AN ACT to amend the civil practice law and rules, in relation to providing a testimonial privilege to critical incident stress management/crisis response/peer support team members concerning communications made during critical incident stress management/crisis response services

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. The civil practice law and rules is amended by adding a new section 4508-a to read as follows:

§ 4508-a. Critical incident stress management/crisis response/peer support team member. (a) Definitions. As used in this section the following terms shall have the following meanings:

1. "Emergency services provider" means any individual working or volunteering in the following service capacities; law enforcement, fire-fighting, emergency medical services, communications/dispatch services, public safety, disaster/emergency managers and disaster responders.

2. "Critical incident stress management/crisis response services/peer support" means contact with a trained member of an organized emergency response team who provides intervention, support, consultation, risk assessment, referral and follow-up services.

3. "A trained member" means an individual who received specialized training in critical incident stress management/crisis response/peer support and offers services as part of an organized emergency response team.

4. "Critical incident stress management/crisis response/peer support" means a comprehensive, integrated, strategic and multi-component approach to manage critical incident stress during and following incidents and/or for any issue that may impact work and family life. Crit-
