Introduced by M. of A. L. ROSENTHAL -- read once and referred to the Committee on Higher Education

AN ACT to amend the education law, in relation to requiring opioid training for medical professionals to reduce patient opioid abuse and reliance

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. The education law is amended by adding a new section 6505-e 1 2 to read as follows: § 6505-e. Course work or training to address patient substance use 3 4 disorders. 1. Every registered nurse, licensed practical nurse, and nurse practitioner practicing in the state who provides direct medical 5 services to patients in this state shall, on or before July first, two 6 7 thousand twenty-four and every registration period thereafter, complete 8 at least two hours of course work or training on ways to prevent or 9 address patient substance use disorder in the provision of medical 10 services in accordance with regulated standards promulgated by the department, in consultation with the department of health and the office 11 12 of addiction services and supports. Such training shall be updated as 13 necessary according to best practices for providing patient-centered 14 care with consideration given to social determinants of health and 15 co-occurring disorders. Course work or training shall include, but not 16 be limited to: techniques for managing pain; prevention, screening and signs of substance use disorders; appropriate responses to substance use 17 18 disorders; techniques that will reduce the likelihood of overdose and 19 the spread of blood-borne diseases by those who use drugs; and medica-20 tions used for the treatment of substance use disorders. In promulgating 21 regulatory standards pursuant to this section the department is advised 22 to consult with organizations representative of professions, insti-23 tutions and those with expertise in harm reduction strategies and in the 24 treatment of substance use disorders.

EXPLANATION--Matter in <u>italics</u> (underscored) is new; matter in brackets [-] is old law to be omitted.

1	2. As used in this section, "acceptable formal continuing education"
2	shall mean formal programs of learning which contribute to professional
3	practice and which meet the standards prescribed by regulations of the
4	commissioner. To fulfill the mandatory continuing education requirement,
5	programs must be taken from sponsors having the facilities, equipment,
б	and financial and physical resources to provide continuing education
7	courses, approved by the department, pursuant to the regulations of the
8	commissioner. Continuing education may be provided in an internet-based
9	course format as approved by the department.
10	3. Each such professional shall attest to the department at the time
11	of registration commencing with the first registration after July first,
12	two thousand twenty-four that the professional has completed course work
13	or training in accordance with this section.
14	4. The department shall provide an exemption from this requirement to
15	anyone who requests such an exemption and who:
16	a. clearly demonstrates to the department's satisfaction that there
17	would be no need for him or her to complete such course work or training
18	because of the nature of his or her practice;
19	b. has completed course work or training deemed by the department to
20	be equivalent to the course work or training approved by the department
21	pursuant to this section; or
22	c. is a medical professional who is on a tour of extended active duty
23	with the armed forces of the United States.
24	5. The commissioner is authorized to promulgate regulations to imple-
25	ment the provisions of this section.
26	6. Any person subject to the provisions of this section, who falsely
27	attests to having completed the required course work or training shall
28	be subject to professional misconduct as provided by subdivision twen-
29	ty-one of section sixty-five hundred thirty of this title and subdivi-
30	sion nine of section sixty-five hundred nine of this title.
31	§ 2. Section 7607 of the education law is amended by adding a new
32	subdivision 2-a to read as follows:
33	2-a. Every psychologist practicing in the state shall complete at
34	least two hours of course work or training, as part of mandatory contin-
35	uing education requirements, on ways to prevent or address substance use
36	disorder in the provision of psychological services in accordance with
37	regulated standards promulgated by the department, in consultation with
38	the department of health and the office of addiction services and
39	supports. Such training shall be updated as necessary according to best
40	practices for providing patient-centered care. Course work or training
41	shall include, but not be limited to: pain management; prevention,
42	screening and signs of substance use disorders; appropriate responses to
43	substance use disorders; and harm reduction strategies. In promulgating
44	regulatory standards pursuant to this section the department is advised
45	to consult with organizations representative of professions, insti-
46	tutions and those with expertise in harm reduction strategies and in the
47	treatment of substance use disorders.
48	§ 3. Section 7710 of the education law is amended by adding a new
49	subdivision 2-a to read as follows:
50	<u>2-a. Every licensed master social worker or licensed clinical social</u>
51	worker practicing in the state shall complete at least two hours of
52	course work or training, as part of mandatory continuing education
53	requirements, on ways to prevent or address substance use disorder in
54	accordance with regulated standards promulgated by the department, in
55	consultation with the department of health and the office of addiction
56	services and supports. Such training shall be updated as necessary
