STATE OF NEW YORK

1115

2023-2024 Regular Sessions

IN ASSEMBLY

January 13, 2023

Introduced by M. of A. L. ROSENTHAL -- read once and referred to the Committee on Transportation

AN ACT to amend the vehicle and traffic law, in relation to requiring child restraint systems to be equipped with sensor technology to alert drivers of the presence of a child

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. The vehicle and traffic law is amended by adding a new section 1229-e to read as follows:

§ 1229-e. Child car restraint system sensor. 1. For purposes of this section, the following terms shall have the following meanings:

(a) "Child restraint system" shall have the same meaning as defined in paragraph (b) of subdivision four of section twelve hundred twenty-nine-c of this article.

(b) "Motor vehicle" shall have the same meaning as defined in paragraph (a) of subdivision four of section twelve hundred twenty-nine-c of this article.

2. (a) All child restraint systems sold by or through any retail business entity shall be required to be fixed with sensor technology which shall monitor the presence of a child in such child restraint systems.

(b) Such sensor technology shall work in conjunction with a receiver connected to a mobile application accessible by the driver or owner of the motor vehicle through a mobile device or via a motor vehicle's diagnostics port to notify the driver to the presence of a child secured in the child restraint system. When a child is secured in the child restraint system, the sensor technology shall notify the driver of the motor vehicle of the child's presence through an alert:

(i) upon turning off the ignition at the end of a trip; or

(ii) if the child restraint system is not properly secured during a trip.

§ 2. This act shall take effect immediately.

EXPLANATION--Matter in *italics* (underscored) is new; matter in brackets [-] is old law to be omitted.
