive medications or devices approved by the federal Food and Drug Administration to prevent pregnancy by using hormones to regulate or prevent ovulation, and includes oral hormonal contraceptives, hormonal contraceptive vaginal rings and hormonal contraceptive patches.

§ 3. Section 6801 of the education law is amended by adding a new subdivision 9 to read as follows:

9. a. A pharmacist licensed and located in the state may dispense a non-patient specific regimen of self-administered hormonal contraceptives, prescribed or ordered by a licensed physician or certified nurse

1 practitioner or the commissioner of health, pursuant to rules and regu-  
2 lations promulgated by the commissioner, in accordance with the  
3 provisions of this subdivision.

4 b. Prior to dispensing self-administered hormonal contraceptives to a  
5 patient, and at a minimum of every twelve months for each returning  
6 patient, the pharmacist shall:

7 (i) provide the patient with a self-screening risk assessment ques-  
8 tionnaire, developed by the commissioner of health in consultation with  
9 the commissioner and made available in English by covered pharmacies as  
10 defined in subdivision one of section sixty-eight hundred twenty-nine  
11 of this article in the pharmacy primary languages as defined in para-  
12 graph (e) of subdivision one of section sixty-eight hundred twenty-nine  
13 of this article, to be utilized and assessed by the pharmacist to assist  
14 the patient in selecting an appropriate self-administered hormonal  
15 contraceptive; and

16 (ii) provide the patient with a fact sheet, developed by the commis-  
17 sioner of health and made available in English and by covered pharmacies  
18 as defined in subdivision one of section sixty-eight hundred twenty-nine  
19 of this article in the pharmacy primary languages as defined in para-  
20 graph (e) of subdivision one of section sixty-eight hundred twenty-nine  
21 of this article, that includes but is not limited to, the clinical  
22 considerations and recommendations for use of the self-administered  
23 hormonal contraceptive, the appropriate method for using such hormonal  
24 contraceptive, information on the importance of follow-up health care,  
25 health care referral information, and the ability of the patient to opt  
26 out of practitioner reporting requirements.

27 c. The commissioner may require pharmacists to undergo training  
28 related to the provisions of this subdivision.

29 d. A pharmacist shall notify the patient's primary health care practi-  
30 tioner, unless the patient opts out of such notification, within seven-  
31 ty-two hours of dispensing a self-administered hormonal contraceptive,  
32 that such self-administered hormonal contraceptive has been dispensed.  
33 If the patient does not have a primary health care practitioner, or is  
34 unable to provide contact information for their primary health care  
35 practitioner, the pharmacist shall provide the patient with a written  
36 record of the contraceptives dispensed, and advise the patient to  
37 consult an appropriate health care practitioner.

38 e. Nothing in this subdivision shall prevent a pharmacist from refus-  
39 ing to dispense a non-patient specific regimen of self-administered  
40 hormonal contraceptive pursuant to this subdivision if, in their profes-  
41 sional judgment, potential adverse effects, interactions or other thera-  
42 peutic complications could endanger the health of the patient.

43 § 4. Section 6909 of the education law is amended by adding a new  
44 subdivision 11 to read as follows:

45 11. A certified nurse practitioner may prescribe and order a non-pa-  
46 tient specific regimen to a pharmacist licensed and located in the  
47 state, pursuant to regulations promulgated by the commissioner, and  
48 consistent with section sixty-eight hundred one of this title, for  
49 dispensing self-administered hormonal contraceptives as defined in  
50 section sixty-eight hundred two of this title.

51 § 5. This act shall take effect eighteen months after it shall have  
52 become a law. Effective immediately, the addition, amendment and/or  
53 repeal of any rule or regulation necessary for the implementation of  
54 this act on its effective date are authorized to be made and completed  
55 on or before such effective date.
